DEFINITIONS

Debtor

A debtor is the person, corporation, or other entity that has filed a bankruptcy case.

Creditor

A creditor is a person, corporation, or other entity owed a debt by the debtor on the date of the bankruptcy filing.

Claim

A claim is the creditor's right to receive payment on a debt owed by the Debtor on the date of the bankruptcy filing. See 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Proof of Claim

A proof of claim is a form used by the creditor to indicate the amount of the debt owed by the debtor on the date of the bankruptcy filing. The creditor must file the form with the BMC Group as described in the instructions above and in the Bar Date Notice.

Secured Claim Under 11 U.S.C. §506(a)

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim. Examples of liens on property include a mortgage on real estate or a security interest in a car.

A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

Unsecured Claim

An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

Claim Entitled to Priority Under 11 U.S.C. §507(a)

Priority claims are certain categories of unsecured claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

Redacted

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor should redact and use only the last four digits of any social-security, individual's tax-identification, or financial-account number, all but the initials of a minor's name and only the year of any person's date of birth.

Evidence of Perfection

Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

INFORMATION

Acknowledgment of Filing of Claim

To receive acknowledgment of your filing from the BMC Group, please provide a self-addressed stamped envelope and a copy of this proof of claim when you submit the original claim to the BMC Group.

Offers to Purchase a Claim

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.

EXPLANATIONS

Filing of Chapter 11 Bankruptcy Case	<p>Bankruptcy cases under Chapter 11 of the Bankruptcy Code (title 11, United States Code) have been filed in this court by the debtors listed on the front side, and orders for relief have been entered. Chapter 11 allows a debtor to reorganize or liquidate pursuant to a plan. A plan is not effective unless confirmed by the court. You may be sent a copy of the plan and a disclosure statement telling you about the plan, and you might have the opportunity to vote on the plan. You will be sent a notice of the date of confirmation hearing, and you may object to confirmation of the plan and attend the confirmation hearing. Unless a trustee is serving, the debtor will remain in possession of the debtor's property and may continue to operate any business.</p>
Legal Advice	<p>The staff of the bankruptcy clerk's office cannot give legal advice. Consult a lawyer to determine your rights in these cases.</p>
Creditors Generally May Not Take Certain Actions	<p>Prohibited collection actions are listed in Bankruptcy Code § 362. Common examples of prohibited actions include contacting the debtor by telephone, mail or otherwise to demand repayment; taking actions to collect money or obtain property from the debtor; repossessing the debtor's property; and starting or continuing lawsuits or foreclosures. Under certain circumstances, the stay may be limited to 30 days or not exist at all, although the debtor can request the court to extend or impose a stay.</p>
Meeting of Creditors	<p>A meeting of creditors is scheduled for the date, time and location listed on the front side. <i>The debtor's representative must be present at the meeting to be questioned under oath by the trustee and by creditors.</i> Creditors are welcome to attend, but are not required to do so. The meeting may be continued and concluded at a later date without further notice. The court, after notice and a hearing, may order that the United States trustee not convene the meeting if the debtor has filed a plan for which the debtor solicited acceptances before filing the case.</p>
Claims	<p>A Proof of Claim is a signed statement describing a creditor's claim. If a Proof of Claim form is not included with this notice, you can obtain one at any bankruptcy clerk's office. You may look at the schedules that have been or will be filed at the bankruptcy clerk's office. If your claim is scheduled and is not listed as disputed, contingent, or unliquidated, it will be allowed in the amount scheduled unless you filed a Proof of Claim or you are sent further notice about the claim. Whether or not your claim is scheduled, you are permitted to file a Proof of Claim. If your claim is not listed at all or if your claim is listed as disputed, contingent, or unliquidated, then you must file a Proof of Claim or you might not be paid any money on your claim and may be unable to vote on the plan. A secured creditor retains rights in its collateral regardless of whether that creditor files a Proof of Claim. Filing a Proof of Claim submits the creditor to the jurisdiction of the bankruptcy court, with consequences a lawyer can explain. For example, a secured creditor who files a Proof of Claim may surrender important nonmonetary rights, including the right to a jury trial. Filing Deadline for a Creditor with a Foreign Address: The deadlines for filing claims set forth on the front of this notice apply to all creditors. If this notice has been mailed to a creditor at a foreign address, the creditor may file a motion requesting the court to extend the deadline.</p>
Discharge of Debts	<p>Confirmation of a chapter 11 plan may result in a discharge of debts, which may include all or part of your debt. See Bankruptcy Code § 1141(d). A discharge means that you may never try to collect the debt from the debtor, except as provided in the plan. If you believe that a debt owed to you is not dischargeable under Bankruptcy Code § 1141(d)(6)(A), you must start a lawsuit by filing a complaint in the bankruptcy clerk's office by the "Deadline to File a Complaint to Determine Dischargeability of Certain Debts" listed on the front side. The bankruptcy clerk's office must receive the complaint and any required filing fee by that Deadline.</p>
Bankruptcy Clerk's Office	<p>Any paper that you file in this bankruptcy case should be filed at the bankruptcy clerk's office at the address listed on the front side. You may inspect all papers filed, including the list of the debtor's property and debts and the list of the property claimed as exempt, at the bankruptcy clerk's office.</p>
Creditor with a Foreign Address	<p>Consult a lawyer familiar with United States bankruptcy law if you have any questions regarding your rights in these cases.</p>

