FOR THE DISTRICT OF DELAWARE**

IN RE:

SUGARFINA INC., *et al.*

Debtors.¹

Chapter 11

Case No. 19-11973 (MFW)

Jointly Administered

Hearing Date: October 15, 2019 @ 2:00pm

Objection Deadline: September 30, 2019 @ 4:00pm

**DECLARATION OF ALAN J. FRIEDMAN IN SUPPORT OF THE
APPLICATION OF THE DEBTORS TO EMPLOY AND RETAIN
SHULMAN HODGES & BASTIAN LLP AS COUNSEL TO THE DEBTORS
NUNC PRO TUNC TO THE PETITION DATE**

Alan J. Friedman, being duly sworn, deposes and says:

1. I am an attorney admitted to practice in the States of California and Texas, and the United States District Court for the District of California and a partner with the law firm of Shulman Hodges & Bastian LLP (the “Firm” or “SH&B”), which maintains an office for the practice of law 100 Spectrum Center Drive, Suite 600, Irvine, California 92618. On September 10, 2019, this Court entered its Order granting the Motion and Order for Admission Pro Hac Vice of Alan J. Friedman [Dkt. No. 61]. On September 10, 2019, this Court entered its Order granting the Motion and Order for Admission Pro Hac Vice of Ryan D. O’Dea [Dkt. No. 60].

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number or Canadian Revenue Agency, as applicable are (1) Sugarfina, Inc., a Delaware corporation (4356), (2) Sugarfina International, LLC, a Delaware limited liability company (1254), and Sugarfina (Canada), Ltd. (4480). The location of the Debtors’ corporate headquarters is 1700 E. Walnut Ave, 5th Floor, El Segundo, California 90245.

2. I submit this declaration (the “Declaration”) in support of the application (the “Application”) of the above-captioned debtors and debtors-in-possession (collectively, the “Debtors”) for an order approving the employment and retention of SH&B as their counsel in the Debtors’ bankruptcy cases (the “Chapter 11 Cases”). Unless otherwise stated in this Declaration, I have personal knowledge of the facts hereinafter set forth. To the extent that any information disclosed herein requires amendment or modification upon the Firm’s completion of further analysis, or as additional information becomes available to it, a supplemental declaration will be submitted to the Court.

3. By separate applications the Debtors are also seeking to employ (i) Morris James LLP as Delaware bankruptcy counsel, (ii) Force Ten Partners LLC, financial advisors, and (iii) FisherBroyles LLP, special counsel. This Court has already approved the retention of BMC Group Inc., as claims and noticing agent to the Debtors [Docket No. 42]. The Debtors intend to monitor carefully these and any other retained legal professionals to ensure a clear delineation of their respective duties and roles so as to prevent duplication of effort. The Debtors recognize that efficient coordination of efforts among the Debtors’ legal professionals, and between such legal professionals and its other professionals, will greatly add to the effective administration of these chapter 11 cases

4. Subject to Court approval, and in consultation with its local Delaware counsel, Morris James LLP, so to avoid duplication of effort, the professional services that the Firm will render to the Debtors include, but shall not be limited to, the following:

- a. To advise the Debtors with respect to their rights, powers, duties and obligations as debtors in possession in the administration of the Cases, the management of their business affairs and the management of their property;
- b. To advise the Debtors regarding their legal rights and responsibilities under the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure;

- c. To prepare on behalf of the Debtors all necessary motions, applications, answers, orders, reports, and other papers in connection with the administration of the Debtors' estates;
- d. To advise and assist the Debtors with respect to compliance with the requirements of the Office of the United States Trustee;
- e. To assist the Debtors with any potential sale of all or substantially all of their assets pursuant to section 363 of the Bankruptcy Code;
- f. To advise the Debtors regarding matters of bankruptcy law, including the rights and remedies of the Debtors with respect to their assets and with respect to the claims of creditors;
- g. To take all necessary or appropriate actions in connection with a chapter 11 plan(s) and related disclosure statement(s) and all related documents, and such further actions as may be required in connection with the administration of the Debtors' estates;
- h. appear at hearings before the Court on behalf of the Debtors; and
- i. perform all other necessary legal services that are desirable and necessary for the efficient and economic administration of these chapter 11 cases.

5. Subject to approval of this Court and in compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules, SH&B intends to apply for compensation for professional services rendered in connection with the Debtors' bankruptcy cases, plus reimbursement of actual, necessary expenses and other charges incurred by SH&B during the Debtors' bankruptcy cases. SH&B understands that any compensation and expenses paid to it must be approved by the Court upon application consistent with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and the Orders of this Court.

6. While additional attorneys, professionals and paraprofessionals may provide services to the Debtors in these cases, the principal professionals and paraprofessionals

designated to represent the Debtors and their current standard hourly rates are as follows:

<u>Professional</u>	<u>Position</u>	<u>Hourly Rate</u>
Alan J. Friedman	Partner	\$645
Leonard M. Shulman	Partner	\$645
James C. Bastian	Partner	\$645
Ryan D. O'Dea	Partner	\$425
Lorre Clapp	Paralegal	\$250
Lori Gauthier	Paralegal	\$250

7. The Firm's hourly rates are set at a level designed to fairly compensate the Firm for the work of its attorneys, paralegals and legal secretaries and to cover routine expenses. These hourly rates may be subject to periodic adjustments (which adjustments will be reflected in the first fee application following such adjustments) and are consistent with the rates charged elsewhere.

