INSTRUCTIONS FOR PROOF OF CLAIM FORM

The instructions and definitions below are general explanations of the law. In certain circumstances, such as bankruptcy cases not filed voluntarily by the debtor, exceptions to these general rules may apply.

Items to be completed in Proof of Claim form

Court, Name of Debtor, and Case Number:
Fill in the federal judicial district in which the bankruptcy case was filed (for example, Central District of California), the debtor's full name, and the case number. If the creditor received a notice of the case from the bankruptcy court, all of this information is at the top of the notice.

Creditor's Name and Address:
Fill in the name of the person or entity asserting a claim and the name and address of the person who should receive notices issued during the bankruptcy case. A separate space is provided for the payment address if it differs from the notice address. The creditor has a continuing obligation to keep the court informed of its current address. See Federal Rule of Bankruptcy Procedure (FRBP) 2002(g).

1. Amount of Claim as of Date Case Filed:
State the total amount owed to the creditor on the date of the bankruptcy filing. Follow the instructions concerning whether to complete items 4 and 5. Check the box if interest or other charges are included in the claim.

2. Basis for Claim:
State the type of debt or how it was incurred. Examples include goods sold, money loaned, services performed, personal injury/wrongful death, car loan, mortgage note, and credit card. If the claim is based on delivering health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information. You may be required to provide additional disclosure if an interested party objects to the claim.

3. Last Four Digits of Any Number by Which Creditor Identifies Debtor:
State only the last four digits of the debtor's account or other number used by the creditor to identify the debtor.

3a. Debtor May Have Scheduled Account As:
Report a change in the creditor's name, a transferred claim, or any other information that clarifies a difference between this proof of claim and the claim as scheduled by the debtor.

3b. Uniform Claim Identifier:
If you use a uniform claim identifier, you may report it here. A uniform claim identifier is an optional 24-character identifier that certain large creditors use to facilitate electronic payment in chapter 13 cases.

4. Secured Claim:
Check whether the claim is fully or partially secured. Skip this section if the claim is entirely unsecured. (See Definitions.) If the claim is secured, check the box for the nature and value of property that secures the claim, attach copies of lien documentation, and state, as of the date of the bankruptcy filing, the annual interest rate (and whether it is fixed or variable), and the amount past due on the claim.

5. Amount of Claim Entitled to Priority Under 11 U.S.C. § 507 (a).
If any portion of the claim falls into any category shown, check the appropriate box(es) and state the amount entitled to priority. (See Definitions.) A claim may be partly priority and partly non-priority. For example, in some of the categories, the law limits the amount entitled to priority.

6. Credits:
An authorized signature on this proof of claim serves as an acknowledgment that when calculating the amount of the claim, the creditor gave the debtor credit for any payments received toward the debt.

7. Documents:
Attach redacted copies of any documents that show the debt exists and a lien secures the debt. You must also attach copies of documents that evidence perfection of any security interest and documents required by FRBP 3001(c) for claims based on an open-end or revolving consumer credit agreement or secured by a security interest in the debtor's principal residence. You may also attach a summary in addition to the documents themselves. FRBP 3001(c) and (d). If the claim is based on delivering health care goods or services, limit disclosing confidential health care information. Do not send original documents, as attachments may be destroyed after scanning.

8. Date and Signature:
The individual completing this proof of claim must sign and date it. FRBP 9011. If the claim is filed electronically, FRBP 5005(a)(2) authorizes courts to establish local rules specifying what constitutes a signature. If you sign this form, you declare under penalty of perjury that the information provided is true and correct to the best of your knowledge, information, and reasonable belief. Your signature is also a certification that the claim meets the requirements of FRBP 9011(b). Whether the claim is filed electronically or in person, if your name is on the signature line, you are responsible for the declaration. Print the name and title, if any, of the creditor or other person authorized to file this claim. State the filer's address and telephone number if it differs from the address given on the top of the form for purposes of receiving notices. If the claim is filed by an authorized agent, provide both the name of the individual filing the claim and the name of the agent. If the authorized agent is a servicer, identify the corporate servicer as the company. Criminal penalties apply for making a false statement on a proof of claim.

DEFINITIONS

Debtor
A debtor is the person, corporation, or other entity that has filed a bankruptcy case.

Creditor
A creditor is a person, corporation, or other entity to whom debtor owes a debt that was incurred before the date of the bankruptcy filing. See 11 U.S.C. §101 (10).

Claim
A claim is the creditor's right to receive payment for a debt owed by the debtor on the date of the bankruptcy filing. See 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Proof of Claim
A proof of claim is a form used by the creditor to indicate the amount of the debt owed by the debtor on the date of the bankruptcy filing. The creditor must file the form with the clerk of the same bankruptcy court in which the bankruptcy case was filed.

Secured Claim Under 11 U.S.C. § 506 (a)
A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim. Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien.

A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

Unsecured Claim
An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

Claim Entitled to Priority Under 11 U.S.C. § 507 (a)
Priority claims are certain categories of unsecured claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

Redacted
A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor must show only the last four digits of any social-security, individual's tax-identification, or financial-account number, only the initials of a minor's name, and only the year of any person's date ofbirth. If the claim is based on the delivery of health care goods or services, limit the disclosure of the goods or services so as to avoid embarrassment or the disclosure of confidential health care information.

Evidence of Perfection
Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

INFORMATION

Acknowledgment of Filing of Claim
To receive acknowledgment of your filing, you may either enclose a stamped self-addressed envelope and a copy of this proof of claim or you may access the court's PACER system (www.pacer.psc.uscourts.gov) for a small fee to view your filed proof of claim.

Offers to Purchase a Claim
Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities
do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.

Master Equipment Lease Agreement

THIS MASTER EQUIPMENT LEASE AGREEMENT dated as of June 25, 2007 ("Master Lease") is made by and between **KEY EQUIPMENT FINANCE INC.**, having an address at 66 South Pearl Street, Albany, NY 12207 ("Lessor"), and QUANTUM FOODS 213-D, LLC, QUANTUM FOODS, LLC, QUANTUM CULINARY, LLC, and GDC LOGISTICS, LLC with their chief executive offices located at 750 S Schmidt Rd, Bolingbrook, IL 60440-4813 (collectively "Lessee").

1. **Lease.** Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, Equipment, subject to and upon the terms set forth herein and in any equipment schedule executed in connection herewith (each, a "Schedule"). Each Schedule shall constitute a separate and enforceable lease incorporating all the terms of this Master Lease (each Schedule, together with this Master Lease as it relates to such Schedule, is referred to herein as a "Lease"). If any term of a Schedule conflicts or is inconsistent with any term of this Master Lease, the terms of such Schedule shall govern.

2. **Definitions.** Unless the context otherwise requires, as used in the Lease, the following terms shall have the respective meanings indicated below and shall be equally applicable to both the singular and the plural forms thereof:

"Equipment" means each item of property designated on a Schedule that will be leased by Lessee pursuant to the Lease, together with all replacement parts, additions and accessories incorporated therein or affixed thereto. Where rights to receive license fees for Software and charges for Services supplied or to be supplied to Lessee are included in the amount financed by Lessor under the Lease, references to leasing, purchases, ownership and administration of "Equipment" under the Lease shall be broadly interpreted to include such Financed Fees.

"Fair Market Rental Value" or "Fair Market Sale Value" means the value of Equipment for lease or sale, in place and in continued use, which would be obtained in an arm's length transaction between an informed and willing retail lessor or seller (under no compulsion to lease or sell) and an informed and willing retail lessee or buyer (under no compulsion to lease or purchase), assuming that Equipment is in the condition specified by Sections 10 and 11 hereof, as determined by the parties or, if the parties cannot agree, by an American Society of Appraisers certified appraiser selected by Lessor and paid for by Lessee.

"Financed Fees" means the Software license, usage, or other fees and the charges for Services, if any, specified on a Schedule.

"Guarantor" means any guarantor of Lessee's obligations hereunder.

"Initial Term Expiration Date" shall have the meaning specified in the applicable Schedule.

"Lease Documents" means this Master Lease, a Schedule and all other documents relating to or provided in connection with a Lease, prepared by Lessor, and now or hereafter executed in connection herewith or therewith, as the same may be modified, amended, extended or replaced.

"License Agreement" means the software license agreement(s) between Lessee and Licensor relating to Software.

"Licensor" means the Supplier(s) of Software, solely in its (their) capacity as licensor of such Software.

"Purchase Agreement" means any purchase agreement or other contract between a Supplier and Lessee for the acquisition of Equipment to be leased or financed under a Lease.

"Rent" means the periodic payments due for the leasing of Equipment as set forth on the related Schedule and, where the context hereof requires, all such additional amounts as may, from time to time, be payable under a Lease. The term "Rent" shall include interim rent, if any, as described in Section 5 hereof.

"Rent Commencement Date" means, with respect to Equipment, the date on which (a) Lessor receives an executed Certificate of Acceptance for Equipment from Lessee or (b) Lessor disburses funds for the purchase of Equipment, as determined by Lessor in its sole discretion.

"Rent Payment Date" shall have the meaning specified in the applicable Schedule.

"Services" means all training, installation, transportation, handling, maintenance, custom programming, integration, technical consulting and support services relating to Equipment and specified on a Schedule.

"Software" means the software and all related documentation, corrections, updates and revisions used in connection with Equipment financed under a Schedule.

"Stipulated Loss Value" shall have the meaning specified in the applicable Schedule.

"Supplier" means the manufacturer or the vendor of the Equipment.

"Term" means the Initial Term or any Renewal Term, each as defined in Section 6 hereof, and any Extended Lease Term or Interim Term, as defined in the applicable Schedule.

3. Ordering Equipment. Lessee hereby assigns to Lessor all of Lessee's rights, but none of its obligations, under any Purchase Agreement related to a Lease. Lessor may (a) accept such assignment from Lessee of Lessee's rights, but none of Lessee's obligations, under any such Purchase Agreement and/or (b) issue a purchase order for the Equipment to the Supplier. Lessee shall arrange for delivery of Equipment. If Equipment is subject to an existing Purchase Agreement between Lessee and the Supplier, and Equipment has been delivered to Lessee as of the date of the Schedule applicable thereto, Lessee warrants that it has advised Lessor of the delivery date(s) of such Equipment. Lessee hereby authorizes Lessor to complete each Schedule with the serial numbers and other identification data of Equipment associated therewith as such data is received by Lessor.

4. Delivery and Acceptance. Upon delivery to and acceptance by Lessee of any Equipment, Lessee shall execute and deliver to Lessor a Certificate of Acceptance in form acceptable to Lessor ("Certificate of Acceptance"). LESSOR SHALL HAVE NO OBLIGATION TO ADVANCE ANY FUNDS HEREUNDER UNLESS AND UNTIL LESSOR RECEIVES A CERTIFICATE OF ACCEPTANCE FOR SUCH EQUIPMENT EXECUTED BY LESSEE.

5. Rent; Delinquent Payments. (a) Lessee shall pay Rent commencing on the Rent Commencement Date, and, unless otherwise set forth on the applicable Schedule, on the same day of each payment period thereafter for the balance of the Term. Rent shall be due whether or not Lessee has received any notice that it is due, and all Rent shall be paid to Lessor at its address set forth on the Schedule, or as otherwise directed by Lessor in writing.

(b) If Lessee fails to pay any Rent or other sums under the Lease on or before the date when the same becomes due, Lessee shall pay to Lessor (in addition to and not in lieu of other rights of Lessor) a late charge equal to the lesser of five percent of such delinquent amount or the maximum permitted by law. Such late charge shall be payable by Lessee upon demand by Lessor and shall be deemed Rent hereunder. Lessee acknowledges and agrees that the late charge (i) does not constitute interest, (ii) is an estimate of the costs Lessor will incur as a result of the late payment and (iii) is reasonable in amount.

6. Term; Survival. With respect to any Equipment, unless otherwise specified on a Schedule, the initial term of the Lease (the "Initial Term") shall commence on the earlier of (a) the date risk of loss is transferred from the Supplier to Lessee or Lessor or (b) the date on which such Equipment is delivered to Lessee and, unless earlier terminated as provided herein, shall expire on the Initial Term Expiration Date. Any renewal term of the Lease (individually, a "Renewal Term") shall commence immediately upon the expiration of the Initial Term or any prior Renewal Term, as the case may be, and, unless earlier terminated as provided herein, shall expire on the last day of the period for which the final payment of Rent is due. All obligations of Lessee hereunder shall survive the expiration, cancellation or other termination of the Term of each Lease.

7. Location; Inspection; Labels. Equipment shall be delivered to the location specified in the Schedule and shall not be removed therefrom without Lessor's prior written consent. Lessor shall have the right to enter upon the premises where the Equipment is located and inspect the Equipment at any reasonable time. At Lessor's request, Lessee shall (a) affix permanent labels in a prominent place on Equipment stating Lessor's interest in the Equipment, (b) keep such labels in good repair and condition and (c) provide Lessor with an inventory listing of all labeled Equipment within thirty days of such request.

8. Non-Cancelable Lease. THE LEASE IS A NET LEASE. LESSEE'S OBLIGATION TO PAY RENT AND PERFORM ITS OBLIGATIONS HEREUNDER ARE ABSOLUTE, IRREVOCABLE AND UNCONDITIONAL AND SHALL NOT BE SUBJECT TO ANY RIGHT OF SET OFF, COUNTERCLAIM, DEDUCTION, DEFENSE OR OTHER RIGHT LESSEE MAY HAVE AGAINST THE SUPPLIER, LESSOR OR ANY OTHER PARTY PROVIDED, HOWEVER, THAT NOTHING HEREIN SHALL PRECLUDE LESSEE FROM ASSERTING ANY SUCH CLAIMS IN A SEPARATE CAUSE OF ACTION. LESSEE UNDERSTANDS AND AGREES THAT NEITHER THE SUPPLIER NOR ANY SALES REPRESENTATIVE OR OTHER AGENT OF THE SUPPLIER IS AN AGENT OF LESSOR OR IS AUTHORIZED TO WAIVE OR ALTER ANY TERM OR CONDITION OF THE LEASE, AND NO SUCH WAIVER OR ALTERATION SHALL VARY THE TERMS OF THE LEASE. LESSOR IS NEITHER A SUPPLIER NOR A LICENSOR, AND LESSOR IS NOT RESPONSIBLE FOR REPAIRS, SERVICE OR DEFECTS IN EQUIPMENT. LESSEE AGREES NOT TO ASSERT AGAINST LESSOR ANY CLAIMS OR DEFENSES LESSEE MAY HAVE WITH RESPECT TO EQUIPMENT, AND UNDERSTANDS THAT IT MAY ASSERT SUCH CLAIMS AGAINST SUPPLIER OR LICENSOR.

9. Use; Alterations. (a) Lessee shall use Equipment lawfully and only in the manner for which it was designed and intended and so as to subject it only to ordinary wear and tear. Lessee shall comply with all applicable laws. Lessee shall immediately notify Lessor, in writing, upon becoming aware of any existing or threatened investigation, claim or action by any governmental authority that could adversely affect Equipment, Lessor or the Lease. Lessee, at its own expense, shall make such alterations, additions or modifications (each, a "Required Alteration") to Equipment as may be required from time to time to meet the requirements of applicable law or a governmental body. All such Required Alterations shall immediately, and without further act, be deemed to constitute "Equipment" and be fully subject to the Lease as if originally leased hereunder. Except as otherwise permitted herein, Lessee shall not make any alterations to Equipment without Lessor's prior written consent.

(b) Lessee, at its own expense, may from time to time add or install upgrades or attachments (each an "Upgrade") to Equipment during the Term; provided, that such Upgrades (i) are readily removable without causing material damage to Equipment, (ii) do not materially adversely affect the Fair Market Sale Value, the Fair Market Rental Value, residual value, productive capacity, utility or remaining useful life of Equipment and (iii) do not cause Equipment to become "limited use property" within the meaning of Revenue Procedure 2001-28, 2001-19 I.R.B. 1156 (or such other successor tax provision), as of the date of installation of such Upgrade. Any such Upgrades shall remain the property of Lessee. Upon the expiration or earlier cancellation of the Lease, Lessee may, at its option, remove any such Upgrades and, upon such removal, shall restore Equipment to the condition required hereunder.

(c) If any Equipment covered under any Lease becomes attached or affixed to, or used in connection with, Equipment covered under another Lease hereunder (a "Related Lease"), Lessee agrees that, if Lessee elects to exercise a purchase or renewal option under any such Lease, or if Lessee elects to return Equipment under any such Lease, then Lessor, in its sole discretion, may require that all Equipment leased under all Related Leases be similarly disposed of.

10. **Repairs and Maintenance.** Lessee, at Lessee's cost and expense, shall (a) keep Equipment in good repair, good operating condition, appearance and working order in compliance with the manufacturer's recommendations and Lessee's standard practices (but in no event less than industry practices), (b) take all actions necessary to ensure that the Equipment will be eligible, at the expiration of the Initial Term and any Renewal Term, for a standard, full service maintenance contract with the manufacturer, (c) properly service all components of Equipment following the manufacturer's written operating and servicing procedures, (d) enter into and keep in full force and effect during the Term a maintenance agreement covering the Equipment with the manufacturer, or a manufacturer-approved maintenance organization, to maintain, service and repair such Equipment, as otherwise required herein (but an alternate source of maintenance may be used by Lessee with Lessor's prior written consent), (e) upon Lessor's request furnish Lessor with an executed copy of any such maintenance agreement, and (f) replace any part of the Equipment that becomes unfit or unavailable for use from any cause (whether or not such replacement is covered by a maintenance agreement) with a replacement part that, in Lessor's sole opinion, is of the same manufacture, value, remaining useful life and utility as the replaced part immediately preceding the replacement, assuming that such replaced part was in the condition required by this Lease. Replacement parts shall be free and clear of all liens, constitute Equipment and be fully subject to this Lease as if originally leased hereunder.

11. **Return of Equipment.** Except as otherwise provided in a Schedule, upon the expiration or earlier termination or cancellation of each Lease, Lessee, at its sole expense, shall de-install, assemble, pack properly and in accordance with the manufacturer's instructions (under the supervision of persons acceptable to Lessor), including labeling of all components and hardware, and return to Lessor all, but not less than all, Equipment by delivering the Equipment to and unloading it at such location or with such carrier as Lessor shall specify. Lessee agrees that (a) Equipment, when returned, shall be in the condition required by the Lease, and (b) upon Lessor's request, Lessee will obtain from the manufacturer (or other maintenance service provider previously approved by Lessor or manufacturer) a certificate stating that such Equipment qualifies for full maintenance service at the standard rates and terms then in effect. If, in the opinion of Lessor, any Equipment fails to meet the standards set forth above, Lessee agrees to pay, on demand, all costs and expenses incurred in connection with the repairing and restoring of such Equipment so as to meet such standards. If Lessee fails to return any Equipment as required hereunder, then all of Lessee's obligations under the Lease (including, without limitation, Lessee's obligation to pay Rent for the Equipment at the rental then applicable under the Lease) shall continue in full force and effect until such Equipment shall have been returned in the condition required under the Lease.

12. **Sublease and Assignment.** (a) **LESSEE SHALL NOT, WITHOUT LESSOR'S PRIOR WRITTEN CONSENT, (I) SELL, ASSIGN, TRANSFER, PLEDGE, HYPOTHECATE OR OTHERWISE DISPOSE OF THE LEASE, EQUIPMENT OR ANY INTEREST THEREIN (EXCEPT TO ANY ENTITY PERMITTED UNDER SECTION 18(a)(viii) HEREOF), (II) RENT, SUBLET OR LEND EQUIPMENT TO ANYONE OR (III) PERMIT EQUIPMENT TO BE USED BY ANYONE OTHER THAN LESSEE OR LESSEE'S AFFILIATES AND THEIR RESPECTIVE QUALIFIED EMPLOYEES. LESSEE ACKNOWLEDGES THAT IT REMAINS PRIMARILY LIABLE FOR ALL OBLIGATIONS HEREUNDER NOTWITHSTANDING ANY USE BY AN AFFILIATE.**

(b) Lessor, at any time with or without notice to Lessee, may sell, transfer, assign and/or grant a security interest in all or any part of Lessor's interest in each Lease or any Equipment (each, a "Lessor Transfer"). Any purchaser, transferee, assignee or secured party of Lessor (each a "Lessor Assignee") shall have and may exercise all of Lessor's rights hereunder with respect to the items to which any such Lessor Transfer relates, and Lessee shall not assert against any Lessor Assignee any claim that Lessee may have against Lessor provided, Lessee may assert any such claim in a separate action against Lessor. Upon written notice of a Lessor Transfer, Lessee shall promptly acknowledge in writing its obligations under the applicable Lease, shall comply with the written directions or demands of any Lessor Assignee and shall make all payments due under the applicable Schedule as directed in writing by the Lessor Assignee. Following such Lessor Transfer, the term "Lessor" shall be deemed to include or refer to each Lessor Assignee. Lessee will provide reasonable assistance to Lessor to complete any transaction contemplated by this subsection (b).

(c) Subject to the restriction on assignment contained in subsection (a), the Lease Documents shall inure to the benefit of, and are binding upon, the successors and assigns of the parties thereto including, without limitation, each person who becomes bound thereto as a "new debtor" as set forth in the Uniform Commercial Code ("UCC").

