**DELL MARKETING, L.P.'S REQUEST FOR ALLOWANCE OF  
ADMINISTRATIVE EXPENSE CLAIM UNDER 11 U.S.C. § 503(b)(9)**

**TO THE HONORABLE UNITED STATES BANKRUPTCY JUDGE:**

Dell Marketing, L.P. ("Dell") files this its Request for Allowance of Administrative Expense Claim (the "Request"), which amends Dell's prior Request filed on September 10, 2009 (Docket No. 182), and pursuant to 11 U.S.C. §503(b)(9) and 507(a)(2), for goods delivered within twenty (20) days of the Petition Date. In support hereof, Dell respectfully shows the Court as follows:

**I. JURISDICTION**

1. Under 28 U.S.C. §§ 157 and 1334, the Court has jurisdiction over the Request and relief requested herein. Pursuant to 28 U.S.C. §§ 157(b)(2)(A), (B), and (O), this Request presents a core proceeding. Venue is proper in this Court pursuant to 28 U.S.C. §§ 1408 and 1409. The statutory predicate for the relief requested herein is 11 U.S.C. §§ 503(a), 503(b)(9), 507(a)(2), and 546(c)(1).

**II. BACKGROUND**

2. On August 24, 2009, Taylor, Bean & Whitaker Mortgage Corp. ("Debtor") filed its Voluntary Petition for relief under Chapter 11 of the Bankruptcy Code (the "Petition Date").

3. Prior to the Petition Date, Dell entered into purchase agreements regarding certain computer products, equipment and peripherals (the "Goods") ordered by Debtor.

4. The books and records of Dell indicate that Dell provided and shipped certain Goods to the Debtor. The Goods were received by the Debtor, within twenty (20) days of the Petition Date. Attached hereto and incorporated herein for all purposes as Exhibit "A" are copies of the invoices for the Goods that the Debtor received during the relevant pre-petition time period, as well as, the related shipping documentation with respect to such Goods.

5. As established by Exhibit "A," the total amount due and owing to Dell as of the Petition Date on account of the identified Goods shipped and received by the Debtor within twenty (20) days of the Petition Date is \$27,778.81.

6. The Debtor has not paid Dell for the Goods delivered within twenty (20) days of the Petition date. All amounts remain due and owing for the Goods.

7. Through this Request, Dell seeks allowance and payment of an administrative claim under section 503(b)(9) of the Bankruptcy Code in the amount of \$27,778.81.

8. Nothing herein shall be construed as a waiver or limitation on the rights of Dell to pursue any and all claims it holds against the Debtor.

### **III. RELIEF REQUESTED AND BASIS THEREFORE**

9. Section 503(b)(9) of the Bankruptcy Code provides that after notice and a hearing there shall be allowed an administrative expense claim for "the value of any goods received by the debtor within 20 days before the date of the commencement of a case under this title in which the goods have been sold to the debtor in the ordinary course of such debtor's business."

10. As set forth above and as further identified in the attached Exhibit "A," Dell delivered a total of \$27,778.81, in Goods to the Debtor within twenty (20) days before the Petition Date for which it has not received payment.

11. Moreover, such Goods were sold to the Debtor under the agreements in the ordinary course of Debtor's business.

12. Accordingly, the delivery of such Goods are properly characterized as administrative expenses, and Dell should be allowed an administrative claim in the amount of \$27,778.81 under Section 503(b)(9) of the Bankruptcy Code, which administrative claim is entitled to priority distribution under 507(a)(2) of the Bankruptcy Code.

13. Dell also requests that the Court direct the Debtor to pay Dell, on account of its administrative claim, within fifteen (15) days after entry of an Order approving such administrative claim. While the Bankruptcy Code is not specific about the timing for payment of 503(b)(9) claims the Bankruptcy Code does not distinguish between 503(b)(9) claims and any other administrative claims and, therefore, it appears that Congress intended 503(b)(9) claims to be treated as other administrative claims are treated under the Bankruptcy Code. Further, the Court has broad discretion to issue orders necessary to "carry out the provisions of this title" and the determination of when an administrative claim is to be paid is within the discretion of the Court. 11 U.S.C. § 105(2); *In re Verco Indus.*, 20 B.R. 664, 665 (B.A.P. 9<sup>th</sup> Cir. 1982); *see also In re Kaiser Steel Corp.*, 74 B.R. 885, 891 (Bankr. D. Colo. 1990) (allowing entry of an order authorizing interim payments to be made on allowed administrative claims).

#### **IV. NOTICE**

14. Notice of this Request has been given to counsel for the Debtor, the Office of the United States Trustee, counsel for the Committee, and all other parties requesting notice pursuant

to Bankruptcy Rule 2002. In light of the nature of the relief requested herein, Dell submits that no other or further notice need be given.

WHEREFORE, for the reasons described above, Dell respectfully requests this Court to enter an Order (i) granting Dell an administrative priority claim in the amount of \$27,778.81 under section 503(b)(9) of the Bankruptcy Code, which is entitled to priority distribution under section 507(a)(1) of the Bankruptcy Code; (ii) requiring the Debtor to pay \$27,778.81 to Dell in satisfaction of such administrative claim; and (iii) granting such other and further relief as the Court deems just and proper under the circumstances.

Dated: November 4, 2009
