Lessor and Lessee acknowledge and agree that the Lease is valid, subsisting, and in full force and effect. Lessor and Lessee desire to amend the Lease by providing that from the Effective Date through November 28, 2015, the Lease shall be deemed to be within an “Extended Primary Term,” and that throughout said Extended Primary Term, the Lease shall be maintained in full force and effect by the payment of the consideration provided below.

For adequate consideration:

- (i) the amount of the periodic rental to be paid under paragraph 2 of the Lease, has been modified by written agreement between the parties of even date (to which reference is made for further particulars), and the rental, as thus modified, has been paid in full through November 28, 2015, the receipt and sufficiency of which are hereby acknowledged by Lessor,
- (ii) the Lease is hereby amended to provide for an Extended Primary Term extending through November 28, 2015 (i.e., three (3) years from the Effective Date, during which the Lease shall in all respects be maintained in full force and effect by the payment of the consideration herein provided, notwithstanding anything to the contrary contained in the Lease, or herein, except the obligation (should it arise) to drill an offset well, and as long thereafter as oil or gas are produced from the leased land, or lands with which the leased land are pooled, or in the manner provided for and on the terms and conditions set forth in the Lease, as amended, and
- (iii) the phrase “one hundred twenty (120) days” in paragraph 6 (Continuous Drilling) of the Lease, is hereby amended to read “one hundred eighty (180) days”.
- (iv) in all other respects, the Lease remains unchanged.

By executing this Amendment, Lessor acknowledges that the Lease is valid, subsisting, and in full force effect, and hereby grants, leases, and lets the leased land to Lessee, on the terms and provisions provided in the Lease, as amended, for the Extended Primary Term, the paid-up rental, and the additional time for Continuous Drilling.
