**LAWSON ELECTRIC COMPANY, INC.'S OBJECTION TO
NOTICE OF PROPOSED ASSUMPTION OF EXECUTORY
CONTRACTS AND UNEXPIRED LEASES**

In accordance with §§ 365(a) and 1123(b)(2) of the Bankruptcy Code, the Debtors in this action have proposed to assume the contract of Lawson Electric Company, Inc. ("Lawson"), consisting of the Construction Agreement and General Conditions ("Contract") pursuant to which Lawson performed certain work at the Pilgrim's Pride facility located at 205 Edgewood Drive, Highway 74 West, Wingate, North Carolina 28174 ("Facility").

Lawson fully performed its work on the Facility in accordance with the Contract, and Debtors made no objection and raised no issues with the quality of Lawson's work.

Thereafter, Lawson timely filed a Notice of Lien on about the 14th day of January, 2009. In accordance with § 362(b)(3) of the Bankruptcy Code, Lawson's lien claim is entitled to be treated as a secured claim.

To date, Lawson remains unpaid in the total amount of \$56,187.38. In its Notice of Proposed Assumption of Executory Contracts, Debtors proposed a cure amount of zero (\$0.00) to assume the Contract pursuant to which Lawson performed its work on the Facility. Counsel for Lawson has searched the list of creditors but can find no listing for Lawson, despite having filed its Proof of Claim on or about April 20, 2009, a copy of which is attached hereto as Exhibit A.

Unless and until Lawson's claim is considered to be secured, and until it becomes apparent how Lawson is to be paid for its work on the Facility, Lawson files this objection to the assumption of the executory contract listed in the Debtors' notice on the grounds that Lawson's claim is not adequately provided for and the cure amount is inadequate.

WHEREFORE, Lawson has filed and served its Objection.

Respectfully submitted,

CANTEY HANGER, LLP
