Debtors.¹

Chapter 11

Case No. 19-11973 (MFW)

(Jointly Administered)

**DECLARATION OF ERIN R. FAY IN SUPPORT OF APPLICATION OF THE
OFFICIAL COMMITTEE OF UNSECURED CREDITORS FOR ENTRY OF AN
ORDER AUTHORIZING RETENTION AND EMPLOYMENT OF BAYARD, P.A. AS
COUNSEL TO THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS,
NUNC PRO TUNC TO SEPTEMBER 17, 2019**

I, Erin R. Fay, hereby declare, pursuant to 28 U.S.C. § 1746, under penalty of perjury as follows:

1. I am a Director at Bayard, P.A. (“Bayard”), which maintains offices for the practice of law at 600 N. King Street, Suite 400, Wilmington, Delaware 19801. I am an attorney-at-law, duly admitted and in good standing to practice in the State of Delaware and the United States District Court for the District of Delaware.

2. I submit this declaration in connection with the application (the “Application”) of the Official Committee of Unsecured Creditors (the “Committee”) appointed in the chapter 11 cases of the above-captioned debtors (collectively, the “Debtors”) for an order approving the retention of Bayard as its counsel, *nunc pro tunc* to September 17, 2019, and to provide the disclosures required under section 1103 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), Rules 2014, 2016(a), and 5002 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rule 2014-1 of the Local Rules of Practice

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number or Canadian Revenue Agency, as applicable are (1) Sugarfina, Inc., a Delaware corporation (4356), (2) Sugarfina International, LLC, a Delaware limited liability company (1254) and (3) Sugarfina (Canada), Ltd. (4480). The location of the Debtors’ corporate headquarters is 1700 E. Walnut Ave., 5th Floor, El Segundo, California 90245.

and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”).

3. All terms not otherwise defined herein have the meanings ascribed to them in the Application. Except as otherwise indicated herein, I have personal knowledge of the matters set forth herein and, if called as a witness, would testify competently thereto. To the extent that any information disclosed herein requires amendment or modification upon Bayard’s completion of further analysis or as additional information becomes available to Bayard, a supplemental declaration will be submitted to the Court.

4. In preparing this affidavit and the Application, we have used a set of procedures established by Bayard to ensure compliance with the requirements of the Bankruptcy Code and the Bankruptcy Rules regarding retention of professionals by an official committee under the Bankruptcy Code. In that regard, Bayard requested and obtained a list of names and entities who may be parties in interest in these chapter 11 cases. A list of those parties is attached hereto as Schedule A (the “Conflicts Check List”).

5. In connection with its proposed retention by the Committee in these cases, Bayard researched its computer client database to determine whether it has any relationships with any of the entities in the categories on the Conflicts Check List. Bayard’s conflict database includes the names of: (i) current and former clients and, where practical, the known affiliates of those clients; (ii) current and former adverse parties; and (iii) certain current and former related parties in matters upon which Bayard has been or is currently engaged.

6. Bayard maintains and systematically updates its conflict check system in the regular course of its business, and it is the regular practice of Bayard to make and maintain these records. It is the policy of Bayard that no new matter be accepted or opened within the firm

without completing and submitting to those charged with maintaining the conflict check system the information necessary to check each such matter for conflicts, including the identity of the prospective client, the matter, and the related and adverse parties. Accordingly, it is Bayard's regular practice to update its database for every new matter undertaken by Bayard.

7. Moreover, through a firm-wide email, Bayard solicited information from its attorneys to determine whether any attorneys employed by Bayard are related to any of the Bankruptcy Judges in this District, the Office of the United States Trustee for Region 3 (the "U.S. Trustee"), or any attorney known by Bayard to be employed in the Wilmington Office of the U.S. Trustee. Bayard also solicited information from its attorneys to determine if any attorneys employed by Bayard are investors of any of the Debtors or were, within two years of the Petition Date, a director, officer, or employee of any of the Debtors. No such connections were discovered. If any information relevant to the Application is received after the date hereof, I will promptly supplement this Declaration with such information.

8. Insofar as I have been able to ascertain, neither I, Bayard, nor any director or associate at Bayard represent or have any connection with any of the parties in interest listed on Schedule A, except as otherwise disclosed in Schedule B² attached hereto. Bayard is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code and neither represents nor holds an interest adverse to the interests of the Committee, the Debtors, or the Debtors' estates with respect to the matters on which Bayard is to be employed.³ Finally,

² Schedule B lists entities, or affiliates of the entities, that Bayard either currently represents or formerly represented on matters unrelated to these cases since September 17, 2016. Bayard's conflict check system covers a period of time prior to September 17, 2016; as a matter of practice, however, Bayard has not listed on Schedule B former clients for such prior period (consistent with a disinterestedness timeframe of two to three years).

³ Section 1103(b) of the Bankruptcy Code provides that proposed counsel to an official committee of unsecured creditors may not represent any other entity having an adverse interest in connection with the cases. I make this disclosure with respect to Bayard's disinterestedness out of an abundance of caution and to the extent required by section 328(c) of the Bankruptcy Code.

