MARK "X" IN THIS COLUMN TO DESIGNATE HAZARDOUS MATERIALS AS DEFINED IN DOT REGULATIONS:

TOTAL HANDLING UNITS: Pieces ____ Pallets: 1 Total: 1

NOTE (1) Where the rate and carrier's liability for loss or damage may be dependent on value, shippers must state specifically in writing the agreed or declared value of the property as follows: "The agreed or declared value of the property is specifically stated by the shipper to be not exceeding _____ per _____."

Note (2) Liability Limitation for loss or damage on this shipment shall be applicable as provided by contract or by the carrier's NMFC or this carrier's governing tariffs. The Shipper may increase liability coverage by checking the appropriate box and completing the required information. Selecting excess liability coverage will result in additional charges in accordance with carrier's FAK 100 series rules tariff. Excess coverage is not available for NEW articles with actual, declared or released value provisions that are specifically published in the NMFC. Not selecting an additional coverage option is considered to be a waiver of same and standard liability coverage will apply.

☐ The article(s) described above are NEW, with standard liability coverage of $25 per pound per package or $100,000 per incident, whichever is lower. Shipper requests Excess Liability Coverage in the amount of $ _____ per pound (not to exceed $50 per pound per package). In no event shall carrier's liability for NEW articles exceed the actual value of the articles or $50 per pound per package, whichever is less, with a maximum of $100,000 per incident.

☐ The article(s) described above are USED or RECONDITIONED, with standard liability coverage of $10.50 per pound per package or $10,000 per incident, whichever is lower. Shipper requests Excess Liability Coverage in the amount of $5 per pound per package. In no event shall carrier's liability for USED or RECONDITIONED articles exceed the actual value of the articles or $15 per pound per package, whichever is less, with a maximum of $10,000 per incident.

NOTE (3) Commodities requiring special or additional care or attention in handling or stowing must be so marked and packaged as to ensure safe transportation with ordinary care. See Sec. 2(e) of NMFC Item 360.

FOR INTERNATIONAL SHIPMENTS PLEASE INDICATE BELOW THE NAME AND PHONE NUMBER OF BROKER:

NOTE (1) Where the rate and carrier's liability for loss or damage may be dependent on value, shipper must state specifically in writing the agreed or declared value of the property as follows: "The agreed or declared value of the property is specifically stated by the shipper to be not exceeding _____ per _____."

Note (2) Liability Limitation for loss or damage on this shipment shall be applicable as provided by contract or in the current NMFC or this carrier's governing tariffs. The Shipper may increase liability coverage by checking the appropriate box and completing the requested information. Selecting excess liability coverage will result in additional charges in accordance with carrier's EXC 100 series rules tariff. Excess coverage is not available for NEW articles with actual, declared or released value provisions that are specifically outlined in the NMFC. Not selecting an additional coverage option is considered to be a waiver of same and standard liability coverage will apply.

☐ The article(s) described above are NEW, with standard liability coverage of $25 per pound per package or $100,000 per incident, whichever is lower. Shipper requests Excess Liability Coverage in the amount of $ _____ per pound (not to exceed $50 per pound per package). In no event shall carrier's liability for NEW articles exceed the actual value of the articles or $50 per pound per package, whichever is less, with a maximum of $100,000 per incident.

☐ The article(s) described above are USED or RECONDITIONED, with standard liability coverage of $0.50 per pound per package or $10,000 per incident, whichever is lower. Shipper requests Excess Liability Coverage in the amount of $5 per pound per package. In no event shall carrier's liability for USED or RECONDITIONED articles exceed the actual value of the articles or $5 per pound per package, whichever is less, with a maximum of $10,000 per incident.

NOTE: Commodities requiring special or additional care or attention in handling or stowing must be so marked and packaged as to ensure safe transportation with ordinary care. See Sec. 2(e) of NMFC Item 360
