<b>RAAM GLOBAL ENERGY COMPANY,</b>	§

	§	
<b>DEBTORS.</b>	§	<b>JOINTLY ADMINISTERED</b>

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND  
DISCLAIMER REGARDING DEBTORS' SCHEDULES AND STATEMENTS**

The *Schedules of Assets and Liabilities* and *Statements of Financial Affairs* (the “Schedules” and “Statements,” respectively) filed by the above-captioned debtors and debtors in possession (each, a “Debtor” and collectively, the “Debtors”),<sup>1</sup> in the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “Court”), were prepared by the Debtors’ management, with the assistance of the Debtors’ employees and professionals, pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and they are unaudited. Subsequent information may result in material changes in financial and other data in each of their Schedules and Statements. The Debtors reserve the right to amend each of their Schedules and Statements from time to time as the Debtors determine may be necessary or appropriate. These *Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtors’ Schedules and Statements* (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, each of the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1. Bankruptcy Cases. On October 26, 2015 (the “Petition Date”), the Debtors each filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. Unless otherwise indicated, the information provided is as of the close of business on the Petition Date.

2. Joint Administration. Pursuant to an order entered on October 28, 2015 [Docket No. 22], the Debtors’ respective chapter 11 cases (each, a “Case” and together, the “Cases”) are jointly administered under the case styled *In re RAAM Global Energy, et al.*, Case No. 15-35615. Notwithstanding the joint administration of the Cases, each Debtor has filed its own Schedules and Statements in its respective chapter 11 case.

3. Amendments. The Debtors each reserve the right to amend the Schedules and Statements in all respects at any time as may be necessary or appropriate, including, without limitation, (a) to assert offsets or defenses to any claim, (b) to amend the amount, liability, or classification of any claim, or (c) to otherwise designate any claim as contingent, unliquidated, or

---

<sup>1</sup> The Debtors are RAAM Global Energy Company [2973], Century Exploration New Orleans, LLC [4948], Century Exploration Houston, LLC [9624], and Century Exploration Resources, LLC [7252].

disputed. Any failure to designate a claim as contingent, unliquidated, or disputed does not constitute an admission by any Debtor that such claim is not contingent, unliquidated, or disputed.

4. Estimates and Assumptions. The preparation of the Schedules and Statements required the Debtors to make estimates and assumptions with respect to the reported amounts of assets and liabilities, the value of contingent assets and liabilities, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from those estimates.

5. Pre-Petition v. Post-Petition. The Debtors have allocated liabilities between the pre-petition and post-petition periods based upon information from research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the identification of liabilities as pre-petition or post-petition may change.

6. GAAP. Given the difference between reporting for purposes of the Schedules and Statements and reporting for audit purposes, the aggregate asset values and claim amounts set forth in the Schedules and Statements may not reflect the amounts that would be set forth in a balance sheet prepared in accordance with generally accepted accounting principles in the United States.

7. First Day Orders. Pursuant to various orders entered by the Court in the first days of the Cases, the Debtors were authorized to pay certain outstanding pre-petition claims, including claims related to employee and independent contractor wages, employee benefits, reimbursable business expenses, and related administrative costs. Although such amounts have been paid and are no longer owed, such claims may nevertheless be listed on the Schedules and Statements, or they may be listed in a different amount than the actual amount due and owing to such creditors as of the Petition Date.

8. Causes of Action. The Debtors reserve all of their causes of action. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of any claim or cause of action that may be asserted, including equitable subordination, causes of action arising under chapter 5 of the Bankruptcy Code, and any other causes of action arising in the Cases or under applicable non-bankruptcy law.

9. Insiders. Where the Schedules and Statements require information concerning officers, directors, or insiders, included therein are each of the Debtors' (a) directors (or persons in similar positions), (b) employees that are, or were during the relevant period, officers (or persons in control), and (c) employees that are relatives of those persons found in (a) or (b). Employees may have been included in this disclosure for informational purposes only and are not necessarily "insiders" as defined in Bankruptcy Code § 101(31) or as otherwise defined by applicable law, including, without limitation, any state or federal securities law. The listing of any party as an insider is not intended to be nor should it be construed as a legal characterization of such party as an insider, nor should it be construed as an admission that such party is an insider, all such rights, claims, and defenses being expressly reserved.