13. **Risk of Loss; Damage to Equipment.** (a) Lessee shall bear the entire risk of loss (including without limitation, theft, destruction, disappearance of or damage to Equipment from any cause whatsoever), whether or not insured against, during the Term of each Lease and until Equipment is returned to Lessor in accordance with Section 11 hereof. No such loss shall relieve Lessee of the obligation to pay Rent or of any other obligation under the related Lease.

(b) If any Equipment is lost, stolen or damaged beyond repair, or confiscated, seized or the use and/or title thereof requisitioned to someone other than Lessee (any such event being a "Total Loss"), Lessee shall immediately notify Lessor of such event. On the next Rent Payment Date following the occurrence of the Total Loss, at Lessor's option, Lessee shall either (i) replace Equipment with equipment that, in Lessor's sole opinion, is of the same manufacture, value, remaining useful life and utility as the replaced Equipment immediately preceding the Total Loss, assuming such replaced Equipment was in the condition required by the Lease or (ii) pay to Lessor the sum of (A) all Rent due and owing under the Lease with respect to such Equipment (at the time of such payment) plus (B) the Stipulated Loss Value for the Equipment as of that Rent Payment Date. If Lessor elects to allow replacement of Equipment as set forth in subsection (i) above, Lessee shall cause the Supplier of such replacement equipment to deliver to Lessor a bill of sale for such equipment free and clear of all liens and encumbrances, and such replacement equipment shall become Equipment subject to the applicable Lease. Upon Lessor's receipt of the amounts specified in subsection (ii) above, Lessee shall be entitled to Lessor's interest in the replaced Equipment, in its then condition and location, "as is" and "where is," without any warranties, express or implied.

14. **Insurance.** (a) Lessee shall, at all times during the Term of each Lease and at Lessee's own cost and expense, maintain (i) insurance against all risks of physical loss or damage to Equipment for the greater of the full replacement value or the Stipulated Loss Value thereof, and (ii) commercial general liability insurance (including blanket contractual liability coverage and products liability coverage) for personal and bodily injury and property damage per occurrence as stated in each Schedule.

(b) All policies required hereunder shall be placed with insurance companies that carry a minimum AM Best rating of A- VII. Without limiting the generality of the foregoing, each policy shall include the following terms: (i) all physical damage insurance shall name Lessor and its assigns as loss payee, (ii) all liability insurance shall name Lessor and its assigns as additional insureds, (iii) the policy shall not be canceled or altered without at least thirty days advance notice to Lessor and its assigns and (iv) coverage shall not be invalidated against Lessor or its assigns because of any violation of any condition or warranty contained in any policy or application therefor by Lessee or by reason of any action or inaction of Lessee. On each anniversary of the Rent Commencement Date during the term hereof, Lessee shall deliver to Lessor certificates or other proof of insurance satisfactory to Lessor evidencing the coverage required by this section.

15. **Taxes.** Lessee shall pay when due and shall indemnify and hold harmless Lessor (on an after-tax basis) from and against any and all taxes, fees, withholdings, levies, imposts, duties, assessments and charges of every kind and nature whatsoever (including any related penalties and interest) imposed upon or against Lessor, any Lessor Assignee, Lessee or any Equipment by any governmental authority in connection with, arising out of or otherwise related to Equipment, the Lease Documents or the Rent and receipts or earnings arising therefrom and excepting only all Federal, state and local taxes on or measured by Lessor's net income. Whenever each Lease expires, terminates or is canceled as to any Equipment, Lessee, upon written request by Lessor, shall advance to Lessor the amount estimated by Lessor to be the taxes on said Equipment that are not yet payable, but for which Lessee is responsible. At Lessee's request, Lessor shall provide Lessee with Lessor's method of computation of any such estimated taxes.

16. **Lessor's Right to Perform for Lessee.** If Lessee fails to perform any of its obligations contained herein, Lessor may (but shall not be obligated to) itself perform such obligations, and the amount of the reasonable costs and expenses of Lessor incurred in connection with such performance, together with interest on such amount at the lesser of eighteen percent per annum or the maximum permitted by law, shall be payable by Lessee to Lessor upon demand. No such performance by Lessor shall be deemed a waiver of any rights or remedies of Lessor or be deemed to cure the default of Lessee hereunder.

17. **Personal Property; Liens.** Lessee represents and warrants that the Equipment is, and shall at all times remain, fully removable personal property notwithstanding any affixation or attachment to real property or improvements. Lessee shall at all times keep Equipment free and clear from all liens and encumbrances of any kind or nature other than those created by, through or under Lessor. If, in violation of the foregoing covenant, any prohibited lien or encumbrance shall attach to Equipment, Lessee shall (a) give Lessor immediate written notice thereof and (b) promptly, at Lessee's sole cost and expense, take such action as may be necessary to discharge such lien.

18. **Default; Remedies.** (a) As used herein, the term "Default" means any of the following events: (i) Lessee fails to pay any Rent or other amount due under a Lease within ten days after the same shall have become due; (ii) Lessee or any Guarantor becomes insolvent and fails to cure such status within 30 days or makes an assignment for the benefit of its creditors; (iii) a receiver, trustee, conservator or liquidator of Lessee or any Guarantor of all or a substantial part of Lessee's or such Guarantor's assets is appointed with or without the application or consent of Lessee or such Guarantor, respectively and in the case where such appointment is made without the application or consent of Lessee or such Guarantor, such appointment is

not reversed within 30 days; (iv) a petition is filed by or against Lessee or any Guarantor under any bankruptcy, insolvency or similar law and, in the case of an involuntary petition, is not dismissed within 30 days; (v) Lessee or any Guarantor violates or fails to perform any material provision of either: (a) this Lease or any other loan, lease or credit agreement or any acquisition or purchase agreement with Lessor, its parent corporation or any affiliate company; or (b) any other loan, lease or credit agreement or any acquisition or purchase agreement with any other party where total aggregate balance to the party is in excess of $1,000,000.00 and all applicable cure periods have expired (it being understood that no cure period shall be allowed for failure to maintain the insurance required under this Lease; (vi) any warranty or representation made by Lessee herein proves to have been materially false or misleading when made; (vii) there is a material adverse change in Lessee's or any Guarantor's financial condition since the related Rent Commencement Date and Lessee or such Guarantor fails to restore its financial condition to its original status within 30 days; (viii) Lessee or any Guarantor merges or consolidates with any other corporation or entity, or sells, leases or disposes of all or substantially all of its assets without the prior written consent of Lessor, *provided, however*, that such prior written consent will not be required for any merger, consolidation or sale if (A) the surviving party of such merger or consolidation, or the purchaser of the assets, is at least 75% owned, directly or indirectly, by Edward B. Bleka, Jana Bleka, or any trust for the benefit of the foregoing individuals, and the remainder of such surviving party is owned, directly or indirectly, by any of their children or any trust for the benefit of the foregoing individuals, (B) 30 days' prior notice of such merger, consolidation or sale is given to Lessor, and (C) in the case of merger, consolidation or sale of assets of the Lessee, Lessee provides Lessor with a UCC financing statement or other necessary documentation to maintain Lessor's security interest in the Equipment with the same priority and pays the costs associated with any such filings and related searches; (ix) Lessee or any Guarantor, if an individual, dies or, if not an individual, is dissolved; or (x) any filing by Lessee of a termination statement for any financing statement filed by Lessor while any obligations are owed by Lessee under a Lease. A Default with respect to any Lease shall, at Lessor's option, constitute a Default for all Leases and any other agreements between Lessor and Lessee.

(b) Upon the occurrence of a Default, Lessor may do one or more of the following as Lessor in its sole discretion shall elect: (i) proceed by appropriate court action to enforce performance by Lessee of the related Lease or to recover damages, including incidental and consequential damages, for the breach thereof; (ii) cause Lessee, at its expense, promptly to assemble Equipment and return the same to Lessor at such place as Lessor may designate in writing; (iii) by notice in writing to Lessee, cancel or terminate the related Lease, without prejudice to any other remedies hereunder; (iv) enter upon the premises of Lessee or other premises where any Equipment may be located and, without notice to Lessee and with or without legal process, take possession of and remove all or any such Equipment without liability to Lessee by reason of such entry or taking possession, and without such action constituting a cancellation or termination of the Lease unless Lessor notifies Lessee in writing to such effect; (v) by written notice to Lessee specifying a payment date (the "Remedy Date"), demand that Lessee pay to Lessor, and Lessee shall pay to Lessor, on the Remedy Date, as liquidated damages for loss of a bargain and not as a penalty, a sum equal to (A) any unpaid Rent due prior to the Remedy Date (together with interest on such amount at the lesser of eighteen percent per annum or the maximum permitted by law from the Remedy Date to the date of actual payment), plus (B) the Stipulated Loss Value; (vi) sell Equipment at public or private sale or hold, keep idle or lease to others any Equipment; and (vii) exercise any other right or remedy available to Lessor under applicable law. In addition, Lessee shall be liable for all reasonable costs, expenses, and legal fees incurred in enforcing Lessor's rights under the Lease, before or in connection with litigation or arbitration and for any deficiency in the disposition of the Equipment. Lessor's recovery hereunder shall in no event exceed the maximum recovery permitted by law.

(c) If a Default occurs, Lessee hereby agrees that ten days' prior notice to Lessee of any public sale or of the time after which a private sale may be negotiated shall be conclusively deemed reasonable notice. None of Lessor's rights or remedies hereunder are intended to be exclusive, but each shall be cumulative and in addition to any other right or remedy referred to hereunder or otherwise available to Lessor at law or in equity, and no express or implied waiver by Lessor of any Default shall constitute a waiver of any other Default or a waiver of any of Lessor's rights.

(d) With respect to any exercise by Lessor of its right to recover and/or dispose of any Equipment or any other collateral securing Lessee's obligations under any Lease, Lessee acknowledges and agrees that Lessor may dispose of Equipment on an "AS-IS, WHERE-IS" basis, in compliance with applicable law and with such preparation (if any) as Lessor determines to be commercially reasonable. Lessee shall remain liable for any deficiency in the disposition of the Equipment, and any purchase by Lessor of the Equipment may be through a credit to some or all of Lessee's obligations under any Lease.

19. Notices. All notices and other communications hereunder shall be in writing and shall be transmitted by hand, overnight courier or certified mail (return receipt requested), US postage prepaid. Such notices and other communications shall be addressed to the respective party at the address set forth above or at such other address as any party may, from time to time, designate by notice duly given in accordance with this section. Such notices and other communications shall be effective upon the earlier of receipt or three days after mailing if mailed in accordance with the terms of this section.

20. Indemnity. Lessee shall indemnify and hold harmless Lessor and each Lessor Assignee, on an after tax basis, from and against any and all liabilities, causes of action, claims, suits, penalties, damages, losses, costs or expenses (including attorneys' fees), obligations, demands and judgments (collectively, a "Liability") arising out of or in any way related to: (a) Lessee's failure to perform any covenant under the Lease Documents, (b) the untruth of any representation or warranty made by Lessee under the Lease Documents, (c) the order, manufacture, purchase, ownership, selection, acceptance, rejection,

possession, rental, sublease, operation, use, maintenance, control, loss, damage, destruction, removal, storage, surrender, sale, condition, delivery, return or other disposition of or any other matter relating to any Equipment or (d) injury to persons, property or the environment including any Liability based on strict liability in tort, negligence, breach of warranties or Lessee's failure to comply fully with applicable law or regulatory requirements; *provided*, that the foregoing indemnity shall not extend to any Liability to the extent resulting solely from the gross negligence or willful misconduct of Lessor.

21. **Fees and Expenses.** Lessee shall pay all reasonable costs and expenses of Lessor, including, without limitation, attorneys' and other professional fees, returned check or non-sufficient funds charges, the fees of any collection agencies and appraisers and all other costs and expenses related to any sale or re-lease of Equipment (including storage costs) incurred by Lessor in enforcing any of the terms, conditions or provisions hereof or in protecting Lessor's rights hereunder.

22. **Financial and Other Data.** During the Term hereof, Lessee shall furnish Lessor (a) as soon as available, and in any event within one hundred twenty days after the last day of each fiscal year, financial statements of Lessee and each Guarantor and (b) from time to time as Lessor may reasonably request, other financial reports, information or data (including federal and state income tax returns) and quarterly or interim financial statements of Lessee and each Guarantor. All such information shall be audited (or if audited information is not available, compiled or reviewed) by an independent certified public accountant.

23. **Representations and Warranties of Lessee.** Lessee represents and warrants that (a) the address stated above is the chief place of business and chief executive office of Lessee, Lessee's full and accurate legal name is as stated above and the information describing Lessee set forth under Lessee's signature below is accurate in all respects; (b) Lessee is either (i) an individual and the sole proprietor of its business which is located at the address set forth above and doing business only under the names disclosed herein, or (ii) a limited liability company or corporation duly organized and validly existing in good standing under the laws of the state of its organization or incorporation, or (iii) a general or limited partnership organized under the laws of the state of its principal place of business set forth in the Lease or the Lease Documents and the individual general partner executing this Master Lease has the full authority to represent, sign for and bind Lessee in all respects; (c) the execution, delivery and performance of this Master Lease and all related instruments and documents (i) have been duly authorized by all necessary action on the part of Lessee, (ii) do not require the approval of any stockholder, partner, manager, trustee, or holder of any obligations of Lessee except such as have been duly obtained, and (iii) do not and will not contravene any law, governmental rule, regulation or order now binding on Lessee, or contravene the operating agreement, charter or by-laws of Lessee, or constitute a default under, or result in the creation of any lien or encumbrance upon the property of Lessee under, any indenture, mortgage, contract or other agreement to which Lessee is a party or by which it or its property is bound; (d) the Lease Documents when entered into will constitute legal, valid and binding obligations of Lessee enforceable against Lessee in accordance with their terms; (e) there are no actions or proceedings to which Lessee is a party, and there are no other threatened actions or proceedings of which Lessee has knowledge, before any governmental authority which, either individually or in the aggregate, would adversely affect the financial condition of Lessee or the ability of Lessee to perform its obligations hereunder; (f) Lessee is not in default under any obligation for the payment of borrowed money, for the deferred purchase price of property or for the payment of any rent under any lease agreement which, either individually or in the aggregate, would adversely affect the financial condition of Lessee or the ability of Lessee to perform its obligations hereunder and (g) the financial statements of Lessee (copies of which have been furnished to Lessor) have been prepared in accordance with generally accepted accounting principles consistently applied and fairly present Lessee's financial condition and the results of its operations as of the date of and for the period covered by such statements, and since the date of such statements there has been no material adverse change in such conditions or operations.

24. **Lessee's Waivers. TO THE EXTENT PERMITTED BY APPLICABLE LAW, LESSEE WAIVES (a) ANY AND ALL RIGHTS AND REMEDIES CONFERRED UPON A LESSEE BY ARTICLE 2A OF THE UCC AND (b) ANY RIGHTS NOW OR HEREAFTER CONFERRED BY STATUTE OR OTHERWISE TO RECOVER INCIDENTAL OR CONSEQUENTIAL DAMAGES FROM LESSOR FOR ANY BREACH OF WARRANTY OR FOR ANY OTHER REASON OR TO SET OFF OR DEDUCT ALL OR ANY PART OF ANY CLAIMED DAMAGES RESULTING FROM LESSOR'S DEFAULT, IF ANY, UNDER THE RELATED LEASE.**

25. **UCC Filings. LESSEE HEREBY AUTHORIZES LESSOR TO AUTHENTICATE AND/OR FILE ALL UCC FINANCING STATEMENTS AND AMENDMENTS THAT IN LESSOR'S SOLE DISCRETION ARE DEEMED NECESSARY OR PROPER TO SECURE OR PROTECT LESSOR'S INTEREST IN EQUIPMENT IN ALL APPLICABLE JURISDICTIONS.** Lessee hereby ratifies, to the extent permitted by law, all that Lessor shall lawfully and in good faith do or cause to be done by reason of and in compliance with this section. Lessee shall provide written notice to Lessor at least thirty days prior to any contemplated change in Lessee's name, jurisdiction of organization or chief executive office address.

26. **Miscellaneous; Governing Law.** Time is of the essence with respect to each Lease. Any failure of Lessor to require strict performance by Lessee or any waiver by Lessor of any provision of a Lease shall not be construed as a consent or waiver of any provision of such Lease. The Lease will be binding upon Lessor only if executed by a duly authorized officer or representative of Lessor at Lessor's address set forth above. An authorized signer of Lessee shall execute the Lease Documents on Lessee's behalf. Any provision of a Lease that is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions thereof. Captions are intended for convenience or reference only, and shall not be construed to define, limit or describe the scope or intent of any provisions hereof. Lessee will

promptly execute or otherwise authenticate and deliver to Lessor such further documents, instruments, assurances and other records and take such further action as Lessor may reasonably request in order to carry out the intent and purpose of this agreement and each Lease and to establish and protect the rights and remedies created or intended to be created in favor of Lessor hereunder and thereunder. **EACH LEASE IS BEING DELIVERED IN, AND SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF, THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW OR CONFLICT OF LAWS. LESSOR AND LESSEE HEREBY EACH WAIVE THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF OR RELATED TO EQUIPMENT OR EACH LEASE. THIS WAIVER IS MADE KNOWINGLY, WILLINGLY AND VOLUNTARILY BY LESSOR AND LESSEE WHO EACH ACKNOWLEDGE THAT NO REPRESENTATIONS HAVE BEEN MADE BY ANY INDIVIDUAL TO INDUCE THIS WAIVER OF TRIAL BY JURY OR IN ANY WAY TO MODIFY OR NULLIFY ITS EFFECT. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO EACH LEASE AND THE LEASE DOCUMENTS.**

27. Quiet Enjoyment. So long as no Default has occurred and is continuing, Lessee shall peaceably hold and quietly enjoy Equipment without interruption by Lessor or any person or entity claiming through Lessor.

28. Entire Agreement. Each Lease, together with all other Lease Documents, constitutes the entire understanding or agreement between Lessor and Lessee with respect to the leasing of Equipment covered thereby, and there is no understanding or agreement, oral or written, which is not set forth herein or therein. No Lease may be amended except by a writing signed by Lessor and Lessee. Delivery of an executed Lease Document by facsimile or any other reliable means shall be deemed as effective for all purposes as delivery of a manually executed copy. Lessee shall provide to Lessor the manually executed original of any Lease Document delivered by facsimile within five days.

29. More than One Lessee. (a) The rights and obligations of Lessee are joint and several. Each reference to the term "Lessee" shall be deemed to refer to each of Quantum Foods 213-D, LLC, Quantum Foods, LLC, Quantum Culinary, LLC, GDC Logistics, LLC; and each representation and warranty made by Lessee shall be deemed to have been made by each such party; and each covenant and undertaking on the part of Lessee shall be deemed individually applicable with respect to each such party; and each event constituting a Default under this Lease shall be determined with respect to each such party. A separate action or actions may be brought and prosecuted against any such party whether an action is brought against any other party or whether any other party is joined in any such actions or actions. Each such party waives any right to required Lessor to: (i) proceed against any other party; (ii) proceed against or exhaust any security held from any other party; or (iii) pursue any other remedy in Lessor's power whatsoever. Notices hereunder required to be provided to Lessee shall be effective if provided to any such party. Any consent on the part of Lessee hereunder shall be effective when provided by any such party and Lessor shall be entitled to rely upon any notice or consent given by any such party as being notice or consent given by Lessee hereunder.

(b) In the event any obligation of Lessee under this Lease is deemed to be an agreement by any individual Lessee to answer for the debt or default of another individual Lessee (including each other) or as a hypothecation of property as security therefor, each Lessee represents and warrants that: (i) no representation has been made to it as to the creditworthiness of any other obligor, and (ii) it has established adequate means of obtaining from each other obligor on a continuing basis, financial or other information pertaining to each other obligor's financial condition. Each Lessee expressly waives diligence, demand, presentment, protest and notice of every kind and nature whatsoever, consents to the taking by Lessor of any additional security for the obligations secured hereby, or the alteration or release in any manner of any security now or hereafter held in connection with any obligations now or hereafter secured by this Lease, and consents that Lessor and any obligor may deal with each other in connection with said obligations or otherwise, or alter any contracts now or hereafter existing between them, in any manner whatsoever, including without limitation the renewal, extension, acceleration, changes in time for payment of any such obligations or in the terms or conditions of any security held, Lessor is hereby expressly given the right, at its option, to proceed in the enforcement of this Lease independently of any other remedy or security it may at any time hold in connection with such obligations secured and it shall not be necessary for Lessor to proceed upon or against and/or exhaust any other security or remedy before proceeding to enforce its rights against any Lessee. Each Lessee further waives any right of subrogation, reimbursement, exoneration, contribution, indemnification, setoff or other recourse in respect of sums paid to Lessor by a Lessee.

