3. By this Fee Statement, Applicant seeks an allowance and award of compensation for the services rendered and reimbursement of expenses incurred by Applicant as general bankruptcy counsel to the Debtors between April 1, 2005 and May 5, 2005, both dates inclusive (the "Compensation Period"). The amount of fees sought for services rendered during this period is \$438,061.50 representing 1,184.10 hours in professional and paraprofessional time for such services, and reimbursement of actual necessary expenses incurred by Applicant during the above-referenced period in connection with these services is requested in the amount of \$32,967.97.

- H. providing legal advice and performing legal services with respect to matters involving the negotiation of the terms and the issuance of corporate securities, matters relating to corporate governance and the interpretation, application or amendment of the Debtors' corporate documents, including their Certificates or Articles of Incorporation, by-laws, material contracts, and matters involving stockholders and the Debtors' legal duties toward them;
- I. providing legal advice and legal services with respect to litigation, tax and other general non-bankruptcy legal issues for the Debtors to the extent requested by the Debtors; and
- J. rendering such other services as may be in the best interests of the Debtors in connection with any of the foregoing and all other necessary or appropriate legal services in connection with these chapter 11 cases, as agreed upon by Sidley and the Debtors.

Applicant's retention was approved by this Court by order dated June 24, 2004.

5. Applicant has received no payment and no promises for payment from any other source for services rendered in these chapter 11 cases. There is no agreement between Applicant and any other party for the sharing of compensation to be received for the services rendered by Applicant in these chapter 11 cases. All professional and paraprofessional services for which compensation is sought herein were rendered solely on behalf of the Debtors in these cases.

e. Travel Time: Applicant's professionals were required to travel on numerous occasions during the period covered by this Fee Statement. f. Case Administration: A large portion of the services performed by Applicant's professionals during the period covered by this Fee Statement consisted of services related to the day-to-day administration of these chapter 11 cases and most of the time billed to this category relates to general and administrative matters. Time billed in this category also includes time spent on services that either (i) does not readily fit into one of the other categories specified in this Fee Statement, or (ii) may fit into more than one of such categories. As a result, the services performed by Applicant's professionals that fall within this category are numerous and varied, but include, as a representative sample: (i) addressing issues relating to post-confirmation corporate governance and transition issues, (ii) preparing a memorandum for the liquidating trustee regarding the progress of these chapter 11 cases, and (iii) communicating with Debtors' personnel and other parties-in-interest concerning the progress of these chapter 11

Because many of Applicant's professionals and paraprofessionals provide services in these chapter 11 cases, reviewing Applicant's billing statements and preparing the fee statements and applications is a time consuming process. At this time, Applicant seeks \$15,003.50 in fees related to work performed in this category in connection with its services as detailed further on Exhibit H attached hereto and incorporated herein by reference.

i. Executory Contracts and Leases: Applicant's professionals during the period covered by this Fee Statement (i) prepared a motion to assume certain executory contracts and unexpired leases under the plan of reorganization, (ii) participated in a meeting with the liquidating trustee and counsel to the Committee relating to the assumption of certain executory contracts, (iii) prepared a notice of corrective entry relating to an order entered pertaining to certain leases, and (iv) participated in multiple conference calls with the Debtors regarding

Applicant seeks \$22,119.50 in fees related to work performed in this category in connection with its services as detailed further on Exhibit J attached hereto and incorporated herein by reference

k. Asset Sales: Applicant's professionals during the period covered by this Fee Statement (i) prepared further documents relating to a proposed asset sale, and (ii) communicated with parties-in-interest regarding a potential auction of certain of the Debtors' assets. Applicant seeks \$795.00 in fees related to work performed in this category in connection with its services as detailed further on Exhibit K attached hereto and incorporated herein by reference.

l. Business Operations: During the period covered by this Fee Statement, Applicant's services related primarily to preparing a motion to abandon certain property of the

Debtors. Applicant seeks \$2,639.00 in fees related to work performed in this category in connection with its services as detailed further on Exhibit L attached hereto and incorporated herein by reference.

m. Professional Retention: Applicant advised the Debtors on the retention and employment of the various professionals employed by the Debtors. During the period covered by this Fee Statement, the Applicant's efforts were devoted to assisting the Debtors' professionals with their respective retention. The time billed in this category related primarily to advising the Debtors' professionals regarding issues pertaining to compensation of retained professionals. Applicant seeks \$1,744.00 in fees for services performed in this category as more particularity detailed in Exhibit M hereto and incorporated herein by reference.

