5. Quantum filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code on February 18, 2014.⁴

6. Attached as Exhibit A to the Foster Declaration is a summary of the product that Tyson sold to Quantum on or about April 11, 2014 and continuing through April 20, 2014.⁵ The information on Exhibit A was taken from the documents included in Exhibit B to the Foster Declaration.⁶ Exhibit B to the Foster Declaration contains copies of the actual invoices and corresponding bills of lading for the transactions at issue.⁷

7. The invoices in Exhibit B were made and/or generated by Tyson as part of its normal, on-going business operations.⁸ Similarly, the bills of lading in Exhibit B were made and/or generated by Tyson or by its agent carriers at the direction of Tyson as part of Tyson's normal, on-going business operations.⁹ The invoices and bills of lading in Exhibit B are maintained by Tyson in the ordinary course of its business.¹⁰ Those documents were made by employees or agents of Tyson, with personal knowledge, at or near the time of the events

referenced therein. Those documents are also kept by Tyson in the course of its regularly conducted business activities.¹¹

8. As can be seen from Exhibits A and B to the Foster Declaration, beginning on or about April 11, 2014 and continuing through April 20, 2014, Tyson sold to Quantum various types of red meat product, including but not limited to, boneless ribeye, beef chuck roll, bottom sirloin butt tri tip, and boneless rib lifter meat (hereinafter "Product").¹²

9. The amounts charged by Tyson for the Product were simply its published standard daily prices in effect as of the various dates of sale.¹³

10. All of the Product referenced on Exhibits A and B to the Foster Declaration was delivered to Quantum between April 16, 2014 and April 23, 2014.¹⁴ The specific receipt date is referenced in the "Delivery Date" column of Exhibit A.¹⁵

11. All of the Product referenced on Exhibits A and B was sold on terms of "Open-net 7 days Receipt of Product" meaning that Quantum had seven (7) days from receipt of the Product to make payment.¹⁶ In addition to the seven (7) days Tyson also allows three (3) additional days for mailing thereby making each invoice due and owing as of the 10th day following physical delivery of the Product to Quantum.¹⁷

12. All of the Product referenced on Exhibits A and B to the Foster Declaration was sold to Quantum to enable it to continue its normal business operations following its bankruptcy filing.¹⁸

14. Despite requests from Tyson, Quantum has never paid for the Product it received from Tyson which is referenced on Exhibits A and B to the Foster Declaration.²¹ Accordingly, Quantum owes Tyson a total of \$2,603,841.09 for the Product.²²

ARGUMENT

15. Section 503(b)(1)(A) of the Bankruptcy Code provides, in relevant part, as follows:

(b) After notice and a hearing, there shall be allowed, administrative expenses, other than claims allowed under section 502(f) of this title, including –

(1)(A) the actual, necessary costs and expenses of preserving the estate...

11 U.S.C. § 503(b)(1)(A).

16. “In determining whether a claim is entitled to administrative status, courts generally apply a two-part test: ‘(1) the expense must have arisen from a post-petition transaction between the creditor and the debtor, and (2) the expense must have been ‘actual and necessary’ to preserve the estate.’” *In re Indianapolis Downs, LLC*, 486 B.R. 286, 301 (Bankr. D. Del. 2013) (citing *In re New Century TRS Holdings, Inc.*, 446 B.R. 656, 661 (Bankr.D.Del.2011)).

17. In this case the requirements of § 503(b)(1)(A) are plainly met.

18. First, following Quantum’s bankruptcy filing, the Product was sold and delivered by Tyson to Quantum in the normal course of business to enable Quantum to continue its business operations post-petition.

¹⁹ Foster Declaration, ¶ 14.

²⁰ Foster Declaration, ¶ 14.

²¹ Foster Declaration, ¶ 15.

²² Foster Declaration, ¶ 15.

19. Quantum accepted the Product, and it never asserted that the Product was unacceptable or defective in any way. Despite requests from Tyson, Quantum has never paid for the Product even though it used the Product in its post-petition business operations. Accordingly, Tyson is entitled to entry of an order pursuant to 11 U.S.C. § 503(b)(1)(A) allowing its administrative expense claim in the amount of \$2,603,841.09.

20. A proposed Order granting the relief requested herein is being submitted concurrently with the filing of this Motion.

