BASIS FOR THE FEE STATEMENT

3. By this Fee Statement, Applicant seeks an allowance and award of compensation for the services rendered and reimbursement of expenses incurred by Applicant as general bankruptcy counsel to the Debtors between August 1, 2004 and August 31, 2004 both dates inclusive. The amount of fees sought for services rendered during this period is \$1,175,010.00 representing 3,428.40 hours in professional and paraprofessional time for such services, and reimbursement of actual necessary expenses incurred by Applicant during the above-referenced period in connection with these services is requested in the amount of \$87,312.38.

5. Applicant has received no payment and no promises for payment from any source for services rendered in these chapter 11 cases. There is no agreement between Applicant and any other party for the sharing of compensation to be received for the services rendered by Applicant in these chapter 11 cases. All professional and paraprofessional services for which compensation is sought herein were rendered solely on behalf of the Debtors in these cases.

SERVICES RENDERED

6. As set forth on Exhibits A through N attached hereto, Applicant has rendered substantial services to the Debtors in connection with these chapter 11 cases during the period covered by this Fee Statement. These services may be summarized generally as follows:

a. Regulatory: Applicant's services in this category during the period covered by this Fee Statement included (i) addressing issues pertaining to potential station acquisitions and implications of the Federal Communications Commission ("FCC") rules on same, (ii) addressing issues pertaining to certain stations' construction permit applications pending before the FCC, (iii) responding to a subpoena from the Securities and Exchange Commission ("SEC"), including preparing a document production regarding same, and (v) communication with Debtors' personnel, FCC personnel, SEC personnel, and other parties-in-interest regarding all of the above. Applicant seeks \$120,823.50 in fees related to work performed in this category in connection with its services as detailed further on Exhibit A attached hereto and incorporated herein by reference.

\$38,052.00 in fees related to work performed in this category in connection with its services as detailed further on Exhibit E attached hereto and incorporated herein by reference.

f. Employee Issues: Applicant's professionals performed services related to the effect of the chapter 11 proceedings on the Debtors' employees and other employee-related issues. These services included: (i) preparing a motion to approve supplemental key employee retention plans, (ii) participating in a hearing on August 3, 2004 on the Debtors' key employee retention plans, (iii) addressing issues relating to an executive employment agreement and (iv) preparing a communication to employees regarding the key employee retention plan. Applicant seeks \$19,461.50 in fees related to work performed in this category in connection with its services as detailed further on Exhibit F attached hereto and incorporated herein by reference.

g. Case Administration: A large portion of the services performed by Applicant's professionals during the period covered by this Fee Statement consisted of services related to the day-to-day administration of these chapter 11 cases and most of the time billed to this category relates to general and administrative matters. Time billed in this category also includes time spent on services that either (i) does not readily fit into one of the other categories specified in this Fee Statement, or (ii) may fit into more than one of such categories. As a result, the services performed by Applicant's professionals that fall within this category are numerous and varied, but include, as a representative sample: (i) monitoring the docket in these cases concerning the filing of new pleadings, (ii) developing general strategy to govern the future of these chapter 11 cases, in connection with the Debtors' personnel and other professionals, (iii) participating in conference calls concerning the progress of these chapter 11 cases, and (iv) drafting the agenda for, preparing for, and participating in an omnibus hearing held on August 25, 2004. Applicant seeks \$24,248.50 in fees related to work performed in this category in

connection with its services as detailed further on Exhibit G attached hereto and incorporated herein by reference.

h. Bankruptcy Schedules: Applicant advised Debtors' personnel and FTI Consulting, Inc. ("FTI"), as financial advisors to the Debtors, concerning numerous legal issues arising in connection with the preparation of the Debtors' Schedules of Assets and Liabilities and Statement of Financial Affairs (collectively, the "Schedules"), which were filed with the Court on August 16, 2004. Such advice included both one-on-one and group conferences with the Debtors' and FTI's personnel compiling the data necessary for inclusion in the Schedules. Applicant seeks \$69,641.50 in fees related to work performed in this category in connection with its services as detailed further on Exhibit H attached hereto and incorporated herein by reference.

