CASE NO. 15-35615

Chapter 11

**JOINTLY ADMINISTERED**

**Debtor: Century Exploration Resources,  
LLC, Case No. 15-35616**

**Claimant: Berrenda Mesa Water District**

**LISA HOLDER'S DECLARATION AND EXHIBITS  
IN SUPPORT OF BERRENDA MESA WATER DISTRICT'S  
REQUEST FOR ADMINISTRATIVE EXPENSE PAYMENT**

I, Lisa Holder, declare:

1. I am an attorney licensed to practice before the courts of the State of California, all the California district courts, and the Ninth Circuit Court of Appeals. I am a partner at the law firm of Klein, DeNatale, Goldner, Cooper, Rosenlieb & Kimball, LLP ("KDG"), general counsel for Berrenda Mesa Water District ("Water District").

2. I prepared the *Berrenda Mesa Water District's Request for Administrative Expense Payment* (the "Request") and I am familiar with the information contained in the Request and the exhibits attached hereto.

3. Exhibit "A" is a true and correct copy of the *Oil, Gas and Mineral Lease*, dated October 29, 2010, originally between lessor Water District and Maverick Petroleum, Inc., as lessee (the "Lease"). Using the document number and recording date found in the bankruptcy schedules, I obtained the Lease from an online service, which provides documents recorded with the county recorder in Kern County. The document number and recording date on Exhibit "A" are identical to the information provided by Debtor regarding the lease.

4. Exhibit "B," attached hereto, is a true and correct copy of Debtor's schedules filed December 6, 2015, document no 15, at pages 16 and 78. I obtained Debtor's schedules from the bankruptcy docket.

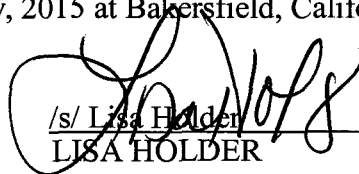

5. Exhibit "C," attached hereto, is a true and correct copy of a printout from the website for California Division of Oil, Gas & Geothermal Resources ("DOGGR"). To obtain this printout, I accessed DOGGR's online database of California oil and gas wells, entered the legal description of the property found in Exhibit "B," and called up the well described in the Lease. DOGGR is the California regulatory agency responsible for maintaining data related to each well permitted in California.

6. Exhibit "D," attached hereto, is a true and correct copy of an email I received from Debtor's attorney in response to my request for information from Debtor regarding the royalties owed to Water District.

The above statements are within my personal knowledge and I can testify competently regarding these statements if called as a witness.

I declare under the penalty of perjury under the laws of the State of California and of the United States that the foregoing is true and correct.

Executed this 12th day of January, 2015 at Bakersfield, California.

Dear Mr. Foxman,

I represent the Berrenda Mesa Water District in California. BMWWD receives royalty payments from Century Exploration Resources, LLC. I am trying to determine the administrative claim Century owes to BMWWD. Below is the property description. According to DOGGR, there was production. BMWWD's last royalty payment was for the period ending August 2015. Please advise. Thank you.