30. Disclaimer of Warranties. LESSOR MAKES NO WARRANTIES, EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING, WITHOUT LIMITATION, TITLE TO, DESIGN, OPERATION, CONDITION, OR QUALITY OF THE MATERIAL OR WORKMANSHIP IN, EQUIPMENT, ITS MERCHANTABILITY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE, THE ABSENCE OF LATENT OR OTHER DEFECTS (WHETHER OR NOT DISCOVERABLE), LACK OF INFRINGEMENT ON ANY PATENT, TRADEMARK OR COPYRIGHT, AND LESSOR HEREBY DISCLAIMS ALL SUCH WARRANTIES; IT BEING UNDERSTOOD THAT THE EQUIPMENT IS LEASED TO LESSEE "AS IS, WHERE IS." LESSEE HAS MADE THE SELECTION OF THE EQUIPMENT FROM THE SUPPLIER BASED ON ITS OWN JUDGMENT

AND EXPRESSLY DISCLAIMS ANY RELIANCE ON ANY STATEMENTS OR REPRESENTATIONS MADE BY LESSOR. IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES. LESSOR HEREBY ASSIGNS TO LESSEE FOR THE TERM OF EACH LEASE WITHOUT RECOURSE AND FOR SO LONG AS LESSEE IS NOT IN DEFAULT UNDER ANY LEASE, ANY WARRANTY PROVIDED BY THE SUPPLIER.

31. **Execution In Counterparts.** The Master Lease and all other Lease Documents may be executed in several counterparts and by different parties hereto or thereto on separate counterparts, each of which when so executed or otherwise authenticated and delivered shall be an original, but all such counterparts shall together consist of one and the same instrument; except, to the extent that any Lease Documents constitute chattel paper under the UCC, no security interest therein may be created other than through the transfer or possession of the original counterpart, which shall be identified by Lessor.

32. **Software.** To the extent that any Schedule relates to Software:

(a) Lessee acknowledges that (i) all Software is furnished to Lessee under one or more separate License Agreements governing Lessee's rights thereto, (ii) the Lease does not convey any explicit or implicit license for the use of Software or other intellectual property relating to Equipment, and (iii) Lessor does not hold title to any Software and Lessee is or shall be the licensee of such Software directly from the Licensor.

(b) Lessee shall not amend, modify or otherwise alter, any term or condition of any License Agreement, including, without limitation, any such term or condition related to (i) payment of any amounts due thereunder, (ii) any liabilities or obligations of Lessee as licensee, (iii) the payment of late fees on past due amounts, or (iv) the payment of applicable taxes; provided, however, that this provision shall not apply to those terms or conditions relating solely to amounts owing to Licensor which have not been financed under the Lease.

IN WITNESS WHEREOF, Lessor and Lessee have executed this Master Lease as of the day and year first above written.

This **MASTER ASSIGNMENT AGREEMENT** ("Agreement") is made as of the 27th day of October, 2004, by and between **KEY EQUIPMENT FINANCE, A DIVISION OF KEY CORPORATE CAPITAL INC.**, a Michigan corporation with an address at 1000 South McCaslin Boulevard, Superior, Colorado 80027 ("Assignee") and **GENERAL ELECTRIC CAPITAL CORPORATION**, a Delaware corporation with its principal place of business at 4 North Park Drive, Suite 500, Hunt Valley, Maryland 21030 ("Assignor").

RECITALS

A. From time to time Assignor may enter into equipment lease agreements (collectively the "Leases" and individually a "Lease") with one or more lessees (collectively the "Lessees" and individually a "Lessee"), pursuant to which Assignor shall have the right to acquire equipment (the "Equipment") from various vendors or the Lessee (collectively the "Vendors" and individually a "Vendor") and lease such Equipment to the Lessees. Each of the Leases may be either (1) an equipment schedule that incorporates therein a master lease agreement (a "Master Lease Schedule") or (2) an individual equipment lease agreement (a "Single Lease"). As used in this Agreement, the term "Schedule" means such Master Lease Schedule or such Single Lease, as applicable.

B. Assignor desires to sell and assign to Assignee from time to time, and Assignee desires to purchase from Assignor from time to time, Assignor's right, title, interest and obligations in and to certain Schedules and the Equipment leased thereunder, all on the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the sum of Ten Dollars ($10.00) in hand paid, the mutual promises made herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Conveyance; Consideration; Interest.
   (a) Conveyance; Acceptance and Assumption. In exchange for Assignee's full and final payment to Assignor of the Consideration (as defined below), and all of Assignee's other agreements hereunder, Assignor hereby
      (i) sells, assigns, transfers and sets over to Assignee all of Assignor's right, title and interest in and to the Interest described on each Specification (as defined below) entered into in connection herewith and
      (ii) sells, assigns, transfers and delegates to Assignee all of Assignor's obligations in and under the Interest.

   Assignee hereby accepts such sale, assignment, transfer and set-over and, upon execution of the Specification, assumes all of such delegated obligations.
   (b) Consideration. In exchange for each conveyance by Assignor as evidenced by a Specification, Assignee shall pay to Assignor, in cash or other immediately available funds, the full amount of the Consideration stated on each such Specification (the "Consideration"). No right, title or interest described in any Specification shall pass to Assignee unless and until Assignor shall have received payment in full of the Consideration therefore unless a portion or all of the Consideration is being paid subsequent to the date of the Specification in the form of a "fee scrape" or otherwise, each as set forth in the Specification.
   (c) Interest. As used herein, the term "Interest" shall mean the following, in each case as more specifically described on a Specification of Assigned Schedule in substantially the form attached hereto as Exhibit 1 (collectively the "Specifications" and individually a "Specification"), together with all proceeds (cash and noncash) thereof, and in each case, only to the extent such rights or obligations arise from and after the date of the transfer contemplated by such Specification:
      (i) the Schedules described therein, including (without limitation) the right to receive any and all sums due and to become due thereunder or recoverable in connection therewith including (without limitation) insurance proceeds payable on the theft, loss, damage or destruction of the Equipment, proceeds payable upon the condemnation of the Equipment, all monies payable or recoverable following a default by Lessee, the right to any residual or reversionary interest in the Equipment, and the right to initiate and conclude any and all claims and proceedings, legal, equitable or otherwise, that Assignor might take, save for this Agreement except to the extent relating to rights or obligations arising prior to the date of transfer;
      (ii) the Equipment described in and leased under such Schedules;
      (iii) any guaranty executed in connection with the applicable Schedules, solely as such guaranty relates to such Schedules (the "Guaranties"), including (without limitation) the right to receive any and all sums due and to become due thereunder or recoverable in connection therewith;
      (iv) certain agreements (including, without limitation, bills of sale) with the Vendors (if any) solely as they relate to the Equipment, together with all manufacturers' and/or vendors' warranties with respect to the Equipment (collectively the "Vendor Agreements" and individually a "Vendor Agreement"); and
      (v) such additional documents as shall have been executed and/or delivered in connection with the transaction described in the Specification (the "Additional Documents").

   As used herein, the term "Lease Documents" shall mean the Schedules, the Guaranties and the Additional Documents. As used herein, the term "Transaction Documents" shall mean the Lease Documents and the Vendor Agreements.

2. Assignor's Warranties and Representations; Disclaimer; Knowledge.

         (B) Assignor has no knowledge that any Default (as such term or similar term is defined in the subject Lease and each of the subject Guaranties, as applicable) or event which, with the giving of notice or lapse of time or both, would become a Default, has occurred under the Lease Documents described on such Specification;
         (C) the information set forth on such Specification is true and correct, and the Lease Documents described on such Specification (and its attached schedule) are all of the documents executed or delivered to or by Assignor in connection with the Lease, and such documents constitute the entire agreement of the parties thereto with respect to the transaction evidenced thereby;
         (D) Assignor has not heretofore encumbered, assigned or pledged the interest assigned under such Specification;

(3) does not constitute legal, valid and binding obligations of the parties thereto other than Assignor, enforceable against such parties in accordance with their terms, except as limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, and by applicable laws and judicial decisions which may affect the remedies provided therein;

(F) the Lessee under the Schedule described on the Specification has executed only one (1) original of the Schedule, and that sole original was delivered to Assignor by the Lessee, each such original has been delivered by Assignor to Assignee or will be so delivered on or before the date of closing of the transaction contemplated by the applicable Specification, and Assignor has delivered to Assignee all originals of the other documents representing the interest other than those properly in the possession or control of any Obligor;

(G) except as set forth on the Specification, no security deposit or prepayment of rentals has been paid to Assignor by the Lessee or any third party in connection with the Schedule and Assignor has not granted to the Lessee any allowance, credit memo or adjustment, or entered into any settlement, modification or amendment of the Schedule or any master lease agreement incorporated therein (except as set forth on the Specification and its attached schedule);

(H) the Capitalized Lessor's Cost or Total Invoice Cost for the Equipment specified in the Schedule has been advanced in full, and all taxes required to be paid in connection with the acquisition of the Equipment have been paid in full or are being billed to the Lessee;

(I) Assignor has no knowledge of any defenses, setoffs or counterclaims with respect to the Lease; and,

(J) Assignor has whatever right, title or interest in and to the Equipment as was conveyed to Assignor by the Vendor thereof and the interest is free and clear of all claims, liens and encumbrances arising through or created by Assignor (other than the interest of the Lessee under the Schedule).

(ii) Assignor hereby warrants and represents that:

(A) the execution of this Agreement, each Specification, each Bill of Sale, and the Transaction Documents to which Assignor is a party and Assignor's consummation of the transactions contemplated hereby are in the ordinary course of Assignor's business and within the scope of its existing corporate authority;

(B) Assignor has received no written notice of any action, suit or proceeding against Assignor before or by any court, administrative agency or other governmental authority which brings into question the validity of, or might in any way impair, the execution, delivery or performance by Assignor of this Agreement or any of the Transaction Documents to which Assignor is a party;

(C) no approval or consent from any governmental authority is required for the execution, delivery or performance by Assignor of this Agreement, each Specification, each Bill of Sale or any of the Transaction Documents to which Assignor is a party or, if such approval or consent is required, it has been obtained;

(D) the execution, delivery and performance by Assignor of this Agreement, each Specification, each Bill of Sale and the Transaction Documents to which Assignor is a party and the consummation of the transactions contemplated hereby and thereby, do not:
(1) contravene any provision of law applicable to Assignor;

(4) constitute a violation of Assignor's charter or by-laws or other organizational documents;

(E) this Agreement constitutes the legal, valid and binding obligation of Assignor, enforceable against Assignor in accordance with its terms, except as limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, and by applicable laws and judicial decisions which may affect the remedies provided herein; and

(F) it is duly organized and validly existing with the power to execute and deliver this Agreement and to consummate the transactions contemplated hereby.

Closing of the assignment of the interest to Assignee shall not be deemed to satisfy, cut off or eliminate any of the representations and warranties made by Assignor hereunder, and if any such representation or warranty is untrue as of the date made, Assignee shall have such remedies as are available at law or in equity for such untruth.

(b) Disclaimer; Limitation of Recourse.

(i) Except as set forth in this Section 2 and the Bill of Sale, and except as otherwise provided in a Specification, Assignor has not heretofore made, nor does it make by this Agreement or any Specification entered into in connection herewith, any representations or warranties, and Assignor assumes no liabilities or responsibilities with respect to the due execution by any Obligor or Vendor, or the legality, validity, sufficiency, or enforceability of, or collectability under, any of the Transaction Documents or any document related thereto; and with respect to the Equipment conveyed pursuant hereto, **ASSIGNOR CONVEYS THE EQUIPMENT WITHOUT ANY WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF TITLE, MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE OR FREEDOM FROM CLAIMS OF COPYRIGHT OR PATENT INFRINGEMENT.**

(ii) This assignment is without recourse to Assignor, except that Assignee may pursue Assignor for any damages caused by the breach of any representation, warranty, or agreement by Assignor hereunder.

(c) Knowledge. As used in this Section 2, "knowledge" shall mean the actual knowledge of any employee of Assignor having continuing responsibility for the administration and collection of the amount due under the Lease Documents and communicated to the employee of Assignor who is responsible for managing the relationship between Assignor and Assignee.

3. Assignee's Warranties and Representations. Assignee hereby warrants and represents effective as of the date hereof and as of the date of each Specification:

(a) Assignee's execution of this Agreement and each Specification and Assignee's consummation of the transactions contemplated hereunder are in the ordinary course of Assignee's business and within the scope of its existing corporate authority;

(b) Assignee has received no written notice of any action, suit or proceeding against Assignee before or by any court, administrative agency or other governmental authority which brings into question the validity of, or might in any way impair, the execution, delivery or performance by Assignee of this Agreement or the performance by Assignee under any of the Lease Documents;

(c) no approval of, or consent from, any governmental authority is required for the execution, delivery or performance by Assignee of this Agreement or the performance by Assignee under any of the Transaction Documents, or, if such approval or consent is required, it has been obtained;

(d) the execution, delivery and performance by Assignee of this Agreement, each Specification, each Bill of Sale and the Transaction Documents to which Assignee is a party, and the consummation of the transactions contemplated hereby and thereby, do not

(i) contravene any provision of law applicable to Assignee;
(ii) conflict with the provisions of, and will not result (with or without the giving of notice or passage of time or both) in the breach of or constitute a default or require any consent under, any credit agreement, indenture, mortgage, purchase agreement, deed of trust, security agreement, lease, guarantee or other instrument to which Assignee is a party or by which Assignee may be bound, or to which Assignee or its property may be subject;
(iii) result in the creation of any lien, charge or encumbrance upon the Equipment or the Transaction Documents; or
(iv) constitute a violation of Assignee's charter or by-laws or other organizational documents;

(e) this Agreement constitutes the legal, valid and binding obligation of Assignee, enforceable against Assignee in accordance with its terms, except as limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, and by applicable laws and judicial decisions which may affect the remedies provided herein;

(f) it has independently and without reliance upon Assignor conducted its own credit evaluation, reviewed such information as it has deemed adequate and appropriate and made its own analysis of the Transaction Documents;

(g) it has not relied upon any investigation or analysis conducted by, advice or communication from, or any warranty or representation by, Assignor or any agent or employee of Assignor, express or implied, concerning the financial condition of any Obligor or concerning any of the Equipment or the value thereof, or the tax or economic benefits of an investment in the Interest;

(h) it has had (or acknowledges by its execution of any Specification, that it will prior thereto have had) access to all financial and other information it deems necessary to evaluate the merits and risks of an investment in the Interest including the opportunity to ask questions, receive answers and obtain additional information from Assignor and the Obligors necessary to verify the accuracy of information provided;

(i) it acknowledges that Assignor takes no responsibility for and makes no representation or warranty regarding any financial information regarding any Obligor furnished to Assignee by Assignor;

(j) it or its authorized representatives acting on its behalf have such knowledge and experience in business and financial matters necessary to evaluate the merits and risks of a purchase of the Interest;

(k) it is experienced in making investments in loan and lease transactions similar to the Interest and it is financially able to undertake the risks involved in such transactions;

(l) it is not acquiring the Interest with the assets of any "employee benefit plan" as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended, or any "plan" within the meaning of Section 4975(e)(1) of the Internal Revenue Code;

(m) it is duly organized and validly existing with the power to execute and deliver and to perform all of its obligations under this Agreement and each other agreement executed and delivered to Assignor in connection herewith;

(n) it understands that the conveyance of the Interest does not constitute the sale of a security, is being offered and sold without registration under the Securities Act of 1933, as amended (the "Act"), and applicable state securities laws; and

(o) if (contrary to the intent and understanding of the parties) the Interest is deemed to constitute a security, Assignee acknowledges and agrees that the Interest is being offered and sold in reliance upon an exemption from the registration requirements of the Act and applicable state securities laws and it is acquiring the Interest solely for its account, for investment, and not with a view to resale.

Closing of the assignment of the Interest by Assignor shall not be deemed to satisfy, cut off or eliminate any of the representations and warranties made by Assignee hereunder and if any such representation or warranty is untrue as of the date made, Assignor shall have such remedies as are available at law or in equity for such untruth.

4. Delivery of Documents. With respect to each Specification, Assignor shall deliver to Assignee:

(g) such other documents and certificates as Assignee may reasonably request; and
(h) a Bill of Sale in substantially the form attached hereto as Exhibit 3 (the "Bill of Sale").

Assignee may at all reasonable times, after giving Assignor reasonable prior written notice thereof, inspect and audit such of Assignor's books and records as are directly relevant to the Interest.

5. Covenants.
(a) Each of the parties covenants and agrees promptly to remit to the other party payments incorrectly received by such party with respect to the Interest after the execution of a Specification with respect thereto.
(b) Assignor and Assignee shall not, without the prior written consent of the other, take any action that may reasonably be anticipated to impair the rights of the other party (or its assignee or successor) with respect to those schedules in and to which such covenanting party has no right, title or interest; provided, that the foregoing covenant shall not require either party to obtain the consent of the other prior to exercising any of its rights and remedies under any Lease if such exercise relates solely to the schedule(s) then owned by such party.
(c) Assignor will not, without Assignee's prior written consent, solicit or accept collection of any sums due under any of the Transaction Documents, repossess or consent to the return of the Equipment, modify, amend, terminate any Schedule assigned hereunder or any master lease agreement as it applies to any Schedule assigned hereunder or waive any of Assignee's rights thereunder.
(d) From and after the date Assignee executes each Specification, Assignee shall

All notices and other communications hereunder shall be in writing, personally delivered or sent by facsimile (receipt confirmed) or certified mail, return receipt requested, addressed to the other party at its respective address stated below the signature of such party or at such other address as such party shall from time to time designate in writing to the other party, and shall be effective from the date of receipt.

(h) Not an Extension of Credit; No Cross-Collateralization. This Agreement constitutes a sale of 100% ownership interest in the Interest and shall in no way be construed as an extension of credit by Assignee to Assignor. Assignor waives and releases any right, title or interest it may have (whether pursuant to a "cross-collateralization" provision or otherwise) in and to any of the Interest, the Schedules and the Equipment and Assignee acknowledges and agrees that it is not acquiring or entitled to any right or interest in any equipment or other property described in any schedule not acquired by Assignee hereunder pursuant to a "cross-collateralization" provision set forth in any master lease agreement.

(i) Waiver of Jury Trial. **ASSIGNOR AND ASSIGNEE EACH HEREBY UNCONDITIONALLY WAIVES ITS RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF, DIRECTLY OR INDIRECTLY, THIS AGREEMENT, ANY OF THE TRANSACTION DOCUMENTS, OR ANY DEALINGS BETWEEN ASSIGNOR AND ASSIGNEE RELATING TO THE SUBJECT MATTER HEREOF OR THEREOF. Re: Notice and Acknowledgment of Assignment of [Equipment Schedule(s) No. ___ and, to the extent incorporated therein by reference, Master Equipment Lease Agreement No. ___ dated as of _____, 20___] [Equipment Lease Agreement(s) dated as of _____, 20___] (the "Lease"), between the undersigned Original Lessor and Lessee (this "Notice")

Original Lessor hereby gives Lessee notice, and Lessee hereby acknowledges receipt of notice, that Original Lessor has assigned to _____ ("Assignee"), whose offices are at _____, all right, title, interest and obligations (on a going forward basis only) of Original Lessor in and to the Lease. From and after the date of this Notice, all payments of rent and other sums now or hereafter becoming due pursuant to the Lease or with respect to the equipment described on the Lease (the "Equipment") shall be paid directly to Assignee as Assignee shall direct.

In recognition of Assignee's reliance upon this Notice, Lessee certifies, confirms and agrees as follows:

1. The Lease has been duly authorized, executed and delivered by Lessee; constitutes the legal, valid and binding obligation of Lessee and is enforceable against Lessee in accordance with its terms except as limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws effecting the enforcement of creditors' rights generally, and by applicable laws and judicial decisions which may affect the remedies provided therein; is in full force and effect on the date of execution of this Notice by such party; is free from all defenses, set-offs and counterclaims; and no default or event which, with the passage of time or the giving of notice, or both, would constitute a default under the Lease has occurred.

2. There are no modifications, amendments or supplements to the Lease; no future modification, termination, amendment or supplement to the Lease shall be effective without Assignee's prior written approval; and no settlement of amounts due under the Lease shall be effective without Assignee's prior written consent.

3. The Equipment has been delivered to and accepted by Lessee and is in good working order and suitable for Lessee's purposes in all respects. The Equipment is in Lessee's possession and is located at the location specified in the Lease.

4. Neither Lessee nor Original Lessor has breached any provision of the Lease in any respect, and there has been no prepayment of rent or other sums payable under the Lease and no casualty has occurred with respect to the Equipment. The Lease is current in all respects, including, but not limited to, the payment of any applicable sales, use and personal property taxes. As of _____, 20___, remaining rentals due under the Lease are as follows: _____ (___) monthly/quarterly payments, in advance/arrears, each in the amount of $_____.

5. Lessee acknowledges and agrees that
   (a) Original Lessor shall have no interest or authority of any nature regarding the Equipment or the Lease,
   (b) unless otherwise instructed in writing by Assignee, Lessee will deal exclusively with respect to the Lease with Assignee, and Lessee will deliver all payments and copies of all notices and other communications given or made by Lessee to Assignee at the address listed above,
   (c) if the Lease consists of a schedule incorporating the terms of a master lease agreement, then such Lease is separate and severable from each other schedule to the same master lease agreement, and Assignee may take enforcement action independently of the owners or pledgees of such other schedules and independently of the owners or pledgees of Equipment not covered by the Lease, and
   (d) Lessee will execute such other instruments and take such actions as Assignee reasonably may require to further confirm Assignee's rights under the Lease and ownership of the Equipment.