10. Categories or Labels Used in the Schedules and Statements. Information requested by the Schedules and Statements require the Debtors to make judgments regarding the appropriate category in which information should be presented or how certain parties, claims, or other data should be labeled. The Debtors' decisions regarding the category or label to use is based on the best information available as of the filing of the Schedules and Statements and within the time constraints imposed by the Cases. The Debtors reserve the right to modify, change, or delete any information in the Schedules and Statements by amendment, including to the extent some information currently presented should be moved to a different category or labeled in a different way.

11. Summary of Significant Reporting Policies and Practices. The following conventions were adopted by the Debtors in preparing the Schedules and Statements:

- (a) Fair Market Value; Book Value. For the preparation of the Schedules, it would be prohibitively expensive, unduly burdensome, and time consuming to obtain current market valuations of all of the Debtors' property interests on a Debtor-by-Debtor basis. Accordingly, assets and liabilities of each Debtor are shown either on the basis of the estimated fair market value or the net book value in accordance with the Debtors' accounting or tax books and records as of the Petition Date. As applicable, assets that have been fully depreciated or were expensed for accounting purposes have no net book value. Unless otherwise noted, the Schedules reflect the net book value of the liabilities listed in the Debtors' books and records, and are not based upon any estimate of their current market values, which may not correspond to book value. For this reason, amounts ultimately realized may vary from net book value and such variances may be material. Unless otherwise indicated, all amounts are listed as of the Petition Date. The Debtors expressly reserve all rights with respect to valuations during the Cases.
- (b) Leased Real and Personal Property. In the ordinary course of business, the Debtors may lease real and personal property, including fixtures and equipment, from certain third-party lessors. Nothing in the Schedules and Statements is or shall be construed as an admission or determination as to legal status of any lease (*e.g.*, as a true lease or financing arrangement), and the Debtors reserve all rights with respect to such issues.
- (c) Claims. The Schedules and Statements generally identify parties holding claims existing as of the Petition Date. The Court, however, has authorized the Debtors to continue certain pre-petition practices and make payments in respect of certain pre-petition claims. Accordingly, certain of the claims identified in the Schedules and Statements may already have been paid.
- (d) Books and Records. The Debtors maintain books and records on a Debtor-by-Debtor basis, including financial statements. Accordingly, the Debtors' respective assets, liabilities, transactions, contracts, and leases

have been attributed appropriately in the Schedules and Statements. The Debtors reserve all rights with respect to such attributions.

- (e) Disputed, Contingent, and Unliquidated Claims. The Debtors have designated certain claims on Schedules D, E, and F as disputed, contingent, or unliquidated, as applicable. Any failure to designate a claim on the Schedules and Statements as disputed, contingent, or unliquidated does not constitute an admission that such claim is undisputed, noncontingent, or liquidated, as applicable. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules and Statements as to, among other things, amount, liability, or status.

12. Summary of Significant “Schedules” Conventions. The following conventions were adopted by the Debtors in preparing the Schedules:

- (a) Schedule A. All hydrocarbon leases are listed on Schedule A, regardless of whether such lease is considered an executory contract or an interest in real property in the relevant jurisdiction. The Debtors’ listing of such leases and agreements on Schedule A is not indicative of whether the Debtors consider such leases and agreements unexpired leases or executory contracts.

Oil and gas leases are disclosed on Schedule A in various parts: the estimated market value of the leases by Debtor, based on a PV-10 calculation from a reserve report with an effective date of November 1, 2015, is disclosed on a summary schedule, while schedules listing the leases, the wells and the Debtor’s interest in such wells, and rights of ways, are attached as supporting information. The process of estimating reserves is very complex, requiring significant subjective decisions in the evaluation of all geological engineering and economic data for each reservoir. The accuracy of a reserve estimate is a function of (i) the quality and quantity of available data, (ii) the interpretation of that data, (iii) the accuracy of various mandated economic assumptions, and (iv) the judgment of the persons preparing the estimate. The data for a given reservoir may change substantially over time as a result of numerous factors, including, without limitation, additional development activity, evolving production history, and continual reassessment of the viability of production under various economic conditions.

Certain of the leases reflected on Schedule A may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional lands, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule A.

Certain of the responses on Schedule A may indicate that the “Nature of Debtor’s Interest in Property” includes both surface and mineral rights. Where a value of the Debtor’s interest is provided in connection with such response, the value is attributable only to surface rights and not to mineral rights. The value of mineral rights is undetermined.

