### DEFINITIONS

#### DEBTOR

A debtor is the person, corporation, or other entity that has filed a bankruptcy case.

#### CREDITOR

A creditor is any person, corporation, or other entity to whom the debtor owed a debt on the date that the bankruptcy case was filed.

#### CLAIM

A claim is the creditor's right to receive payment on a debt that was owed by the debtor on the date of the bankruptcy filing. See 11 U.S.C. §101 (5). A claim may be secured or unsecured.

#### PROOF OF CLAIM

A form telling the bankruptcy court how much the debtor owed a creditor at the time the bankruptcy case was filed (the amount of the creditor's claim). This form must be filed with the court-appointed Claims Agent, BMC Group, at the address listed on the reverse side of this page

#### SECURED CLAIM Under 11 U.S.C. §506(a)

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors.

The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim. Examples of liens on property include a mortgage on real estate or a security interest in a car.

A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

#### UNSECURED NONPRIORITY CLAIM

If a claim is not a secured claim it is an unsecured claim. A claim may be partly secured and partly unsecured if the property on which a creditor has a lien is not worth enough to pay the creditor in full.

#### UNSECURED PRIORITY CLAIM Under 11 U.S.C. §507(a)

Priority claims are certain categories of unsecured claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

#### Evidence of Perfection

Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other

### INFORMATION

document showing that the lien has been filed or recorded.

#### Redacted

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor should redact and use only the last four digits of any social-security, individual's tax-identification, or financial-account number, all but the initials of a minor's name and only the year of any person's date of birth.

#### Offers to Purchase a Claim

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(c), any applicable provisions of the Bankruptcy Code (11 U.S.C. §101 et seq.), and any applicable orders of the bankruptcy court.