6. Lessee has not received notice of a prior sale, transfer, assignment, hypothecation or pledge of the Lease or the rents reserved thereunder or the Equipment.

7. Lessee will keep the Lease and the Equipment free and clear of all liens and encumbrances (other than the interest of Original Lessor, Assignee or parties claiming by, through or under them).

8. All representations and duties of Original Lessor intended to induce Lessee to enter into the Lease, whether required by the Lease or otherwise, have been fulfilled.

9. Lessee has executed only one (1) original of the Lease and of its incorporated master lease agreement, if any, (which was delivered to Original Lessor), and has no original in its possession.

ADDENDUM TO MASTER ASSIGNMENT AGREEMENT

This Addendum to Master Assignment Agreement (this "Addendum") is entered into and effective as of the 7th day of December, 2004, by and between KEY EQUIPMENT FINANCE, A DIVISION OF KEY CORPORATE CAPITAL INC.("Assignee") and GENERAL ELECTRIC CAPITAL CORPORATION ("Assignor").

Each of Assignor and Assignee desires to supplement that certain Master Assignment Agreement Equipment Lease dated as of October 27, 2004, between Assignor and Assignee (as hereafter supplemented and amended, the "Assignment Agreement") by providing for a fiscal agency by Assignor on Assignee's behalf with respect to billing and disbursing the rental installments payable under that certain Amended and Restated Equipment Schedule No. 2 dated December 13, 2002 to that certain Master Lease Agreement dated as of May 30, 2001 between Assignor, as lessor, and Northwest Pipe Company, as lessee, which Schedule was assigned to Assignee pursuant to the Assignment Agreement. The parties hereby agree to establish such agency subject to the terms and conditions set forth herein. Any capitalized terms used without definition herein are defined in the Assignment Agreement, in the applicable Specification entered into pursuant thereto, or the Lease Documents covered thereby.

NOW THEREFORE, in consideration of the sum of Ten Dollars in hand paid, the mutual promises made herein and such other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties do hereby agree as follows:

1. Fiscal Agency. If Assignor and Assignee have agreed that Assignor will act as fiscal agent with respect to any Schedule, Assignor and Assignee shall specify that Assignor is acting as Assignee's fiscal agent on the Specification under which such Schedule was assigned. Solely with respect to such Schedules (each an "Applicable Schedule") all of the following shall apply:

(a) Extent of Agency. It is the intent and purpose of the parties that Assignor, on behalf of Assignee, shall bill for, collect and receive the rentals and other sums payable under each Applicable Schedule excluding payments made as a result of a loss or damage to the Equipment or any personal property taxes or other similar taxes relating to the Equipment ("Personal Property Taxes"), but shall not otherwise exercise any other rights, powers or privileges of the lessor under the Applicable Schedule, and the Obligor is responsible for remitting sales and use taxes and any other taxes based on the rents due under each Applicable Schedule ("Sales and Use Taxes") and for reporting and paying Personal Property Taxes. To the extent that any taxes payable with respect to the Applicable Schedule and/or the Equipment are received from the Obligor by Assignor, such collected taxes will be remitted to Assignee or back to Obligor for payment as set forth above. The parties agree that Assignor shall have no responsibility to prepare any tax returns for, or remit to any taxing agency, any Sales and Use Taxes or Personal Property Taxes relating to the Applicable Schedule or the equipment. In the event of a default under any Applicable Schedule or an event which with the giving of notice or passage of time or both would constitute a default thereunder (any such event, an "Event of Default"), this fiscal agency shall terminate and Assignee shall have the sole right to exercise any and all remedies available to it in connection with each Applicable Schedule or any item of Equipment which is the subject of the Event of Default. If either party has actual knowledge of an Event of Default, it shall promptly notify the other party thereof. As used in this Assignment, "actual knowledge" shall mean the actual knowledge of the President, any Senior Vice President, or any Vice President of Assignor's Commercial Equipment Finance unit or of Assignee.

(b) Appointment. In furtherance of the parties' intent, Assignee hereby appoints Assignor its fiscal agent and attorney-in-fact on the express terms set forth herein, and Assignor accepts such appointment. Assignor shall act as the fiscal agent for Assignee hereunder without compensation except as herein provided. The parties agree from time to time to execute and deliver such documents, notices, directions and other instruments as may be necessary or appropriate to cause all monies, credit or other property to be paid, distributed or delivered to Assignor or as may be desirable in obtaining the full benefits of this Agreement and the rights and powers herein granted.

(c) Payments. All monies received by Assignor as fiscal agent for Assignee under or pursuant to any provision of this Agreement shall be held by Assignor in trust as fiscal agent for Assignee for the purpose for which they were paid, but need not be segregated in any manner from any other monies of Assignor and may be deposited by Assignor in any general account maintained by it. Promptly (and in any event within two (2) business days) after receipt of such monies (in good collected funds) by Assignor as fiscal agent for Assignee, Assignor shall make such monies available to Assignee by wire transfer of such monies to Assignee at such account as Assignee may specify in writing from time to time. If any monies received by Assignor from or on behalf of any Lessee are subsequently dishonored or

if it is otherwise determined that any such monies received by Assignor do not constitute good funds, then Assignee will, within two (2) business days following receipt of a request from Assignor, remit to Assignor in good funds such monies that had been remitted by Assignor to Assignee on account of the affected payment.

(d) Limitations of Agency. Without the prior written consent of Assignee, Assignor shall not enter into any agreement or take any action with the intention of directly or indirectly (1) permitting amendment or modification of, or deviation from, any of the terms of any Applicable Schedule (to any material extent); or (2) accelerating or otherwise changing the payment terms of any Applicable Schedule. Assignor shall not be obligated to institute any legal action on behalf of Assignee. All requests for early termination (if any) shall be directed to Assignee.

(e) Limitations of Liability. (1) Assignor undertakes to perform as fiscal agent on behalf of Assignee such duties and only such duties as are specifically set forth herein and no implied covenants or obligations shall be read into this agreement against Assignor. (2) In all events as fiscal agent pursuant to the terms of this Addendum, Assignor is entitled to use its discretion with respect to exercising or refraining from exercising any rights, or taking or refraining from taking any action which may be vested in Assignor under each Applicable Schedule, or which Assignor may be entitled to take or assert under any Applicable Schedule or any other agreements or instruments, and Assignor shall not be liable to Assignee for any action taken or omitted to be taken by it hereunder or pursuant hereto, except for the failure to make available promptly (after receipt and final collection) to Assignee such sums as are required to be remitted to Assignee pursuant to subpart (c) of this Section and except for its own gross negligence or willful misconduct. (3) In acting in the future as fiscal agent for Assignee hereunder, Assignor may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties; and Assignor shall not be bound to make any investigation into the facts or matters stated in any such resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document. (4) Assignor may exercise its powers and perform its duties as fiscal agent by or through such attorneys, agents and servants as it shall appoint, and it shall be entitled to the advice of counsel in anything done or omitted to be done in accordance with such advice; and Assignor shall not be required to take any action nor shall any provision herein set forth be deemed to impose a duty on Assignor to take any action, if Assignor shall have been advised by counsel that such action is contrary to the terms of any Applicable Schedule or is otherwise contrary to law.

(f) Costs. No provisions hereof shall require Assignor to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties as fiscal agent for Assignee hereunder. Any reasonable expenses in excess of ordinary overhead expenses incurred by Assignor in connection with its performance of its obligations under this Addendum shall be borne by Assignee and Assignee shall reimburse Assignor for any such out-of-pocket costs and expenses incurred by Assignor; provided, however, that Assignor shall obtain prior written consent from Assignee prior to incurring any single expense in excess of Two Thousand Dollars ($2,000) and Assignee shall not be required to reimburse any such expense if Assignor did not receive written consent prior to incurring it.

(g) Indemnity. Assignee hereby agrees to indemnify, defend and hold harmless Assignor from and against any and all losses, damages, suits, claims, demands, actions, taxes, fees, expenses and other harms whatsoever (collectively, "Claims") that arise out of or are attributable to the undertakings contemplated in this Addendum, including, without limitation, any claim, suit, demand or other action by (i) any lessee, guarantor, trustee, debtor-in-possession or other person endeavoring to collect any amount paid to Assignor pursuant to the fiscal agency established by this Addendum, (ii) any local, state or federal governmental authority seeking to recover taxes, fees or other charges relating to any Applicable Schedule, the rentals and other amounts payable thereunder, or the Equipment covered thereby or (iii) any lessee under any Applicable Schedule or related guarantor, for any reason whatsoever; except, in each case, for any Claims arising out of Assignor's gross negligence or willful misconduct in the performance of its duties hereunder. Assignor hereby agrees to indemnify, defend and hold harmless Assignee from and against any and all Claims arising out of Assignor's gross negligence or willful misconduct in the performance of its duties hereunder.

2. Specifications and Acknowledgements. As a condition precedent to the application of the provisions of this Addendum to any Schedule, Assignee agrees that any Specification and Notice and Acknowledgment of Assignment entered into in connection therewith shall provide notice to Assignor and the applicable lessee of Assignee's intention to have Assignor serve as fiscal agent with respect to such Schedule.

3. No Other Modification. Except as addended hereby, the Assignment Agreement remains unmodified and in full force and effect.

4. Miscellaneous. The headings in this Addendum are for convenience only. This Addendum constitutes the entire agreement of the parties hereto with respect to the matters addressed herein; except that his Addendum constitutes a part of, and unless inconsistent with the provisions hereof shall be construed in accordance with the provision of, the Assignment Agreement. This Addendum may be executed in counterparts.

IN WITNESS WHEREOF, the parties have caused this Addendum to be executed under seal as of the day and year first above written.

This is a **Master Equipment Lease Agreement** by and between **PNCEF, LLC, dba PNC Equipment Finance,** an Indiana limited liability company, whose principal office is located at 995 Dalton Ave, Cincinnati, Ohio 45203 (**"*PNC*"**), and Quantum Foods, LLC , a(n) Delaware limited liability company whose principal office is located at 750 South Schmidt Road, Bolingbrook, IL 60440 (**"*Lessee*"**).

1. ***Lease***. PNC agrees to lease to Lessee and Lessee agrees to lease from PNC, subject to the terms and conditions set forth herein, the items of personal property (the "***Equipment***") described in each equipment schedule (a "***Schedule***") executed and delivered by the parties hereto from time to time and incorporating the terms of this Master Equipment Lease Agreement by reference therein (each Schedule, together with this Master Equipment Lease Agreement, a "***Lease***"). Certain Schedules entered into hereunder shall additionally incorporate and include the terms and conditions of that certain commitment letter, dated March 16, 2010, by and between PNC and Lessee (the "Commitment Letter"), but only for those Schedules intended to be covered by the Commitment Letter during its available term. The terms "***Agreement***", "***hereof***", "***herein***", and "***hereunder***", when used in this Lease, shall mean this Lease, each Schedule and any schedule thereto. This Agreement constitutes an agreement of lease and nothing herein contained shall be construed as conveying to Lessee any right, title, or interest in the Equipment except as lessee only. The parties agree that this Lease is a "***Finance Lease***" as defined in *§2A-103* of the *Uniform Commercial Code* ("*UCC*"). Lessee acknowledges either (a) that Lessee has reviewed and approved any written Supply Contract (as defined in *UCC §2A-103*) covering the Equipment purchased from the Supplier (as defined in *UCC §2A-103*) thereof for lease to Lessee or (b) that PNC has informed or advised Lessee, in writing, either previously or by this Lease of the following: (i) the identity of the Supplier; (ii) that Lessee may have rights under the Supply Contract; and (iii) that Lessee may contact the Supplier for a description of any such rights Lessee may have under the Supply Contract.

2. ***Term; Acceptance; Rent; Return***. The term of lease of each item of Equipment under a Schedule shall commence on the date the Lessee accepts the Equipment (the "***Commencement Date***"), as evidenced by a certificate of delivery and acceptance (the "***Certificate***") pertaining to such Equipment, executed by Lessee, in form and substance acceptable to PNC, and, unless earlier terminated pursuant to the provisions hereof, shall continue for the term specified in each Schedule. Lessee's execution and delivery of a Certificate shall constitute Lessee's irrevocable acceptance of the Equipment covered thereby for all purposes of this Agreement. Lessee shall pay to PNC (at PNC's office specified above, or as PNC may otherwise designate), rent as specified in each Schedule (the "***Rent***"). Each date on which an installment of Rent is payable is hereinafter called a "***Rent Payment Date***". As to each Schedule, the first Rent Payment Date shall be the Rent Payment Date set forth therein, with the succeeding Rent Payment Dates as set forth therein. In addition, if applicable, Lessee shall pay interim rent for the period between the Commencement Date and the first Rent Payment Date, based on a 30-day month and the number of days between the Commencement Date and the first Rent Payment Date, as set forth in the applicable Schedule. Time is of the essence. Lessee shall also pay to PNC, on demand, a late payment charge of 5% of each installment of Rent and any other amount owing hereunder which is not paid when due. At the expiration or earlier termination of the term of lease of each item of Equipment leased hereunder, Lessee shall at its expense return all items of Equipment to PNC at such location as PNC may designate, in the condition required to be maintained by *Section 7* hereof or as further required by Rider(s) attached to the applicable Schedule, if any; *provided that* Lessee may elect an alternative disposition of the Equipment pursuant to *Section 20* hereof, if applicable. If Lessee fails to return any item of Equipment, as required hereunder, then all of Lessee's obligations under the Lease (including, without limitation, Lessee's obligation to pay rent, provided that, no credit for rent paid beyond the Lease maturity date shall be given to the Lessee under such circumstances) shall continue in full force and effect until such item of Equipment shall have been returned in the condition required hereunder. Notwithstanding the preceding sentence, however, PNC may terminate such continued leasehold interest upon ten (10) days written notice to Lessee.

3. ***No Warranties***. Lessee acknowledges that: PNC is not the manufacturer of the Equipment nor the manufacturer's agent nor a dealer therein; and **PNC Has Not Made And Does Not Make Any Representation Or Warranty Whatsoever, Either Express Or Implied, As To The Merchantability, Fitness, Condition, Design Or Operation Of The Equipment, Its Fitness For A Particular Purpose, The Quality Or Capacity Of The Materials In The Equipment Or Workmanship In The Equipment, Nor Any Other Representation Or Warranty Of Any Kind Whatsoever.** Lessee confirms that it has made (or will make) the selection of each item of Equipment on the basis of its own judgment and expressly disclaims reliance upon any statements, representations or warranties made by PNC. PNC shall not be liable to Lessee for any matter relating to the ordering, manufacture, purchase, delivery, assembly, installation, testing, operation or expense of any kind caused by the Equipment. PNC shall not be liable for any consequential damages as that term is used in *UCC §2-719(3)*. PNC hereby assigns to Lessee all rights that PNC has or may acquire against any manufacturer, Supplier, or contractor with respect to any warranty and representation relating to the Equipment leased hereunder. Lessee acknowledges that Lessee has reviewed and approved the purchase order, supply contract or purchase agreement covering the Equipment purchased from the vendor or Supplier thereof for lease to Lessee.

4. ***Equipment To Remain Personal Property; Location; Identification; Inspection***. Lessee represents that the Equipment shall be and at all times remain separately identifiable personal property. Lessee shall, at its expense, take such action as may be necessary to prevent any third party from acquiring any right to or interest in the Equipment by virtue of the Equipment being deemed to be real property or a part of other personal property and shall indemnify PNC against any loss which it may sustain by reason of Lessee's failure to do so. Except for use of titled transportation equipment in Lessee's normal course of business or maintenance or repairs permitted or required in *Section 7* hereof, the Equipment may not be removed from the location specified in the Schedule pertaining thereto without PNC's prior written consent and Lessee's provision of reasonable documentation as requested by PNC. If requested by PNC, Lessee shall attach to and maintain on the Equipment a

conspicuous plate or marking disclosing ownership of the Equipment by PNC therein. PNC or its representatives may, at reasonable times, inspect the Equipment.

5. *Taxes; Indemnity*. Lessee agrees to pay, and to indemnify and hold PNC harmless from, all license fees, assessments, and sales, use, property, excise and other taxes and charges (other than federal income taxes and taxes imposed by any other jurisdiction which are based on, or measured by, the net income of PNC) imposed upon or with respect to (a) the Equipment or any part thereof arising out of or in connection with the shipment of Equipment or the possession, ownership, use or operation thereof, or (b) this Agreement or the consummation of the transactions herein contemplated. PNC shall prepare and file any and all returns required in connection with the obligations that Lessee has assumed under this Section, except such filings as PNC may, at its option, direct Lessee to make. Each party shall upon request furnish the other a copy of any such filing made or governmental invoice received covering such obligations. Lessee further agrees to assume liability for, and to indemnify and hold PNC harmless against, all claims, costs, expenses, damages and liabilities arising from or pertaining to the manufacture, assembly, installation, ownership, use, possession and operation of the Equipment, including, without limitation, latent and other defects, whether or not discoverable by Lessee or any other person, any expense, liability or loss directly or indirectly related to or arising out of any injury to any person or tangible or intangible property, whether arising from negligence or under any theory of strict or absolute liability or any other cause, or any claim for patent or copyright infringement, together with all legal fees and expenses reasonably incurred by PNC in connection with any liability asserted against it, whether groundless or otherwise. Lessee shall, and shall cause all other persons, if any, operating or in possession of the Equipment, to comply at all times and in all respects with all laws and regulations (whether federal, state, or local and whether statutory, administrative, judicial, or other) and with every lawful governmental order (whether administrative or judicial) pertaining to the operation and use of the Equipment and, without limiting the generality of the foregoing, shall, and shall cause each such person to, *(i)* operate, and use the Equipment in compliance with all Environmental Laws and handle all Hazardous Materials in compliance therewith, and *(ii)* comply with and keep in full effect each approval, certification, license, permit, or other authorization required by any Environmental Law for the conduct of any activity upon or within the Equipment, and shall indemnify PNC from and against any and all liabilities and any and all fees, costs and expenses arising out of use of the Equipment.

"*Environmental Law*" means the *Clean Air Act* (*42 USC §7401 et seq.*), *Comprehensive Environmental Response, Compensation, and Liability Act* (*42 USC §9601 et seq.*), the *Hazardous Material Transportation Act* (*49 USC §1801 et seq.*), the *Resource Conservation and Recovery Act* (*42 USC §6901 et seq.*), the *Federal Water Pollution Control Act* (*33 USC §1251 et seq.*), the *Toxic Substances Control Act* (*15 USC §2601 et seq.*) and the *Occupational Safety and Health Act* (*29 USC §651 et seq.*), as such laws have been or hereafter may be amended, and the regulations promulgated pursuant thereto, and any and all similar present or future federal, state, or local laws and the regulations promulgated pursuant thereto and "*Hazardous Material*" means any chemical, material, or substance which could be detrimental to animal health, human health, vegetation, the environment or the Equipment which is, or the disposal, manufacture, release, storage or transport of which is, or exposure to which is, prohibited, restricted, or otherwise regulated under any Environmental Law.

The agreements and indemnities contained in this Section shall survive the expiration or earlier termination of this Agreement.

6. *Assignments; Subletting; Encumbrances*.

(a) Lessee Shall Not, Without PNC's Prior Written Consent, Assign Or Transfer This Lease Or Any Interest Herein, Or Sublease Or Relinquish Possession Of, Or Create Or Suffer To Exist Any Lien, Mortgage, Security Interest Or Encumbrance Upon, The Equipment.

(b) PNC may at any time, with or without notice to Lessee, grant a security interest in, sell, assign, delegate or otherwise transfer any or all of this Agreement, the Schedules or PNC's interest in the Equipment. Lessee agrees that it shall not assert against any assignee of PNC any defense, counterclaim, or offset that Lessee may have against PNC (Lessee reserves its rights to have recourse directly against PNC on account of such defense, counterclaim or offset). Any assignee of PNC shall not be bound by, or otherwise required to perform any of PNC's obligations, unless expressly assumed by such assignee. PNC shall be relieved of any such assumed obligations, and no assignee shall be required to perform PNC's obligations under this Agreement or under any Schedule except as set forth herein. Lessee acknowledges that any assignment or transfer by PNC shall not materially change Lessee's duties or obligations under this Lease nor materially increase the burdens or risks imposed on Lessee.

