**WEBClick CONCEPTS, INC.'S RESPONSE
TO DEBTORS' FIRST OMNIBUS OBJECTION TO AND MOTION TO
RECLASSIFY, REDUCE OR DISALLOW CERTAIN CLAIMS**

Creditor, Webclick Concepts, Inc. ("Webclick"), by and through undersigned counsel, hereby files this Response to the Debtors' First Omnibus Objection to and Motion to Reclassify, Reduce or Disallow Certain Claims (the "Objection"), and states the following:

1. On October 7, 2004, Webclick filed an unsecured Proof of Claim in the amount of \$90,000.00, plus accrued interest, attorneys' fees and costs.

2. The Debtors objected to Webclick's claim upon the following grounds: i) the Debtors' books and records do not show a liability to Webclick, and ii) Webclick fails to incorporate sufficient documentation to support its claim.

3. Webclick performed valuable marketing and advertising services for the benefit of the Debtors, which services were paramount to the Debtors' business. Webclick acquired customers for the Debtors via internet advertising, obtained customer orders for the Debtors, all of which enabled the Debtors to

establish new business. Webclick's commissions due under this structure from the Debtors is the sum of \$90,000.00, as evidenced by the attached spreadsheet and Webclick payment history (Exhibit "A"). Webclick commenced such services for the benefit of the Debtors in June, 2003.

4. Webclick therefore maintains a valid unsecured claim against the Debtors in the amount of \$90,000.00 and, therefore, the Objection should be overruled. Further, Webclick's claim should not be reduced or disallowed.

5. Webclick's undersigned counsel, at the below address, telephone number and fax number, maintains the authority to resolve the claim on behalf Webclick (and its representative, Lou Olave) and is the person to whom the Debtors should serve any reply to the Response.

WHEREFORE, Webclick requests that this Court enter an Order overruling the Debtors' Objection to Webclick's claim, and for any further relief this Court deems just and proper.