Property listed on Schedule A as “encumbered” is subject to mortgages asserted by Highbridge Principal Strategies, LLC and the holders of the Notes, as defined in the *Declaration of James R. Latimer, III in Support of First Day Pleadings* [Docket No. 20]. The total alleged secured claim for such parties is approximately \$301,817,860.

The Debtors’ failure to list any rights in real property on Schedule A should not be construed as a waiver of any such rights that may exist, whether known or unknown at this time.

- (b) Schedule B. Personal property owned by any of the Debtors is listed on Schedule B for that individual Debtor.
  - (i) Schedule B.2 – Financial Accounts. Cash balances and account descriptions are as of the Petition Date. In accordance with the *Interim Order Granting Emergency Motion to (i) approve Maintenance of Certain Pre-Petition Bank Accounts and Cash Management System and (ii) Continue Use of Existing Checks and Business Forms* [Docket No. 47], the Debtors have opened segregated debtor in possession bank accounts and deposited all suspended funds therein.
  - (ii) Schedule B.3 – Security Deposits. All rights of the Debtors regarding whether retainers are deposits or pre-payments are reserved, and the Debtors make no admission regarding same by inclusion of the retainers in the Schedules.
  - (iii) Schedule B.9 – Interests in Insurance Policies. For more information on the Debtors’ interests in insurance policies, refer to *Emergency Motion (a) Authorizing Debtors to (i) Pay Pre-Petition Wages and Salaries to Employees and Independent Contractors and (ii) Pay Pre-Petition Benefits and to Continue Benefit Programs in the Ordinary Course and (b) Directing Banks to Honor Pre-Petition Checks for Payment of Pre-Petition Obligations* [Docket No. 12] and *Emergency Motion for Order Authorizing Debtors to Continue Insurance Policies and Bonding Program* [Docket No. 15].
  - (iv) Schedules B.13 and B.14 – Stocks and Interests in Businesses and Partnerships. Equity interests in subsidiaries and affiliates

primarily arise from common stock ownership. Each Debtor's Schedule B lists such Debtor's ownership interests, if any, in subsidiaries and affiliates. For purposes of the Schedules, the Debtors have listed the value of such ownership interests as undetermined because the fair market value of such stock or interests is dependent on numerous variables and factors and may differ significantly from the net book value.

- (v) Schedule B.16 – Accounts Receivable. In the ordinary course of the Debtors' business, cash settlements must occur after the completion of an accounting settlement cycle, which typically takes 60 days following a production month-end. The timeframe to a net proceed calculation for a given production month requires the following steps: payment of capital and operating expenses, receipt of gross sales revenues, invoicing of joint interest partners, receipt of joint interest billing payments, and disbursement of payments to royalty owners. These steps are necessarily accomplished over the span of 60 days following the end of a production month.
- (vi) Schedule B.21 – Other Contingent and Unliquidated Claims. In the ordinary course of their business, the Debtors may have or may accrue certain rights to refunds, counterclaims, setoffs, refunds with its customers and suppliers, or potential claims against its suppliers. Such claims are not known and quantifiable as of the Petition Date, and accordingly, are not listed on Schedule B.
- (vii) Schedules B.22 and B.23 – Patents, Copyrights, and Other Intellectual Property; Licenses, Franchises, and Other General Intangibles. In the ordinary course of their business, the Debtors are required to obtain operating and other permits from federal, state, and local government authorities and from regulatory bodies. The Debtors believe that these permits have little or no cash value and have not included them in their response to Schedule B. Additionally, the Debtors own certain copyrights, URLs, geological data, and other intellectual property that have little or no cash value and not all of such items have been included in the Debtors' response to Schedule B. Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.
- (viii) Schedules B.28 and B.29 – Office Equipment, Furnishing, and Supplies; Machinery, Fixtures, Equipment and Supplies Used in Business. The Debtors' business is a complex enterprise.

Although the Debtors have made every effort to ensure the accuracy of Schedules B.28 and B.29, inadvertent errors, omissions, or inclusion may have occurred. Additionally, there may be certain assets the value for which is included in a fixed asset group or certain assets with a net book value of zero which are not set forth on Schedule B.28 or B.29.

