**NOTES TO UNAUDITED CONDENSED COMBINED FINANCIAL STATEMENTS  
(In Thousands)**

**(1) Basis of Presentation**

The Debtors caution readers not to place undue reliance upon the information contained in this monthly operating report (the "Operating Report"). This report should not be construed as the financial statements of the registrant. This Operating Report contains unaudited information which is subject to further review and potential adjustments and may not be indicative of the Debtors' operating results. The accompanying financial statements have been prepared on a going concern basis, which assumes the realization of assets and the payment of liabilities in the ordinary course of business, and do not reflect any adjustments that might result if the Debtors are unable to continue as a going concern. There can be no assurance that this Operating Report is complete and the Debtors undertake no obligation to update or revise the Operating Report.

This Operating Report includes the Debtors' unaudited condensed combined Statement of Operations for the period October 1, 2004 through October 31, 2004, Balance Sheet at October 31, 2004 and Statement of Cash Flows for the period October 1, 2004 through October 31, 2004. The Operating Report has been updated to include combined information from the Debtors that filed voluntary petitions for reorganization under Chapter 11 on May 27, 2004, as well as those filed on August 5, 2004 and August 20, 2004, as to each Debtor, "the Petition Date". Investments in non-combined subsidiaries and equity in income of non-combined subsidiaries are shown separately in the balance sheet and income statement.

The accompanying unaudited condensed combined financial statements do not include all of the information and footnote disclosures required by generally accepted accounting principles ("GAAP") for complete financial statements. Further, the amounts reported in this Operating Report, when reported on a quarterly or annual basis on Form 10-Q or Form 10-K and filed with the United States Securities and Exchange Commission, may differ materially due to adjustments to accruals, changes in facts and circumstances, changes in estimates, further analysis and other factors.

The unaudited condensed combined Statement of Operations has also been prepared in accordance with Statement of Position ("SOP") No. 90-7, "Financial Reporting by Entities in Reorganization Under the Bankruptcy Code." SOP 90-7 requires an entity's statement of operations to portray the results of operations of the reporting entity during Chapter 11 proceedings. As a result, any revenues, expenses, realized gains and losses, and provisions resulting from the reorganization and restructuring of the Debtors should be reported separately as reorganization items, except those required to be reported as discontinued operations and extraordinary items in conformity with Statement of Financial Accounting Standards No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets."

In the opinion of management, all disclosures considered necessary for an informative presentation have been included.

**(2) Summary of Significant Accounting Policies**

**Cash and temporary cash investments:**

The Debtors consider cash in banks and short-term investments with original maturities of three months or less as cash and cash equivalents. At October 31, 2004, the Debtors had approximately \$815 of cash and temporary cash investments.

## Reorganization Items:

In the accompanying unaudited combined Statement of Operations, the Debtors classify expenses, restructuring costs, severance costs, retention plans, professional fees and interest income, as reorganization items based upon the provisions of SOP 90-7.

### (3) Insurance

Premiums to date for all insurance policies, including workers' compensation and disability insurance, have been paid and such policies are in full force and effect.

### (4) Income Taxes

Income taxes due on postpetition income for all Federal, State, and Local taxing authorities have been paid in full.

### (5) Interest Expense

As of the applicable Petition Date, the Debtors ceased accruing interest on certain unsecured pre-petition debt classified as Pre-petition liabilities subject to compromise in the unaudited condensed combined balance sheets in accordance with SOP 90-7. Interest at the stated contractual amount on pre-petition debt that was not charged to results of operations for the period October 1, 2004 – October 31, 2004 was approximately \$9,557.

### (6) Liabilities Subject to Compromise

Under U.S. bankruptcy law, actions by creditors to collect indebtedness the Debtors owed prior to the commencement of their bankruptcy cases are generally stayed and certain other pre-petition contractual obligations may not be enforced against the Debtors. All pre-petition liabilities of the Debtors have been classified as liabilities subject to compromise in the unaudited condensed combined balance sheets. Adjustments to these amounts may result from negotiations, payments authorized by the Bankruptcy Court, and/or rejection of executory contracts and leases. Amounts recorded may ultimately be different than amounts filed by the creditors under the Bankruptcy Court claims reconciliation and resolution process.

The Debtors mailed notices to creditors and equity holders of the commencement of these cases. The Bankruptcy Court established August 11, 2004 as the general deadline for submission of proofs of claim for general unsecured claims against certain Debtors and October 1, 2004 for certain other Debtors. A separate bar date for certain other government claims was established as 180 days after the date each respective Debtor commenced its Chapter 11 case. In accordance with the bar date orders entered by the Bankruptcy Court, holders of certain pre-petition claims against the Debtors are required to file proofs of claim on or prior to the applicable bar date to be eligible to participate in any distribution of assets from the Debtors in connection with a plan of reorganization. Until such claims are investigated and resolved, the ultimate number and amount of resolved claims cannot be determined. Because any recovery on allowed pre-petition claims is subject to a confirmed plan of reorganization, the ultimate distribution with respect to allowed claims is not presently ascertainable.

The following table summarizes the components of the liabilities classified as liabilities subject to compromise in the unaudited condensed combined balance sheet:

	October 31, 2004
Accounts payable	\$ 460
Accrued expenses	94,384
Accrued cost of sales	815
Long-term debt	1,109,506
Total liabilities subject to compromise	<u>\$ 1,205,165</u>

**(7) Reorganization Items, Net**

Reorganization items represent amounts the Debtors incurred as a result of the Chapter 11 process and are presented separately in the unaudited condensed combined statement of operations.

	For the period October 1 through October 31, 2004
Professional fees	\$ 2,622
Employee costs	41
Interest income	(80)
Total	<u>\$ 2,583</u>

Cash paid for reorganization items during the period October 1, 2004 through October 31, 2004 was \$7,776.

The following paragraphs provide additional information relating to the above reorganization items:

- Professional fees

Professional fees include financial, legal and valuation services directly associated with the reorganization process.

- Employee costs

The Debtors have implemented a Bankruptcy Court approved retention plan that provides for cash incentives to key members of the management team of RCN Corporation and its affiliates. The retention plan is a milestone-based plan expected to encourage employees to continue their employment through the completion of the reorganization process.

- Interest income

Interest income represents interest income earned by the Debtors as a result of excess cash balances due to the Chapter 11 filing.
