Re: In re RCN Corporation – 04-13638 (RDD)

Dear Judge Drain:

As discussed with your Courtroom Deputy and Clerk earlier today, I enclose a copy of the Objection by Mega Cable, et al. to the Debtors' Motion pursuant to Bankruptcy Code § 107 for an order authorizing the Debtors to proceed under seal. We have not electronically filed this Objection so as to preserve the ability of this Court and the Debtors to proceed under seal, if that is the ultimate determination of the Court. If the Court directs, of course, we will electronically file the Objection.

We request the opportunity to be heard on this matter.

Respectfully,

Jay Teitelbaum