(a) Subject to Subsections (b) and (c) below, Subcontractor will defend, indemnify and hold harmless Contractor, Owner and Architect/Engineer, and their respective officers, directors, partners, members, agents, and employees (each, an "Indemnitee" and collectively, the "Indemnitees") from and against any and all claims, demands, obligations, actions, causes of action, damages, costs, losses, liabilities and expenses (including, without limitation, attorneys' fees and costs and other litigation, mediation, arbitration, or dispute resolution expenses), arising from or in any way connected with Subcontractor's performance or non-performance of this Subcontract (all of the foregoing being referred to as "Claims"). Any such defense of an Indemnitee will be provided by Subcontractor by legal counsel reasonably satisfactory to such Indemnitee. Subject to Subsections (b) and (c) below, Subcontractor's obligations to defend and indemnify (i) include (without limitation) all Claims, whether occurring before, during or after the performance of this Subcontract, which arise from or relate to the activities, products, actions or omissions of Subcontractor, its Sub-subcontractors, anyone directly or indirectly employed by them, or anyone for whose acts any of them may be liable (collectively, the "Subcontractor Parties"); (ii) shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for Subcontractor or any Subcontractor Party under workers' or workman's compensation acts, disability acts, other employee benefits acts, or any insurance required to be carried by Subcontractor under the Subcontract Documents; (iii) specifically and expressly include (without limitation) any Claims caused in part by the negligence (whether active or passive) or other misconduct of any Indemnitee; and (iv) shall be triggered by the assertion of a Claim against any Indemnitee without the requirement that it first be determined that Subcontractor or any Subcontractor Party was negligent or otherwise at fault or that the Claim has any merit. Subcontractor's failure to procure specific contractual liability and other types of insurance for the benefit of any Indemnitee, as required under the Subcontract Documents, will not render the foregoing provisions unenforceable under any applicable law.

(b) Notwithstanding the provisions of Subsection (a) above, Subcontractor is not obligated to indemnify an Indemnitee for a Claim which is ultimately determined, upon final adjudication, settlement or other resolution of the Claim ("Finally Determined"), to have been caused solely by the active negligence or willful misconduct of that Indemnitee; provided, however, that this exception does not limit or relieve Subcontractor's defense obligations prior to the Claim being so Finally Determined or Subcontractor's obligations to indemnify all other Indemnitees which are not Finally Determined to have participated in such negligence or misconduct.

(c) The parties intend that Subcontractor's indemnity and defense obligations under this Subcontract will be enforced to the fullest extent allowable under applicable laws, and agree that if any of the provisions of this Section are, to any extent, held to be invalid, illegal or unenforceable for any reason, any remaining portion thereof and all other provisions of this Section will not be affected by such holding, but will remain valid and in force to the fullest extent permitted by law.

Section 5. Waiver.

Subcontractor hereby waives the benefits of, and Subcontractor's rights under, California Business and Professions Code Section 7108.5 to the fullest extent the same may be waived by Subcontractor under applicable Laws.

Section 6. SWPPP.

Subcontractor shall comply with (i) all applicable water quality Laws, including those enforced by the California State Water Resources Control Board (the "SWRCB") and the Regional Water Quality Control Board (Region 9); (ii) the National Pollutant Discharge Elimination System and the Waste Discharge Requirements for Discharges of Storm Water Runoff Associated with Construction Activity (SWRCB Order No. 99-08-DWQ) and all amendments and modifications thereto; (iii) any Storm Water Pollution Prevention Plan applicable to the Project (as modified from time to time, the "SWPPP") and all associated Best Management Practices; and (iv) City and/or County ordinances, guidelines, and manuals applicable to stormwater discharges from construction sites. If Subcontractor observes any violation of any Laws, it shall immediately correct such violation. Any Work performed by Subcontractor that is not in compliance with applicable Laws shall be redone in compliance with applicable Laws at Subcontractor's sole expense. The SWPPP is a part of the Subcontract Documents.