8. Other than the periodic adjustments described above, the Firm's hourly rates and financial terms for the services performed prior to the Petition Date are identical to the hourly rates and financial terms² of the post-petition engagement proposed herein. The Debtors understand that these hourly rates are consistent with the rates that the Firm charges other comparable chapter 11 clients, regardless of the location of the chapter 11 case, and are the same rates that the Firm charges in non-bankruptcy representations.

9. The Debtors understand that it is the Firm's policy to charge its clients in all areas of practice for all other expenses incurred in connection with the client's case. The expenses charged to clients include, among other things, regular mail and express mail charges, special or hand delivery charges, document processing charges, printing and

² Pre-petition, the Firm had agreed to a blended hourly cap of \$500/hour. That term is not part of the current engagement.

photocopying charges, travel expenses, expenses for “working meals,” computerized research charges and transcription costs. The Firm will charge the Debtors for these expenses in a manner and at rates consistent with charges made generally to the Firm’s other clients or as previously fixed by this Court. In accordance with Local Rule 2016-2(d)(ix), travel time during which no work is performed shall be separately described and billed at no more than 50% of regular hourly rates.

10. Prior to the Petition Date, the Firm rendered legal services to the Debtors in connection with and in contemplation of the Debtors’ chapter 11 filings. Prior to the Petition Date, the Debtors paid the Firm retainers in the total amount of \$335,000.00.

11. Prior to the commencement of the Cases, the Firm incurred total fees and costs of \$334,759.99, leaving a pre-petition balance of \$240.01 remaining in the Firm’s trust account. In addition, the Firm is holding funds representing a separate retainer provided by SGC in the amount of \$9,640.44 (the “SGC Retainer”). The Firm does not intend to apply the SGC retainer against any postpetition fees incurred specifically on behalf of SGC, until the end of the Cases. Given the fact that the overwhelming majority of the work in the Cases will be in connection with SGRI, the Firm intends to bill all time incurred in the Cases to a single billing number. SGRLLC is a holding company with no operations or employees, and SGC has a limited scope of operations. Virtually all aspects of the Cases are being handled on a consolidated basis, including all of the relief sought in connection with the various motions filed at the outset of the Cases. Consequently, the Firm believes that billing its time in this manner is appropriate under the circumstances.

12. No arrangement is proposed between the Debtors and the Firm for compensation to be paid in these chapter 11 cases. The Firm has informed the Debtors that,

except for sharing arrangements among the members of the Firm, it has no agreement with any other entity to share any compensation received, nor will any be made, except as permitted under section 504(b)(1) of the Bankruptcy Code.

13. It is the Firm's policy to charge its clients in all areas of practice for all other expenses incurred in connection with the client's case. The expenses charged to clients include, among other things, regular mail and express mail charges, special or hand delivery charges, document processing charges, printing/photocopying charges, travel expenses, expenses for "working meals," computerized research charges and transcription costs. The Firm will charge the Debtors for these expenses in a manner and at rates consistent with charges made generally to the Firm's other clients or as previously fixed by this Court. In accordance with Local Rule 2016-2(d)(ix), travel time during which no work is performed shall be separately described and billed at no more than 50% of regular hourly rates.

14. Other than as set forth herein, no arrangement is proposed between the Debtors and the Firm for compensation to be paid in these Chapter 11 Cases. No promises have been received by the Firm or by any member or associate thereof, as to compensation in connection with these cases other than in accordance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules. The Firm has no agreement with any other entity to share with such entity any compensation received by the Firm.

15. The Firm conducted searches in the Firm's conflicts databases to identify relationships with the Debtors, creditors, and other parties-in-interest (or potential parties-in-interest) in these Chapter 11 Cases. A list of the names of the Potential Parties-in-Interest that were submitted to the conflicts check system is attached hereto as **Schedule 1**.

16. As a result of the Firm's conflict search, to the best of the Firm's knowledge, neither the Firm, nor any of the attorneys comprising or employed by it, have any connection with the Debtors, their creditors or any other party in interest, their respective attorneys and accountants. Neither the Firm nor any of the attorneys comprising or employed by the Firm is a relative of, or has been so connected with, any United States Bankruptcy Judge for the District of Delaware, any of the District Court Judges for the District of Delaware who handle bankruptcy cases, the United States Trustee for Region 3, the Assistant United States Trustee for the District of Delaware, the attorney for the United States Trustee assigned to these chapter 11 cases or any other employee of the Office of the United States Trustee.

17. To the best of the Firm's knowledge, the Firm is disinterested as that term is defined in Bankruptcy Code Section 101(14) in that the Firm, its partners, of counsel and associates: (a) are not creditors, equity security holders or insiders of the Debtors; (b) are not and were not within two (2) years before the date of the filing of the Debtors' chapter 11 petitions, a director, officer, or employee of the Debtors; and (c) does not have an interest materially adverse to the interests of the Debtors' Estates or of any class of creditors of equity holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason, except as disclosed herein.

18. As of the Petition Date, the Firm was not a creditor of the Debtors' Estates and was not owed any funds by the Debtors.

19. The Firm will conduct an ongoing review of its files to ensure that no conflicts or other disqualifying circumstances exist or arise. Pursuant to Local Rule 2014-1, to the extent that the Firm learns of any additional material information relating to its employment (such as

potential or actual conflicts of interest), the Firm will file and serve a supplemental declaration with the Court setting forth the additional information.

20. The facts set forth in the Application and herein are true and correct to the best of my knowledge, information and belief.
