ORDER DENYING MOTION SEEKING ABSTENTION OR RELIEF FROM STAY

I have received and reviewed the motion filed by Basil Marceaux, including the attachments to that motion. It has been recorded on the docket as Entry No. 391, and has been characterized as a motion for abstention or, in the alternative, relief from stay.

My review of the motion leaves me utterly at a loss to comprehend the scope of the relief sought or the legal or factual justifications for any relief. As a consequence, I am ruling on the motion without hearing and, therefore, it is ORDERED that the motion is DENIED.