Section 7. California License Law.

CONTRACTORS ARE REQUIRED BY LAW TO BE LICENSED AND REGULATED BY THE CONTRACTORS' STATE LICENSE BOARD WHICH HAS JURISDICTION

TO INVESTIGATE COMPLAINTS AGAINST CONTRACTORS IF A COMPLAINT REGARDING A PATENT ACT OR OMISSION IS FILED WITHIN FOUR YEARS OF THE DATE OF THE ALLEGED VIOLATION. A COMPLAINT REGARDING A LATENT ACT OR OMISSION PERTAINING TO STRUCTURAL DEFECTS MUST BE FILED WITHIN 10 YEARS OF THE DATE OF THE ALLEGED VIOLATION. RIDER C

This Rider C is attached to and made a part of the Subcontract between **OPUS West Construction Corporation**, and **Hufcor Airwall** dated 09/09/2008. All capitalized terms used but not defined in this Rider "C" have the meaning ascribed to them in the Subcontract or General Conditions of Subcontract, as applicable.

- 1 Liability/Worker's Compensation Insurance. Prior to commencing the Work, Subcontractor shall purchase and maintain during the progress of the Work and any periods of warranty and additional work performed by Subcontractor, insurance that will protect against claims for bodily injury, death, damage to property or other damages arising out of or in connection with the performance of the Work (including warranty and additional work) by Subcontractor, Sub-subcontractor or by anyone employed by any of them, or by anyone for whose acts any of them may be liable. Subcontractor's liability insurance may be maintained in a combination of primary and umbrella policies, and the cost of such insurance shall be included in the Subcontract Sum. Subcontractor's policies of insurance shall have the following minimum limits, coverage and requirements:

(a) Workers' Compensation	Statutory Limits
Employer's Liability, including "Stop Gap" coverage and USL&H if applicable	\$1,000,000 each accident \$1,000,000 disease-policy limit \$1,000,000 disease-each employee
Commercial General Liability (Electrical, HVAC, Plumbing, Fire Protection Sprinkler, Steel Erection, Elevator, Excavating, Roofing, Foundation and Curtain Wall Subcontractors)	\$5,000,000 each occurrence \$5,000,000 products/completed operations aggregate \$5,000,000 general aggregate minimum \$2,000,000 per project)
Commercial General Liability (All Other Subcontractors)	\$2,000,000 each occurrence \$2,000,000 products/completed operations aggregate \$2,000,000 general aggregate (per project)
Commercial Automobile Liability	\$1,000,000 any one accident or loss
Professional Liability (to the extent required of Subcontractor under the Subcontract Documents)	\$1,000,000 each claim \$1,000,000 annual aggregate

- (b) The Commercial General Liability insurance required under Paragraph 1(a) will (i) be on ISO Form CG 00 01 or its equivalent, (ii) include coverage for products/completed operations, (iii) be maintained for a period of three (3) years after completion of the Work, (iv) specifically cover as "insured contracts" the Subcontractor's indemnity obligations as set forth in this Subcontract and other contractual indemnities assumed by the Subcontractor under the Subcontract Documents and (v) provide a \$2,000,000 minimum general aggregate limit of liability on a per project basis.

The Commercial Automobile Liability insurance required under Paragraph 1(a) will include coverage for all owned, hired and non-owned automobiles. Professional Liability, if applicable to the Subcontractor's Work, shall be maintained for a period of three (3) years after completion of the Work. Any retroactive date on such Professional Liability policy shall be prior to the commencement of any Work under this Subcontract.

