## INDEPENDENT BROKER/SALES REPRESENTATIVE AGREEMENT

This Independent Broker/Sales Representative Agreement (this "Agreement") is made as of October 26, 2011, between QUANTUM FOODS, LLC, a Delaware limited liability company ("Quantum"), the principal office of which is located at 750 South Schmidt Road, Bolingbrook, Illinois 60440, and NOVAMARK, INC., a Texas corporation, whose address is 4265 E. FM 1187, Burleson, Texas 76028 ("Representative"). In consideration for the mutual promises set forth below, Quantum and Representative agree as follows:

1. Consulting Services. Representative will provide the following services: (a) sales and marketing support, including assistance in the negotiation of product sales, to actively promote product awareness and sales revenue of Quantum's products listed on Part II of Exhibit A (the "Products") with the Customers; (b) conduct sales meetings and presentations to customers and potential customers listed on Part III of Exhibit A (the "Customers"); (c) provide market information, including category analysis, in order to assist Quantum in developing products and services for the Customers; (d) assist Quantum in obtaining prompt payment covering all sales of Products made by Representative to the Customers; (e) submit periodic written report of activities requested by Quantum; and (f) other related services as requested and directed by Quantum in writing (collectively, "Services"). Representative shall at all times provide the Services in a professional manner and seek to promote Quantum's business interests based solely on the merits of the products and services of Quantum. Representative shall assign Ryan Worthington to provide the Services and this Agreement shall apply to Ryan Worthington, individually.

2. Compensation. For Services, Representative shall be entitled to the volume-based, contingent or success fee described in Exhibit A hereto as sole compensation for the Services. Representative is responsible for all of its expenses and costs incurred in connection with the Services.

3. Term and Termination. Services under this Agreement commence on the date of this Agreement and terminate on January 31, 2013, unless earlier terminated pursuant to the terms hereof. Either Quantum or Representative may, upon thirty (30) days written notice, terminate this Agreement and the independent sales representative relationship formed between Quantum and Representative at any time and for any reason or no reason. Compensation shall be paid solely based on paid invoices realized by Quantum for the period prior to and including the date of such termination of this Agreement.

4. Confidentiality. Representative agrees not to use or disclose, directly or indirectly, for any reason or in any way, other than at the express direction of Quantum, any Confidential Information. In this Agreement, "Confidential Information" means any information relating to Quantum's business operations that is treated by Quantum as confidential, proprietary or secret, or that otherwise is not generally known by persons not employed by Quantum, including, without limitation: (a) information concerning products manufactured, under development or contemplated, product recipes and formulae; (b) information concerning manufacturing methods, processes and procedures, (c) information concerning financial affairs, including business plans, results of operations, budgets and projections; (d) information concerning sales and marketing activities and strategies, including marketing plans, pricing information, sales records and forecasts, and customer lists, plans and surveys; (e) information concerning inventions, patent, trademark and copyright applications and disclosures, technical data, trade secrets and know-how; (f) terms of commercial agreements or proposed agreements; and (g) any information provided to Quantum by a third party subject to any type of confidentiality restriction. **REPRESENTATIVE AGREES NOT TO DISCLOSE TO QUANTUM, OR USE FOR THE BENEFIT OF QUANTUM, ANY TRADE SECRETS OR CONFIDENTIAL INFORMATION OF ANY OTHER PARTY.**

Confidential Information does not include information which (i) was in the public domain prior to the time of its disclosure to Representative; or (ii) entered the public domain after the time of its disclosure to Representative through means other than an unauthorized disclosure resulting from the act

or omission of Representative. In the event Representative is required to disclose Confidential Information to comply with applicable laws or regulations or with a court or administrative order, Representative shall provide prompt prior written notice thereof to Quantum to enable it to seek a protective order or otherwise prevent such disclosure.

Representative agrees not to disparage Quantum or any of its owners, employees or products, and agrees not make any future statements about Quantum or its owners, employees or products which cast Quantum or its owners, employees or products in a negative light.

Upon termination of Representative's relationship with Quantum, Representative agrees to return all Quantum property, marketing material (including all items with Quantum's name or logos), badges, records, files, presentations, documents, and all copies thereof to Quantum.

5. Inventions. Representative will make full and prompt disclosure to Quantum of all inventions, improvements, discoveries, developments, processes, data, know-how, technical information, tangible materials, substances, chemical compounds, recipes, product formulations, manufacturing methods, software, mask works, and works of authorship, whether patentable or copyrightable or not, that are created, made, conceived, or reduced to practice by Representative or under his direction or jointly with others during the term of this Agreement, at Quantum or otherwise in connection with the Services, together with any intellectual property rights therein ("Inventions").

Representative agrees to assign, and hereby does assign, to Quantum, without consideration in addition to the consideration provided for in this Agreement, all of his right, title, and interest in and to all Inventions and any intellectual property rights therein. If requested by Quantum, Representative will assist Quantum in applying for and obtaining any trademarks, patents or copyright registrations relating to any Inventions, and will execute and deliver to Quantum all related applications and other documents, all at Quantum's expense.

6. Independent-Contractor Relationship. Representative's status in relation to Quantum throughout the term of this Agreement will be that of an independent contractor and neither this Agreement nor the Services to be rendered hereunder by Representative will for any purpose whatsoever create an employment or agency relationship between the parties. Representative has sole discretion to determine when, during what hours, and at what location Representative will perform Services, as well as the methods and techniques which will best accomplish the Services to be provided under this Agreement. However, Representative represents and warrants that (a) it will be available for meetings and events with Quantum; (b) its Services, methods and techniques will be in accordance with legal, ethical and reputable business practices; and (c) it has the requisite expertise, ability, and skill to render the Service required by this Agreement. Representative further agrees to supply all tools, equipment, and materials required to perform these Services. Representative agrees not to perform any Services under this Agreement at the premises of any other consulting client, and not to use any equipment or other resources of any other consulting client in connection with Services performed under this Agreement.