- (c) Schedule D. Except as otherwise agreed pursuant to a stipulation or order entered by the Court, the Debtors reserve their rights to dispute or challenge, among other things, the validity, perfection, or priority of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, except as otherwise agreed pursuant to a stipulation or order entered by the Court, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim. In certain instances, a Debtor may be a co-obligor or guarantor with respect to scheduled claims of the Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary, and reference should be made to the applicable loan agreements and related documents for a complete description of any collateral and corresponding liens or security interests. Nothing in these Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

The Debtors have not included on Schedule D any creditor who may assert an interest in property of the estate by way of setoff rights, deposits posted by or on behalf of a Debtor, or inchoate statutory lien rights. Any such creditors may, however, be listed on Schedule F. The Debtors reserve the right to challenge, among other things, the validity, perfection, or priority of any statutory lien creditor.

- (d) Schedule E. As part of the first day orders, the Debtors were authorized, but not directed, to pay all outstanding, pre-petition amounts owing with respect to, among other things, employee and independent contractor wages and employee benefits. Although certain priority amounts may have been outstanding as of the Petition Date, the Debtors have checked "none" with respect to outstanding priority amounts payable with respect to salaries, wages, and commissions to reflect such payments. The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under Bankruptcy Code § 507. Such claims remain subject to further review and verification.

- (e) Schedule G. While reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or over-inclusions may have occurred. Listing a contract or lease on Schedule G does not constitute an admission that such contract or lease is an executory contract or unexpired lease or that such contract or lease was in effect on the Petition Date or is valid or enforceable. Any and all of the Debtors' rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G are hereby reserved. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of business, such as supplemental agreements, amendments/letter agreements, and confidentiality agreements. Such documents may not be set forth on Schedule G. The Debtors reserve all rights to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor' claim. Omission of a contract or lease from Schedule G does not constitute an admission that such omitted contract or lease is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or leases are not impaired by the omission. Schedule G also sets forth joint operating agreements. The listing of a particular Debtor as party to a joint operating agreement reflects the entity that owns a working interest in the areas covered by the agreement but does not reflect any operator designation that is filed with any federal or state regulatory agency.

13. Summary of Significant "Statement" Conventions. The following conventions were adopted by the Debtors in preparing the Statements:

- (a) Question 3. In order to protect the privacy of the Debtors' current and former employees, payments made to non-insider employees related to wages and benefits are not disclosed, but will be provided to the Office of the United States Trustee upon request. Detail with respect to payments to insiders is provided in response to question 3(c).
- (b) Question 9. The Debtors' books and records do not detail which of the payments made to Vinson & Elkins, LLP ("V&E"), the Debtors' chapter 11 counsel, were related to "debt consolidation, relief under the bankruptcy law or preparation of a petition in bankruptcy." Accordingly, in an abundance of caution, the Debtors have listed all payments made to V&E within one year immediately preceding the commencement of the Cases.
- (c) Question 17. The Debtors have made reasonable efforts to include in their response to question 17 an accurate list of sites, if any, for which the Debtors have received written notice by a governmental unit that they may be liable or potentially liable under or in violation of an environmental law. To the extent the Debtors become aware they have omitted any such site, they will amend their Statements.

- (d) Question 19. In the ordinary course of the Debtors' businesses, various in-house personnel had access to the Debtors' books and records, the Debtors issued financial Statements to various interested parties, and the Debtors' financial statements were contained within a virtual data room ("VDR") maintained by their financial advisor with respect to potential sales of the Debtors' assets. In certain of these instances, (i) the Debtors' financial statements were issued to various parties, including, without limitation, financial institutions, creditors, and other parties and (ii) the Debtors did not maintain an exact record of the service dates or the date on which all such financial Statements were issued, nor of which third parties specifically reviewed the financial statements in the VDR. As such, financial statements may have been issued to other parties not currently listed in response to question 19(d). In addition, RAAM Global Energy Company filed financial statements with the U.S. Securities and Exchange Commission ("SEC"). These statements were then posted on the SEC's website, and were available to the public.

14. General Disclaimer. While those members of management responsible for the preparation of the Schedules and Statements have made good faith and reasonable efforts to ensure that the Schedules and Statements are accurate and complete based on information known to them at the time of preparation after reasonable inquiries, inadvertent errors may exist or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statements that may warrant amendment of the same. Moreover, because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that the Schedules and Statements are complete or accurate.
