RAAM GLOBAL ENERGY COMPANY, <i>et al.</i>	§	
	§	(Chapter 11)

DEBTORS.	§	JOINTLY ADMINISTERED

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND
DISCLAIMER REGARDING DEBTORS' SCHEDULES OF ASSETS**

The *Schedules of Assets* (the “Schedules”) filed by the above-captioned debtors and debtors in possession (each, a “Debtor” and collectively, the “Debtors”),¹ in the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “Court”), were prepared by the Debtors’ management, with the assistance of the Debtors’ employees and professionals, pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure, and they are unaudited. Subsequent information may result in material changes in financial and other data in the Schedules. The Debtors reserve the right to amend the Schedules from time to time as may be necessary or appropriate. These *Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtors’ Schedules of Assets* are incorporated by reference in, and comprise an integral part of, each of the Schedules, and should be referred to and reviewed in connection with any review of the Schedules.

1. Bankruptcy Cases. On October 26, 2015 (the “Petition Date”), the Debtors each filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. Unless otherwise indicated, the information provided is as of the close of business on the Petition Date.

2. Joint Administration. Pursuant to an order entered on October 28, 2015 [Docket No. 22], the Debtors’ respective chapter 11 cases (each, a “Case” and together, the “Cases”) are jointly administered under the lead case styled *In re RAAM Global Energy, et al.*, Case No. 15-35615. Notwithstanding the joint administration of the Cases, each Debtor has filed its own Schedules in its respective chapter 11 case.

3. Amendments. The Debtors each reserve the right to amend the Schedules in all respects at any time as may be necessary or appropriate.

4. Undetermined Amounts. The description of an amount as “unknown,” “TBD,” or “undetermined” is not intended to reflect upon the materiality of such amount.

¹ The Debtors are RAAM Global Energy Company [2973], Century Exploration New Orleans, LLC [4948], Century Exploration Houston, LLC [9624], and Century Exploration Resources, LLC [7252].

5. Estimates and Assumptions. The preparation of the Schedules required the Debtors to make estimates and assumptions with respect to the reported amounts of assets, the value of contingent assets, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from those estimates.

6. Totals. Except as provided otherwise, all totals that are included in the Schedules represent totals of all known amounts included in the Debtors' books and records as of the Petition Date. To the extent that there are undetermined amounts, the actual total may be different from the listed total.

7. GAAP. Given the difference between reporting for purposes of the Schedules and reporting for audit purposes, the aggregate asset values and claim amounts set forth in the Schedules may not reflect the amounts that would be set forth in a balance sheet prepared in accordance with generally accepted accounting principles in the United States.

8. Causes of Action. The Debtors reserve all of their causes of action. Furthermore, nothing contained in the Schedules shall constitute a waiver of any claim or cause of action that may be asserted, including equitable subordination, causes of action arising under chapter 5 of the Bankruptcy Code, and any other causes of action arising in the Cases or under applicable non-bankruptcy law.

9. Categories or Labels Used in the Schedules. Information requested by the Schedules require the Debtors to make judgments regarding the appropriate category in which information should be presented or how certain parties, claims, or other data should be labeled. The Debtors' decisions regarding the category or label to use is based on the best information available as of the filing of the Schedules and within the time constraints imposed by the Cases. The Debtors reserve the right to modify, change, or delete any information in the Schedules by amendment, including to the extent some information currently presented should be moved to a different category or labeled in a different way.

10. Summary of Significant Reporting Policies and Practices. The following conventions were adopted by the Debtors in preparing the Schedules:

- (a) Fair Market Value; Net Book Value. For the preparation of the Schedules, it would be prohibitively expensive, unduly burdensome, and time consuming to obtain current market valuations of all of the Debtors' property interests on a Debtor-by-Debtor basis. Accordingly, assets of each Debtor are shown either on the basis of the estimated fair market value or the net book value of such assets in accordance with the Debtors' accounting or tax books and records as of the Petition Date. As applicable, assets that have been fully depreciated or were expensed for accounting purposes have no net book value. Unless otherwise indicated, all amounts are listed as of the Petition Date. The Debtors expressly reserve all rights with respect to valuations during the Cases.
- (b) Leased Real and Personal Property. In the ordinary course of business, the Debtors lease real and personal property, including fixtures and

equipment, from certain third-party lessors. Nothing in the Schedules is or shall be construed as an admission or determination as to the legal status of any lease (*e.g.*, as a true lease or financing arrangement), and the Debtors reserve all rights with respect to such issues.

- (c) Books and Records. The Debtors maintain books and records on a Debtor-by-Debtor basis, including financial statements. Accordingly, the Debtors' respective assets have been attributed appropriately in the Schedules and Statements. The Debtors reserve all rights with respect to such attributions.

11. Summary of Significant "Schedules" Conventions. The following conventions were adopted by the Debtors in preparing the Schedules:

- (a) Schedule A. All hydrocarbon leases are listed on Schedule A, regardless of whether such lease is considered an executory contract or an interest in real property in the relevant jurisdiction. The Debtors' listing of such leases and agreements on Schedule A is not indicative of whether the Debtors consider such leases and agreements unexpired leases or executory contracts.

