PROPOSED ATTORNEYS FOR SEDGEBROOK, INC.

**IN THE UNITED STATES BANKRUPTCY COURT  
FOR THE NORTHERN DISTRICT OF TEXAS  
DALLAS DIVISION**

<b>In re:</b>	§	<b>CASE NO. 10-34178</b>

	§	<b>(Joint Administration Pending)</b>
<b>Debtor.</b>	§

**DEBTOR'S MOTION FOR AN ORDER AUTHORIZING  
DEBTOR TO ESCROW INITIAL ENTRANCE DEPOSITS**

Sedgebrook, Inc., the above-captioned debtor and debtor in possession (the “Debtor” or “Sedgebrook”), by their proposed attorneys, McGuire Craddock & Strother, P.C. and Whiteford, Taylor & Preston L.L.P., moves this Court, pursuant to section 105(a) of title 11 of the United States Code (the “Bankruptcy Code”), for entry of an order authorizing the Debtor to escrow, during the pendency of this chapter 11 case, all

initial entrance deposits (“IEDs”) received postpetition (the “Motion”). In support of the Motion, the Debtor respectfully represents as follows:

**Jurisdiction and Venue**

1. The Court has jurisdiction over this Motion pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).
2. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.
3. The statutory basis for the relief requested herein is Bankruptcy Code sections 105 and 363.

**The Debtor’s Chapter 11 Proceeding**

4. On June 15, 2010 (the “Petition Date”), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code.
5. The Debtor intends to continue in the possession of its property and the management of its business as a debtor in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code.
6. No creditors committee has been appointed in this case by the United States Trustee.

**Related Chapter 11 Proceeding**

7. Contemporaneous with the filing of the Debtor’s case, Lincolnshire Campus, LLC (“Lincolnshire”), filed a petition for relief under Chapter 11 of the Bankruptcy Code in this Court (Case No. 10-34176). The Debtor leases its principal Facility (defined infra) from Lincolnshire and has various financial as well as contractual relationships with Lincolnshire.

8. Approximately nine (9) months prior to the Petition Date, Lincolnshire's parent corporation, Senior Living Retirement Communities, LLC, formerly known as Erickson Retirement Communities, LLC ("Senior Living"), and certain other of its related entities<sup>1</sup> filed for bankruptcy in this Court (Main Case No. 09-37010). Senior Living developed and managed the Facility for the Debtor. Senior Living's Chapter 11 Plan was confirmed on April 16, 2010 ("Senior Living's Plan"). Senior Living and its related entities cases are still pending before this Court.

### **The Debtor and Its Business Operations**

9. The Debtor was established on July 18, 2003, as a Maryland nonstock corporation to operate a continuing care retirement community in Lincolnshire, Illinois (the "Facility"), which opened in July, 2005. The Debtor is classified as a Internal Revenue Code Section 501(c)(3) organization based on its mission to provide affordable senior housing to seniors. The Debtor is a supported organization of National Senior Campuses, Inc. ("NSC"), a not-for-profit organization organized to support the Debtor and 16 other not-for-profit organizations that operate Continuing Care Retirement Communities ("CCRCs"). NSC is the sole member of the Debtor and appoints all of the members of the Debtor's board of directors.

10. The Facility and NSC's other CCRCs are designed to offer seniors a continuum of care during their retirement years from independent living to skilled

---

<sup>1</sup> The Debtors in Senior Living's chapter 11 cases are: (i) Erickson Retirement Communities, LLC; (ii) Ashburn Campus, LLC; (iii) Columbus Campus, LLC; (iv) Concord Campus GP, LLC; (v) Concord Campus, LP; (vi) Dallas Campus GP, LLC; (vii) Dallas Campus, LP; (viii) Erickson Construction, LLC; (ix) Erickson Group, LLC; (x) Houston Campus, LP; (xi) Kansas Campus, LLC; (xii) Littleton Campus, LLC; (xiii) Novi Campus, LLC; (xiv) Senior Campus Services, LLC; (xv) Warminster Campus GP, LLC; and (xvi) Warminster Campus, LP.

nursing care on the same campus. These facilities provide affordable living accommodations and related healthcare and support services to a target market of middle-income seniors aged sixty-two (62) years and older.

11. Senior Living was the developer of the Facility. Senior Living and its affiliates are not related to or affiliated with the Debtor or NSC. The Debtor has entered into a master lease agreement and certain other agreements with Lincolnshire. In addition, the Debtor and Senior Living have entered into a management and marketing agreement (the "Management Agreement"), pursuant to which Senior Living it to manage the community. As of April 30, 2010, pursuant to a transitional subcontract agreement, Senior Living subcontracted its right and obligations under the Management Agreement to Erickson Living Management, LLC ("ELM"), which is presently managing the Debtor's Facility (the "Transitional Subcontract Agreement"). In return for its management services, the Debtor pays ELM a monthly management fee, per the Management Agreement. The Debtor also reimburses ELM for the costs of: (a) marketing the re-occupancy of the units at the Facility; (b) the salary and benefits of the Debtor's employees and ELM's management personnel located at the Facility, and (c) the Debtor's share of certain other centralized services.