Bayard will not, while employed by the Committee, represent any other entity having an adverse interest in connection with these cases.

9. Bayard and certain of its directors and associates may have in the past represented or opposed, may currently represent or oppose, and may in the future represent or oppose parties in interest in these cases. I do not believe that any such matter has been or is currently a major engagement that, alone or in the aggregate with other engagements for the same entity, involved or currently involves the billing of fees in excess of 1% of Bayard's annual fees billed.

10. As part of its practice, Bayard appears in many cases, proceedings, and transactions involving many different attorneys, counsel, accountants, financial consultants, and investment bankers, some of which now or in the future may represent claimants and parties in interest in these cases. I have advised the Committee that Bayard has not and will not represent any such entities in relation to the Debtors' chapter 11 cases and that Bayard does not have any relationship with any such entities that would be adverse to the Committee or its interests in the matters upon which Bayard is to be employed.

11. If Bayard discovers any information that is contrary to or pertinent to the statements made herein, Bayard will promptly disclose such information to the Court by filing and serving a supplemental declaration. To the extent that Bayard discovers any connection with any interested party or enters any new relationship with any interested party, Bayard will promptly supplement its disclosure to the Court.

12. Bayard intends to apply to the Court for compensation and reimbursement of expenses in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, any order entered in these cases governing the compensation of professionals, and any applicable U.S. Trustee guidelines.

13. Bayard will seek compensation on an hourly basis for the services it renders, plus reimbursement of actual and necessary expenses and other charges that it incurs. Attorneys and paraprofessionals of Bayard bill their time in one-tenth hour increments. Bayard has advised the Committee that Bayard's standard hourly rates range from \$500 to \$1,050 per hour for directors, from \$315 to \$450 per hour for associates, and from \$240 to \$295 per hour for paraprofessionals. The primary attorneys and paralegal that will work on this representation and their respective hourly rates are included in the following chart.

<u>Professional</u>	<u>Current Rate</u>
Justin R. Alberto	\$525 per hour
Erin R. Fay	\$500 per hour
Daniel N. Brogan	\$450 per hour
Gregory J. Flasser	\$375 per hour
Sophie E. Macon	\$350 per hour
Erin Hendry	\$265 per hour

Other attorneys and paralegals will render services to the Committee as needed.

14. The hourly rates set forth in the ranges disclosed above are Bayard's standard hourly rates for work of this nature both inside and outside of the bankruptcy context.⁴

15. The rates listed in the Application and this Declaration are set at a level designed to fairly compensate Bayard for the work of its attorneys and paralegals and to cover fixed and routine overhead expenses. Accordingly, such rates are subject to periodic adjustments to reflect

⁴ Bayard has national practices in commercial bankruptcy, corporate litigation, intellectual property litigation, entity law, and commercial transactions. The hourly rates reflected in the ranges disclosed in the body of paragraph 14 and in the Application are Bayard's standard hourly rates for engagements in those practice areas. In addition, Bayard has a full service regional-based practice in areas including, among others, insurance law and personal services such as familial and estate matters. While Bayard generally charges its standard hourly rates in its regional practice areas, occasionally certain Bayard attorneys will agree to reduced rates for those representations. Bayard also occasionally accepts representations with alternative fee structures, such as contingent, mixed-contingent, flat fee, and blended-hourly.

economic and other conditions. Bayard has advised the Committee, and the Committee understands, that the hourly rates set forth above are subject to periodic adjustments as disclosed in the Application and this Declaration. Bayard will advise the Committee of any rate increases once they are established and when any other rate change becomes effective during the course of Bayard's engagement.

16. In addition to the hourly billing rates set forth above, Bayard customarily charges its clients for all costs and expenses incurred, including telephone and telecopier charges, mail and express mail charges, hand delivery charges, document processing, photocopying and print copy charges, travel expenses, expenses for "working meals," computerized research, and transcription costs. Bayard has advised the Committee that it would charge such costs and expenses in accordance, and only to the extent consistent, with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any applicable U.S. Trustee guidelines.

17. Bayard has not received any retainer from the Debtors, the Committee, or any other entity in these cases. Other than set forth herein, there is no proposed arrangement to compensate Bayard. Bayard has not shared or agreed to share (a) any compensation it has received or may receive with any other party or person, other than with the partners and associates of Bayard, or (b) any compensation another person or party has received or may receive.

18. Bayard also intends to work cooperatively with the U.S. Trustee to address any concerns it may have related to Bayard's Application and to respond to any requests for additional information related thereto.

19. By reason of the foregoing, I believe Bayard is eligible for employment and retention by the Committee pursuant to section 1103 of the Bankruptcy Code and the applicable Bankruptcy Rules, *nunc pro tunc* to September 17, 2019.

I declare under penalty of perjury that the foregoing is true and correct.

Dated: October 15, 2019