- (c) Employer's Liability, Commercial General Liability and Automobile Liability insurance may be arranged under separate policies for the full minimum limits required, or by a combination of underlying policies with the balance provided by an Excess or Umbrella Liability policy.
- (d) The Subcontractor shall endorse its Commercial General Liability, Commercial Automobile Liability, and Umbrella/Excess Liability policies to add the Contractor and the Owner (and others as specifically required by the Subcontract Documents) as "additional insureds". Such insurance afforded to the Contractor and the Owner as "additional insureds" under the Subcontractor's policies will be primary insurance and not excess over, or contributing with, any insurance purchased or maintained by the Contractor or the Owner. The "additional insured" endorsement to Subcontractor's Commercial General Liability policy will be on ISO Form 20 10 07 04 and 20 37 07 04 or their equivalent and will include coverage for ongoing and completed operations.
- (e) All insurance policies required under Paragraph 1 or the Subcontract Documents will (i) be issued by insurance companies that have an A.M. Best rating of A- VII or better and (ii) contain a provision that coverage afforded thereunder shall not be cancelled or restrictive modifications added, without thirty (30) days prior written notice by certified mail to the Contractor. If Subcontractor fails to purchase and maintain the insurance coverage required herein, Contractor may, but shall not be obligated to, obtain such insurance and either charge all costs for such insurance to the Subcontractor or offset the costs of such insurance against amounts due Subcontractor under the Subcontract.
- (f) Certificates of Insurance will be filed with the Contractor prior to the start of the Subcontractor's Work on the Project Site. Such Certificates of Insurance will be in a form and substance acceptable to the Contractor and will provide satisfactory evidence that the Subcontractor has complied with all insurance requirements, including Contractor's, Owner's and any other required parties status as "additional insureds".
- (g) Contractor may exclude Subcontractor from the Project Site and withhold payments to Subcontractor until a properly executed certificate of insurance evidencing the insurance required herein is received by Contractor.
- (h) It is understood and agreed that the insurance coverages and limits required by this Subcontract shall not limit the extent of Subcontractor's responsibilities and liabilities specified within the Subcontract documents or under law.

2 Contractor's Builder's Risk Insurance.

- 2.1 Unless otherwise provided in the Subcontract Documents, Contractor will cause builder's risk insurance to be purchased and maintained with a "causes of loss" or equivalent policy form covering work to be performed by Contractor (including those working for or under Contractor) at the Project Site to the full insurable value thereof, on a replacement cost basis and subject to reasonable deductibles. Covered "causes of loss" means risks of direct physical loss or damage to covered property unless specifically excluded or limited under the policy. This insurance will include the interests of Owner, Contractor, Subcontractor and Sub-subcontractors in respect to the work to be performed by Contractor at the Project, and shall insure against perils of fire (with extended coverage), theft, vandalism, malicious mischief, collapse, earthquake, flood, windstorm, temporary falsework, shoring and forms and debris removal, and such other matters as are insured against in the form of the policy maintained by Contractor. Unless specifically provided in writing, such insurance will not include coverage for any property, structure(s) and contents (whether real or personal) owned by the Owner or third parties existing as of commencement of Contractor's work or otherwise. Contractor will carry earthquake and flood insurance if Contractor deems it appropriate.

To the extent of coverage afforded by builder's risk or any other property or equipment floater insurance applicable to the Work or the Project or equipment used in the performance of the Work or Project, regardless of whether such insurance is owned by or for the benefit of Subcontractor, Contractor or Owner or their respective subcontractors and agents, Contractor and Subcontractor agree to waive all rights against (1) each other and any of their subcontractors, sub-subcontractors, agents and employees, each of the other, and (2) the Owner and any of its contractors, subcontractors, agents and employees, whether under subrogation or otherwise, for loss or damage to the extent covered by such insurance, except such rights as they may have to the proceeds of such insurance. If policies of insurance referred to in this paragraph require an endorsement to provide for continued coverage where there is a waiver of subrogation, then the owners of such policies will cause them to be so endorsed. A waiver of subrogation shall be effective as to a party even though that party would otherwise have a duty of indemnification, contractual or otherwise, did not pay the insurance premium directly or indirectly, and whether or not the party had an insurable interest in the property damaged.

If (i) the Project suffers an insurable loss, (ii) the loss is due in part to the negligence of Subcontractor and (iii) an insurance deductible amount (not to exceed \$10,000.00) is applied to the loss payable under builder's risk or other property insurance applicable to the Project, Subcontractor will be liable to Contractor for the deductible amount; however, Contractor may, in its discretion, apportion the deductible amount among other parties responsible for the loss. Subcontractor will promptly pay Contractor, upon demand, for any such deductible amount, and Contractor may offset the deductible amount against any amounts due Subcontractor under the Subcontract. Neither Contractor nor Owner represents that builder's risk or property insurance, if any, applicable to the Project or the Work is adequate to protect the interests of Subcontractor. It is Subcontractor's obligation to determine whether it should purchase and maintain supplementary property insurance to protect its interests in the Work.

- 2.2 Any insured loss is to be adjusted by Owner and Contractor and made payable to Contractor, as trustee, or to Owner and Contractor, as joint trustees for the insureds, as their interests may appear, subject to the requirements of any applicable mortgage or loss payable clause.
- 2.3 Subcontractor hereby releases and agrees to defend and indemnify Contractor and Owner from all claims for loss or damage to or loss of use of Subcontractor's property in or about the Project Site and shall purchase such insurance in respect thereto as Subcontractor deems appropriate. Subcontractor shall require a similar release and indemnity by Sub-subcontractors.
