A. Description of Claim

GSC Recovery III, L.P. (as successor in interest to Wells Fargo Bank, National Association), as lender (the "**Prepetition First Lien Lender**"), holds a secured claim against the Debtor, without defense, counterclaim or offset of any kind, in the aggregate principal amount of approximately $4,230,719.33 in respect of loans made by Prepetition First Lien Lender pursuant to, and in accordance with the terms of that certain Credit and Security Agreement, dated as of August 29, 2012 (as the same may be amended, supplemented or otherwise modified from time to time, the "**Prepetition First Lien Credit Agreement**") among the Debtors[1] and the Prepetition First Lien Lender, plus, in each case, interest thereon and other obligations incurred in connection therewith as provided in the Prepetition First Lien Credit Agreement and any ancillary and related documents thereto (the "**Prepetition First Lien Credit Agreement Obligations**").

In accordance with that certain second motion (the "**Motion**")[2] dated May 17, 2013 of the Debtors seeking, pursuant to sections 105, 361, 362, 363(c)(2), 364(c)(1), 364(c)(2), 364(c)(3), 364(d)(1) and 364(e) of title 11 of the United States Code, 11 U.S.C. §§ 101, et seq., Rules 2002, 4001 and 9014 of the Federal Rules of Bankruptcy Procedure, this Court's authorization for the Debtors to obtain senior secured postpetition financing pursuant to that certain Debtor-In-Possession Credit Agreement, the Court authorized the Debtors, pursuant to a final order approving the Motion (the "**DIP Order**") to use all Cash Collateral to pay down, on a rolling basis, the Prepetition First Lien Credit Agreement Obligations in accordance with the provisions of the DIP Documents and Approved Budget (the "**Roll-Up Payments**"); *provided, however*, that the Court reserved the right to unwind, after notice and hearing, the Roll-Up Payments, or a portion thereof, solely in the event that there is a timely successful challenge (a "**Challenge**"), pursuant and subject to the limitations contained in paragraph 19 of the DIP Order, to the validity, enforceability, extent, perfection or priority of the Prepetition Secured Obligations, and only to the extent that, the Court finds that, in light of such timely successful challenge, the Roll-Up Payments unduly advantaged the Prepetition First Lien Lender.

Currently, no Challenge has been brought against the Prepetition First Lien Lender. Nonetheless, the Committee has made an informal document and information request to the Prepetition First Lien Lender through its counsel Lowenstein Sandler LLP,

[1] The borrowers under the Prepetition First Lien Credit Agreement included Oreck Franchise Services, LLC, which is no longer an operating entity and thus is not a debtor in these cases.
[2] Terms used but not otherwise defined herein shall have the meaning ascribed to them in the Motion.

which the Prepetition First Lien Lender provided responses to on July 1, 2013 and July 3, 2013. Accordingly, the Challenge Period has been extended, by mutual agreement among the Prepetition First Lien Lender and the Committee to July 31, 2013 for certain actions and September 16, 2013 for other actions.

The Prepetition First Lien Lender files this proof of claim (the "**Claim**") to assert a claim with respect to all Prepetition First Lien Credit Agreement Obligations, including without limitation (1) an amount equal to the Roll-Up Payments in the event a successful Challenge with respect to the Prepetition First Lien Credit Agreement Obligations is brought and the Roll-Up Payments are unwound and (2) indemnification rights of the Prepetition First Lien Lender against the Debtors, including without limitation with respect to any response the Prepetition First Lien Lender must make to any asserted Challenge.

B. Documents Supporting the Claim

The Prepetition First Lien Credit Agreement upon which this Claim is based is attached as "**Exhibit A.**"[3]

C. Reservation of Rights

Nothing herein or otherwise, including, but without limitation, any later appearance, pleading, claim, or action, is intended or shall be deemed to be a waiver, release, or modification by Prepetition First Lien Lender of its respective (a) right to have final orders in noncore matters entered after *de novo* review by a District Judge; (b) right to trial by jury in any proceeding so triable in this case or any case, controversy, or proceeding related to these cases; (c) right to have the District Court withdraw the reference in any matter subject to mandatory or discretionary withdrawal; or (d) other rights, remedies, claims, actions, defenses, setoffs, or recoupments to which Prepetition First Lien Lender is or may be entitled, all of which are hereby expressly reserved. Prepetition First Lien Lender also specifically reserves all rights to supplement, amend, and/or modify this proof of claim with any information, including, without limitation, updated amounts, post-petition amounts, the priority of any amounts due and/or other claims of liability arising out of or resulting from the Prepetition First Lien Credit Agreement and related documents. The filing of this Claim is not an acknowledgment of admission that the Bankruptcy Court has jurisdiction over the Prepetition First Lien Lender's claims against any debtor or non-debtor entity, and the Prepetition First Lien Lender reserves all rights with respect thereto.

[3] Prepetition First Lien Lender reserves the right to supplement "Exhibit A" with additional documents pertaining to this Claim.

CREDIT AND SECURITY AGREEMENT

THIS CREDIT AND SECURITY AGREEMENT (this "Agreement"), is entered into as of August 29, 2012, by and among **WELLS FARGO BANK, NATIONAL ASSOCIATION** ("Lender"), **ORECK CORPORATION**, a Delaware corporation ("Oreck"), **ORECK DIRECT, LLC**, a Delaware limited liability company ("Oreck Direct"), **ORECK MERCHANDISING, LLC**, a Delaware limited liability company ("Oreck Merchandising"), **ORECK HOMECARE, LLC**, a Delaware limited liability company ("Oreck Homecare"), **VECTEUR, LLC**, a Delaware limited liability company ("Vecteur"), **ORECK HOLDINGS, LLC**, a Delaware limited liability company ("Oreck Holdings"), **ORECK FRANCHISE SERVICES, LLC**, a Delaware limited liability company ("Oreck Franchise"), **ORECK MANUFACTURING COMPANY**, a Delaware corporation ("Oreck Manufacturing"), **ORECK SALES, LLC**, a Delaware limited liability company ("Oreck Sales" and together with Oreck, Oreck Direct, Oreck Merchandising, Oreck Homecare, Vecteur, Oreck Holdings, Oreck Franchise and Oreck Manufacturing, each a "Borrower" and collectively, the "Borrowers"), and **ASP ORECK INC.**, a Delaware corporation ("Parent").

The parties agree as follows:

1. DEFINITIONS AND CONSTRUCTION.

1.1 **Definitions, Code Terms, Accounting Terms and Construction.** Capitalized terms used in this Agreement shall have the meanings specified therefor on Schedule 1.1. Additionally, matters of (i) interpretation of terms defined in the Code, (ii) interpretation of accounting terms and (iii) construction are set forth in Schedule 1.1.

2. LOANS AND TERMS OF PAYMENT.

2.1 **Revolving Loan Advances.**

(a) Subject to the terms and conditions of this Agreement, and during the term of this Agreement, Lender agrees to make revolving loans ("Advances") to Borrowers in an amount at any one time outstanding not to exceed *the lesser of:*

(i) the Maximum Revolver Amount *less* the Letter of Credit Usage at such time, and

(ii) the Borrowing Base at such time *less* the Letter of Credit Usage at such time.

(b) Amounts borrowed pursuant to this Section 2.1 may be repaid and, subject to the terms and conditions of this Agreement, reborrowed at any time during the term of this Agreement. The outstanding principal amount of the Advances, together with interest accrued and unpaid thereon, shall be due and payable on the Termination Date. Lender has no obligation to make an Advance at any time following the occurrence of a Default or an Event of Default.

(c) Anything to the contrary in this Section 2.1 notwithstanding, Lender shall have the right in its Permitted Discretion (but not the obligation) to establish, increase, reduce, eliminate, or otherwise adjust Reserves from time to time against the Borrowing Base in such amounts, and with respect to such matters, as Lender shall deem necessary or appropriate, including with respect to amounts that may be payable by any Borrower to third parties.

2.2 **[Reserved].**

2.3 **Borrowing Procedures.**

(a) **Procedure for Borrowing.** Provided Lender has not separately agreed that Borrowers may use the Loan Management Service, each Borrowing shall be made by a written request by an Authorized Person delivered to Lender. Such written request must be received by Lender no later than 1:00 p.m. (Eastern time) on the Business Day that is the requested Funding Date specifying (i) the amount of such Borrowing, and (ii) the requested Funding Date, which shall be a Business Day. At Lender's election, in lieu of delivering the above-described written request, any Authorized Person may give Lender telephonic notice of such request by the required time. Lender is authorized to make the Advances, and to issue the Letters of Credit, under this Agreement based upon telephonic or other instructions received from anyone purporting to be an Authorized Person.

(b) **Making of Loans.** Promptly after receipt of a request for a Borrowing pursuant to Section 2.3(a), Lender shall make the proceeds thereof available to Borrowers on the applicable Funding Date by transferring immediately

available funds equal to such amount to the Designated Account; provided, however, that, Lender shall not have the obligation to make any Advance if (i) one (1) or more of the applicable conditions precedent set forth in Section 4 will not be satisfied on the requested Funding Date for the applicable Borrowing unless such condition has been waived by Lender, or (ii) the requested Borrowing would exceed the Availability on such Funding Date.