7. Applicant submits that the services specified in paragraph 6 above and set forth in detail on Exhibits A through M hereto were necessary and have directly contributed to the effective administration of these chapter 11 cases.

8. Applicant further submits that the hourly rates charged by its professionals and paraprofessionals during the period covered by this Fee Statement are no greater than the customary hourly rates for such individuals both inside and outside of bankruptcy cases. Applicant believes these rates are comparable to or less than those charged by other professionals of other firms of comparable size, stature, and experience.

9. The magnitude of these chapter 11 cases and the resulting demands on the time of Applicant's professionals and paraprofessionals have required such professionals and paraprofessionals to allocate responsibility for various matters at issue in these chapter 11 cases between themselves. However, at times during the period covered by this Fee Statement, it has been necessary for more than one of Applicant's professionals to attend Court hearings or

participate in other conferences or meetings involving these chapter 11 cases or, alternatively, it has been necessary for one or more of Applicant's professionals to attend such meetings or hearings in the company of the Debtors' bankruptcy co-counsel or one of the other law firms retained in these chapter 11 cases to represent specific interests of the Debtors. Moreover, the pace of events and varied occurrences in these cases have mandated frequent communications among those of Applicant's professionals performing services in connection with these cases, as well as between Applicant's professionals and the Debtors' bankruptcy co-counsel. This joint attendance at such hearings, conferences or meetings, as well as such communications among Applicant's professionals, are necessitated by the demands of these cases and compensation for such items is warranted.

10. The Debtors have retained Bernstein, Shur, Sawyer & Nelson ("BSSN") as co-bankruptcy counsel. While both Applicant and BSSN have endeavored to eliminate the duplication of efforts between the two firms, from time to time it has been necessary for one or more of the Applicant's professionals and/or paraprofessionals to confer with or attend hearings, conferences or meetings, or participate in telephonic conferences with BSSN , where Applicant and BSSN had performed separate services for the Debtors that warranted the attendance of both at such event or participation of both in such meeting or conference. Applicant submits that compensation for such time is warranted based upon these considerations.

11. A breakdown of the hours expended by each of Applicant's professionals and paraprofessionals on the individual matters set forth in paragraph 6 above is contained on Exhibits A through M to this Fee Statement. A breakdown of the total hours expended by each professional and paraprofessional on all matters covered herein is included on pages 3 through 6 of this Fee Statement, as required by D. Me. LBR 2016-1.

EXPENSES INCURRED BY APPLICANT

12. For purposes of this Fee Statement, Applicant has conformed with the Standard Maine Expense Level List ("SMELL")⁶. Applicant has incurred expenses of \$32,967.97 in connection with its services rendered to the Debtors during the period covered by this Fee Statement. These expenses were incurred for items not included in Applicant's hourly rates, including, but not limited to, duplicating charges, document delivery and messenger services, telephone and facsimile charges, computer-assisted legal research, travel-related expenses, overtime services and in-house document production. Applicant submits that all such expenses are necessary and actual expenses for the performance of its services in these cases, and further submits that many of such expenses were necessitated by the time constraints under which Applicant's professionals and staff have operated in these cases.

13. Applicant submits that all travel expenses incurred during the period covered by this Fee Statement were necessary and reasonable under the circumstances.

14. A detailed breakdown of Applicant's expenses incurred in rendering services to the Debtors during the period covered by this Fee Statement is incorporated into this Fee Statement as part of Exhibit F hereto. In addition, such a breakdown is included on page 7 of this Fee Statement, as required by D. Me LBR 2016-1.