i. Fee Applications: This category includes Applicant's activities in connection with the preparation of its monthly Fee Statements. During the period covered by this Fee Statement, Applicant's professionals and paraprofessionals performed services in connection with (i) the preparation and filing of Applicant's first monthly Fee Statement and (ii) the review of information for Applicant's second monthly Fee Statement. The time expended in preparation of this Fee Statement is only partially reflected in this Fee Statement. Because many of Applicant's professionals and paraprofessionals provide services in these chapter 11 cases, reviewing Applicant's billing statements and preparing the fee statements and applications is a time consuming process. At this time, Applicant seeks \$11,450.00 in fees related to work performed in this category in connection with its services as detailed further on Exhibit I attached hereto and incorporated herein by reference.

j. Executory Contracts and Leases: Applicant's professionals during the period covered by this Fee Statement (i) prepared a motion in connection with the extension of

the period to assume certain executory contracts pursuant to section 365(d)(4) of the Bankruptcy Code, (ii) prepared a motion in connection with the assumption and assignment of certain contracts, (iii) prepared a motion in connection with the rejection of certain contracts and leases, and (iv) addressed issues regarding certain landlord payments. Applicant seeks \$46,227.00 in fees related to work performed in this category in connection with its services as detailed further on Exhibit J attached hereto and incorporated herein by reference.

k. Claims Processing: During the period covered by this Fee Statement, Applicant's professional services included (i) preparation and filing of bar date pleadings, including proof of claim forms, notice of bar date, a motion to approve the bar date and a motion to expedite the hearing on same and (ii) communications with counsel to the Creditors' Committee regarding the foregoing. Applicant seeks \$19,802.50 in fees related to work performed in this category in connection with its services as detailed further on Exhibit K attached hereto and incorporated herein by reference

l. Asset Sales: Applicant's professionals during the period covered by this Fee Statement (i) researched, communicated with Debtors' personnel and prepared memoranda concerning possible settlement structures and assets sales, (ii) researched, prepared, and filed ~~motions~~ ^{et pleadings} ~~motions~~ concerning the Debtors' asset sale including the global settlement/sale motion, (iii) reviewed and communicated with Debtors' personnel regarding proposals in connection with a sale of the Debtors' assets to DIRECTV, (iv) negotiated with DIRECTV and the Creditors' Committee regarding a sale of the Debtors' assets, (v) reviewed, revised, and finalized the proposed asset purchase agreement and other deal documents, (vi) researched and prepared a purchase agreement in connection with South Plains DBS LP, (vii) prepared a response to an objection to the global settlement by D.E. Shaw Laminar Portfolios and addressed discovery

issues regarding same, (vii) prepared for and participated in a hearing on the sale and global settlement motion which was held on August 25, 2004 and August 26, 2004, and (viii) prepared final closing documents relating to the sale of the Debtors' assets to DIRECTV and participated in the closing of the sale on August 27, 2004. Applicant seeks \$727,571.00 in fees related to work performed in this category in connection with its services as detailed further on Exhibit L attached hereto and incorporated herein by reference.

m. Professional Retention: The Applicant advised the Debtors on the retention and employment of the various professionals employed by the Debtors. During the period covered by this Fee Statement, the Applicant's efforts were devoted to assisting the Debtors' professionals with their respective retention. Among other things, the time billed in this category included (i) advising the Debtors on the legal issues related to the retention of the Debtors' professionals to be retained in these chapter 11 cases, (ii) advising the Debtors' professionals regarding issues pertaining to compensation of retained professionals, (iii) addressing issues pertaining to Debtors' ordinary course professionals, and (iv) communicating with various parties-in-interest regarding the retention of such professionals. Applicant seeks \$7,186.50 in legal fees for services performed in this category as more particularity detailed in Exhibit M hereto and incorporated herein by reference.

n. NRTC Litigation: Services by Applicant's professionals during the period covered by this Fee Statement mainly consisted of the preparation of a joint motion to stay proceedings in district court. Applicant seeks \$7,343.00 in fees related to work performed in this category in connection with its services as detailed further on Exhibit N attached hereto and incorporated herein by reference.

7. Applicant submits that the services specified in paragraph 6 above and set forth in detail on Exhibits A through N hereto were necessary and have directly contributed to the effective administration of these chapter 11 cases.