(c) **Loan Management Service.** If Lender has separately agreed that Borrowers may use the Loan Management Service, Borrowers shall not request and Lender shall no longer honor a request for an Advance made in accordance with Section 2.3(a) and all Advances will instead be initiated by Lender and credited to the Designated Account as Advances as of the end of each Business Day in an amount sufficient to maintain an agreed upon ledger balance in the Designated Account, subject only to Availability as provided in Section 2.1. If Lender terminates Borrowers' access to the Loan Management Service, Borrowers may continue to request Advances as provided in Section 2.3(a), subject to the other terms and conditions of this Agreement. Lender shall have no obligation to make an Advance through the Loan Management Service after the occurrence of a Default or an Event of Default, or in an amount in excess of Availability, and may terminate the Loan Management Service at any time in its sole discretion.

(d) **Protective Advances.** At any time during the continuance of a Default or an Event of Default, Lender may make an Advance for any reason at any time in its Permitted Discretion, without Borrowers' compliance with any of the conditions of this Agreement, and (i) disburse the proceeds directly to third Persons in order to protect Lender's interest in the Collateral or to perform any obligation of Borrowers under this Agreement or otherwise to enhance the likelihood of repayment of the Obligations, or (ii) apply the proceeds to outstanding Obligations then due and payable (such Advance, a "Protective Advance").

2.4 **Payments; Prepayments.**

(a) **Payments by Borrowers.** Except as otherwise expressly provided herein, all payments by Borrowers shall be made as directed by Lender or as otherwise specified in the applicable Cash Management Documents.

(b) **Payments by Account Debtors.** Within sixty (60) days after the Closing Date, the Loan Parties shall instruct Account Debtors to make payments either directly to the Lockbox for deposit by Lender directly to the Collection Account, or instruct them to deliver such payments to Lender by wire transfer, ACH, or other means as Lender may direct for deposit to the Lockbox or Collection Account or for direct application to reduce the outstanding Advances. If any Loan Party receives a payment of the Proceeds of Collateral directly, such Loan Party will within one (1) Business Day, deposit the payment or Proceeds into the Collection Account; provided, however, the Loan Parties may deposit cash or checks received at their Homecare Store locations into any Deposit Accounts permitted under Sections 6.12(j) and 7.11 it being agreed that subject to the exceptions set forth in Section 7.11, the balance of such accounts shall be swept daily to the Collection Account. Until so deposited, such Loan Party will hold all such payments and Proceeds in trust for Lender without commingling with other funds or property.

(c) **Crediting Payments.** For purposes of calculating Availability and the accrual of interest on outstanding Obligations, unless otherwise provided in the applicable Cash Management Documents or as otherwise agreed between the Loan Parties and Lender, each payment shall be applied to the Obligations as of the first Business Day following the Business Day of deposit to the Collection Account of immediately available funds or other receipt of immediately available funds by Lender provided such payment is received in accordance with Lender's usual and customary practices as in effect from time to time. Any payment received by Lender that is not a transfer of immediately available funds shall be considered provisional until the item or items representing such payment have been finally paid under applicable law. Should any payment item not be honored when presented for payment, then the Loan Parties shall be deemed not to have made such payment, and that portion of Borrowers' outstanding Obligations corresponding to the amount of such dishonored payment item shall be deemed to bear interest as if the dishonored payment item had never been received by Lender. Upon request, Lender shall timely provide to a Borrower copies of the financial instruments or other documents evidencing the dishonor so that such Borrower may consider pursuing collection of such matter. Each reduction in outstanding Advances resulting from the application of such payment to the outstanding Advances shall be accompanied by an equal reduction in the amount of outstanding Accounts.

(d) **Application of Payments.** All Collections and all Proceeds of Collateral received by Lender, shall be applied, so long as no Event of Default has occurred and is continuing, to reduce the outstanding Obligations in such manner as Lender shall determine in its Permitted Discretion. After payment in full in cash of all Obligations, any remaining balance shall be transferred to the Designated Account or otherwise to such other Person entitled thereto under applicable law. Notwithstanding the foregoing, Borrowers may retain the proceeds of the Specified Claim to the extent the proceeds thereof are required to be paid to any Person that has provided financing of the Specified Claim permitted hereunder.

(e) **Mandatory Prepayments.** If, at any time, the Revolver Usage exceeds (i) the Borrowing Base or (ii) the Maximum Revolver Amount, less Reserves (in accordance with Section 2.1(c)) at such time or (such excess amount

being referred to as the "Overadvance Amount"), then Borrowers shall immediately upon demand prepay the Obligations in an aggregate amount equal to the Overadvance Amount. If payment in full of the outstanding revolving loans is insufficient to eliminate the Overadvance Amount and Letter of Credit Usage continues to exceed the Borrowing Base, Borrowers shall maintain Letter of Credit Collateralization of the outstanding Letter of Credit Usage until Borrowers eliminate the Overadvance Amount. Lender shall not be obligated to provide any Advances during any period that an Overadvance Amount is outstanding. Each prepayment pursuant to this Section 2.4(e) shall, (A) so long as no Event of Default shall have occurred and be continuing, be applied, *first*, to the outstanding principal amount of the Advances until paid in full, and *second*, to cash collateralize the Letters of Credit in an amount equal to 105% of the then outstanding Letter of Credit Usage, and (B) if an Event of Default shall have occurred and be continuing, be applied in the manner set forth in Section 10.5.

2.5 **Oreck as Agent for Borrowers.** Each Borrower hereby irrevocably appoints Oreck as the borrowing agent and attorney-in-fact for all Borrowers (the "Administrative Borrower") which appointment shall remain in full force and effect unless and until Lender shall have received prior written notice signed by each Borrower that such appointment has been revoked and that another Borrower has been appointed Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes the Administrative Borrower (a) to provide Lender with all notices with respect to Advances, Letters of Credit and other extensions of credit obtained for the benefit of any Borrower and all other notices and instructions under this Agreement, and (b) to take such action as the Administrative Borrower deems appropriate on its behalf to obtain Advances, Letters of Credit and other extensions of credit and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. It is understood that the handling of the Loan Account and Collateral in a combined fashion, as more fully set forth herein, is done solely as an accommodation to Borrowers in order to utilize the collective borrowing powers of Borrowers in the most efficient and economical manner and at their request, and that Lender shall not incur liability to any Borrower as a result hereof. Each Borrower expects to derive benefit, directly or indirectly, from the handling of the Loan Account and the Collateral in a combined fashion since the successful operation of each Borrower is dependent on the continued successful performance of the integrated group. To induce Lender to do so, and in consideration thereof, each Borrower hereby jointly and severally agrees to indemnify Lender and hold Lender harmless against any and all liability, expense, loss or claim of damage or injury, made against Lender by any Borrower or by any third party whosoever, arising from or incurred by reason of (a) the handling of the Loan Account and Collateral of Borrowers as herein provided, or (b) Lender's relying on any instructions of the Administrative Borrower, except that Borrowers will have no liability to Lender under this Section 2.5 with respect to any liability that has been finally determined by a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of Lender.

2.6 **Interest Rates; Rates, Payments, and Calculations.**

(a) **Interest Rates.** Except as provided in Section 2.6(b), the principal amount of all Obligations (except for undrawn Letters of Credit and Bank Products) that have been charged to the Loan Account pursuant to the terms hereof shall bear interest on the Daily Balance thereof at a per annum rate equal to the Interest Rate plus the Interest Rate Margin.

(b) **Default Rate.** Upon the occurrence and during the continuation of an Event of Default and at any time following the Termination Date,

(i) the principal amount of all Obligations (except for undrawn Letters of Credit and Bank Products) that have been charged to the Loan Account pursuant to the terms hereof shall bear interest on the Daily Balance thereof at a per annum rate equal to 2 percentage points above the per annum rate otherwise applicable thereunder, and

(ii) the Letter of Credit fee provided for in Section 2.12 shall be increased by 2 percentage points above the per annum rate otherwise applicable hereunder.

(c) **Payment.** Except to the extent provided to the contrary in Section 2.12, all interest, all Letter of Credit fees, all other fees payable hereunder or under any of the other Loan Documents, all costs and expenses payable hereunder or under any of the other Loan Documents, and all Lender Expenses shall be due and payable, in arrears, on the first day of each month. Each Borrower hereby authorizes Lender, from time to time without prior notice to Borrowers, to charge all interest, Letter of Credit fees, and all other fees payable hereunder or under any of the other Loan Documents (in each case, as and when due and payable), all costs and expenses payable hereunder or under any of the other Loan Documents (in each case, as and when accrued or incurred), all Lender Expenses (as and when accrued or incurred), and all fees and costs provided for in Section 2.12 (as and when accrued or incurred), and all other payment obligations as and when due and payable under any Loan Document or any Bank Product Agreement (including any amounts due and payable to any Bank Product Provider in respect of Bank Products) to the Loan Account, which amounts shall thereupon constitute Advances hereunder and, shall accrue interest at the rate then applicable to Advances. Any interest, fees, costs, expenses, Lender Expenses, or other amounts payable hereunder or under any other Loan Document or under any Bank Product Agreement that are charged to the Loan Account shall thereafter constitute Advances hereunder and shall accrue interest at the rate then applicable to Advances.

(d) **Computation.** All interest and fees chargeable under the Loan Documents shall be computed on the basis of a 360 day year, in each case, for the actual number of days elapsed in the period during which the interest or fees accrue. In the event the Interest Rate is changed from time to time hereafter, the rates of interest hereunder based upon the Interest Rate automatically and immediately shall be increased or decreased by an amount equal to such change in the Interest Rate.