12. As of the Petition Date, the Facility had 409 completed independent living units and a seventy one percent (87%) occupancy rate. It was originally anticipated that the Facility would include up to 1,498 independent living units, 96 assisted living units and 132 skilled nursing beds.

13. The Debtor's capital structure consists of permanent financing in the form of project bonds and special tax district bonds. The Debtor's receipts from its operations

are not sufficient to cover its debt service and operating expenses, and the Facility is having difficulty attracting the middle market customer to which it is supposed to appeal. There is significant competition in the greater Chicago area, which has caused the Facility's occupancy rate to increase at a rate which is lower than expected. Moreover, the Chicago metropolitan area's employment rates and home prices have declined more than in other markets, thereby causing the Debtor to have problems selling units as well as causing significant liquidity and capital structure difficulties.

#### **Events Leading to Chapter 11 Filing**

14. As mentioned previously, the Debtor leases the Facility from Lincolnshire (which ERC owns, directly or indirectly) pursuant to a master lease.

15. Under the terms of Senior Living's Plan, the Bond Trustees<sup>2</sup> (as defined in the Plan) were to negotiate in good faith with the Debtor and Redwood-ERC Senior Living Holdings, LLC, a Maryland limited liability company ("Redwood"), regarding the possible sale of the Facility as well as two other related facilities, Monarch Landing, Inc. ("Monarch") and Linden Ponds, Inc. to Redwood during the 90-day period following the confirmation of ERC's Plan (i.e. from April 30, 2010 through July 31, 2010) (the "Negotiation Period").<sup>3</sup> Although the Bond Trustees had an obligation to

---

<sup>2</sup> The trustee for the Debtor's bonds is US Bank National Association (the "Bond Trustee").

<sup>3</sup> Section 6.2.3.1 of ERC's Plan provides:

***Disposition.*** During the 90-day period immediately following the Plan Confirmation Date, Redwood will negotiate (non-exclusively) in good faith with the applicable NFPs and Bond Trustees for the Bond Communities to reach a resolution regarding such Bond Communities. During such 90-day period, the applicable NFP, with the consent of the applicable Bond Trustee, may market the applicable Bond Community for sale with the consent of the applicable Bond Trustee and letter of credit provider, may consummate such sale. At the conclusion of the 90-day period, if the parties have reached a resolution with respect to a particular Bond Community then the Debtors will facilitate a definitive agreement regarding such a resolution for such Bond Community. If Redwood does not reach an agreement with respect to resolution of a particular Bond Community during this 90-day period that is acceptable to Redwood, the applicable NFP, the letter of credit provider and the applicable Bond Trustee, then promptly at the end of such 90-day period, ERC's interests in the entity related to such Bond Community (Naperville Campus,

negotiate in good faith during the Negotiation Period, approximately two (2) weeks ago, the bond trustee for Monarch, inappropriately effectuated a set-off against the Monarch's cash reserves in the amount of \$15,166,737.69. The action of Monarch's bond trustee has threatened to destabilize Monarch's operations. As a number of the Debtor's bond owners are the same as Monarch's and they both are represented by the same counsel, the Debtor filed this chapter 11 proceeding to stop its Bond Trustee from making a similar offset against Sedgebrook's cash reserves thereby causing severe damage to its operations and threatening the well being of its residents.

### **Initial Entrance Deposit Obligations**

16. The Debtor enters into a residence and care agreement (the "Residence and Care Agreement") with each individual resident entering the Facility, pursuant to which the Debtor collects entrance deposits ("EDs") and monthly fees from each resident. Pursuant to the Residence and Care Agreement, each resident places an entrance deposit on a unit when they move in. The ED is initially held in escrow until the resident takes occupancy. Once released from escrow, if the ED is an IED it is transferred to the Bond Trustee for disbursement pursuant to the Trust Indenture.

17. When a resident ceases to reside at the Facility, if the ED, paid by a subsequent resident for that unit, is the same or greater than the ED paid by the departing resident, then the departing resident's ED will be 100% refunded. If the next ED is less than the departing resident's ED, then the departing resident will generally opt to receive

the lesser amount. In any event, the Debtor does not participate in the downside risk in this transaction and, in most cases, realizes an increase.<sup>4</sup>

### **The Debtor's Interest in the IEDs**

18. To fund the Debtor's working capital deficits, Lincolnshire provides a working capital loan ("Working Capital Loan"). To secure its obligations under the Working Capital Loan, the Debtor granted Lincolnshire a security interest in all assets of such NFP, including the Residence and Care Agreements and the IEDs.

19. Construction of the Facility was initially financed by a construction loan to Lincolnshire. The construction loan was paid in full by Lincolnshire with the purchase option deposit of \$125,000,000 paid by the Debtor, which deposit was financed by the issuance and sale of \$137,145,000 in bonds by the Illinois Finance Authority (the "Authority").

