Attachment to Proof of Claim Against Opus West Corporation
(The Overlook at Fountaingrove)

Debtor Opus West Corporation ("Opus West") was the developer/builder of a 78-unit 6.33 acre multi-family residential development constructed in Santa Rosa, Sonoma County, California known as The Overlook at Fountaingrove ("Overlook").

STRS Ohio CA Real Estate Investments I, LLC ("STRS") purchased pursuant to a written contract the Overlook from The Overlook at Santa Rosa, L.L.C. ("Seller") in or around 2004. On information and belief, Seller is an alter ego of Opus West. The acts alleged herein to have been committed by Opus West were either committed by Opus West individually, or in conjunction with others.

Subsequently, a significant earth movement event occurred at the property, as a result of construction defects, including a water valve leak at the installation site of an underground water system. This caused a slope failure that necessitated remedial design and repair of the slope and related damage at the Overlook. In addition, the earth movement and slope failure resulted in damage to site improvements and residential dwelling units at the Overlook. In addition, other defects exist at the Overlook, including water intrusion.

On information and belief, as an alter ego of the Seller and as the developer/builder of the Overlook, Opus West had an obligation to deliver a conforming and properly designed and constructed residential development. Opus West breached its duties in this regard by delivering a non-conforming and improperly designed and constructed development.

STRS alleges claims against Opus West for, *inter alia*, negligence, breach of implied warranty and breach of contract.

Damages include, but are not limited to, damage to underground utilities, including but not limited to water lines, drains and irrigation systems, cracking and damage to interior and exterior building surfaces and cracking and settlement of the pool and adjacent improvements. Investigation and repairs are ongoing, but damages are currently estimated to be at least approximately \$4,500,000.