(e) **Intent to Limit Charges to Maximum Lawful Rate.** In no event shall the interest rate or rates payable under this Agreement, plus any other amounts paid in connection herewith, exceed the highest rate permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable. Borrowers and Lender, in executing and delivering this Agreement, intend legally to agree upon the rate or rates of interest and manner of payment stated within it; provided, however, that, anything contained herein to the contrary notwithstanding, if said rate or rates of interest or manner of payment exceeds the maximum allowable under applicable law, then, as of the date of this Agreement, Borrowers are and shall be liable only for the payment of such maximum amount as is allowed by law, and payment received from Borrowers in excess of such legal maximum, whenever received, shall be applied to reduce the principal balance of the Obligations to the extent of such excess.

2.7 **Designated Account**. Borrowers agree to establish and maintain one or more Designated Accounts, each in the name of a single Borrower, for the purpose of receiving the proceeds of the Advances requested by Borrowers and made by Lender hereunder. Unless otherwise agreed by Lender and Borrowers, any Advance requested by Borrowers and made by Lender hereunder shall be made to the applicable Designated Account.

2.8 **Maintenance of Loan Account; Statements of Obligations**. Lender shall maintain an account on its books in the name of Borrowers (the "Loan Account") in which will be recorded all Advances made by Lender to Borrowers or for Borrowers' account, the Letters of Credit issued or arranged by Lender for Borrowers' account, and all other payment Obligations hereunder or under the other Loan Documents, including accrued interest, fees and expenses, and Lender Expenses. In accordance with Section 2.4, the Loan Account will be credited with all payments received by Lender from Borrowers or for Borrowers' account. All monthly statements delivered by Lender to Borrowers regarding the Loan Account, including with respect to principal, interest, fees, and including an itemization of all charges and expenses constituting Lender Expenses owing, shall be subject to subsequent adjustment by Lender but shall, absent manifest error, be conclusively presumed to be correct and accurate and constitute an account stated between Borrowers and Lender unless, within 30 days after receipt thereof by Borrowers, Borrowers shall deliver to Lender written objection thereto describing the error or errors contained in any such statements.

2.9 **Maturity Termination Dates**. Lender's obligations under this Agreement shall continue in full force and effect for a term ending on the earliest of (i) the earlier of (A) August 29, 2016 or (B) the date that is 120 days prior to the scheduled maturity date of the Second Lien Debt (such earlier date, the "Maturity Date"), (ii) the date Borrowers terminate the Revolving Credit Facility, or (iii) the date the Revolving Credit Facility terminates pursuant to Sections 10.1 and 10.2 following an Event of Default (the earliest of these dates, the "Termination Date"). The foregoing notwithstanding, Lender shall have the right to terminate its obligations under this Agreement immediately and without notice upon the occurrence and during the continuation of an Event of Default. Each Borrower jointly and severally promises to pay the Obligations (including principal, interest, fees, costs, and expenses, including Lender Expenses) in full on the Termination Date (other than the Hedge Obligations, which shall be paid in accordance with the applicable Hedge Agreement).

2.10 **Effect of Maturity**. On the Termination Date, all obligations of Lender to provide additional credit hereunder shall automatically be terminated and all of the Obligations (other than Hedge Obligations which shall be terminated in accordance with the applicable Hedge Agreement) shall immediately become due and payable without notice or demand and Borrowers shall immediately repay all of the Obligations in full. No termination of the obligations of Lender (other than cash payment in full of the Obligations and termination of the obligations of Lender to provide additional credit hereunder) shall relieve or discharge any Loan Party of its duties, obligations, or covenants hereunder or under any other Loan Document and Lender's Liens in the Collateral shall continue to secure the Obligations and shall remain in effect until all Obligations have been paid in full in cash and Lender's obligations to provide additional credit hereunder shall have been terminated. Provided that there are no suits, actions, proceedings or claims pending or threatened against any Indemnified Person under this Agreement with respect to any Indemnified Liabilities, Lender shall, at Borrowers' expense, release or terminate any filings or other agreements that perfect the Lender's Liens in the Collateral, upon Lender's receipt of each of the following, in form and content reasonably satisfactory to Lender: (a) cash payment in full of all Obligations and completed performance by Borrowers with respect to their other obligations under this Agreement (including Letter of Credit Collateralization with respect to all outstanding Letter of Credit Usage), (b) evidence that any obligation of Lender to make Advances to any Borrower or provide any further credit to any Borrower has been terminated, (c) a general release of all claims against Lender and its Affiliates by each Borrower and each Loan Party relating to Lender's performance and obligations under the Loan Documents, and (d) an agreement by each Borrower, each Guarantor, and any new lender to any Borrower to indemnify Lender and its Affiliates for any payments received by Lender or its Affiliates that are applied to the Obligations as a final payoff that may subsequently be returned or otherwise not

paid for any reason. With respect to any outstanding Hedge Obligations which are not so paid in full, the Bank Product Provider may require Borrowers to cash collateralize the then existing Hedge Obligations in an amount reasonably acceptable to Lender, but in no event more than 105% of the then-outstanding Hedging Obligations, prior to releasing or terminating any filings or other agreements that perfect the Lender's Liens in the Collateral.

2.11 **Termination or Reduction by Borrowers.**

(a) Borrowers may terminate the Credit Facility or reduce the Maximum Revolver Amount at any time prior to the Maturity Date, if they (i) deliver a notice to Lender of their intentions at least ten (10) Business Days prior to the proposed action, (ii) pay to Lender the applicable termination fee, reduction fee or prepayment fee (if any) set forth in Schedule 2.12, and (iii) pay the Obligations (other than the outstanding Hedge Obligations, which shall be paid in accordance with the applicable Hedge Agreement) in full or down to the reduced Maximum Revolver Amount, as applicable. Any reduction in the Maximum Revolver Amount shall be in multiples of $100,000, with a minimum reduction of at least $1,000,000. Each such termination, reduction or prepayment shall be irrevocable. Once reduced, the Maximum Revolver Amount may not be increased.

(b) The applicable termination fee, reduction fee and prepayment fee set forth in Schedule 2.12 shall be presumed to be the amount of damages sustained by Lender as a result of an early termination, reduction or prepayment, as applicable and each Borrower agrees that it is reasonable under the circumstances currently existing (including the borrowings that are reasonably expected by Borrowers hereunder and the interest, fees and other charges that are reasonably expected to be received by Lender hereunder). In addition, Lender shall be entitled to such early termination fee upon the occurrence of any Event of Default described in Sections 9.4 and 9.5 hereof, even if Lender does not exercise its right to terminate this Agreement, but elects, at its option, to provide financing to Borrowers or permit the use of cash collateral during an Insolvency Proceeding. The early termination fee, reduction fee and prepayment fee, as applicable, provided for in Schedule 2.12 shall be deemed included in the Obligations.

2.12 **Fees.** Borrowers shall pay to Lender the fees set forth on Schedule 2.12 attached hereto.

2.13 **Letters of Credit.**

(a) Subject to the terms and conditions of this Agreement, upon the request of a Borrower made in accordance herewith, Lender agrees to issue a requested Letter of Credit for the account of such Borrower. By submitting a request to Lender for the issuance of a Letter of Credit, such Borrower shall be deemed to have requested that Lender issue the requested Letter of Credit. Each request for the issuance of a Letter of Credit, or the amendment, renewal, or extension of any outstanding Letter of Credit, shall be made in writing by an Authorized Person and delivered to Lender via hand delivery, telefacsimile, or other electronic method of transmission reasonably in advance of the requested date of issuance, amendment, renewal, or extension. Each such request shall be in form and substance reasonably satisfactory to Lender, and (i) shall specify (A) the amount of such Letter of Credit, (B) the date of issuance, amendment, renewal, or extension of such Letter of Credit, (C) the proposed expiration date of such Letter of Credit, (D) the name and address of the beneficiary of the Letter of Credit, and (E) such other information (including, the conditions to drawing, and, in the case of an amendment, renewal, or extension, identification of the Letter of Credit to be so amended, renewed, or extended) as shall be necessary to prepare, amend, renew, or extend such Letter of Credit, and (ii) shall be accompanied by such Letter of Credit Agreements as Lender may reasonably request or require, to the extent that such requests or requirements are consistent with the Letter of Credit Agreements that Lender generally requests for Letters of Credit in similar circumstances.

(b) Lender shall have no obligation to issue, amend, renew or extend a Letter of Credit if after giving effect to the requested issuance, amendment, renewal or extension, the Letter of Credit Usage would exceed the lesser of:

(i) (A) the Borrowing Base at such time *less* the outstanding amount of Advances at such time, or (B) the Maximum Revolver Amount *less* the outstanding amount of Advances, *less* Reserves (in accordance with Section 2.1(c)) at such time, or,

(ii) $3,500,000.

(c) Lender shall have no obligation to issue a Letter of Credit if (i) any order, judgment, or decree of any Governmental Authority or arbitrator shall, by its terms, purport to enjoin or restrain Lender from issuing such Letter of Credit or any law applicable to Lender or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over Lender shall prohibit or request that Lender refrain from the issuance of letters of credit generally or such Letter of Credit in particular, or (ii) the issuance of such Letter of Credit would violate one or more policies of Lender applicable to letters of credit generally.