20. Once released from escrow, the IEDs are transferred to the Bond Trustee for disbursement to various reserves pursuant to the Trust Indenture. One of the reserves is the Operating Reserve, from which the Debtor receives funds to pay operating expenses to the extent monthly fees are deficient.

### **Relief Requested**

21. The Debtor seeks an order (i) authorizing the Debtor to amend the Residences and Care Agreements with an addendum providing that residents shall be entitled to refunds of their respective IEDs, to the extent deposited in an escrow account

---

<sup>4</sup> As an example, if an ED on a unit was \$270,000 and a new ED of \$300,000 is received, the \$30,000 difference remains in the Debtors' accounts (and the \$270,000 is returned to the departing resident once the unit has been reoccupied, subject to payment of outstanding accounts). If an ED on a unit was \$270,000 and a new entrance deposit of \$250,000 is received, then the departing resident has the option to accept the \$250,000 or to keep the unit on the market. To date, every departing resident of the Debtor has received 100% of their deposit back upon receipt of the new ED when paid in cash except if certain unrelated charges are applied to the deposit or unless the departing resident chose to accept less than 100% of the deposit.

(the “Escrow Account”), during the pendency of this case if they elect to leave the Facility, (ii) requiring the designated escrow agent (the “Escrow Agent”) to return IEDs in the Escrow Account to the respective residents who had made such payments should any transaction involving a Debtor occur that results in a closure of the Facility (a “Closure Event”), and (iii) requiring the Escrow Agent to pay over such IEDs held in the Escrow Account pursuant to such further order of the Court, upon the earlier of (a) a disposition of the assets of the Debtor (through sale, transfer of equity interests or otherwise) (other than a Closure Event) or (b) confirmation of a plan of reorganization (each, a “Trigger Event”). The relief requested by the Debtor in this motion relates solely to postpetition IED’s. Prepetition IEDs and EDs are not impacted by the relief sought herein.

#### **Basis for Relief**

22. The Debtor anticipates a substantial decrease in the amount of IEDs received from new residents during its bankruptcy. The Debtor is hopeful the relief sought in this Motion will provide new residents with comfort that during the time periods covered in this motion, the new residents can elect to leave the Facility and receive a refund of their IED. The Debtor believes that these modifications are critical to obtaining new IEDs pending confirmation of a plan in these cases.

23. A resident’s ability to elect to leave their respective CCRC is necessary to provide prospective residents with the peace of mind that, during the pendency of the Debtor’s chapter 11 case, the residents are not held captive by their obligations under the Residence and Care Agreements. The current requirement that a new resident pay an IED prior to the refund of an exiting resident’s IED will necessarily deter prospective

residents from entering into Residence and Care Agreements while the Debtor's case is pending. Allowing the residents to have a free look at whether or not the Facility is operating effectively while this case is pending should drastically increase the willingness of potential residents to pay an IED. Because IEDs are critical to the Debtor's operations, the provision regarding return of the IEDs should be amended to encourage prospective residents to reside at the Facility.

24. Equally important to a residents' peace of mind is the knowledge that should the Facility close, their IED would be promptly refunded. Should a Closure Event happen, it is imperative that the residents have access to their IEDs. The IEDs are relatively large sums of money paid by each individual resident and would likely be necessary for the resident to secure alternative housing upon a Closure Event. If prospective residents were not certain that their IEDs would be returned upon a Closure Event, it would discourage such prospective residents from choosing to reside at the Facility

25. The placement of the IEDs in escrow during the pendency of these cases is necessary to protect residents' interests in the IED, however, upon a Trigger Event (a disposition of the assets of the Debtor or confirmation of a plan of reorganization), such protection will no longer be necessary because the Debtor will no longer be a chapter 11 debtor. Such funds should instead be used to satisfy the Debtor's obligations pursuant to the Bond Indenture. Accordingly, upon the occurrence of a Trigger Event, the escrowed IEDs shall be disbursed by the Escrow Agent pursuant to further order of the Court.

26. This motion provides a practical manner in which to protect the interests of residents in the IEDs during the pendency of this case and provide for the proper transfer

of the IEDs upon a Trigger Event. The relief requested is reasonable under the circumstances and will maximize the value of the estate by not discouraging prospective residents from choosing to live at the Facility and thereby paying an IED.

**Notice**

27. Notice of this Motion has been provided to: (a) the Office of the United States Trustee; (b) the Debtor's 20 largest unsecured creditors on a consolidated basis (until an official committee of unsecured creditors is appointed and has retained counsel, in which event, such committee's counsel); (c) counsel to the bondholders; (d) counsel to Senior Living Retirement Communities, LLC; (e) counsel to Erickson Living Management, LLC; (f) Sovereign Bank, as issuing party of the letter of credit; and (g) those persons who have formally appeared and requested service in these proceedings pursuant to Bankruptcy Rule 2002. The Debtor submits that, in light of the nature of the relief requested, no other or further notice is necessary or required.

**[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]**

**Conclusion**

WHEREFORE, the Debtor respectfully requests entry of an order of this Court substantially in the form annexed hereto as Exhibit A, granting the relief requested by this Motion and such other and further relief as may be just and proper.