Oil and gas leases are disclosed on Schedule A in various parts: the estimated market value of the leases by Debtor, based on a PV-10 calculation from a reserve report with an effective date of November 1, 2015, is disclosed on a summary schedule, while schedules listing the leases, the wells and the Debtor's interest in such wells, and rights of ways, are attached as supporting information. The process of estimating reserves is very complex, requiring significant subjective decisions in the evaluation of all geological engineering and economic data for each reservoir. The accuracy of a reserve estimate is a function of (i) the quality and quantity of available data, (ii) the interpretation of that data, (iii) the accuracy of various mandated economic assumptions, and (iv) the judgment of the persons preparing the estimate. The data for a given reservoir may change substantially over time as a result of numerous factors, including, without limitation, additional development activity, evolving production history, and continual reassessment of the viability of production under various economic conditions.

Certain of the leases reflected on Schedule A may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional lands, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule A.

Certain of the responses on Schedule A may indicate that the "Nature of Debtor's Interest in Property" includes both surface and mineral rights. Where a value of the Debtor's interest is provided in connection with such

response, the value is attributable only to surface rights and not to mineral rights. The value of mineral rights is undetermined.

Property listed on Schedule A as “encumbered” is subject to mortgages asserted by Highbridge Principal Strategies, LLC and the holders of the Notes, as defined in the *Declaration of James R. Latimer, III in Support of First Day Pleadings* [Docket No. 20]. The total alleged secured claim for such parties is equal to \$301,817,860.

The Debtors’ failure to list any rights in real property on Schedule A should not be construed as a waiver of any such rights that may exist, whether known or unknown at this time.

- (b) Schedule B. Personal property owned by any of the Debtors is listed on Schedule B for that individual Debtor.
 - (i) Schedule B.2 – Financial Accounts. Cash balances and account descriptions are as of the Petition Date. In accordance with the *Interim Order Granting Emergency Motion to (i) approve Maintenance of Certain Pre-Petition Bank Accounts and Cash Management System and (ii) Continue Use of Existing Checks and Business Forms* [Docket No. 47], the Debtors have opened segregated debtor in possession bank accounts and deposited all suspended funds therein.
 - (ii) Schedule B.3 – Security Deposits. All rights of the Debtors regarding whether retainers are deposits or pre-payments are reserved, and the Debtors make no admission regarding same by inclusion of the retainers in the Schedules.
 - (iii) Schedule B.9 – Interests in Insurance Policies. For more information on the Debtors’ interests in insurance policies, refer to *Emergency Motion (a) Authorizing Debtors to (i) Pay Pre-Petition Wages and Salaries to Employees and Independent Contractors and (ii) Pay Pre-Petition Benefits and to Continue Benefit Programs in the Ordinary Course and (b) Directing Banks to Honor Pre-Petition Checks for Payment of Pre-Petition Obligations* [Docket No. 12] and *Emergency Motion for Order Authorizing Debtors to Continue Insurance Policies and Bonding Program* [Docket No. 15].
 - (iv) Schedules B.13 and B.14 – Stocks and Interests in Businesses and Partnerships. Equity interests in subsidiaries and affiliates primarily arise from common stock ownership. Each Debtor’s Schedule B lists such Debtor’s ownership interests, if any, in subsidiaries and affiliates. For purposes of the Schedules, the

Debtors have listed the value of such ownership interests as undetermined because the fair market value of such stock or interests is dependent on numerous variables and factors and may differ significantly from the net book value.

- (v) Schedule B.16 – Accounts Receivable. In the ordinary course of the Debtors’ business, cash settlements must occur after the completion of an accounting settlement cycle, which typically takes 60 days following a production month-end. The timeframe to a net proceed calculation for a given production month requires the following steps: payment of capital and operating expenses, receipt of gross sales revenues, invoicing of joint interest partners, receipt of joint interest billing payments, and disbursement of payments to royalty owners. These steps are necessarily accomplished over the span of 60 days following the end of a production month.
- (vi) Schedule B.21 – Other Contingent and Unliquidated Claims. In the ordinary course of their business, the Debtors may have or may accrue certain rights to refunds, counterclaims, setoffs, refunds with its customers and suppliers, or potential claims against its suppliers. Such claims are not known and quantifiable as of the Petition Date, and accordingly, are not listed on Schedule B.
- (vii) Schedules B.22 and B.23 – Patents, Copyrights, and Other Intellectual Property; Licenses, Franchises, and Other General Intangibles. In the ordinary course of their business, the Debtors are required to obtain operating and other permits from federal, state, and local government authorities and from regulatory bodies. The Debtors believe that these permits have little or no cash value and have not included them in their response to Schedule B. Additionally, the Debtors own certain copyrights, URLs, geological data, and other intellectual property that have little or no cash value and not all of such items have been included in the Debtors’ response to Schedule B. Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.
- (viii) Schedules B.28 and B.29 – Office Equipment, Furnishing, and Supplies; Machinery, Fixtures, Equipment and Supplies Used in Business. The Debtors’ business is a complex enterprise. Although the Debtors have made every effort to ensure the accuracy of Schedules B.28 and B.29, inadvertent errors, omissions, or inclusion may have occurred. Additionally, there

may be certain assets the value for which is included in a fixed asset group or certain assets with a net book value of zero which are not set forth on Schedule B.28 or B.29.

12. Excluded Assets. The Debtors may have inadvertently excluded certain categories of assets from the Schedules, such as *de minimis* deposits and other immaterial assets. If the Debtors learn of any such assets, they will amend the Schedules.

13. General Disclaimer. While those members of management responsible for the preparation of the Schedules have made good faith and reasonable efforts to ensure that the Schedules are accurate and complete based on information known to them at the time of preparation after reasonable inquiries, inadvertent errors may exist or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules that may warrant amendment of the same. Moreover, because the Schedules contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that the Schedules are complete or accurate.