(d) Each Letter of Credit shall be in form and substance reasonably acceptable to Lender, including the requirement that the amounts payable thereunder must be payable in Dollars, and shall expire on a date no more than 12 months after the date of issuance or last renewal of such Letter of Credit, which date shall be no later than the Maturity Date. If Lender makes a payment under a Letter of Credit, Borrowers shall pay Lender an amount equal to the applicable Letter of Credit Disbursement on the date such Letter of Credit Disbursement is made and, in the absence of such payment, the amount of the Letter of Credit Disbursement immediately and automatically shall be deemed to be an Advance hereunder (notwithstanding any failure to satisfy any condition precedent set forth in Section 4 or this Section 2.13) and, initially, shall bear interest at the rate then applicable to Advances. If a Letter of Credit Disbursement is deemed to be an Advance hereunder, Borrowers' obligation to pay the amount of such Letter of Credit Disbursement to Lender shall be automatically converted into an obligation to pay Lender such resulting Advance.

(e) Each Borrower hereby agrees to indemnify, save, defend, and hold Lender harmless from any damage, loss, cost, expense, or liability, and reasonable attorneys' fees and expenses incurred by Lender arising out of or in connection with any Letter of Credit; provided, that Borrowers shall not be obligated hereunder to indemnify Lender for any damage, loss, cost, expense, or liability that a court of competent jurisdiction finally determines to have resulted from the gross negligence or willful misconduct of Lender.

(f) Lender and each Borrower agree that, in paying any drawing under a Letter of Credit, Lender shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. Neither Lender nor any correspondent, participant or assignee of Lender shall be liable to any Loan Party for (i) any action taken or omitted under or relating to any Letter of Credit in the absence of gross negligence or willful misconduct; (ii) any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit or any error in interpretation of technical terms, unless due to the gross negligence or willful misconduct of Lender; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Agreement. Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, that this assumption is not intended to, and shall not, preclude Borrowers from pursuing such rights and remedies as they may have against the beneficiary or transferee at law or under any other agreement. Absent gross negligence or willful misconduct, neither Lender nor any correspondent, participant or assignee of Lender shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.13(g) or for any action, neglect or omission under or in connection with any Letter of Credit or Letter of Credit Agreement, including in connection with the issuance or any amendment of any Letter of Credit, the failure to issue or amend any Letter of Credit, the honoring or dishonoring of any demand under any Letter of Credit, or the following of any Borrower's instructions or those contained in the Letter of Credit or any modifications, amendments, or supplements thereto, and such action or neglect or omission will bind Borrowers. In furtherance and not in limitation of the foregoing, Lender may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary (or Lender may refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit and may disregard any requirement in a Letter of Credit that notice of dishonor be given in a particular manner and any requirement that presentation be made at a particular place or by a particular time of day), and Lender shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason. Lender shall not be responsible for the wording of any Letter of Credit (including any drawing conditions or any terms or conditions that are ineffective, ambiguous, inconsistent, unduly complicated or reasonably impossible to satisfy), notwithstanding any assistance Lender may provide to Borrowers with drafting or recommending text for any letter of credit application or with the structuring of any transaction related to any Letter of Credit, and each Borrower hereby acknowledges and agrees that any such assistance will not constitute legal or other advice by Lender or any representation or warranty by Lender that any such wording or such Letter of Credit will be effective. Without limiting the foregoing, Lender may, as it deems appropriate, use in any Letter of Credit any portion of the language prepared by any Borrower and contained in the Letter of Credit Agreements relative to drawings under such Letter of Credit. Each Borrower hereby acknowledges and agrees that Lender shall not be responsible for delays, errors, or omissions resulting from the malfunction of equipment in connection with any Letter of Credit.

(g) The obligation of each Borrower to reimburse Lender for each drawing under each Letter of Credit shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Loan Document,

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Borrower or any of its Subsidiaries or any other Loan Party may have at any time against any beneficiary or any transferee of such Letter of

Credit (or any Person for whom any such beneficiary or any such transferee may be acting), Lender or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction,

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect, or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit,

(iv) any payment by Lender under such Letter of Credit against presentation of a draft or certificate that does not substantially or strictly comply with the terms of such Letter of Credit (including, without limitation, any requirement that presentation be made at a particular place or by a particular time of day), or any payment made by Lender under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit,

(v) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or discharge of, any Borrower, any of its Subsidiaries, or any other Loan Party, or

(vi) the fact that any Default or Event of Default shall have occurred and be continuing.

(h) Each Borrower acknowledges and agrees that any and all fees, charges, costs, or commissions in effect from time to time, of Lender relating to Letters of Credit, upon the payment or negotiation of any drawing under any Letter of Credit, or upon the occurrence of any other activity with respect to any Letter of Credit (including the transfer, amendment, or cancellation of any Letter of Credit), shall be Lender Expenses for purposes of this Agreement and shall be reimbursable immediately by Borrowers to Lender.

(i) If by reason of (i) any change after the Closing Date in any applicable law, treaty, rule, or regulation or any change in the interpretation or application thereof by any Governmental Authority, or (ii) compliance by Lender with any direction, request, or requirement (irrespective of whether having the force of law) of any Governmental Authority or monetary authority including, Regulation D of the Board of Governors as from time to time in effect (and any successor thereto):

(i) any reserve, deposit, or similar requirement is or shall be imposed or modified in respect of any Letter of Credit issued or caused to be issued hereunder or hereby, or

(ii) there shall be imposed on Lender any other condition regarding any Letter of Credit,

and the result of the foregoing is to increase, directly or indirectly, the cost to Lender of making, participating in, or maintaining any Letter of Credit or to reduce the amount receivable in respect thereof, then, and in any such case, Lender may, at any time within a reasonable period after the additional cost is incurred or the amount received is reduced, notify Borrowers, and Borrowers shall pay within 30 days after demand therefor, such amounts as Lender may specify to be necessary to compensate Lender for such additional cost or reduced receipt, together with interest on such amount from the date of such demand until payment in full thereof at the rate then applicable to Advances hereunder; provided, that (A) Borrowers shall not be required to provide any compensation pursuant to this Section 2.13(i) for any such amounts incurred more than 180 days prior to the date on which the demand for payment of such amounts is first made to Borrowers, and (B) if an event or circumstance giving rise to such amounts is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. The determination by Lender of any amount due pursuant to this Section 2.13(i), as set forth in a certificate setting forth the calculation thereof in reasonable detail, shall, in the absence of manifest or demonstrable error, be final and conclusive and binding on all of the parties hereto.

(j) Unless otherwise expressly agreed by Lender and Borrowers, when a Letter of Credit is issued, (i) the rules of ISP98 shall apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs shall apply to each commercial Letter of Credit.

(k) In the event of a direct conflict between the provisions of this Section 2.13 and any provision contained in any Letter of Credit Agreement, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.13 shall control and govern.

2.14 **Illegality; Impracticability; Increased Costs.** In the event that (a) any change in market conditions or any law, regulation, treaty, or directive, or any change therein or in the interpretation or application thereof make it unlawful or impractical for Lender to fund or maintain extensions of credit with interest based upon Daily Three Month LIBOR or to continue such funding or maintaining, or to determine or charge interest rates based upon Daily Three Month LIBOR, (b) Lender determines, in its Permitted Discretion, that by reasons affecting the London interbank Eurodollar market, adequate and reasonable means do not exist for ascertaining Daily Three Month LIBOR, or (c) Lender, in its Permitted Discretion, determines that the interest rate based on the Daily Three Month LIBOR will not adequately and fairly reflect the cost to Lender of maintaining or funding Advances at the interest rate based upon Daily Three Month LIBOR, Lender shall give notice of such changed circumstances to Borrowers and (a) interest on the principal amount of such extensions of credit thereafter shall accrue interest at a rate equal to the Prime Rate plus the Interest Rate Margin, and (b) Borrowers shall not be entitled to elect Daily Three Month LIBOR until Lender determines, in its Permitted Discretion, that it would no longer be unlawful or impractical to do so or that such increased costs would no longer be applicable.

2.15 **Capital Requirements.** If, after the date hereof, Lender determines, in its Permitted Discretion, that (a) the adoption of or change in any law, rule, regulation or guideline regarding capital or reserve requirements for lenders, banks or bank holding companies, or any change in the interpretation, implementation, or application thereof by any Governmental Authority charged with the administration thereof, including those changes resulting from the enactment of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Basel III, regardless of the date enacted, adopted or issued, or (b) compliance by Lender or its parent bank holding company with any guideline, request or directive of any such entity regarding capital adequacy (whether or not having the force of law), has the effect of reducing the return on Lender's or such holding company's capital as a consequence of Lender's loan commitments hereunder to a level below that which such Lender or such holding company could have achieved but for such adoption, change, or compliance (taking into consideration such Lender's or such holding company's then existing policies with respect to capital adequacy and assuming the full utilization of such entity's capital) by any amount deemed by Lender to be material, then Lender may notify Borrowers thereof. Following receipt of such notice, Borrowers agree to pay Lender the amount of such reduction of return of capital as and when such reduction is determined, payable within 30 days after presentation by Lender of a statement of the amount and setting forth in reasonable detail Lender's calculation thereof and the assumptions upon which such calculation was based (which statement shall be deemed true and correct absent manifest error). In determining such amount, Lender may use any reasonable averaging and attribution methods. Failure or delay on the part of Lender to demand compensation pursuant to this Section shall not constitute a waiver of Lender's right to demand such compensation; provided that Borrowers shall not be required to compensate Lender pursuant to this Section for any reductions in return incurred more than 180 days prior to the date that Lender notifies Borrowers of such law, rule, regulation or guideline giving rise to such reductions and of Lender's intention to claim compensation therefor; provided further that if such claim arises by reason of the adoption of or change in any law, rule, regulation or guideline that is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. Notwithstanding the foregoing, Lender may only charge Borrowers for increased costs, additional compensation, or other similar charges under this Section 2.15 to the extent that Lender is also seeking payment of similar charges from other substantially similar customers of Lender.

