Case No. 307-09024

Chapter 11

NOTICE OF OBJECTION TO CLAIM

Diane Wilkins has filed an objection to your claim in this bankruptcy case. I am objecting to The Unsecured Creditor's Committee's Twenty-Sixth Omnibus Objection to Claims – Customer Deposit Claims. Deadline for filing responses is February 4, 2011; the date of the scheduled hearing is February 22, 2011.

Omnibus 26: Exhibit A – Paid Customer Deposit Claims states that my claim has been satisfied. It has not. I have yet to be reimbursed for monies paid for an extended warranty that has not been honored, nor for defective furniture.