CONCLUSION

WHEREFORE, Tyson respectfully requests that the Court enter an order pursuant to 11 U.S.C. § 503(b)(1)(A) allowing its administrative expense claim in the aggregate amount of \$2,603,841.09 and directing payment of same. Tyson further requests that this Court enter all other relief in favor of Tyson to which it may be entitled.

DECLARATION OF LEIGH FOSTER PURSUANT TO 28 U.S.C. § 1746
IN SUPPORT OF TYSON FRESH MEATS INC.'S
MOTION FOR ENTRY OF AN ORDER ALLOWING AN
ADMINISTRATIVE EXPENSE CLAIM UNDER 11 U.S.C. § 503(b)

I, Leigh Foster, declare under penalty of perjury that the following facts are true and correct to the best of my knowledge, understanding and belief.

1. My name is Leigh Foster, and I am of sound mind and over twenty-one (21) years of age.
2. I have personal knowledge of the information contained in this Declaration.
3. I have been employed by Tyson Foods, Inc. since approximately 2003, where I currently serve as a credit manager. In my capacity, I am responsible for managing customer accounts from a credit perspective. As credit manager, I also supervise and am responsible for several credit representatives who report directly to me.
4. In my capacity as a credit manager, I have responsibility for some customer accounts of Tyson Fresh Meats, Inc.¹ ("Tyson") including, without limitation, the account of Quantum Foods, LLC ("Quantum"). I have personally worked on and/or supervised the books, records and files relating to Quantum since approximately February 2014. I am also the custodian of the credit-related files of Tyson as they pertain to Quantum.
5. It is my understanding that Quantum filed for bankruptcy on February 18, 2014.

¹ Tyson Fresh Meats, Inc. is a wholly-owned subsidiary of Tyson Foods, Inc.

6. Attached as Exhibit A to this Declaration is a summary of the product that Tyson sold to Quantum on or about April 11, 2014 and continuing through April 20, 2014. Typically, Tyson generates its invoice for red meat product on the same day that it is shipped to Quantum. However, occasionally there are instances where the product is shipped to Quantum and the Tyson invoice is generated the day before or the day after the product is shipped to Quantum.

7. The information on Exhibit A was taken from the documents included in Exhibit B to this Declaration. Exhibit B contains copies of the actual invoices and corresponding bills of lading for the transactions at issue.

8. The invoices in Exhibit B were made and/or generated by Tyson as part of its normal, on-going business operations. The bills of lading in Exhibit B were made and/or generated by Tyson or by its agent carriers at the direction of Tyson as part of Tyson's normal, on-going business operations. The invoices and bills of lading in Exhibit B are maintained by Tyson in the ordinary course of its business. Those documents were made by employees or agents of Tyson, with personal knowledge, at or near the time of the events referenced therein. Those documents are also kept by Tyson in the course of its regularly conducted business activities.

9. As can be seen from Exhibits A and B, beginning on or about April 11, 2014 and continuing through April 20, 2014, Tyson sold to Quantum various types of red meat product, including but not limited to, boneless ribeye, beef chuck roll, bottom sirloin butt tri tip, and boneless rib lifter meat (hereinafter "Product").

10. The amounts charged by Tyson for the Product were simply its published standard daily prices in effect as of the various dates of sale.

11. All of the Product referenced on Exhibits A and B was delivered to Quantum between April 16, 2014 and April 23, 2014. The specific receipt date is referenced in the "Delivery Date" column of Exhibit A.

12. All of the Product referenced on Exhibits A and B was sold on terms of "Open-net 7 days Receipt of Product" meaning that Quantum had seven (7) days from receipt of the Product to make payment. In addition to the seven (7) days Tyson also allows three (3) additional days for mailing thereby making each invoice due and owing as of the 10th day following physical delivery of the Product to Quantum.

13. All of the Product referenced on Exhibits A and B was sold to Quantum to enable it to continue its normal business operations following its bankruptcy filing.

14. Quantum accepted all of the Product referenced on Exhibits A and B. Furthermore, Quantum never asserted that any of the Product referenced on Exhibits A and B was unacceptable or defective in any way.

15. Despite requests from Tyson, Quantum has never paid for the Product it received from Tyson which is referenced on Exhibits A and B. Accordingly, Quantum owes Tyson a total of \$2,603,841.09 for the Product.

16. If called upon to testify as to the matters set forth in this Declaration, I could and would competently testify thereto.

17. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