2.16 **Extent of Each Borrower's Liability, Contribution.**

(a) **Joint and Several Liability.** Each Borrower agrees that it is jointly and severally liable for, and absolutely and unconditionally guarantees to Lender the prompt payment and performance of, all Obligations under this Agreement and all agreements under the Loan Documents. Each Borrower agrees that its guaranty obligations hereunder constitute a continuing guaranty of payment and not of collection, that such obligations shall not be discharged until cash payment in full of the Obligations, and that such obligations are absolute and unconditional, irrespective of (i) the genuineness, validity, regularity, enforceability, subordination or any future modification of, or change in, any Obligations or Loan Document, or any other document, instrument or agreement to which any Borrower is or may become a party or be bound; (ii) the absence of any action to enforce this Agreement (including this Section) or any other Loan Document, or any waiver, consent or indulgence of any kind by Lender with respect thereto; (iii) the existence, value or condition of, or failure to perfect any of Lender's Liens or to preserve rights against, any security or guaranty for the Obligations or any action, or the absence of any action, by Lender in respect thereof (including the release of any security or guaranty); (iv) the insolvency of any Borrower; (v) any election by Lender in an Insolvency Proceeding for the application of Section 1111(b)(2) of the Bankruptcy Code; (vi) any borrowing or grant of a Lien by any other Borrower, as debtor-in-possession under Section 364 of the Bankruptcy Code or otherwise; (vii) the disallowance of any claims of Lender against any Borrower for the repayment of any Obligations under Section 502 of the Bankruptcy Code or otherwise; or (viii) any other action or circumstances that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, except cash payment in full of all Obligations.

(b) **Contribution.** Each Loan Party hereby agrees that it will not enforce any of its rights of contribution or subrogation against any other Loan Party with respect to any liability incurred by it hereunder or under any of the other Loan Documents, any payments made by it to Lender with respect to any of the Obligations or any collateral security therefor until such time as all of the Obligations have been paid in full in cash; provided, however, that notwithstanding the foregoing, this Section shall not preclude a Loan Party from taking reasonably necessary actions to preserve such rights. Any

claim which any Loan Party may have against any other Loan Party with respect to any payments to Lender hereunder or under any of the Bank Product Agreements are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations and, in the event of any insolvency, bankruptcy, receivership, liquidation, reorganization or other similar proceeding under the laws of any jurisdiction relating to any Loan Party, its debts or its assets, whether voluntary or involuntary, all such Obligations shall be paid in full in cash before any payment or distribution of any character, whether in cash, securities or other property, shall be made to any other Loan Party therefor.

(c) **No Limitation on Liability**. Nothing contained in this Section 2.16 shall limit the liability of any Borrower to pay extensions of credit made directly or indirectly to that Borrower (including revolving loans advanced to any other Borrower and then re-loaned or otherwise transferred to, or for the benefit of, such Borrower), Obligations relating to Letters of Credit issued to support such Borrower's business, and all accrued interest, fees, expenses and other related Obligations with respect thereto, for which such Borrower shall be primarily liable for all purposes hereunder.

3. SECURITY INTEREST.

3.1 **Grant of Security Interest**. Each Loan Party hereby unconditionally grants, assigns, and pledges to Lender for the benefit of Lender and each Bank Product Provider, to secure payment and performance of the Obligations, a continuing security interest (hereinafter referred to as the "Security Interest") in all of such Loan Party's right, title, and interest in and to the Collateral, as security for the payment and performance of all Obligations. Following request by Lender, each Loan Party shall grant Lender a Lien and security interest in all Commercial Tort Claims (other than the Specified Claim as long as the Specified Claim constitutes an Excluded Asset) that it may have against any Person. The Security Interest created hereby secures the payment and performance of the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by any Loan Party to Lender or any other Bank Product Provider, but for the fact that they are unenforceable or not allowable (in whole or in part) as a claim in an Insolvency Proceeding involving any Borrower due to the existence of such Insolvency Proceeding. Notwithstanding anything contained in this Agreement to the contrary, the term "Collateral" shall not include the following (the "Excluded Assets"): (i) voting Stock of any CFC, solely to the extent that such Stock represents more than 65% of the outstanding voting Stock of such CFC; (ii) any rights or interest in any contract, lease, permit, license, or license agreement covering real or personal property of any Loan Party if under the terms of such contract, lease, permit, license, or license agreement, or applicable law with respect thereto, the grant of a security interest or lien therein is prohibited as a matter of law or under the terms of such contract, lease, permit, license, or license agreement and such prohibition or restriction has not been waived or the consent of the other party to such contract, lease, permit, license, or license agreement has not been obtained (provided, that, (A) the foregoing exclusions of this clause (ii) shall in no way be construed (1) to apply to the extent that any described prohibition or restriction is unenforceable under Section 9-406, 9-407, 9-408, or 9-409 of the Code or other applicable law, or (2) to apply to the extent that any consent or waiver has been obtained that would permit Lender's security interest or lien notwithstanding the prohibition or restriction on the pledge of such contract, lease, permit, license, or license agreement and (B) the foregoing exclusions of clauses (i) and (ii) shall in no way be construed to limit, impair, or otherwise affect any of Lender's continuing security interests in and liens upon any rights or interests of any Loan Party in or to (1) monies due or to become due under or in connection with any described contract, lease, permit, license, license agreement, or Stock (including any Accounts or Stock), or (2) any proceeds from the sale, license, lease, or other dispositions of any such contract, lease, permit, license, license agreement, or Stock); (iii) any United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law, provided that upon submission and acceptance by the PTO of an amendment to allege use pursuant to 15 U.S.C. Section 1060(a) (or any successor provision), such intent-to-use trademark application shall be considered Collateral; (iv) any Equipment subject to a Lien permitted under clauses (d) or (f) of the definition of Permitted Liens if the grant to Lender of a security interest or lien therein is prohibited under the terms of the Capital Lease, security agreement, or other contract providing for such Permitted Lien (provided, however, that such Equipment shall become Collateral upon the subsequent release or termination of such Permitted Lien or if such restriction has been waived or the consent of the other party has been obtained); (v) the Specified Claim to the extent the Specified Claim is subject to a Lien permitted under clause (p) of the definition of "Permitted Liens" if the grant to Lender of a security interest or lien therein is prohibited under the terms of the contract providing for such Permitted Lien (provided, however, that the Specified Claim shall become Collateral upon the subsequent release or termination of such Permitted Lien or if such restriction has been waived or the consent of the other party has been obtained); and (vi) all Real Property leased by any Borrower other than the Real Property Collateral located in Cookeville, Tennessee.

3.2 **Borrowers Remain Liable**. Anything herein to the contrary notwithstanding, (a) each Loan Party shall remain liable under the contracts and agreements included in the Collateral, including the Pledged Operating Agreements and the Pledged Partnership Agreements, to perform all of the duties and obligations thereunder to the same extent as if this Agreement had not been executed; provided, however, that nothing in this Section shall be construed as requiring the renewal or extension of any contract or agreement by a Loan Party to the extent such non-renewal or extension is permitted by Section 6.13 of this

Agreement, (b) the exercise by Lender of any of the rights hereunder shall not release any Loan Party from any of its duties or obligations under such contracts and agreements included in the Collateral, and (c) Lender shall not have any obligation or liability under such contracts and agreements included in the Collateral by reason of this Agreement, nor shall Lender be obligated to perform any of the obligations or duties of any Loan Party thereunder or to take any action to collect or enforce any claim for payment assigned hereunder. Unless an Event of Default shall occur and be continuing, except as otherwise provided in this Agreement or any other Loan Document, the Loan Parties shall have the right to possession and enjoyment of the Collateral for the purpose of conducting the ordinary course of their respective businesses, subject to and upon the terms hereof and of this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, it is the intention of the parties hereto that record and beneficial ownership of the Pledged Interests, including all voting, consensual, dividend, and distribution rights, shall remain in the Loan Parties until (i) the occurrence and continuance of an Event of Default and (ii) Lender has notified Loan Parties of Lender's election to exercise such rights with respect to the Pledged Interests pursuant to Section 10.9.