7. *Use; Repairs; Etc*. Lessee shall cause the Equipment to be operated in accordance with the manufacturer's or Supplier's instructions or manuals, by competent and duly qualified personnel only, and in compliance with all laws and regulations and the insurance policies required to be maintained hereunder. Lessee shall, at its own cost and expense, enter into and keep in force during the term hereof a maintenance agreement with the manufacturer of the Equipment or such other maintenance vendor as may be approved in writing by PNC, to maintain, service and repair the Equipment so as to keep it in as good operating condition as it was when it first became subject to this Lease, ordinary wear and tear excepted. PNC shall have the right to approve such maintenance agreement (which approval shall not be unreasonably withheld) and shall be furnished with an executed copy thereof. Lessee shall, at its own cost and expense, to the extent not covered by the aforesaid maintenance agreement, maintain the Equipment in good operating condition and in compliance with any applicable Rider(s) attached to the Schedule. Replacement parts shall be free and clear of any mortgage, lien, charge, or encumbrance (and title thereto shall vest in PNC immediately upon installation, attachment or incorporation of the same in, on or into such parts as an item of Equipment). Upon termination of this Lease, at the expiration of the Lease Term or otherwise, the Equipment shall be returned to PNC in as good operating condition as when it became subject to this Lease, ordinary wear and tear excepted, and in such condition as to be acceptable to the manufacturer for regular maintenance without any remedial maintenance. If, in the opinion of PNC, any item of Equipment fails to meet the standards as set forth herein and in any applicable Rider(s), Lessee agrees to pay on demand all costs and expenses incurred in connection with repairing such item of Equipment and restoring it so as to meet such standards. Lessee shall not alter or add to the Equipment without PNC's prior written consent. Lessee shall remove any attachments, alterations or accessories and return the Equipment to its original condition, normal wear and tear excepted, at the termination of this Lease if PNC shall so demand. In the absence of such demand, all attachments, alterations or accessories shall become part of the Equipment at the time of their attachment thereto.

8. *Loss; Damage*. If PNC determines that any Equipment is lost, stolen, destroyed, damaged beyond repair or rendered permanently unfit for normal use for any reason, or in the event of any condemnation, confiscation, seizure, or requisition of title to or use of such Equipment (a "*Casualty Occurrence*"), Lessee shall, at the option of PNC, either (a) replace the same with Equipment in good repair or (b) promptly pay to PNC an amount equal to the Rent in

PNC

respect of the Equipment suffering a Casualty Occurrence due and payable on the first Rent Payment Date following the date of the Casualty Occurrence, plus a sum equal to the Stipulated Loss Value of such Equipment, determined as of the Rent Payment Date next following the date of the Casualty Occurrence as set out in the appropriate Schedule, less any physical damage insurance proceeds paid to PNC as a result of said Casualty Occurrence.

As of the Rent Payment Date next following the Casualty Occurrence, the Rent for such Equipment shall cease to accrue and the term of this Lease as to such Equipment shall terminate and (except in the case of loss, theft or complete destruction of the Equipment) PNC shall be entitled to recover possession of the Equipment. PNC hereby appoints Lessee its agent to dispose of any Equipment suffering a Casualty Occurrence at the best price obtainable on an "*as is, where is*" basis without recourse or warranties of any kind. *Provided that* PNC has been paid the Stipulated Loss Value and all Rent and other sums due and owing as to such Equipment, Lessee shall be entitled to the net proceeds of such sale to the extent such proceeds do not exceed the Stipulated Loss Value of such Equipment. Any excess shall be paid to PNC.

9. *Insurance*. Lessee shall maintain at all times, at Lessee's expense, insurance as specified in the applicable Schedule, including, but not limited to: (a) "*all risk*" or broad form property insurance, as well as flood, earthquake and boiler and machinery coverage, where applicable, as specified in the applicable Schedule or full replacement value, whichever is greater, naming PNC as the loss payee; (b) comprehensive general liability insurance as specified in the applicable Schedule, including coverage for products/completed operations, broad contractor liability, broad contractual liability, fire legal liability and personal injury, naming PNC as an additional insured as respects its interests under this Agreement; and (c) umbrella liability coverage as provided in the applicable Schedule.

Lessee agrees that the insurance coverage required hereunder shall be placed with insurers with at least an "*A/X*" rating from A. M. Best or with such insurers as shall be satisfactory to PNC.

Each insurance policy shall contain a clause requiring the insurer to give to PNC at least 30-days prior written notice of any cancellation or non-renewal of any policy, with 10 days prior written notice if cancellation is due to non-payment of premiums and shall provide that no act, omission or breach of warranty by Lessee under the terms of the policy shall give rise to any defense against payment of the insurance proceeds to PNC. Lessee shall furnish to PNC a certificate or other evidence satisfactory to PNC that such insurance coverage is in effect on the Commencement Date of each Schedule (or, if progress payments, interim funding, or interim rental is provided hereunder, on the date such applicable interim financing is agreed to and signed by Lessee), and on an annual basis thereafter; *provided, however*, that PNC shall be under no duty to ascertain as to the existence or adequacy of such insurance. PNC makes no representation that the minimum insurance coverage requirements in a Schedule will be adequate at all times to satisfy Lessee's obligations hereunder. Lessee is fully responsible for payment of all deductibles under such insurance polices and shall indemnify and hold PNC harmless from any deductible related to such insurance polices. Lessee has the responsibility to provide additional insurance coverage to maintain coverage hereunder in an amount adequate to fulfill its obligation hereunder and that is consistent with insurance coverage for similar risks in Lessee's industry or line of business.

10. *Noncancellable Agreement; Lessee's Obligations Unconditional*. This Agreement cannot be canceled or terminated except as expressly provided herein. Lessee agrees that its obligation to pay all Rent and other amounts payable hereunder and to perform its duties with respect hereto shall be absolute and unconditional under any and all circumstances, including, without limitation, the following: (a) any setoff, counterclaim, recoupment, defense or other right which Lessee may have against PNC, the manufacturer, or Supplier of any Equipment or anyone else for any reason whatsoever; (b) any defect in the condition, design, title, operation or fitness for use, or any damage to or loss of any Equipment; (c) any insolvency, reorganization or similar proceedings by or against Lessee; or (d) any other event or circumstances whatsoever, whether or not similar to the foregoing.

Each Rent or other payment made by Lessee hereunder shall be final and Lessee shall not seek to recover all or any part of such payment from PNC for any reason whatsoever (except in case of overpayment).

11. *Events Of Default And Remedies*.

(a) An Event of Default shall occur hereunder if: (i) Lessee shall fail to make any payment of Rent or other amount owing hereunder when due and such failure shall continue for a period of 10 days; (ii) Lessee shall fail to perform or observe any other covenant, agreement or condition hereunder within 30 days of the date Lessee becomes aware of such failure, or if more than 30 days are reasonably required to cure such default, Lessee fails to commence to diligently perform such obligations within such 30 days or discontinues such performance at any time; (iii) Lessee shall fail to maintain insurance as required by *Section 9* of this Agreement, (iv) Lessee shall make any representation or warranty to PNC herein, or in any document or certificate furnished PNC in connection herewith, which shall prove to be incorrect at the time made and on the date of any Schedule entered into hereunder; (v) Lessee or any guarantor of Lessee's obligations hereunder (a "*Guarantor*") shall become insolvent or make an assignment for the benefit of creditors or consent to the appointment of a trustee or receiver, (vi) a trustee or receiver shall be appointed for Lessee or a Guarantor or for a substantial part of its property or for the Equipment, or reorganization, arrangement, insolvency, dissolution or liquidation proceedings shall be instituted by or against Lessee or a Guarantor and such appointment or proceedings are not terminated after 60 days; (vii) Lessee or a Guarantor liquidates, dissolves, or enters into any consolidation, merger, or other combination (unless the effected Lessee or Guarantor is the surviving entity after such consolidation or merger), or sells, leases or disposes of a substantial portion of its business or assets, unless (x) the entity formed by the consolidation, or into which Lessee or a Guarantor is merged or the person or entity that acquires all or substantially all of Lessee's or a Guarantor's assets shall be organized under the laws of the United States or any state thereof (y) PNC is reasonably satisfied as to the creditworthiness of such person or entity and (z) on or before the effective date thereof such person or entity assumes all the obligations of Lessee or a Guarantor hereunder pursuant to an assignment and assumption agreement in form and substance satisfactory to PNC; (viii) the current holders of 51% of the outstanding capital stock of a Lessee or a Guarantor that is not a publicly traded corporation shall cease to be the shareholders of Lessee or a Guarantor or cease to have the unconditional right to elect a majority of Lessee's or a Guarantor's board of directors (unless Lessee or a Guarantor shall have provided 30-days' prior written notice to PNC of the proposed disposition of stock and PNC shall have consented thereto in writing); (ix) an individual Guarantor shall become legally incapacitated or die; or (x) Lessee and/or a Guarantor shall be in default under any other agreement at any time executed with PNC or any affiliate or subsidiary of PNC Corporation.

(b) If an Event of Default occurs hereunder, then PNC may declare this Agreement to be in default and may do one or more of the following with respect to any or all of the Equipment as PNC, in its sole discretion, may elect, to the extent permitted by, and subject to compliance with any mandatory requirements of applicable law then in effect: (i) terminate this Lease effective immediately as to any or all of the Equipment, provided that, notwithstanding any other demand made by or action taken by PNC hereunder, a termination shall only occur

PNC EQUIPMENT FINANCE

upon written notice by PNC to Lessee and only as to such items of Equipment specified in such notice; or (ii) demand that Lessee, and Lessee shall, at its expense upon such demand, return the Equipment promptly to PNC in the manner and condition required by, and otherwise in accordance with, the provisions of *Section 2* hereof, as if the Equipment were being returned at the expiration of its term of lease hereunder; or (iii) enter upon the premises where the Equipment is located and take possession of any or all Equipment and remove the same, all without liability to PNC or its designated agents for injuries suffered through or damage loss to property or otherwise caused by such repossession; **To The Extent Permitted By Law, Lessee Waives Any And All Rights To Notice And Judicial Hearing With Respect To The Repossession Or Attachment Of The Equipment By PNC In The Event Of Default Hereunder By Lessee;** in the event PNC proceeds pursuant to this *subsection (b)(iii)*, PNC may sell any or all Equipment at public or private sale as is commercially reasonable given the existing conditions on an "***as is, where is***" basis, without recourse or warranties of any kind, or otherwise hold, use, operate, or keep idle such Equipment, as PNC, in its sole discretion, determines is commercially reasonable, free and clear of all rights of Lessee; or (iv) whether or not PNC has exercised any other right hereunder, by written notice to Lessee, cause Lessee to pay PNC (as liquidated damages for loss of a bargain and not as a penalty), on the date specified in such notice, an amount equal to the Rent due and payable on the first Rent Payment Date following the date of the notice of Lease termination plus a sum equal to the appropriate Stipulated Loss Value, determined as of the Rent Payment Date next following the date of the notice of Lease termination as set out in the applicable Schedule; or (v) PNC may exercise any other right or remedy which may be available to it under applicable law or proceed by appropriate court action to enforce the terms hereof or to recover damages for the breach hereof.

In addition, Lessee shall pay PNC all costs and expenses incurred by PNC as a result of Lessee's default hereunder or the termination hereof, including, without limitation, reasonable attorney's fees and costs arising out of repossession and disposal of the Equipment and the unpaid balance of such costs and expenses shall at all times bear interest at a fluctuating rate equal to one percent (1%) per annum plus the PNC Prime. *Provided* Lessee has previously paid to PNC the sum of the Stipulated Loss Value, Rent due and owing and other costs and expenses incurred pursuant hereto, Lessee shall be entitled to the net proceeds of any such sale, disposition or re-lease of the Equipment to the extent they do not exceed the Stipulated Loss Value. Any excess shall be retained by PNC. To the extent the Equipment is re-leased by PNC, Lessee shall be credited the present value of the lease rental stream at the discount rate of PNC Prime as of the date the re-lease is agreed to between the parties. Furthermore, to the extent the parties to this Lease need to determine the present value of any moneys due under the Lease, the parties agree that the discount rate shall be PNC Prime. "*PNC Prime*" means the fluctuating rate of interest which is publicly announced from time to time by PNC Bank, National Association at its principal place of business as being its "*prime rate*" or "*base rate*" thereafter in effect, with each change in the Prime Rate automatically, immediately and without notice changing the fluctuating interest rate thereafter applicable hereunder. The Prime Rate is not necessarily the lowest rate of interest then available from PNC Bank, National Association on fluctuating rate loans. In addition, Lessee shall continue to be liable for all indemnities under this Lease and for all reasonable attorney fees and other costs and expenses resulting from the termination hereof and/or the exercise of PNC's remedies, including placing any Equipment in the condition required by *Section 7* hereof. Except as expressly provided above, no remedy referred to in this Section is exclusive, but each shall be cumulative and in addition to any other remedy referred to herein or otherwise available to PNC at law or equity; and the exercise or beginning of exercise by PNC of any one or more of such remedies shall not preclude the simultaneous or later exercise by PNC of any other remedies. No express or implied waiver by PNC of an Event of Default shall constitute a waiver of any other or subsequent Event of Default. To the extent permitted by law, Lessee waives any rights now or hereafter conferred by statute or otherwise which may require PNC to sell, re-lease or otherwise use the Equipment in mitigation of PNC's damages or which may otherwise limit or modify any of PNC's rights or remedies.

12. *Indemnification For Tax Benefits.*

(a) PNC, as the owner of the Equipment, shall be entitled to such deductions, credits and other benefits as are provided by the *Internal Revenue Code of 1986*, as amended, (hereinafter called the "*Code*") to an owner of property.

(b) Lessee agrees that neither it nor any entity controlled by it, in control of it, or under common control with it, directly or indirectly, shall at any time take any action or file any returns or other documents inconsistent with the foregoing and that each of such corporations shall file such returns, take such action and execute such documents as may be reasonable and necessary to facilitate accomplishment of the intent thereof. Lessee agrees to copy or make available for inspection and copying by PNC such records as will enable PNC to determine whether it is entitled to the benefit of any amortization or depreciation deduction which may be available from time to time with respect to the Equipment.

(c) If PNC, under any circumstances or for any reason whatsoever, except for acts of PNC or future changes in the Code, shall lose, shall not have or shall lose the right to claim, or there shall be disallowed or recaptured all or any portion of the federal tax depreciation deductions with respect to any item of Equipment based on depreciation or PNC's full cost of such item of Equipment and computed on the basis of a method of depreciation provided by the Code as PNC in its complete discretion may select, then Lessee agrees to pay PNC upon demand an amount which, after deduction of all taxes required to be paid by PNC in respect to the receipt thereof under the laws of any federal, state or local government or taxing authority of the United States or of any taxing authority or governmental authority of any foreign country, shall be equal to the sum of (i) an amount equal to the additional income taxes paid or payable by PNC in consequence of the failure to obtain the benefit of a depreciation deduction, and (ii) any interest and/or penalty which may be assessed in connection with any of the foregoing.

(d) The provisions of this *Section 12* shall survive the expiration or earlier termination of this Agreement.

No such performance by PNC shall be deemed a waiver of any rights or remedies of PNC, nor be deemed to cure an Event of Default hereunder.

14. *Further Assurances.* Lessee shall, at its expense, promptly and duly execute and deliver to PNC such further documents and assurances and take such further action as PNC may from time to time request in order to more effectively carry out the intent and purpose of this Agreement so as to establish and protect the rights, interest and remedies intended to be created in favor of PNC hereunder, including, without limitation, the execution and filing of financing statements and continuation statements with respect to the Equipment and this Agreement. NATIONAL CITY COMMERCIAL CAPITAL CORPORATION

MASTER ASSIGNMENT AGREEMENT

THIS MASTER ASSIGNMENT AGREEMENT ("Agreement") is made as of the 30th day of March, 2006, by and between NATIONAL CITY COMMERCIAL CAPITAL CORPORATION ("Assignor") and GENERAL ELECTRIC CAPITAL CORPORATION ("Assignee").

From time to time Assignor shall enter into master lease agreements of various dates (collectively the "Leases", and individually a "Lease") with various lessees (collectively the "Lessees", and individually a "Lessee"), pursuant to which Assignor shall have the right and obligation to acquire an interest in items of equipment from various vendors or the Lessees (collectively the "Vendors", and individually a "Vendor") and lease such equipment to the Lessees pursuant to the Leases. The Leases shall contemplate the execution of equipment schedules incorporating by reference the terms of the Lease and specifying the lease term and rental with respect to the described equipment.

Assignor desires to sell and assign to Assignee from time to time, and Assignee desires to purchase and assume from Assignor from time to time, certain of Assignor's rights, obligations and interest in and to (a) items of equipment acquired by Assignor from Vendors and leased by Assignor to a Lessee pursuant to and on the terms of a Lease, and (b) the lessor's position under and pursuant to such Lease.

Assignor is willing to sell and assign and Assignee is willing to purchase and assume said interests on the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the sum of Ten Dollars ($10.00) in hand paid, the mutual promises made herein, and such other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties do hereby agree as follows:

1. Conveyance; Purchase Price.

(a) Conveyance. In exchange for Assignee's agreement to pay to Assignor the Consideration (as defined in part (b) of this Section), and all of Assignee's other agreements hereunder, Assignor hereby agrees to sell, assign, transfer and set over to Assignee all of Assignor's rights, obligations and interest (the "Interest"), and Assignee agrees fully to accept and assume same, in, under and to (1) those certain equipment schedules executed pursuant to Leases (such equipment schedules, incorporating by reference the terms and conditions of the Leases, solely as they relate to said equipment schedules, being individually referred to as the "Equipment Schedule" and collectively as the "Equipment Schedules") more specifically described on Specifications of Assigned Equipment Schedules (in substantially the form attached hereto as Exhibit No. 1) which shall be executed from time to time by Assignor and Assignee pursuant to the terms hereof (the "Specification"), including the right to receive any and all sums due and to become due under, or recoverable in connection with, such Equipment Schedules, including, but not limited to, all rental payments and other payments due and to become due under the Equipment Schedules on or after the date of execution of the Specification with respect thereto, all monies due or to become due in connection with the exercise by Lessee of any option to purchase the Equipment (as such term is hereinafter defined), all monies, including insurance proceeds, payable upon the theft, loss, damage, destruction or condemnation of the Equipment, and all monies payable or recoverable following a default by Lessee; and (2) in the equipment described in and leased under each such Equipment Schedule (the "Equipment"), including, but not limited to, the residual value of the Equipment at the termination of the Equipment Schedule, and (3) those certain guaranties (if any) solely as they relate to said Equipment Schedules (such guaranties being individually referred to as the "Guaranty" and collectively as the "Guaranties") and the additional documents more specifically described on the Specifications (and together with the Equipment Schedules being collectively referred to as the "Lease Documents"); and (4) those certain agreements with the Vendors (if any) solely as they relate to the Equipment (such agreements being collectively referred to as the "Vendor Agreements"; and together with the Lease Documents being collectively referred to as the "Transaction Documents") more specifically described on the Specifications, including (without limitation) all manufacturers' and/or vendors' warranties with respect to the Equipment; and (5) all of Assignor's rights and remedies under the Transaction Documents, including, but not limited to, the right to initiate and conclude any and all proceedings, legal, equitable or otherwise, that Assignor might otherwise take, save for this Agreement. The sale, assignment, delegation, transfer and setting over by Assignor to Assignee under each

Specification shall (A) hereinafter be referred to as a "Conveyance", and (B) be evidenced by, and effective upon and after, the execution and delivery by both parties of such Specification and Assignor's receipt of the related Consideration.

(b) Consideration. In exchange for each conveyance by Assignor pursuant hereto and as evidenced by a Specification, Assignee shall pay to Assignor, in immediately available funds, the full amount of the Consideration specified on each such Specification executed by Assignor and Assignee (the "Consideration").

(c) Acceptance. Upon its execution and delivery of each Specification, Assignee shall be deemed to have accepted the Conveyance of, and assumed exclusive responsibility with respect to, the Interest being conveyed in connection with such Specification.

(d) Excluded Rights and Obligations. Notwithstanding any provision of this Agreement or any Specification to the contrary, the Interest conveyed pursuant to each Specification shall expressly exclude any and all of the obligations, liabilities, rights, remedies and benefits under or with respect to any of the Transaction Documents or Equipment described in the Schedule A to such Specification, to the extent the same arose, accrued or were payable during, or were attributable to, the period prior to the Conveyance evidenced thereby becoming effective; provided, however, with respect to any indemnifications or other provisions of the Transaction Documents that are and remain exercisable or otherwise for the benefit of both Assignor and Assignee after giving effect to the Conveyance, each of Assignor and Assignee shall be entitled to the non-exclusive rights and benefits of the same to the extent such indemnifications or other provisions relate to such party (e.g., a claim against or harm suffered by either such party for which an indemnification is available under the Transaction Documents); provided, further, in no event shall Assignor have any rights to cancel or terminate any of the Lease Documents, or demand any rent or liquidated damages, or take any action with respect to the Equipment after consummating the Conveyance. All such excluded obligations, liabilities, rights, remedies and benefits (the "Retained Interest") shall be so retained by Assignor.

(b) Disclaimer. Except as set forth in this Section 2, Assignor has not heretofore made, nor does it make by this Agreement or any Specification entered into in connection herewith, any representations or warranties; and with respect to interest in the Equipment conveyed pursuant hereto, ASSIGNOR CONVEYS THE INTEREST IN THE EQUIPMENT WITHOUT ANY WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF TITLE (OTHER THAN TO THE EXTENT SET FORTH IN SECTION 2(a)(1)(vi) HEREOF), MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE OR FREEDOM FROM CLAIMS OF COPYRIGHT OR PATENT INFRINGEMENT. Assignor makes no representation or warranty in connection with, and assumes no responsibility with respect to, the solvency, financial condition or statements of the Lessee; or with respect to the performance or observance by the Lessee

of its obligations under the Equipment Schedule described on a Specification or the Transaction Documents related thereto, after the date of execution of the Specification.