Neither federal, state, nor local payroll taxes of any kind or state disability insurance will be paid or withheld on behalf of Representative or its employees. Representative will not be treated as an employee with respect to the Services performed under this Agreement for federal or state tax purposes. Representative understands that if it is not a corporation, it may be liable for self-employment (social security) tax to be paid as required by law. Because Representative is engaged in its own independently established business, Representative is not eligible for, and shall not participate in, any employee fringe benefit plan provided by Quantum to its employees, including but not limited to sick pay, vacation pay, group medical and dental coverage, pension, and profit-sharing. No workers' compensation insurance will be provided by Quantum for Representative or any of its employees. Representative retains full liability

for all payments to and tax withholding for all assistants and employees and for compliance with all applicable laws with respect to any assistants and employees.

Representative has no authority to bind Quantum, to enter into any contracts or agreements on behalf of Quantum, or to represent that it has the authority to do so. This Agreement does not create a partnership, joint venture, or loaned servant arrangement between the parties. If Quantum provides Representative with an email account, office space, access to its buildings, business cards, etc. it does not alter the fact that Representative is an independent contractor and not an agent or employee of Quantum.

7. Freedom to Contract; Conflicts; Exclusivity. Each party has carefully read this Agreement and signs the same freely and voluntarily. Representative represents and warrants that it is free to enter into this Agreement, and that he has not made and will not make any agreements that would conflict or interfere with this Agreement or Representative's performance of his Services hereunder. Except as expressly provided herein, nothing in this Agreement is intended to preclude Representative from performing services for other entities and individuals. Representative agrees not to engage in any activity that conflicts with this Agreement, Quantum's business interests or interferes with the independent exercise of Representative's judgment in the best interests of Quantum. During the term of this Agreement, Representative will not, directly or indirectly, market or sell or attempt to market or sell for itself or for any third party to any customer, any non-Quantum products that are the same or substantially similar to any Products, even if those substantially similar products would be made with a formula or recipe that is not identical to the formula or recipe used to make any Products. If Representative terminates this Agreement, in order to protect against the disclosure of trade secrets and the improper disruption of customer relationships, Representative agrees that for three (3) months after termination, neither Representative nor its owners, employees, subsidiaries and affiliates will directly or indirectly, solicit business from any customer with respect to products that are the same or substantially similar to any Products.

8. Indemnification. Quantum shall not be responsible for any action or failure to act by Representative. Representative agrees to indemnify and hold harmless Quantum, its officers, directors, employees, agents, assigns, and successors against any claims, demands, or liability related to or arising out of the Representative's breach of any agreement or representation in this Agreement, failure to properly perform any obligations under this Agreement, and for any violations of United States, state, local or international law, rule or regulation.

9. Survival; Equitable Relief. The provisions of Sections 4, 5, 7 and 8 of this Agreement shall survive the termination of the business relationship between the parties. The parties agree that the breach of Section 4, 5 or 7 may cause irreparable harm and result in significant damages to Quantum and that the harm and the money damages may be difficult to ascertain. Therefore, the parties agree that in addition to any other remedies they may have at law and in equity, Quantum will be entitled to specific performance and injunctive and other equitable relief as a remedy for any such breach or threatened breach of Section 4, 5 or 7 of this Agreement without proof of actual damages and without the requirement for posting any security or bond. In the event that Quantum is required to seek judicial enforcement of Section 4, 5, 7 or 8 of this Agreement, or if legal proceedings are otherwise initiated with respect thereto, the parties agree that the court or other authority presiding over the matter will have the discretion to award Quantum reimbursement of its reasonable attorneys' fees and costs incurred in connection with any such action.

10. Entire Agreement; Successors; Assignment. This Agreement embodies the entire agreement between the parties with respect to its subject matter, and it supersedes all prior agreements, whether written or oral. No amendment of this Agreement shall be effective unless in writing and signed by both parties. Representative may not assign or delegate any of its rights or obligations hereunder without the prior written consent of Quantum, and any such purported assignment without such consent

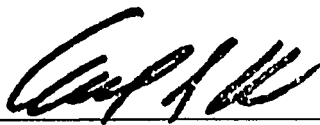

shall be void and without legal effect. This Agreement shall be binding on the owners, subsidiaries and affiliates of Representative. This Agreement shall be enforceable by, and inure to the benefit of, Quantum's successors and assigns. Quantum's subsidiaries, affiliates and owners shall have the same rights as the Quantum under this Agreement.

11. Severability; Modification. The invalidity, illegality, or unenforceability of any provision in or obligation under this Agreement in any jurisdiction shall not affect or impair the validity, legality, or enforceability of the remaining provisions or obligations under this Agreement or of such provision or obligation in any other jurisdiction. If feasible, any such offending provision shall be deemed modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Agreement in all other respects shall remain valid and enforceable.

12. Governing Law; Jurisdiction. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without reference to any conflict-of-laws doctrine that would result in application of the laws of any other jurisdiction. Each party hereby irrevocably and unconditionally waives trial by jury and consents to submit to the exclusive jurisdiction of the courts of the State of Illinois and of the United States of America located in the Northern District of Illinois, for any actions, suits or proceedings arising out of or relating to this Agreement.

IN WITNESS WHEREOF, this Agreement has been duly executed and delivered by each party.