3.3 **Assignment of Insurance**. As additional security for the Obligations, each Borrower and each other Loan Party hereby assigns to Lender for the benefit of Lender and each Bank Product Provider all rights of such Borrower and such Loan Party under every policy of insurance covering the Collateral and all other assets and property of each Borrower and each other Loan Party (including, without limitation business interruption insurance and proceeds thereof), but Excluding the Specified Claim to the extent that the Specified Claim constitutes an Excluded Asset) and all business records and other documents relating to it, and all monies (including proceeds and refunds) that may be payable under any policy, and each Borrower and each other Loan Party hereby directs the issuer of each such policy to pay all such monies directly and solely to Lender, except proceeds of the Specified Claim to the extent that the Specified Claim constitutes an Excluded Asset. At any time, whether or not a Default or Event of Default shall have occurred, Lender may (but need not), in its Permitted Discretion, in Lender's or any Loan Party's name, execute and deliver proofs of claim, receive payment of proceeds and endorse checks and other instruments representing payment of the policy of insurance, and adjust, litigate, compromise or release claims against the issuer of any policy. Any monies received under any insurance policy assigned to Lender, other than liability insurance policies, directors' and officers' insurance policies to the extent that the proceeds thereof are for indemnification or reimbursement of out-of-pocket fees and expenses of any director or officer of any Loan Party, or received as payment of any award or compensation for condemnation or taking by eminent domain, shall be paid to Lender and, as determined by Lender in its sole discretion, either be applied to prepayment of the Obligations or disbursed to Borrowers under payment terms reasonably satisfactory to Lender for application to the cost of repairs, replacements, or restorations of the affected Collateral which shall be effected with reasonable promptness and shall be of a value at least equal to the value of the items or property destroyed.

3.4 **Financing Statements**. Each Borrower and each other Loan Party authorizes Lender to file financing statements describing Collateral to perfect Lender's and each Bank Product Provider's Security Interest in the Collateral, and Lender may describe the Collateral as "all personal property" or "all assets" or describe specific items of Collateral including without limitation any Commercial Tort Claims. All financing statements filed before the date of this Agreement to perfect the Security Interest were authorized by such Borrower and each other Loan Party and are hereby ratified.

4. CONDITIONS.

4.1 **Conditions Precedent to the Initial Extension of Credit**. The obligation of Lender to make the initial extension of credit provided for hereunder is subject to the fulfillment, to the satisfaction of Lender, of each of the conditions precedent set forth on Exhibit B.

4.2 **Conditions Precedent to all Extensions of Credit**. The obligation of Lender to make any Advances hereunder (or to extend any other credit hereunder) at any time shall be subject to the following conditions precedent:

6.4 Maintenance of Properties. 6.5 Taxes.

If Borrowers fail to maintain such insurance, Lender may arrange for such insurance, but at Borrowers' expense and without any responsibility on Lender's part for obtaining the insurance, the solvency of the insurance companies, the adequacy of the coverage, or the collection of claims. Upon the occurrence of an Event of Default, Lender shall have the sole right to file claims under any property and general liability insurance policies in respect of the Collateral, to receive and give acquittance for any payments that may be payable thereunder, and to execute any and all endorsements, receipts, releases, assignments, reassignments or other documents that may be necessary to effect the collection, compromise or settlement of any claims under any such insurance policies.

(a) Lender, without demand of performance or other demand, advertisement or notice of any kind (except a notice specified below of time and place of public or private sale) to or upon any Borrower, any other Loan Party or any other Person (all and each of which demands, advertisements and notices are hereby expressly waived to the maximum extent permitted by the Code or any other applicable law), may take immediate possession of all or any portion of the Collateral and (i) require Loan Parties to, and each Loan Party hereby agrees that it will at its own expense and upon request of Lender forthwith, assemble all or part of the Collateral as directed by Lender and make it available to Lender at one or more locations designated by Lender where such Borrower or other Loan Party conducts business, and (ii) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of Lender's or Loan Party's offices or

elsewhere, for cash, on credit, and upon such other terms as Lender may deem commercially reasonable. Each Loan Party agrees that, to the extent notice of sale shall be required by law, at least 10 days' notice to such Loan Party of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification and such notice shall constitute a reasonable "authenticated notification of disposition" within the meaning of Section 9-611 of the Code. Lender shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. Lender may adjourn any public or private sale from time to time, and such sale may be made at the time and place to which it was so adjourned. Each Loan Party agrees that the internet shall constitute a "place" for purposes of Section 9-610(b) of the Code. Each Loan Party agrees that any sale of Collateral to a licensor pursuant to the terms of a license agreement between such licensor and such Loan Party is sufficient to constitute a commercially reasonable sale (including as to method, terms, manner, and time) within the meaning of Section 9-610 of the Code;

(b) Lender may, in addition to other rights and remedies provided for herein, in the other Loan Documents, or otherwise available to it under applicable law and without the requirement of notice to or upon any Loan Party or any other Person (which notice is hereby expressly waived to the maximum extent permitted by the Code or any other applicable law), (i) with respect to any Loan Party's Deposit Accounts in which Lender's Liens are perfected by control under Section 9-104 of the Code, instruct the bank maintaining such Deposit Account for the applicable Loan Party to pay the balance of such Deposit Account to or for the benefit of Lender, and (ii) with respect to any Loan Party's Securities Accounts in which Lender's Liens are perfected by control under Section 9-106 of the Code, instruct the securities intermediary maintaining such Securities Account for the applicable Loan Party to (A) transfer any cash in such Securities Account to or for the benefit of Lender, or (B) liquidate any financial assets in such Securities Account that are customarily sold on a recognized market and transfer the cash proceeds thereof to or for the benefit of Lender;

(c) any cash held by Lender as Collateral and all cash proceeds received by Lender in respect of any sale of, collection from, or other realization upon all or any part of the Collateral shall be applied against the Obligations in the order set forth in Section 10.5. In the event the proceeds of Collateral are insufficient to satisfy all of the Obligations in full, each Borrower and each other Loan Party shall remain jointly and severally liable for any such deficiency; and

(d) the Obligations arise out of a commercial transaction, and that if an Event of Default shall occur and be continuing Lender shall have the right to an immediate writ of possession without notice of a hearing. Lender shall have the right to the appointment of a receiver for each Loan Party or for the properties and assets of each Loan Party, and each Borrower and each other Loan Party hereby consents to such rights and such appointment and hereby waives any objection such Borrower or such Loan Party may have thereto or the right to have a bond or other security posted by Lender.

Notwithstanding the foregoing or anything to the contrary contained in Section 10.1, upon the occurrence of any Default or Event of Default described in Section 9.4 or Section 9.5, in addition to the remedies set forth above, without any notice to any Borrower or any other Person or any act by Lender, all obligations of Lender to provide any further extensions of credit hereunder shall automatically terminate and the Obligations (other than the Hedge Obligations), shall automatically and immediately become due and payable and each Borrower shall be obligated to repay all of such Obligations in full, without presentment, demand, protest, or notice of any kind, all of which are expressly waived by each Borrower.

10.3 **Lender Appointed Attorney in Fact**. Each Borrower and each other Loan Party hereby irrevocably appoints Lender its attorney-in-fact, with full authority in the place and stead of such Borrower and such Loan Party and in the name of such Borrower or such Loan Party or otherwise, at such time as an Event of Default has occurred and is continuing, to take any action and to execute any instrument which Lender may reasonably deem necessary or advisable to accomplish the purposes of this Agreement, including:

(a) to ask, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in connection with the Accounts or any other Collateral of such Borrower or such other Loan Party;

(b) to receive, indorse, and collect any drafts or other instruments, documents, Negotiable Collateral or Chattel Paper;

(c) to file any claims or take any action or institute any proceedings which Lender may deem necessary or desirable for the collection of any of the Collateral of such Borrower or such other Loan Party or otherwise to enforce the rights of Lender with respect to any of the Collateral;

(d) to repair, alter, or supply Goods, if any, necessary to fulfill in whole or in part the purchase order of any Person obligated to Borrower or such other Loan Party in respect of any Account of such Borrower or such other Loan Party;

(e) to use any Intellectual Property or Intellectual Property Licenses of such Borrower or such other Loan Party including but not limited to any labels, Patents, Trademarks, trade names, URLs, domain names, industrial designs, Copyrights, or advertising matter, in preparing for sale, advertising for sale, or selling Inventory or other Collateral and to collect any amounts due under Accounts, contracts or Negotiable Collateral of such Borrower or such other Loan Party;

(f) to take exclusive possession of all locations where each Borrower or other Loan Party conducts its business or has rights of possession, without notice to or consent of any Borrower or any Loan Party and to use such locations to store, process, manufacture, sell, use, and liquidate or otherwise dispose of items that are Collateral, without obligation to pay rent or other compensation for the possession or use of any location;

(g) Lender shall have the right, but shall not be obligated, to bring suit in its own name or in the applicable Loan Party's name, to enforce the Intellectual Property and Intellectual Property Licenses and, if Lender shall commence any such suit, the appropriate Borrower or such other Loan Party shall, at the request of Lender, do any and all lawful acts and execute any and all proper documents reasonably required by Lender in aid of such enforcement; and

(h) to the extent permitted by law, such Borrower and each other Loan Party hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until all commitments of Lender under this Agreement to provide extensions of credit are terminated and all Obligations have been paid in full in cash.

10.4 **Remedies Cumulative.** The rights and remedies of Lender under this Agreement, the other Loan Documents, and all other agreements shall be cumulative. Lender shall have all other rights and remedies not inconsistent herewith as provided under the Code, by law, or in equity. No exercise by Lender of one right or remedy shall be deemed an election, and no waiver by Lender of any Default or Event of Default shall be deemed a continuing waiver. No delay by Lender shall constitute a waiver, election, or acquiescence by it.