3. Assignee's Warranties and Representations. (a) With respect to each Specification entered into in connection herewith, Assignee hereby warrants and represents that, effective on the date on which Assignee executes such Specification:

(i) it has independently and without reliance upon Assignor conducted its own credit evaluation, reviewed such information as it has deemed adequate and appropriate and made its own analysis of the Equipment Schedule;

(ii) it has not relied upon any investigation or analysis conducted by, advice or communication from, nor any warranty or representation by, Assignor or any agent or employee of Assignor, express or implied, concerning the financial condition of the Lessee, or the tax or economic benefits of an investment in the Equipment Schedule;

(iii) it has had access to all financial and other information that it deems necessary to evaluate the merits and risks of an investment in the Equipment Schedule including the opportunity to ask questions, receive answers and obtain additional information from Assignor and the Lessee necessary to verify the accuracy of information provided;

(iv) it acknowledges that Assignor takes no responsibility for any financial information regarding the Lessee furnished to Assignee by Assignor, and it or its authorized representatives acting on its behalf have such knowledge and experience in business and financial matters necessary to evaluate the merits and risks of an investment in the Equipment Schedule;

(v) it is experienced in making investments in lease transactions similar to the Equipment Schedule and it is financially able to undertake the risks involved in such an investment; and

(vi) Assignee does not and shall not have any recourse to Assignor with respect to any defaults by any Lessee under any of the Lease Documents, or any party to any of the Vendor Agreements.

(b) Assignee hereby warrants and represents that:

(i) the execution of this Agreement on its behalf and its participation in the transaction specified herein is in its ordinary course of business and within the scope of its existing corporate authority;

(ii) there is no action, suit or proceeding pending against Assignee before or by any court, administrative agency or other governmental authority which brings into question the validity of, or might in any way impair, the execution, delivery or performance by Assignee of this Agreement or the performance by Assignee under any of the Lease Documents;

(iii) no approval of, or consent from, any governmental authority is required for the execution, delivery or performance by Assignee of this Agreement or the performance by Assignee under any of the Transaction Documents;

(iv) the execution, delivery and performance by Assignee of this Agreement and the performance by Assignee under the Transaction Documents and the transactions contemplated hereby and thereby do not contravene any provisions of law applicable to Assignee and do not conflict and are not inconsistent with, and will not result (with or without the giving of notice or passage of time or both) in the breach of or constitute a default or require any consent under any credit agreement, indenture, mortgage, purchase agreement, deed of trust, security agreement, lease, guarantee or other instrument to which Assignee is a party, by which Assignee may be bound, to which Assignee or its property may be subject, or Assignee's Charter or By-Laws; and

(v) this Agreement constitutes the legal, valid and binding obligation of Assignee, enforceable against Assignee in accordance with its terms, except as limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, and by applicable laws (including any applicable common law and equity) and judicial decisions which may affect the remedies provided herein.

4. Mutual Warranties and Representations. Each of Assignor and Assignee represents and warrants that:

(a) it understands that the conveyance of the Interest, to the extent it may involve the sale of a security, is being offered and sold without registration under the Securities Act of 1933, as amended (the "Act") and applicable state securities laws in reliance upon an exemption from the registration requirements of the Act and applicable state securities laws; and

(b) it understands that the conveyance of the Interest, to the extent it may involve the sale of a security, is subject to restrictions on transferability and resale except as permitted under the Act and applicable state securities laws and Assignee is acquiring the Interest solely for its own account, for investment, and not with a view to resale.

5. Delivery of Documents. This Agreement shall not become effective with respect to any Specification or Equipment Schedule until, with respect to each Specification and/or Equipment Schedule, Assignor shall have delivered to Assignee:

(a) the executed chattel paper original of the Equipment Schedule conveyed thereby;

(b) certified true and correct photocopies of the related Lease and other Transaction Documents in Assignor's possession which directly relate to the subject Equipment Schedule and the Equipment;

(c) a Notice and Acknowledgment of Assignment in substantially the form attached hereto as Exhibit No. 2A or 2B, as applicable, duly executed by Assignor and the lessee and/or guarantor thereunder (said lessee and/or guarantor, as applicable, together with its successors and assigns, as appropriate, being collectively referred to as the "Lessee");

(d) a bill of sale for the subject Equipment in substantially the form attached hereto as Exhibit No. 3; and

(e) such documents and instruments (if any) as reasonably may be required by Assignee to effect the assignment by Assignor to Assignee of any warranties under the Vendor Agreements solely to the extent applicable to the Equipment.

6. Covenants. (a) Each of the parties covenants and agrees promptly to remit to the other party payments incorrectly received by such party with respect to the Equipment Schedules or the Equipment after the execution of a Specification with respect thereto.

(b) Assignor and Assignee shall not, without the prior written consent of the other, take any action which impairs the rights of the other party (or its assignee or successor) with respect to those equipment schedules in and to which such covenanting party has no right, title or interest; provided, that the foregoing covenant shall not require either party to obtain the consent of the other prior to exercising any of its rights and remedies under any Lease if such exercise relates solely to the equipment schedule(s) then owned by such party.

(c) Assignee may at all reasonable times, after giving Assignor reasonable prior written notice thereof, inspect and audit such of Assignor's books and records as are directly relevant to the Equipment Schedules.

(d) Assignor hereby authorizes Assignee to file such Uniform Commercial Code financing statement amendments as reasonably may be required to effect the assignment to Assignee of any and all Uniform Commercial Code filings made by Assignor with respect to the applicable Equipment Schedule and the Equipment. Assignee shall not file any Uniform Commercial Code financing statement designating Assignor as the "debtor" with respect to the transaction contemplated hereby.

7. TaxesWith respect to each Specification:

(a) Assignor shall be solely responsible for, and shall indemnify, protect, defend, save and keep harmless, Assignee and each of its affiliates, and their respective officers, directors, employees and agents (each an "Assignee Indemnitee"), on an after-tax basis, from and against any and all taxes, fees, levies, imposts, duties, charges, assessments and withholdings, of any kind or nature whatsoever ("Taxes"), in each such case, to the extent any of the same are attributable or otherwise assessed with respect to the period prior to the Conveyance, together with any assessments, penalties, fines, additions to tax or interest thereon, which at any time or from time to time may be imposed on, or asserted against, the Equipment (or any part thereof or any interest therein) or any Assignee Indemnitee, by any Federal, state, local or foreign government or taxing authority in connection with or relating to the Equipment (or any part thereof or interest therein), any Equipment Schedule or any other Transaction Document, or any of the transactions

contemplated hereby and thereby; but only to the extent, if any, that such Assignee Indemnitee is not otherwise indemnified with respect thereto under the Transaction Documents; and

(b) Assignee shall be solely responsible for, and shall indemnify, protect, defend, save and keep harmless, Assignor and each of its affiliates, and their respective officers, directors, employees and agents (each an "Assignor Indemnitee"), on an after-tax basis, from and against any and all Taxes, in each such case, to the extent any of the same are attributable or otherwise assessed with respect to the period subsequent to the Conveyance, together with any assessments, penalties, fines additions to tax or interest thereon, which at any time or from time to time may be imposed on, or asserted against, the Equipment (or any part thereof or any interest therein) or any Assignor Indemnitee, by any federal, state, local or foreign government or taxing authority in connection with or relating to the Equipment (or any part thereof or interest therein), any Equipment Schedule or any other Transaction Document, or any of the transactions contemplated hereby and thereby; but only to the extent, if any, that such Assignor Indemnitee is not otherwise indemnified with respect thereto under the Transaction Documents.

(h) Waiver of Jury Trial. ASSIGNOR AND ASSIGNEE HEREBY UNCONDITIONALLY WAIVE THEIR RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF, DIRECTLY OR INDIRECTLY, THIS AGREEMENT, ANY OF THE TRANSACTION DOCUMENTS, ANY DEALINGS BETWEEN ASSIGNOR AND ASSIGNEE RELATING TO THE SUBJECT MATTER HEREOF OR THEREOF, AND/OR THE RELATIONSHIP THAT IS BEING ESTABLISHED BETWEEN ASSIGNOR AND ASSIGNEE. (k) Transaction Expenses. Each of Assignor and Assignee shall bear and be responsible for its own costs and expenses incurred in connection with the negotiation, preparation, execution and delivery of this Agreement and any other agreements, documents, certificates and instruments relating hereto, and it shall not have any right of reimbursement or indemnity for such costs and expenses as against the other party.

(l) Survival. The respective representations, warranties, obligations, liabilities, duties and indemnities of Assignor and Assignee contained in this Agreement and the other Assignment Documents and agreements relating hereto shall survive the execution and delivery of each Specification and the consummation of the transfer evidenced thereby.

9. Fiscal Agency: Solely with respect to those certain Equipment Schedules covered by a Specification to which this Section expressly applies (and to the extent expressly noted on such Specification; each such Equipment Schedule, an "Applicable Schedule") all of the following shall apply:

(a) Extent of Agency. It is the intent and purpose of the parties that Assignor, on behalf of Assignee, shall bill for, collect and receive all (1) rentals, (2) sales and use taxes, and any other taxes based on the rents due under each Applicable Schedule ("Sales and Use Taxes"), and (3) other sums payable under each Applicable Schedule (other than personal property taxes and other similar taxes relating to the Equipment; "Personal Property Taxes"), excluding payments made as a result of a loss or damage to the Equipment, but shall not otherwise exercise any other rights, powers or privileges of the lessor under the Applicable Schedule. To the extent that any taxes payable with respect to the Applicable Schedule and/or the Equipment are received from the Lessee by Assignor, as fiscal agent, such collected taxes will be remitted to Assignee in accordance with the terms of this Assignment. Assignee shall have the obligation to prepare all required tax returns, and to remit to the appropriate agencies, all Sales and Use Taxes, Personal Property Taxes and other taxes required to be paid in connection with the Applicable Schedule and/or the Equipment, and Assignor shall have no responsibility for the performance of such obligations. Upon the request of Assignor, Assignee shall deliver to Assignor Assignee's sales tax registration number. In the event of a default under any Applicable Schedule or an event which with the giving of notice or passage of time or both would constitute a default thereunder (any such event, an "Event of Default"), this fiscal agency shall terminate and Assignee shall have the sole right to exercise any and all remedies available to it in connection with each Applicable Schedule or any item of Equipment which is the subject of the Event of Default. If either party has actual knowledge of an Event of Default, it shall promptly notify the other party thereof. As used in this Assignment, "actual knowledge" shall mean the actual knowledge of the President, any Senior Vice President, or any Vice President of Assignor's Commercial Equipment Finance unit or Assignee.

(b) Appointment. In furtherance of the parties' intent, Assignee hereby appoints Assignor its fiscal agent and attorney-in-fact on the express terms set forth herein, and Assignor accepts such appointment. Assignor shall act as the fiscal agent for Assignee hereunder without compensation except as herein provided. The parties agree from time to time to (i) execute and deliver such documents, notices, directions and other instruments as may be necessary or appropriate to cause all monies, credit or other property to be paid, distributed or delivered to Assignor or as may be desirable in obtaining the full benefits of this Agreement and the rights and powers herein granted and (ii) cooperate with each other in connection with any audit by a taxing authority of the billing, collection or payment of Sales and Use Taxes, including providing proof of payment of such Sales and Use Taxes.

(c) Payments. All monies received by Assignor as fiscal agent for Assignee under or pursuant to any provision of this Agreement shall be held by Assignor in trust as fiscal agent for Assignee for the purpose for which they were paid, but need not be segregated in any manner from any other monies of Assignor and may be deposited by Assignor in any

general account maintained by it. Except with respect to Periodic Payments (as hereinafter defined) paid under an Account (as hereinafter defined) with which Assignor is making Advances (as hereinafter defined) pursuant to subsection (d) of this Section, promptly upon receipt of such monies (in good collected funds) by Assignor as fiscal agent for Assignee, Assignor shall make such monies available to Assignee by wire transfer of such monies to Assignee at such account as Assignee may specify in writing from time to time. If any monies received by Assignor from or on behalf of Lessee are subsequently dishonored or if it is otherwise determined that any such monies received by Assignor do not constitute good funds, then Assignee, promptly upon request from Assignor, will remit to Assignor in good funds such monies that had been remitted by Assignor to Assignee on account of the affected payment. If Assignor determines at any time that any amount received or collected by Assignor in respect of the Applicable Schedule or pursuant to any other Lease Document must be returned to the Lessee or paid to any other person or entity pursuant to any federal or state insolvency law, then notwithstanding any other provision of this Agreement, Assignor shall not be required to distribute any portion thereof to Assignee, and Assignee will promptly (but in any event on the next Business Day) after demand by Assignor repay any such amount(s) that Assignor shall have distributed to Assignee, together with interest thereon at such rate, if any, as Assignor shall pay to Lessee or such other person or entity with respect thereto.

(d) Servicer Advances.

(1) With respect to those Applicable Schedules that Assignor elects to make Advances (as hereinafter defined) (each an "Account" and, collectively, the "Accounts"), Assignor shall pay all periodic rental payments and related sales and use taxes that are payable on such rental payments (collectively, the "Periodic Payments") due from the Lessee under the applicable Account on the 5th day of a month (or the next business Day if the 5th is not a business Day) with respect to Periodic Payments that are due between the 1st and 15th day of such month and on the 20th day of a month (or the next business Day in the event the 20th is not a business Day) with respect to Periodic Payments that are due between the 16th and 31st day of such month (each a "Payment Date"), whether or not Assignor has received payment of the corresponding Periodic Payment from the Lessee. Payments made by Assignor pursuant to the preceding sentence are hereinafter referred to as "Advances". The election of which Accounts Assignor will make Advances hereunder is at Assignor's sole discretion and will be reflected on the reports that Assignor delivers to the Assignee pursuant to subparagraph (2) hereof. Assignor will make Advances in an amount up to one Periodic Payment, at any one time, per each Account. Advances will be repaid to Assignor as follows: (i) by the Lessee; (ii) by the Assignee at the time servicing is terminated; or (iii) by the Assignee within thirty (30) days after the Payment Date. In the event Lessee fails to pay to Assignor monies in an amount sufficient to reimburse Assignor for an Advance in full within thirty (30) days after the Payment Date, (i) Assignor shall notify the Assignee of such non-payment in the report described in subparagraph (2) hereof and (ii) within three (3) business Days after such notice the Assignee shall wire transfer monies to Assignor in an amount sufficient to reimburse Assignor for the Advance at such account as Assignor may specify in writing from time to time. Assignor shall be entitled to collect, enforce and retain as servicing compensation any late charges or interest related to any Periodic Payment with respect to which Assignor has made an Advance. Late charges related to any period after which Assignee has repaid an Advance will be paid to Assignee.

(2) On or before two (2) days prior to each Payment Date, Assignor shall provide to the Assignee a written report containing the following information: (i) the name of the Lessees on the Accounts that will be subject to an Advance, (ii) the applicable due date to which the Advance relates, (iii) Assignor's Account number, (iv) Assignee's Account number, and (v) the amount of the Advance. Each report will also contain a list of (x) all other accounts that have been assigned or sold to the Assignee pursuant to this Agreement and any other assignment agreements or participation agreements under which Assignor is acting as fiscal agent but is not providing Advances to the Assignee and showing the amount and date of the next Periodic Payment (or the equivalent thereof) of such other accounts and (y) delinquent Periodic Payments under Accounts that Assignor has provided Advances.

(3) Assignor's rights and duties to make Advances shall be terminated upon the following: (i) written notice by Assignor with respect to any Account that has a Periodic Payment 30 days or more overdue, (ii) written notice by Assignor to the Assignee notifying Assignee that Assignor will not make any further Advances with respect to an Account under which a default or an event with the giving of notice, the passage of time or both would become a default has occurred under such Account, (iii) written notice by the Assignee to Assignor notifying Assignor that the Assignee is terminating Assignor's right to make any further Advances with respect to an Account under which a default or an event with the giving of notice, the passage of time or both would become a default has occurred under such Account, (iv) Assignee and Assignor agree to such termination in writing, (v) the bankruptcy or insolvency of Assignor or Assignee, (vi) written notice by Assignor to the Assignee notifying the Assignee that Assignor will not make any further Advances with respect to an Account without any stated reason, or (vii) written notice by Assignee

that Assignor has not timely made an Advance under a particular Account or otherwise breached its obligations hereunder with respect to such Account. Any terminations shall not reduce any obligations of the parties that occurred prior to such termination.

(e) Limitations of Agency. Without the prior written consent of Assignee, Assignor shall not enter into any agreement or take any action with the intention of directly or indirectly (1) permitting amendment or modification of, or deviation from, any of the terms of any Applicable Schedule; or (2) accelerating or otherwise changing the payment terms of any Applicable Schedule. Assignor shall not be obligated to institute any legal action on behalf of Assignee.

(f) Limitations of Liability. (1) Assignor undertakes to perform as fiscal agent on behalf of Assignee such duties and only such duties as are specifically set forth herein and no implied covenants or obligations shall be read into this Agreement against Assignor. (2) In all events as fiscal agent pursuant to the terms of this Section, Assignor is entitled to use its discretion in respect to exercising or refraining from exercising any rights, or taking or refraining from taking any action which may be vested in Assignor under each Applicable Schedule, or which Assignor may be entitled to take or assert under any Applicable Schedule or any other agreements or instruments, and Assignor shall not be liable to Assignee for any action taken or omitted to be taken by it hereunder or pursuant hereto, except for the failure to make available promptly (after receipt and final collection) to Assignee such sums as are required to be remitted to Assignee pursuant to subpart (c) of this Section. (3) In acting in the future as fiscal agent for Assignee hereunder, Assignor may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties; and Assignor shall not be bound to make any investigation into the facts or matters stated in any such resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document. (4) Assignor may exercise its powers and perform its duties as fiscal agent by or through such attorneys, agents and servants as it shall appoint, and it shall be entitled to the advice of counsel in anything done or omitted to be done in accordance with such advice; and Assignor shall not be required to take any action nor shall any provision herein set forth be deemed to impose a duty on Assignor to take any action, if Assignor shall have been advised by counsel that such action is contrary to the terms of any Applicable Schedule or is otherwise contrary to law.

(g) Costs. No provisions hereof shall require Assignor to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties as fiscal agent for Assignee hereunder. Any expenses incurred by Assignor in connection with its performance of its obligations under this Section shall be borne by Assignee and Assignee shall reimburse Assignor for any such out-of-pocket costs and expenses incurred by Assignor.

IN WITNESS WHEREOF, the parties hereto have caused this Master Assignment Agreement to be executed as of the day and year first above written.

From and after the date of this Notice, all payments of rent and other sums now or hereafter becoming due pursuant to the Designated Schedule or with respect to the Equipment shall be paid [to Assignor as fiscal agent for Assignee and upon receipt of notice from Assignee of the termination of such fiscal agency] to Assignee as directed in Assignee's invoices.

In recognition of Assignee's reliance upon this Notice and Acknowledgment of Assignment, Lessee certifies, confirms and agrees as follows:

1. The Lease and the Designated Schedule have been duly authorized, executed and delivered by Lessee; constitute the legal, valid and binding obligation of Lessee, enforceable against Lessee in accordance with the terms thereof; are in full force and effect on the date of execution of this notice by Lessee; are not subject to any defenses, set-offs, claims, counterclaims, or any right to cancellation or termination; and no default by Assignor or Lessee or event which, with the passage of time or the giving of notice, or both, would constitute a default by Assignor or Lessee under the Lease has occurred. Assignor hereby gives Lessee and Guarantor notice, and Lessee and Guarantor hereby acknowledge receipt of notice, that Assignor has sold and assigned to _____ ("Assignee"), whose offices are at _____, all rights, interest and obligations of Assignor in and to (a) Equipment Schedule No. ____ executed pursuant to the Lease, (b) solely to the extent incorporated in the Designated Schedule by reference, the Lease, (c) solely to the extent related to the Designated Schedule, the Guaranty, and (d) the equipment described on such Equipment Schedule (the "Equipment"). As used in this Notice and Acknowledgment of Assignment, the term "Designated Schedule" shall mean, collectively, Equipment Schedule No. ___ and, to the extent incorporated therein, the Lease. From and after the date of this Notice, Lessee agrees that all payments of rent and other sums now or hereafter becoming due pursuant to the Designated Schedule or with respect to the Equipment shall be paid [to Assignor as fiscal agent for Assignee and upon receipt of notice from Assignee of the termination of such fiscal agency] to Assignee as directed in Assignee's invoices; and Guarantor agrees to make payment of any and all monies now or hereafter becoming due under the Guaranty (solely to the extent related to the Designated Schedule) [to Assignor as fiscal agent for Assignee and upon receipt of notice from Assignee of the termination of such fiscal agency] to Assignee as directed in writing by Assignee.