8. Applicant further submits that the hourly rates charged by its professionals and paraprofessionals during the period covered by this Fee Statement are no greater than the customary hourly rates for such individuals both inside and outside of bankruptcy cases. Applicant believes these rates are comparable to or less than those charged by other professionals of other firms of comparable size, stature, and experience.

9. The magnitude of these chapter 11 cases and the resulting demands on the time of Applicant's professionals and paraprofessionals have required such professionals and paraprofessionals to allocate responsibility for various matters at issue in these chapter 11 cases between themselves. However, at times during the period covered by this Fee Statement, it has been necessary for more than one of Applicant's professionals to attend Court hearings or participate in other conferences or meetings involving these chapter 11 cases or, alternatively, it has been necessary for one or more of Applicant's professionals to attend such meetings or hearings in the company of the Debtors' bankruptcy co-counsel or one of the other law firms retained in these chapter 11 cases to represent specific interests of the Debtors. Moreover, the pace of events and varied occurrences in these cases have mandated frequent communications among those of Applicant's professionals performing services in connection with these cases, as well as between Applicant's professionals and the Debtors' bankruptcy co-counsel. This joint attendance at such hearings, conferences or meetings, as well as such communications among Applicant's professionals, are necessitated by the demands of these cases and compensation for such items is warranted.

10. The Debtors have retained Bernstein, Shur, Sawyer & Nelson ("BSSN") as co-bankruptcy counsel. While both Applicant and BSSN have endeavored to eliminate the duplication of efforts between the two firms, from time to time it has been necessary for one or more of the Applicant's professionals and/or paraprofessionals to confer with or attend hearings, conferences or meetings, or participate in telephonic conferences with BSSN , where Applicant and BSSN had performed separate services for the Debtors that warranted the attendance of both at such event or participation of both in such meeting or conference. Applicant submits that compensation for such time is warranted based upon these considerations.

11. A breakdown of the hours expended by each of Applicant's professionals and paraprofessionals on the individual matters set forth in paragraph 6 above is contained on Exhibits A through N to this Fee Statement. A breakdown of the total hours expended by each professional and paraprofessional on all matters covered herein is included as a part of Attachment B to this Fee Statement, as required by D. Me. LBR 2016-1.

EXPENSES INCURRED BY APPLICANT

12. For purposes of this Fee Statement, Applicant has conformed with the Standard Maine Expense Level List ("SMELL"). Applicant has incurred expenses of \$87,312.38 in connection with its services rendered to the Debtors during the period covered by this Fee Statement. These expenses were incurred for items not included in Applicant's hourly rates, including, but not limited to, duplicating charges, document delivery and messenger services, telephone and facsimile charges, computer-assisted legal research, travel-related expenses, overtime services and in-house document production. Applicant submits that all such expenses are necessary and actual expenses for the performance of its services in these cases, and further

submits that many of such expenses were necessitated by the time constraints under which Applicant's professionals and staff have operated in these cases.

13. Applicant submits that all travel expenses incurred during the period covered by this Fee Statement were necessary and reasonable under the circumstances.

14. A detailed breakdown of Applicant's expenses incurred in rendering services to the Debtors during the period covered by this Fee Statement is incorporated into this Fee Statement as part of Exhibit G hereto. In addition, such a breakdown is included as part of Attachment B to this Fee Statement, as required by D. Me LBR 2016-1.

INTERIM NATURE OF COMPENSATION

15. In accordance with this Court's administrative order entered in these cases concerning the interim compensation of professionals, Applicant requests that, upon the expiration of the objection deadline respecting this Fee Statement and the Applicant's filing of a certificate of no objection, the Debtors be authorized to pay an amount equal to the lesser of (1) 90 percent of the fees and 100 percent of the expenses requested in this Fee Statement or (2) 90 percent of the fees and 100 percent of the expenses not subject to an objection.

NOTICE

16. Notice of this Fee Statement has been served upon (i) the Office of the United States Trustee for the District of Maine, (ii) counsel for the Committee, (iii) the administrative agents for the credit facilities of Pegasus Media & Communications, Inc. and Pegasus Satellite Communications, Inc. ("PSC"), (iv) each of the indenture trustees for each

series of notes of PSC, and (vi) those persons who have requested notice pursuant to Federal Rule of Bankruptcy Procedure 2002.

NO PRIOR REQUEST

17. No previous motion for the relief requested herein has been made to this or any other Court.