10.5 **Crediting of Payments and Proceeds.** In the event that the Obligations (other than the Hedge Obligations, which may be accelerated in accordance with the terms of the applicable Hedge Agreement) have been accelerated pursuant to Section 10.1 or Lender has exercised any remedy set forth in this Agreement or any other Loan Document, all payments received by Lender upon the Obligations and all net proceeds from the enforcement of the Obligations shall be applied in such manner as Lender shall determine in its discretion and, thereafter, to Borrowers (to be wired to the Designated Account) or such other Person entitled thereto under applicable law.

10.6 **Marshaling.** Lender shall not be required to marshal any present or future collateral security (including but not limited to the Collateral) for, or other assurances of payment of, the Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of its rights and remedies under this Agreement and under the other Loan Documents and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights and remedies, however existing or arising. To the extent that it lawfully may, each Borrower and each other Loan Party hereby agrees that it will not invoke any law relating to the marshaling of collateral which might cause delay in or impede the enforcement of Lender's rights and remedies under this Agreement or under any other Loan Document or instrument creating or evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, each Borrower hereby irrevocably waives the benefits of all such laws.

10.7 **License.** Each Borrower and each other Loan Party hereby grants to Lender a non-exclusive, worldwide and royalty-free license to use or otherwise exploit all Intellectual Property rights of such Borrower and such Loan Party for the purpose of: (a) completing the manufacture of any in-process materials during the continuance of any Event of Default so that such materials become saleable Inventory, all in accordance with the same quality standards previously adopted by such Borrower or such other Loan Party for its own manufacturing; and (b) selling, leasing or otherwise disposing of any or all Collateral during the continuance of any Event of Default.

10.8 **Disposition of Pledged Interests by Lender.** None of the Pledged Interests existing as of the date of this Agreement are, and none of the Pledged Interests hereafter acquired on the date of acquisition thereof will be, registered or qualified under the various federal or state securities laws of the United States and disposition thereof after an Event of Default may be restricted to one or more private (instead of public) sales in view of the lack of such registration. Each Loan Party understands that in connection with such disposition, Lender may approach only a restricted number of potential purchasers and further understands that a sale under such circumstances may yield a lower price for the Pledged Interests than if the Pledged Interests were registered and qualified pursuant to federal and state securities laws and sold on the open market. Each Loan Party, therefore, agrees that: (a) if Lender shall, pursuant to the terms of this Agreement, sell or cause the Pledged Interests or any portion thereof to be sold at a private sale, Lender shall have the right to rely upon the advice and opinion of any nationally recognized brokerage or investment firm (but shall not be obligated to seek such advice and the failure to do so shall not be

considered in determining the commercial reasonableness of such action) as to the best manner in which to offer the Pledged Interest or any portion thereof for sale and as to the best price reasonably obtainable at the private sale thereof; and (b) such reliance (absent manifest error) shall be conclusive evidence that Lender has handled the disposition in a commercially reasonable manner.

10.9 **Voting and Other Rights in Respect of Pledged Interests.**

(a) Upon the occurrence and during the continuation of an Event of Default, (i) Lender may, at its option, and with two (2) Business Days' prior notice to such Borrower or such other Loan Party, and in addition to all rights and remedies available to Lender under any other agreement, at law, in equity, or otherwise, exercise all voting rights, or any other ownership or consensual rights (including any dividend or distribution rights) in respect of the Pledged Interests owned by any Borrower or any other Loan Party, but under no circumstances is Lender obligated by the terms of this Agreement to exercise such rights, and (ii) if Lender duly exercises its right to vote any of such Pledged Interests, each Borrower and each other Loan Party hereby appoints Lender, such Borrower's and such Loan Party's true and lawful attorney-in-fact and irrevocable proxy to vote such Pledged Interests in any manner Lender deems advisable for or against all matters submitted or which may be submitted to a vote of shareholders, partners or members, as the case may be. The power-of-attorney and proxy granted hereby is coupled with an interest and shall be irrevocable.

(b) For so long as such Borrower or such other Loan Party shall have the right to vote the Pledged Interests owned by it, such Borrower and such other Loan Party covenants and agrees that it will not, without the prior written consent of Lender, vote or take any consensual action with respect to such Pledged Interests which would materially adversely affect the rights of Lender.

11. WAIVERS; INDEMNIFICATION.

11.1 **Demand; Protest; etc.** Each Borrower and each other Loan Party waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, nonpayment at maturity, release, compromise, settlement, extension, or renewal of documents, instruments, chattel paper, and guarantees at any time held by Lender on which such Borrower or such other Loan Party may in any way be liable.

11.2 **The Lender's Liability for Collateral.** Each Borrower and each other Loan Party hereby agrees that: (a) so long as Lender complies with its obligations, if any, under the Code, Lender shall not in any way or manner be liable or responsible for: (i) the safekeeping of the Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other Person, and (b) all risk of loss, damage, or destruction of the Collateral shall be borne by each Borrower and such other Loan Parties.

11.3 **Indemnification.** Each Borrower and each other Loan Party shall pay, indemnify, defend, and hold the Lender-Related Persons (each, an "Indemnified Person") harmless (to the fullest extent permitted by applicable law) from and against any and all claims, demands, suits, actions, investigations, proceedings, liabilities, fines, costs, penalties, and damages, and all reasonable out-of-pocket fees and disbursements of attorneys, experts, or consultants and all other reasonable out-of-pocket costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), at any time asserted against, imposed upon, or incurred by any of them (a) in connection with or as a result of or related to the execution and delivery, enforcement, performance, or administration (including any restructuring, forbearance or workout with respect hereto) of this Agreement, any of the other Loan Documents, or the transactions contemplated hereby or thereby or the monitoring of compliance by each Borrower and each other Loan Party and each of its Subsidiaries with the terms of the Loan Documents, (b) with respect to any investigation, litigation, or proceeding related to this Agreement, any other Loan Document, or the use of the proceeds of the credit provided hereunder (irrespective of whether any Indemnified Person is a party thereto), or any act, omission, event, or circumstance in any manner related thereto, (c) in connection with the custody, preservation, use or operation of, or, upon an Event of Default, the sale of, collection from, or other realization upon, any of the Collateral in accordance with this Agreement and the other Loan Documents, (d) with respect to the failure by any Borrower or any other Loan Party to perform or observe any of the provisions hereof or any other Loan Document, (e) in connection with the exercise or enforcement of any of the rights of Lender hereunder or under any other Loan Document, and (f) in connection with or arising out of any presence or release of Hazardous Materials at, on, under, to or from any assets or properties owned, leased or operated by any Borrower or any other Loan Party or any Subsidiary of a Borrower or any other Loan Party or any Environmental Actions, Environmental Liabilities or Remedial Actions related in any way to any such assets or properties of such Loan Party or any of its Subsidiaries (each and all of the foregoing, the "Indemnified Liabilities"). The foregoing to the contrary notwithstanding, no Borrower or any other Loan Party shall have any obligation to any Indemnified Person under this Section 11.3 with respect to any Indemnified Liability that a court of competent jurisdiction finally determines to have resulted from the gross negligence or willful misconduct of such Indemnified Person or its officers, directors, employees, attorneys, or other agents. This provision shall survive the termination

of this Agreement and the repayment of the Obligations. If any Indemnified Person makes any payment to any other Indemnified Person with respect to an Indemnified Liability as to which a Borrower or any other Loan Party was required to indemnify the Indemnified Person receiving such payment, the Indemnified Person making such payment is entitled to be indemnified and reimbursed by such Borrower or such other Loan Party with respect thereto. **WITHOUT LIMITATION, THE FOREGOING INDEMNITY SHALL APPLY TO EACH INDEMNIFIED PERSON WITH RESPECT TO INDEMNIFIED LIABILITIES WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF ANY NEGLIGENT ACT OR OMISSION OF SUCH INDEMNIFIED PERSON OR OF ANY OTHER PERSON.**

13. CHOICE OF LAW AND VENUE; JURY TRIAL WAIVER.

14. **ASSIGNMENTS; SUCCESSORS.** This Agreement shall bind and inure to the benefit of the respective successors and assigns of each of the parties; provided, however, that no Borrower or any other Loan Party may assign this Agreement or any rights or duties hereunder without Lender's prior written consent and any prohibited assignment shall be absolutely void *ab initio*. No consent to assignment by Lender shall release any Borrower or any other Loan Party from its Obligations. Lender may assign this Agreement and the other Loan Documents in whole or in part and its rights and duties hereunder or grant participations in the Obligations hereunder and thereunder and no consent or approval by any Borrower or any other Loan Party is required in connection with any such assignment or participation; provided, however, in no event may Lender assign or participate all or any portion of the Obligations to (a) a competitor of any Loan Party or any Affiliate of any such competitor, (b) any holder of the Second Lien Debt other than pursuant to the right to purchase the Obligations under the Second Lien Intercreditor Agreement or (c) David Oreck or any member of the Family Group. As long as no Default or Event of Default has occurred and is continuing, Lender agrees to use commercially reasonable efforts to provide Administrative Borrower with at least five (5) Business Days' notice of any such assignment (other than of an assignment to an Affiliate), but the failure to give such notice shall not impair Lender's ability to consummate such assignment or result in any liability hereunder.