In recognition of Assignee's reliance upon this Notice and Acknowledgment of Assignment, Lessee and Guarantor certify, confirm and agree as follows:

1. The Lease, the Designated Schedule and the Guaranty have been duly authorized, executed and delivered by Lessee or Guarantor, as applicable; constitute the legal, valid and binding obligation of Lessee or Guarantor, as applicable, enforceable against such party in accordance with the terms thereof; are in full force and effect on the date of execution of this notice by such party; are not subject to any defenses, set-offs, claims, counterclaims or any right to cancellation or termination; and no default by any party or event which, with the passage of time or the giving of notice, or both, would constitute a default by any party under the Lease or the Guaranty has occurred. All names, addresses, signatures, amounts and other facts contained in the Lease, the Designated Schedule and the Guaranty are correct.

2. There are no modifications, amendments or supplements to the Guaranty or to the Lease which relate to the Designated Schedule; and any future modification, termination, amendment or supplement to the Guaranty or to the Lease which relates to the Designated Schedule, or settlement of amounts due thereunder which relates to the Designated Schedule, shall be ineffective without Assignee's prior written consent.

3. The Equipment has been delivered to and accepted by Lessee and is in good working order and suitable for Lessee's purposes in all respects. The Equipment is in Lessee's possession and is located at the location specified in the Designated Schedule. No casualty has occurred with respect to the Equipment.

4. There has been no prepayment of rent or other sums payable under the Designated Schedule. Payments of any and all monies due under the Lease and the Designated Schedule have been and will continue to be paid in strict accordance with the terms thereof. The Designated Schedule is current in all respects, including, but not limited to, the payment of any applicable sales, use and personal property taxes. As of the date hereof, there are _____ (_____) rental payments, each in the amount of $_____, remaining to be paid under the Designated Schedule.

5. Lessee and Guarantor acknowledge and agree that (i) Assignee shall be the owner of the interest in the Equipment and Assignor shall have no interest or authority of any nature regarding the Equipment or the Designated Schedule, (ii) Lessee will deal exclusively with respect to the Designated Schedule with Assignee, and Lessee and Guarantor will deliver copies of all notices and other communications given or

made by Lessee or Guarantor to Assignee at the address listed above, (iii) so far as enforcement of the Designated Schedule is concerned, notwithstanding the existence of other schedules or supplements thereto, the Designated Schedule is separate and severable and Assignee may take enforcement action with respect to the Designated Schedule and, solely to the extent related to the Designated Schedule, the Guaranty independently of other assignees, equipment owners or financing parties having an interest in the Lease or the Guaranty or other equipment schedules not included in the Designated Schedule, and (iv) Lessee or Guarantor will execute such other instruments and take such actions as Assignee reasonably may require to further confirm the vesting of rights under the Lease in Assignee and Assignee's ownership of the Equipment.

6. Neither Lessee nor Guarantor has received any notice of, nor have Lessee or Guarantor caused or participated in, any sale, transfer, assignment, hypothecation or pledge of the Equipment, the Designated Schedule or the rents reserved thereunder.

7. Lessee will keep the Lease, the Designated Schedule and the Equipment free and clear of all liens and encumbrances (other than the interest of Assignor, Assignee or parties claiming by, through or under them).

8. All representations and duties of Assignor intended to induce Lessee to enter into the Lease, whether required by the Lease or otherwise, have been fulfilled.

9. Lessee has executed one (1) original each of the Lease and the Designated Schedule (which were delivered to Assignor), and currently has no original of either in its possession.

10. Guarantor acknowledges and agrees that the Guaranty remains in full force and effect notwithstanding the assignment to Assignee.

2. **TERM.** The Initial Term of this Lease expires on the date that is 60 months after the Rent Commencement Date (the "Initial Term Expiration Date").

3. **RENT PAYMENT DATES; RENT.** Lessee hereby agrees to pay Rent for the Equipment throughout the Initial Term in 60 consecutive Monthly installments payable in arrears on the Rent Commencement Date and on the same day of each period thereafter (each, a "Rent Payment Date"). Each such installment of Rent shall be in an amount equal to **$33,848.02**.

In addition, Lessee hereby agrees to pay Rent for the period commencing on the Interim Rent Commencement Date (as hereinafter defined) and ending on the day before the Rent Commencement Date in an amount equal to $396.47 per day, and agrees that, with respect to the Equipment described on this Schedule, the following modifications are hereby made to the Master Lease: (a) "Rent Commencement Date" means either (i) the date on which Lessor disburses funds for the purchase of the Equipment ("Disbursement Date") if such date is the first of the month or (ii) in all other cases the 1st day of the first month following the Disbursement Date, (b) "Interim Rent Commencement Date" means the Disbursement Date, or such later date (prior to the Rent Commencement Date) as determined by Lessor in its sole discretion, and (c) Section 18 of the Master Lease captioned "Default; Remedies" is hereby amended to delete the term "Rent Commencement Date" where it appears and to substitute the phrase "Rent Commencement Date or Interim Rent Commencement Date, as the case may be," in its place.

TRANSACTION TYPE TERMS

5. **PURCHASE, RENEWAL AND OPTION TERMS.** (a) Dollar Purchase Option. With respect to Equipment described on this Schedule, on the Initial Term Expiration Date and so long as no Default shall have occurred and be continuing, Lessee shall pay to Lessor an amount equal to $1.00. Upon payment in full by Lessee of all Rent (and all other sums) payable to Lessor hereunder, Lessor shall release its interest in the Equipment.

(b) Prepayment Option. So long as no Default shall have occurred and be continuing and Lessee shall have given Lessor at least 90 but not more than 180 days' prior written notice, Lessee shall have the option to prepay the Lease on any Rent Payment Date occurring after the date which is 12 months after the Rent Commencement Date (each, a "Prepayment Date") for an amount (the "Prepayment Amount") equal to (1) any unpaid Rent and all other amounts due on or before such Prepayment Date, *plus* (2) an amount equal to the Rent payable for the remainder of the Initial Term, after discounting such future Rent to present worth as of such Prepayment Date on the basis of a per annum rate of discount equal to the rate at which such Rent was originally calculated, determined in Lessor's sole discretion, from the respective dates upon which such Rent would have been paid had this Lease not been prepaid (the "Present Value Future Rents"), *plus* (3) any applicable sales taxes, *plus* (4) $1.00, *plus* (5) a prepayment premium expressed as a percentage of the Present Value Future Rents applied as follows:

Months	Prepayment Premium
1-12	No Prepayment Permitted

13-24	2.50%
25-36	2.00%
37-48	1.50%
49-End of Term	1.00%

Payment of the Prepayment Amount, together with all other amounts due and owing by Lessee under the Lease (including, without limitation, Rent) on or before the Prepayment Date, shall be made on the Prepayment Date in immediately available funds. Thereafter, upon Lessee's written request, Lessor shall deliver to Lessee a bill of sale transferring to Lessee all right, title and interest of Lessor in and to the Equipment **ON AN "AS IS, WHERE IS" BASIS, WITHOUT ANY WARRANTIES, EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER.** If Lessee shall fail to pay all amounts required to be paid under the Lease on the Prepayment Date, the Lease shall continue in full force and effect and Lessee agrees to reimburse Lessor for all reasonable attorneys' fees, costs, expenses and liabilities incurred in connection therewith.

6. NATURE OF TRANSACTION; SECURITY AGREEMENT. (a) General. To secure the prompt payment and performance as and when due of all obligations and indebtedness of Lessee, now existing or hereafter created, to Lessor pursuant to this Lease or otherwise, Lessee hereby grants to Lessor a first priority security interest in the Equipment and all related accessions, substitutions, replacements and proceeds. The parties intend to comply with all applicable laws, and if it is determined that any payment under the Lease exceeds any amount allowed by applicable law, then the excess portion shall be applied to the repayment of principal, and any interest will be charged at the highest rate allowed by law.

(b) Property Tax. Unless otherwise directed in writing by Lessor or required by applicable law, Lessee will list itself as owner of all Equipment for property tax purposes and will promptly pay all such taxes when due. In those jurisdictions in which Lessor is required to list itself as owner of Equipment, upon receipt by Lessee of any property tax bill pertaining to Equipment, Lessee will promptly forward the property tax bill and related payment to Lessor. Upon receipt by Lessor of a property tax bill (whether from Lessee or directly from the taxing authority), Lessor will pay the tax and invoice Lessee for the expense if Lessee has not submitted its payment with the bill.

(c) Disclaimer. **LESSEE HEREBY ACKNOWLEDGES THAT LESSOR HAS NOT MADE, AND HEREBY DISCLAIMS ANY ADVICE, REPRESENTATIONS, WARRANTIES AND COVENANTS, EITHER EXPRESSED OR IMPLIED, WITH RESPECT TO ANY LEGAL, ECONOMIC, ACCOUNTING, TAX OR OTHER EFFECTS OF THE LEASE AND THE TRANSACTION(S) CONTEMPLATED HEREBY, AND LESSEE HEREBY DISCLAIMS ANY RELIANCE ON ANY SUCH WARRANTIES, STATEMENTS OR REPRESENTATIONS MADE BY LESSOR WITH RESPECT THERETO.**

MISCELLANEOUS TERMS & CONDITIONS

7. INSURANCE; STIPULATED LOSS VALUE. (a) Lessee shall arrange and pay for commercial general liability insurance in an amount satisfactory to Lessor, but not less than $1,000,000.

(b) The Stipulated Loss Values applicable to the Equipment and this Lease are as set forth on Exhibit B hereto.

8. COUNTERPARTS; DOCUMENT DELIVERY. (a) This Schedule may be executed in any number of counterparts, each of which when executed or otherwise authenticated and delivered constituting an original, but all together one and the same instrument. Notwithstanding the foregoing, Lessor and Lessee agree that they intend that there shall be only one manually executed original of this Schedule and, to the extent that this document constitutes chattel paper under the UCC, no security interest herein may be created by the transfer or possession of any counterpart other than the original hereof.

(b) Lessee represents and warrants that the Lease Documents have not been, and shall not be, altered or modified by Lessee regardless of whether such documentation was transmitted to Lessee *via* electronic or analog means.

9. RELATIONSHIP TO MASTER LEASE; FURTHER ASSURANCES. The terms of the Master Lease are incorporated herein by reference and Lessee hereby reaffirms all terms of the Master Lease. If any of the terms of this Schedule are contrary to or inconsistent with any terms of the Master Lease, the terms of this Schedule shall govern. This Schedule together with the Master Lease as incorporated herein, shall constitute a separate lease agreement and **LESSEE HEREBY CERTIFIES TO LESSOR THAT THE REPRESENTATIONS AND WARRANTIES MADE BY LESSEE IN THE MASTER LEASE ARE TRUE AND CORRECT IN ALL MATERIAL RESPECTS AS OF THE DATE OF THIS SCHEDULE.** Lessee will promptly execute or otherwise authenticate and deliver to Lessor such further documents, instruments, assurances and other records and take such further action as Lessor may reasonably request in order to

carry out the intent and purpose of this Lease and to establish and protect the rights and remedies created or intended to be created in favor of Lessor under this Lease.

10. AMENDMENTS TO MASTER LEASE. For the purposes of and solely related to this Schedule only, the Master Lease is amended as follows:

(a) The following sentence is inserted at the end of Section 9(b) of the Master Lease: "In the event that Lessee elects not to remove any such Upgrade, then Lessee's right, title and interest in and to such Upgrade shall immediately pass to Lessor without further act."

(b) The following is inserted at the end of Section 9(c) of the Master Lease: "A Lease shall be deemed to be a 'Related Lease' for the purposes of this subsection (c) if and only to the extent that the 'Lessor' under such Lease is the same person constituting the Lessor under this Schedule. In addition, Lessee shall not attach or affix any Equipment described in this Schedule to, or use any such Equipment in connection with, Equipment under a Lease that is not a Related Lease."

(c) The phrase **", UPON PRIOR WRITTEN NOTICE TO LESSOR,"** is hereby inserted immediately prior to the phrase **"TO ANY ENTITY PERMITTED UNDER SECTION 18(a)(viii) HEREOF"** in Section 12(a)(i) of the Master Lease.

(d) The last sentence of Section 12(a) of the Master Lease is deleted in its entirety and replaced with the following: **"LESSEE ACKNOWLEDGES THAT IT REMAINS PRIMARILY LIABLE FOR ALL OBLIGATIONS HEREUNDER NOTWITHSTANDING ANY SUBLEASE, TRANSFER, OR ANY OTHER DISPOSITION OF THE EQUIPMENT DESCRIBED IN THIS SECTION 12(a), INCLUDING ANY USE BY AN AFFILIATE.** Any person that is a permitted buyer, assignee, transferee, pledgee, hypothecatee, or other receiver of disposition pursuant to Section 12(a)(i) above shall execute and deliver to Lessor an acknowledgement and assumption agreement in such form as Lessor may reasonably require, together with supporting evidence of authority to enter into such agreement (collectively, '**Assumption Documents**')."

(e) In Section 18(a) of the Master Lease, the word "or" immediately prior to clause (x) thereof is deleted, and the following is inserted immediately following clause (x) thereof: "; or (xi) there is any change in controlling ownership of Lessee or any Guarantor without the prior written consent of Lessor; provided, however, that such prior written consent will not be required for any change in controlling ownership if (A) after such change in controlling ownership, the relevant Lessee or Guarantor is at least 75% owned , directly or indirectly, by Edward B. Bleka, Jane Bleka, or any trust for the benefit of the foregoing individuals, and the remainder of such party is owned, directly or indirectly, by any of their children or any trust for the benefit of the foregoing individuals, and (B) 30 days' prior written notice of such change in controlling ownership is given to Lessor."

(f) The following sentence is inserted at the end of Section 18(a) of the Master Lease: "Any person described in clause (A) of the proviso of Section 18(a)(viii) above, whether a surviving party or a purchaser, shall, contemporaneously with any such merger, consolidation, or sale described therein, execute and deliver to Lessor Assumption Documents."

(g) The amendments set forth in this Section 10 shall apply only to this Schedule and not to any other Schedule under the Master Lease.

IN WITNESS WHEREOF, Lessor and Lessee have caused this Schedule to be duly authenticated and delivered on the day and year first above written.

Re Notice and Acknowledgment of Assignment of Equipment Schedule No. 12 and, to the extent incorporated therein by reference, Master Equipment Lease Agreement dated as of June 25, 2007 (the "Lease"), between the undersigned Original Lessor and Lessee (this "Notice")

Original Lessor hereby gives Lessee notice, and Lessee hereby acknowledges receipt of notice, that Original Lessor has assigned to **General Electric Capital Corporation** ("Assignee"), whose offices are at 3 Capital Drive, MS#1-3B, Eden Prairie, MN 55344 all right, title, interest and obligations (on a going forward basis only) of Original Lessor in and to the Lease. From and after the date of this Notice, all payments of rent and other sums now or hereafter becoming due pursuant to the Lease or with respect to the equipment described on the Lease (the "Equipment") shall be paid directly to Original Lessor as agent for Assignee until such time as Assignee shall otherwise direct.

In recognition of Assignee's reliance upon this Notice, Lessee certifies, confirms and agrees as follows:

1 The Lease has been duly authorized, executed and delivered by Lessee; constitutes the legal, valid and binding obligation of Lessee and is enforceable against Lessee in accordance with its terms except as limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, and by applicable laws and judicial decisions which may affect the remedies provided therein; is in full force and effect on the date of execution of this Notice by such party; is free from all defenses, set-offs and counterclaims; and no default or event which, with the passage of time or the giving of notice, or both, would constitute a default under the Lease has occurred.

2 There are no modifications, amendments or supplements to the Lease, no future modification, termination, amendment or supplement to the Lease shall be effective without Assignee's prior written approval; and no settlement of amounts due under the Lease shall be effective without Assignee's prior written consent.

3 The Equipment has been delivered to and accepted by Lessee and is in good working order and suitable for Lessee's purposes in all respects. The Equipment is in Lessee's possession and is located at the location specified in the Lease.

4. Neither Lessee nor Original Lessor has breached any provision of the Lease in any respect, and there has been no prepayment of rent or other sums payable under the Lease and no casualty has occurred with respect to the Equipment. The Lease is current in all respects, including, but not limited to, the payment of any applicable sales, use and personal property taxes. As of December 18, 2009, remaining rentals due under the Lease are as follows: Interim Rent as defined in section 3 of the Equipment Schedule due January 1, 2010, plus sixty (60) monthly payments, in arrears, each in the amount of $33,848.02.

5 Lessee acknowledges and agrees that:
(a) other than as agent for Assignee as specified above, Original Lessor shall have no interest or authority of any nature regarding the Equipment or the Lease,
(b) unless otherwise instructed in writing by Assignee, Lessee will deal exclusively with respect to the Lease with Original Lessor as agent for Assignee, and Lessee will deliver all payments and copies of all notices and other communications given or made by Lessee to Original Lessor as agent for Assignee at the address listed above,
(c) if the Lease consists of a schedule incorporating the terms of a master lease agreement, then such Lease is separate and severable from each other schedule to the same master lease agreement, and Assignee may take enforcement action independently of the owners or pledgees of such other schedules and independently of the owners or pledgees of Equipment not covered by the Lease,
(d) Lessee will execute such other instruments and take such actions as Assignee reasonably may require to further confirm Assignee's rights under the Lease and ownership of the Equipment; and
(e) Lessee waives and agrees not to assert against Assignee any defense, set-off, recoupment claim or counterclaim which Lessee has or may at any time have against Original Lessor for any reason whatsoever.

6 Lessee has not received notice of a prior sale, transfer, assignment, hypothecation or pledge of the Lease or the rents reserved thereunder or the Equipment.

7 Lessee will keep the Lease and the Equipment free and clear of all liens and encumbrances (other than the interest of Original Lessor, Assignee or parties claiming by, through or under them).

8 All representations and duties of Original Lessor intended to induce Lessee to enter into the Lease, whether required by the Lease or otherwise, have been fulfilled.

9 Lessee has executed only one (1) original of the Lease and of its incorporated master lease agreement, if any, (which was delivered to Original Lessor), and has no original in its possession.

10 At the request of Assignee, Lessee will deliver to Assignee evidence satisfactory to Assignee that Assignee is an additional insured and loss payee under the insurance required to be maintained by the Lease

Please execute where indicated below and return to the address specified above.

This **EQUIPMENT SCHEDULE NO. 13** ("Schedule") between **KEY EQUIPMENT FINANCE INC.**, ("Lessor"), and **QUANTUM FOODS 213-D, LLC**, a Delaware limited liability company, **QUANTUM FOODS, LLC**, a Delaware limited liability company, **GDC LOGISTICS, LLC**, a Delaware limited liability company, and **QUANTUM CULINARY, LLC**, an Illinois limited liability company ("Lessee") is dated as of February 1, 2010 and is issued in connection with the Master Equipment Lease Agreement dated as of June 25, 2007 ("Master Lease"). Unless otherwise defined, capitalized terms used herein shall have the meanings specified in the Master Lease.

EQUIPMENT & INVOICING TERMS

1. **EQUIPMENT.** Pursuant to the terms and conditions of this Lease, Lessor leases to Lessee and Lessee leases from Lessor, the equipment listed on Exhibit A attached hereto (the "Equipment"). The aggregate cost of such Equipment is **$1,437,856.21** ("Total Cost").

2. **TERM.** The Initial Term of this Lease expires on the date that is 60 months after the Rent Commencement Date (the "Initial Term Expiration Date").

3. **RENT PAYMENT DATES; RENT.** Lessee hereby agrees to pay Rent for the Equipment throughout the Initial Term in 60 consecutive Monthly installments payable in arrears on the Rent Commencement Date and on the same day of each period thereafter (each, a "Rent Payment Date"). Each such installment of Rent shall be in an amount equal to **$29,679.22**.

In addition, Lessee hereby agrees to pay Rent for the period commencing on the Interim Rent Commencement Date (as hereinafter defined) and ending on the day before the Rent Commencement Date in an amount equal to $349.82 per day, and agrees that, with respect to the Equipment described on this Schedule, the following modifications are hereby made to the Master Lease: (a) "Rent Commencement Date" means either (i) the date on which Lessor disburses funds for the purchase of the Equipment ("Disbursement Date") if such date is the first of the month or (ii) in all other cases the 1st day of the first month following the Disbursement Date, (b) "Interim Rent Commencement Date" means the Disbursement Date, or such later date (prior to the Rent Commencement Date) as determined by Lessor in its sole discretion, and (c) Section 18 of the Master Lease captioned "Default; Remedies" is hereby amended to delete the term "Rent Commencement Date" where it appears and to substitute the phrase "Rent Commencement Date or Interim Rent Commencement Date, as the case may be," in its place.

4. **EQUIPMENT LOCATION; BILLING ADDRESS.** Equipment described on this Schedule shall be located at, and except as otherwise provided in this Lease, shall not be removed from, the following address set forth on the attached Exhibit A. The billing address of Lessee is: QUANTUM FOODS 213-D, LLC, 750 South Schmidt Rd, Bolingbrook, IL 60440.

TRANSACTION TYPE TERMS

5. **PURCHASE, RENEWAL AND OPTION TERMS.** (a) Dollar Purchase Option. With respect to Equipment described on this Schedule, on the Initial Term Expiration Date and so long as no Default shall have occurred and be continuing, Lessee shall pay to Lessor an amount equal to $1.00. Upon payment in full by Lessee of all Rent (and all other sums) payable to Lessor hereunder, Lessor shall release its interest in the Equipment.

