PEGASUS SATELLITE TELEVISION, INC., et al.,)	Case Nos. 04-20878
Debtors.)	(Joint Administration Requested)

DECLARATION OF JON SHAYER

I, JON SHAYER, based upon my personal knowledge and under penalty of perjury, do declare and state the following:

1. I am the Area Sales Manager for Pegasus Satellite Television, Inc. in Michigan. I am also a subscriber to DIRECTV programming through Pegasus Satellite Television and have been for approximately nine (9) months.

2. I reside at 15064 Ackerson, Battle Creek, Michigan 49014.

3. On Saturday June 5, 2004 I called DIRECTV to inquire about converting my Pegasus account to DIRECTV. At that time I was told that a conversion packet would be sent to me in the mail and I should read the packet, complete the conversion form and return it in order to have my service converted.

4. As of Saturday June 12, 2004 I had not yet received the conversion packet from DIRECTV. I again called DIRECTV at 866-235-2500 at about 11:00 a.m. on Saturday June 12, 2004, this time to inquire why I had not yet received the packet.

5. I was connected with a male customer service representative with DIRECTV named Carmello. He asked me for my telephone number and I provided it to him. I told the representative that I had previously called to obtain the conversion packet, but that I had not yet received it. The representative told me that I could go online to the DIRECTV website and download the necessary form directly from the website and fax it back to him with a copy of my bill. The representative also told me that he would go ahead and have the packet sent out again to the address on my account. He did not ask me for my address.

6. I then told the representative that I was concerned because I thought I still owed Pegasus some money and asked if I should send it in to DIRECTV or to Pegasus. He responded by telling me that he shows me as having a zero balance on my account.

7. The DIRECTV representative asked me if there was anything else that he could do for me. I told him no and we disconnected the call.

I declare under penalty of perjury that the foregoing is true and correct. Executed on the 13th day of June, 2004.