15. **AMENDMENTS; WAIVERS.** No amendment or modification of this Agreement or any other Loan Document or any other document or agreement described in or related to this Agreement shall be effective unless it has been agreed to by Lender and each applicable Loan Party in a writing that specifically states that it is intended to amend or modify specific Loan Documents, or any other document or agreement described in or related to this Agreement. No failure by Lender to exercise any right, remedy, or option under this Agreement or any other Loan Document, or delay by Lender in exercising the same, will operate as a waiver thereof. No waiver by Lender will be effective unless it is in writing, and then only to the extent specifically stated. No waiver by Lender on any occasion shall affect or diminish Lender's rights thereafter to require strict performance by Borrowers or any other Loan Party of any provision of this Agreement. Lender's rights under this Agreement and the other Loan Documents will be cumulative and not exclusive of any other right or remedy that Lender may have.

16. **TAXES.**

(a) All payments made by any Borrower or any other Loan Party hereunder or under any note or other Loan Document will be made without setoff, counterclaim, or other defense. In addition, all such payments will be made free and clear of, and without deduction or withholding for, any present or future Taxes, and in the event any deduction or withholding of Taxes is required, each Borrower shall comply with the next sentence of this Section 16(a). If any Taxes are so levied or imposed, each Borrower and each other Loan Party agrees to pay the full amount of such Taxes and such additional amounts as may be necessary so that every payment of all amounts due under this Agreement, any note, or Loan Document, including any amount paid pursuant to this Section 16(a) after withholding or deduction for or on account of any Taxes, will not be less than the amount provided for herein; provided, however, that Borrowers or Loan Parties shall not be required to increase any such amounts if the increase in such amount payable results from Lender's willful misconduct or gross negligence (as finally determined by a court of competent jurisdiction). Each Borrower and each other Loan Party will furnish to Lender as promptly as possible after the date the payment of any Tax is due pursuant to applicable law, certified copies of tax receipts evidencing such payment by such Borrower.

(b) Each Borrower agrees to pay any present or future stamp, value added or documentary taxes or any other excise or property taxes, charges, or similar levies that arise from any payment made hereunder or from the execution, delivery, performance, recordation, or filing of, or otherwise with respect to this Agreement or any other Loan Document.

17. **GENERAL PROVISIONS.**

17.1 **Effectiveness.** This Agreement shall be binding and deemed effective when executed by each Borrower, each other Loan Party and Lender.

17.2 **Section Headings.** Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement.

17.3 **Interpretation.** Neither this Agreement nor any uncertainty or ambiguity herein shall be construed against Lender or any Loan Party, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

17.4 **Severability of Provisions.** Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

17.5 **Debtor-Creditor Relationship.** The relationship between Lender, on the one hand, and the Loan Parties, on the other hand, is solely that of creditor and debtor. Lender shall not have (and shall not be deemed to have) any fiduciary

relationship or duty to any Loan Party arising out of or in connection with the Loan Documents or the transactions contemplated thereby, and there is no agency or joint venture relationship between Lender, on the one hand, and the Loan Parties, on the other hand, by virtue of any Loan Document or any transaction contemplated therein.

17.6 **Counterparts; Electronic Execution.** This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement.

17.7 **Revival and Reinstatement of Obligations.** If the incurrence or payment of the Obligations by any Loan Party or the transfer to Lender of any property should for any reason subsequently be asserted, or declared, to be void or voidable under any state or federal law relating to creditors' rights, including provisions of the Bankruptcy Code relating to fraudulent conveyances, preferences, or other voidable or recoverable payments of money or transfers of property (each, a "Voidable Transfer"), and if Lender is required to repay or restore, in whole or in part, any such Voidable Transfer, or elects to do so upon the reasonable advice of its counsel, then, as to any such Voidable Transfer, or the amount thereof that Lender is required or elects to repay or restore, and as to all reasonable costs, expenses, and attorneys' fees of Lender related thereto, the liability of such Loan Party automatically shall be revived, reinstated, and restored and shall exist as though such Voidable Transfer had never been made and all of Lender's Liens in the Collateral shall be automatically reinstated without further action.

17.8 **Confidentiality.**

(a) Lender agrees that material, non-public information regarding the Loan Parties and their Subsidiaries, their operations, assets, and existing and contemplated business plans ("Confidential Information") shall be treated by Lender in a confidential manner, and shall not be disclosed by Lender to Persons who are not parties to this Agreement, except: (i) to attorneys for and other advisors, accountants, auditors, and consultants to Lender and to employees, directors and officers of Lender (the Persons in this clause (i), "Lender Representatives") on a "need to know" basis in connection with this Agreement and the transactions contemplated hereby and on a confidential basis, (ii) to Subsidiaries and Affiliates of Lender, provided that any such Subsidiary or Affiliate shall have agreed to receive such information hereunder subject to the terms of this Section 17.8, (iii) as may be required by regulatory authorities so long as such authorities are informed of the confidential nature of such information, (iv) as may be required by statute, decision, or judicial or administrative order, rule, or regulation; provided that (x) prior to any disclosure under this clause (iv), the disclosing party agrees to provide Borrowers with prior notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior notice to Borrowers pursuant to the terms of the applicable statute, decision, or judicial or administrative order, rule, or regulation and (y) any disclosure under this clause (iv) shall be limited to the portion of the Confidential Information as may be required by such statute, decision, or judicial or administrative order, rule, or regulation, (v) as may be agreed to in advance in writing by Borrowers, (vi) as requested or required by any Governmental Authority pursuant to any subpoena or other legal process, provided, that, (x) prior to any disclosure under this clause (vi) the disclosing party agrees to provide Borrowers with prior written notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior written notice to Borrowers pursuant to the terms of the subpoena or other legal process and (y) any disclosure under this clause (vi) shall be limited to the portion of the Confidential Information as may be required by such Governmental Authority pursuant to such subpoena or other legal process, (vii) as to any such information that is or becomes generally available to the public (other than as a result of prohibited disclosure by Lender or Lender Representatives), (viii) in connection with any assignment, participation or pledge of any Lender's interest under this Agreement, provided that prior to receipt of Confidential Information any such assignee, participant, or pledgee shall have agreed in writing to receive such Confidential Information hereunder subject to the terms of this Section 17.8, (ix) in connection with any litigation or other adversary proceeding involving parties hereto which such litigation or adversary proceeding involves claims related to the rights or duties of such parties under this Agreement or the other Loan Documents; provided, that, prior to any disclosure to any Person (other than any Loan Party, Lender, any of their respective Affiliates, or their respective counsel) under this clause (ix) with respect to litigation involving any Person (other than Borrowers, Lender, any of their respective Affiliates, or their respective counsel), the disclosing party agrees to provide Borrowers with prior written notice thereof, (x) in connection with, and to the extent reasonably necessary for, the exercise of any secured creditor remedy under this Agreement or under any other Loan Document; (xi) to equity owners of each Loan Party; and (xii) in connection with, and to the extent reasonably necessary for, the exercise of any secured creditor remedy under this Agreement or under any other Loan Document. The obligations of Lender hereunder shall survive payment or satisfaction in full of all other Obligations for a period of two years.

(b) Anything in this Agreement to the contrary notwithstanding, Lender may use the name, logos, and other insignia of the Loan Parties and the Maximum Credit provided hereunder in any "tombstone" or comparable advertising, on its website or in other marketing materials of Lender.

Lender hereby agrees to act as agent for such Bank Product Providers and, by virtue of entering into a Bank Product Agreement, the applicable Bank Product Provider shall be automatically deemed to have appointed Lender as its agent and to have accepted the benefits of the Loan Documents; it being understood and agreed that the rights and benefits of each Bank Product Provider under the Loan Documents consist exclusively of such Bank Product Provider's being a beneficiary of the Liens and security interests (and, if applicable, guarantees) granted to Lender and the right to share in payments and collections of the Collateral as more fully set forth herein and in the other Loan Documents. In addition, each Bank Product Provider, by virtue of entering into a Bank Product Agreement, shall be automatically deemed to have agreed that Lender shall have the right, but shall have no obligation, to establish, maintain, relax, or release Reserves in respect of the Bank Product Obligations and that if Reserves are established there is no obligation on the part of Lender to determine or ensure whether the amount of any such Reserve is appropriate or not. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no Bank Product Provider (other than Lender in its capacity as lender hereunder) shall have any voting or approval rights hereunder solely by virtue of its status as the provider or holder of such agreements or products or the Obligations owing thereunder, nor shall the consent of any such provider or holder be required for any matter hereunder or under any of the other Loan Documents, including as to any matter relating to the Collateral or the release of Collateral or any other Loan Party.

5.21 **Margin Stock.** No Loan Party nor any of its Subsidiaries is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any Margin Stock. No part of the proceeds of the loans made to Borrowers will be used to purchase or carry any such Margin Stock or to extend credit to others for the purpose of purchasing or carrying any such Margin Stock or for any purpose that violates the provisions of Regulation T, U or X of the Board of Governors of the United States Federal Reserve.

5.22 **Governmental Regulation.** No Loan Party nor any of its Subsidiaries is subject to regulation under the Federal Power Act or the Investment Company Act of 1940 or under any other federal or state statute or regulation which may limit its ability to incur Indebtedness or which may otherwise render all or any portion of the Obligations unenforceable. No Loan Party nor any of its Subsidiaries is a "registered investment company" or a company "controlled" by a "registered investment company" or a "principal underwriter" of a "registered investment company" as such terms are defined in the Investment Company Act of 1940.