(b) Prepayment Option. So long as no Default shall have occurred and be continuing and Lessee shall have given Lessor at least 90 but not more than 180 days' prior written notice, Lessee shall have the option to prepay the Lease on any Rent Payment Date occurring after the date which is 12 months after the Rent Commencement Date (each, a "Prepayment Date") for an amount (the "Prepayment Amount") equal to (1) any unpaid Rent and all other amounts due on or before such Prepayment Date, *plus* (2) an amount equal to the Rent payable for the remainder of the Initial Term, after discounting such future Rent to present worth as of such Prepayment Date on the basis of a per annum rate of discount equal to the rate at which such Rent was originally calculated, determined in Lessor's sole discretion, from the respective dates upon which such Rent would have been paid had this Lease not been prepaid (the "Present Value Future Rents"), *plus* (3) any applicable sales taxes, *plus* (4) $1.00, *plus* (5) a prepayment premium expressed as a percentage of the Present Value Future Rents applied as follows:

Months	Prepayment Premium
1-12	No Prepayment Permitted
13-24	2.50%
25-36	2.00%
37-48	1.50%
49-End of Term	1.00%

Payment of the Prepayment Amount, together with all other amounts due and owing by Lessee under the Lease (including, without limitation, Rent) on or before the Prepayment Date, shall be made on the Prepayment Date in immediately available funds. Thereafter, upon Lessee's written request, Lessor shall deliver to Lessee a bill of sale transferring to Lessee all right, title and interest of Lessor in and to the Equipment **ON AN "AS IS, WHERE IS" BASIS, WITHOUT ANY WARRANTIES, EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER.** If Lessee shall fail to pay all amounts required to be paid under the Lease on the Prepayment Date, the Lease shall continue in full force and effect and Lessee agrees to reimburse Lessor for all reasonable attorneys' fees, costs, expenses and liabilities incurred in connection therewith.

6. **NATURE OF TRANSACTION; SECURITY AGREEMENT.** (a) General. To secure the prompt payment and performance as and when due of all obligations and indebtedness of Lessee, now existing or hereafter created, to Lessor pursuant to this Lease or otherwise, Lessee hereby grants to Lessor a first priority security interest in the Equipment and all related accessions, substitutions, replacements and proceeds. The parties intend to comply with all applicable laws, and if it is determined that any payment under the Lease exceeds any amount allowed by applicable law, then the excess portion shall be applied to the repayment of principal, and any interest will be charged at the highest rate allowed by law.

(b) Property Tax. Unless otherwise directed in writing by Lessor or required by applicable law, Lessee will list itself as owner of all Equipment for property tax purposes and will promptly pay all such taxes when due. In those jurisdictions in which Lessor is required to list itself as owner of Equipment, upon receipt by Lessee of any property tax bill pertaining to Equipment, Lessee will promptly forward the property tax bill and related payment to Lessor. Upon receipt by Lessor of a property tax bill (whether from Lessee or directly from the taxing authority), Lessor will pay the tax and invoice Lessee for the expense if Lessee has not submitted its payment with the bill.

(c) Disclaimer. **LESSEE HEREBY ACKNOWLEDGES THAT LESSOR HAS NOT MADE, AND HEREBY DISCLAIMS ANY ADVICE, REPRESENTATIONS, WARRANTIES AND COVENANTS, EITHER EXPRESSED OR IMPLIED, WITH RESPECT TO ANY LEGAL, ECONOMIC, ACCOUNTING, TAX OR OTHER EFFECTS OF THE LEASE AND THE TRANSACTION(S) CONTEMPLATED HEREBY, AND LESSEE HEREBY DISCLAIMS ANY RELIANCE ON ANY SUCH WARRANTIES, STATEMENTS OR REPRESENTATIONS MADE BY LESSOR WITH RESPECT THERETO.**

MISCELLANEOUS TERMS & CONDITIONS

7. **INSURANCE; STIPULATED LOSS VALUE.** (a) Lessee shall arrange and pay for commercial general liability insurance in an amount satisfactory to Lessor, but not less than $1,000,000.

(b) The Stipulated Loss Values applicable to the Equipment and this Lease are as set forth on Exhibit B hereto.

8. **COUNTERPARTS; DOCUMENT DELIVERY.** (a) This Schedule may be executed in any number of counterparts, each of which when executed or otherwise authenticated and delivered constituting an original, but all together one and the same instrument. Notwithstanding the foregoing, Lessor and Lessee agree that they intend that there shall be only one manually executed original of this Schedule and, to the extent that this document constitutes chattel paper under the UCC, no security interest herein may be created by the transfer or possession of any counterpart other than the original hereof.

(b) Lessee represents and warrants that the Lease Documents have not been, and shall not be, altered or modified by Lessee regardless of whether such documentation was transmitted to Lessee *via* electronic or analog means

9. **RELATIONSHIP TO MASTER LEASE; FURTHER ASSURANCES.** The terms of the Master Lease are incorporated herein by reference and Lessee hereby reaffirms all terms of the Master Lease. If any of the terms of this

Schedule are contrary to or inconsistent with any terms of the Master Lease, the terms of this Schedule shall govern. This Schedule together with the Master Lease as incorporated herein, shall constitute a separate lease agreement and **LESSEE HEREBY CERTIFIES TO LESSOR THAT THE REPRESENTATIONS AND WARRANTIES MADE BY LESSEE IN THE MASTER LEASE ARE TRUE AND CORRECT IN ALL MATERIAL RESPECTS AS OF THE DATE OF THIS SCHEDULE.** Lessee will promptly execute or otherwise authenticate and deliver to Lessor such further documents, instruments, assurances and other records and take such further action as Lessor may reasonably request in order to carry out the intent and purpose of this Lease and to establish and protect the rights and remedies created or intended to be created in favor of Lessor under this Lease.

10. AMENDMENTS TO MASTER LEASE. For the purposes of and solely related to this Schedule only, the Master Lease is amended as follows:

(a) The following sentence is inserted at the end of Section 9(b) of the Master Lease: "In the event that Lessee elects not to remove any such Upgrade, then Lessee's right, title and interest in and to such Upgrade shall immediately pass to Lessor without further act."

(b) The following is inserted at the end of Section 9(c) of the Master Lease: "A Lease shall be deemed to be a 'Related Lease' for the purposes of this subsection (c) if and only to the extent that the 'Lessor' under such Lease is the same person constituting the Lessor under this Schedule. In addition, Lessee shall not attach or affix any Equipment described in this Schedule to, or use any such Equipment in connection with, Equipment under a Lease that is not a Related Lease."

(c) The phrase **", UPON PRIOR WRITTEN NOTICE TO LESSOR,"** is hereby inserted immediately prior to the phrase **"TO ANY ENTITY PERMITTED UNDER SECTION 18(a)(viii) HEREOF"** in Section 12(a)(i) of the Master Lease.

(d) The last sentence of Section 12(a) of the Master Lease is deleted in its entirety and replaced with the following: **"LESSEE ACKNOWLEDGES THAT IT REMAINS PRIMARILY LIABLE FOR ALL OBLIGATIONS HEREUNDER NOTWITHSTANDING ANY SUBLEASE, TRANSFER, OR ANY OTHER DISPOSITION OF THE EQUIPMENT DESCRIBED IN THIS SECTION 12(a), INCLUDING ANY USE BY AN AFFILIATE.** Any person that is a permitted buyer, assignee, transferee, pledgee, hypothecatee, or other receiver of disposition pursuant to Section 12(a)(i) above shall execute and deliver to Lessor an acknowledgement and assumption agreement in such form as Lessor may reasonably require, together with supporting evidence of authority to enter into such agreement (collectively, **'Assumption Documents'**)."

(e) In Section 18(a) of the Master Lease, the word "or" immediately prior to clause (x) thereof is deleted, and the following is inserted immediately following clause (x) thereof: "; or (xi) there is any change in controlling ownership of Lessee or any Guarantor without the prior written consent of Lessor; provided, however, that such prior written consent will not be required for any change in controlling ownership if (A) after such change in controlling ownership, the relevant Lessee or Guarantor is at least 75% owned , directly or indirectly, by Edward B. Bleka, Jane Bleka, or any trust for the benefit of the foregoing individuals, and the remainder of such party is owned, directly or indirectly, by any of their children or any trust for the benefit of the foregoing individuals, and (B) 30 days' prior written notice of such change in controlling ownership is given to Lessor."

(f) The following sentence is inserted at the end of Section 18(a) of the Master Lease: "Any person described in clause (A) of the proviso of Section 18(a)(viii) above, whether a surviving party or a purchaser, shall, contemporaneously with any such merger, consolidation, or sale described therein, execute and deliver to Lessor Assumption Documents."

(g) The amendments set forth in this Section 10 shall apply only to this Schedule and not to any other Schedule under the Master Lease.

IN WITNESS WHEREOF, Lessor and Lessee have caused this Schedule to be duly authenticated and delivered on the day and year first above written.

Re: Notice and Acknowledgment of Assignment of Equipment Schedule No. 13 and, to the extent incorporated therein by reference, Master Equipment Lease Agreement dated as of June 25, 2007 (the "Lease"), between the undersigned Original Lessor and Lessee (this "Notice")

Original Lessor hereby gives Lessee notice, and Lessee hereby acknowledges receipt of notice, that Original Lessor has assigned to **General Electric Capital Corporation** ("Assignee"), whose offices are at 3 Capital Drive, MS#1-3B, Eden Prairie, MN 55344 all right, title, interest and obligations (on a going forward basis only) of Original Lessor in and to the Lease. From and after the date of this Notice, all payments of rent and other sums now or hereafter becoming due pursuant to the Lease or with respect to the equipment described on the Lease (the "Equipment") shall be paid directly to Original Lessor as agent for Assignee until such time as Assignee shall otherwise direct.

In recognition of Assignee's reliance upon this Notice, Lessee certifies, confirms and agrees as follows:

1. The Lease has been duly authorized, executed and delivered by Lessee; constitutes the legal, valid and binding obligation of Lessee and is enforceable against Lessee in accordance with its terms except as limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, and by applicable laws and judicial decisions which may affect the remedies provided therein; is in full force and effect on the date of execution of this Notice by such party; is free from all defenses, set-offs and counterclaims; and no default or event which, with the passage of time or the giving of notice, or both, would constitute a default under the Lease has occurred.

2. There are no modifications, amendments or supplements to the Lease; no future modification, termination, amendment or supplement to the Lease shall be effective without Assignee's prior written approval; and no settlement of amounts due under the Lease shall be effective without Assignee's prior written consent.

3. The Equipment has been delivered to and accepted by Lessee and is in good working order and suitable for Lessee's purposes in all respects. The Equipment is in Lessee's possession and is located at the location specified in the Lease.

4. Neither Lessee nor Original Lessor has breached any provision of the Lease in any respect, and there has been no prepayment of rent or other sums payable under the Lease and no casualty has occurred with respect to the Equipment. The Lease is current in all respects, including, but not limited to, the payment of any applicable sales, use and personal property taxes. As of February 1, 2010, the remaining rentals due under the Lease are as follows: Interim Rent as defined in section 3 of the Equipment Schedule due March 1, 2010; plus sixty (60) monthly payments, in arrears, each in the amount of $29,679.22.

5. Lessee acknowledges and agrees that
   (a) other than as agent for Assignee as specified above, Original Lessor shall have no interest or authority of any nature regarding the Equipment or the Lease,
   (b) unless otherwise instructed in writing by Assignee, Lessee will deal exclusively with respect to the Lease with Original Lessor as agent for Assignee, and Lessee will deliver all payments and copies of all notices and other communications given or made by Lessee to Original Lessor as agent for Assignee at the address listed above,
   (c) if the Lease consists of a schedule incorporating the terms of a master lease agreement, then such Lease is separate and severable from each other schedule to the same master lease agreement, and Assignee may take enforcement action independently of the owners or pledgees of such other schedules and independently of the owners or pledgees of Equipment not covered by the Lease,
   (d) Lessee will execute such other instruments and take such actions as Assignee reasonably may require to further confirm Assignee's rights under the Lease and ownership of the Equipment, and
   (e) Lessee waives and agrees not to assert against Assignee any defense, set-off, recoupment claim or counterclaim which Lessee has or may at any time have against Original Lessor for any reason whatsoever.

6. Lessee has not received notice of a prior sale, transfer, assignment, hypothecation or pledge of the Lease or the rents reserved thereunder or the Equipment.

7. Lessee will keep the Lease and the Equipment free and clear of all liens and encumbrances (other than the interest of Original Lessor, Assignee or parties claiming by, through or under them).

8. All representations and duties of Original Lessor intended to induce Lessee to enter into the Lease, whether required by the Lease or otherwise, have been fulfilled.

9 Lessee has executed only one (1) original of the Lease and of its incorporated master lease agreement, if any, (which was delivered to Original Lessor), and has no original in its possession.

10 At the request of Assignee Lessee will deliver to Assignee evidence satisfactory to Assignee that Assignee is an additional insured and loss payee under the insurance required to be maintained by the Lease.

Re Notice and Acknowledgment of Assignment of Equipment Schedule No. 14 and, to the extent incorporated therein by reference, Master Equipment Lease Agreement dated as of June 25, 2007 (the "Lease"), between the undersigned Original Lessor and Lessee (this "Notice")

Original Lessor hereby gives Lessee notice, and Lessee hereby acknowledges receipt of notice, that Original Lessor has assigned to **General Electric Capital Corporation** ("Assignee"), whose offices are at 3 Capital Drive, MS#1-3B, Eden Prairie, MN 55344 all right, title, interest and obligations (on a going forward basis only) of Original Lessor in and to the Lease. From and after the date of this Notice, all payments of rent and other sums now or hereafter becoming due pursuant to the Lease or with respect to the equipment described on the Lease (the "Equipment") shall be paid directly to Original Lessor as agent for Assignee until such time as Assignee shall otherwise direct

In recognition of Assignee's reliance upon this Notice, Lessee certifies, confirms and agrees as follows:

1 The Lease has been duly authorized, executed and delivered by Lessee; constitutes the legal, valid and binding obligation of Lessee and is enforceable against Lessee in accordance with its terms except as limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, and by applicable laws and judicial decisions which may affect the remedies provided therein; is in full force and effect on the date of execution of this Notice by such party; is free from all defenses, set-offs and counterclaims; and no default or event which with the passage of time or the giving of notice, or both, would constitute a default under the Lease has occurred.

2 There are no modifications, amendments or supplements to the Lease; no future modification, termination, amendment or supplement to the Lease shall be effective without Assignee's prior written approval; and no settlement of amounts due under the Lease shall be effective without Assignee's prior written consent.

3. The Equipment has been delivered to and accepted by Lessee and is in good working order and suitable for Lessee's purposes in all respects. The Equipment is in Lessee's possession and is located at the location specified in the Lease

4. Neither Lessee nor Original Lessor has breached any provision of the Lease in any respect, and there has been no prepayment of rent or other sums payable under the Lease and no casualty has occurred with respect to the Equipment. The Lease is current in all respects, including, but not limited to, the payment of any applicable sales, use and personal property taxes. As of March 29, 2010, the remaining rentals due under the Lease are as follows: Interim Rent as defined in section 3 of the Equipment Schedule due April 1, 2010, plus sixty (60) monthly payments, in arrears, each in the amount of $21,200.04.

5 Lessee acknowledges and agrees that
(a) other than as agent for Assignee as specified above, Original Lessor shall have no interest or authority of any nature regarding the Equipment or the Lease,
(b) unless otherwise instructed in writing by Assignee, Lessee will deal exclusively with respect to the Lease with Original Lessor as agent for Assignee, and Lessee will deliver all payments and copies of all notices and other communications given or made by Lessee to Original Lessor as agent for Assignee at the address listed above,
(c) if the Lease consists of a schedule incorporating the terms of a master lease agreement, then such Lease is separate and severable from each other schedule to the same master lease agreement, and Assignee may take enforcement action independently of the owners or pledgees of such other schedules and independently of the owners or pledgees of Equipment not covered by the Lease,
(d) Lessee will execute such other instruments and take such actions as Assignee reasonably may require to further confirm Assignee's rights under the Lease and ownership of the Equipment, and
(e) Lessee waives and agrees not to assert against Assignee any defense, set-off, recoupment claim or counterclaim which Lessee has or may at any time have against Original Lessor for any reason whatsoever

6 Lessee has not received notice of a prior sale, transfer, assignment, hypothecation or pledge of the Lease or the rents reserved thereunder or the Equipment.

7 Lessee will keep the Lease and the Equipment free and clear of all liens and encumbrances (other than the interest of Original Lessor, Assignee or parties claiming by, through or under them)

8 All representations and duties of Original Lessor intended to induce Lessee to enter into the Lease, whether required by the Lease or otherwise, have been fulfilled.

9 Lessee has executed only one (1) original of the Lease and of its incorporated master lease agreement, if any, (which was delivered to Original Lessor), and has no original in its possession

10. At the request of Assignee, Lessee will deliver to Assignee evidence satisfactory to Assignee that Assignee is an additional insured and loss payee under the insurance required to be maintained by the Lease.

Please execute where indicated below and return to the address specified above.

Re: Notice and Acknowledgment of Assignment of Equipment Schedule No. 15 and, to the extent incorporated therein by reference, Master Equipment Lease Agreement dated as of June 25, 2007 (the "Lease"), between the undersigned Original Lessor and Lessee (this "Notice")

Original Lessor hereby gives Lessee notice, and Lessee hereby acknowledges receipt of notice, that Original Lessor has assigned to **General Electric Capital Corporation** ("Assignee"), whose offices are at 3 Capital Drive, MS#1-3B, Eden Prairie, MN 55344 all right, title, interest and obligations (on a going forward basis only) of Original Lessor in and to the Lease. From and after the date of this Notice, all payments of rent and other sums now or hereafter becoming due pursuant to the Lease or with respect to the equipment described on the Lease (the "Equipment") shall be paid directly to Original Lessor as agent for Assignee until such time as Assignee shall otherwise direct.

In recognition of Assignee's reliance upon this Notice, Lessee certifies, confirms and agrees as follows:

1. The Lease has been duly authorized, executed and delivered by Lessee; constitutes the legal, valid and binding obligation of Lessee and is enforceable against Lessee in accordance with its terms except as limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, and by applicable laws and judicial decisions which may affect the remedies provided therein; is in full force and effect on the date of execution of this Notice by such party; is free from all defenses, set-offs and counterclaims, and no default or event which, with the passage of time or the giving of notice, or both, would constitute a default under the Lease has occurred.

2. There are no modifications, amendments or supplements to the Lease; no future modification, termination, amendment or supplement to the Lease shall be effective without Assignee's prior written approval; and no settlement of amounts due under the Lease shall be effective without Assignee's prior written consent.

3. The Equipment has been delivered to and accepted by Lessee and is in good working order and suitable for Lessee's purposes in all respects. The Equipment is in Lessee's possession and is located at the location specified in the Lease.

4. Neither Lessee nor Original Lessor has breached any provision of the Lease in any respect, and there has been no prepayment of rent or other sums payable under the Lease and no casualty has occurred with respect to the Equipment. The Lease is current in all respects, including, but not limited to, the payment of any applicable sales, use and personal property taxes. As of May 24, 2010, the remaining rentals due under the Lease are as follows: Interim Rent as defined in section 3 of the Equipment Schedule due June 1, 2010, plus sixty (60) monthly payments, in arrears, each in the amount of $17,881.26.

5. Lessee acknowledges and agrees that
   (a) other than as agent for Assignee as specified above, Original Lessor shall have no interest or authority of any nature regarding the Equipment or the Lease,
   (b) unless otherwise instructed in writing by Assignee, Lessee will deal exclusively with respect to the Lease with Original Lessor as agent for Assignee, and Lessee will deliver all payments and copies of all notices and other communications given or made by Lessee to Original Lessor as agent for Assignee at the address listed above,
   (c) if the Lease consists of a schedule incorporating the terms of a master lease agreement, then such Lease is separate and severable from each other schedule to the same master lease agreement, and Assignee may take enforcement action independently of the owners or pledgees of such other schedules and independently of the owners or pledgees of Equipment not covered by the Lease,
   (d) Lessee will execute such other instruments and take such actions as Assignee reasonably may require to further confirm Assignee's rights under the Lease and ownership of the Equipment, and
   (e) Lessee waives and agrees not to assert against Assignee any defense, set-off, recoupment claim or counterclaim which Lessee has or may at any time have against Original Lessor for any reason whatsoever.

6. Lessee has not received notice of a prior sale, transfer, assignment, hypothecation or pledge of the Lease or the rents reserved thereunder or the Equipment.

7. Lessee will keep the Lease and the Equipment free and clear of all liens and encumbrances (other than the interest of Original Lessor, Assignee or parties claiming by, through or under them).

8. All representations and duties of Original Lessor intended to induce Lessee to enter into the Lease, whether required by the Lease or otherwise, have been fulfilled.

9. Lessee has executed only one (1) original of the Lease and of its incorporated master lease agreement, if any, (which was delivered to Original Lessor), and has no original in its possession.

10 At the request of Assignee, Lessee will deliver to Assignee evidence satisfactory to Assignee that Assignee is an additional insured and loss payee under the insurance required to be maintained by the Lease.

Please execute where indicated below and return to the address specified above.
