**DECLARATION OF COVENANTS,
CONDITIONS AND RESTRICTIONS
FOR
SEVILLE**

subject the Owner to the same potential penalties and enforcement as failure to pay any assessments under Article IV.

ARTICLE IV
COVENANT FOR MAINTENANCE ASSESSMENTS

Section 4.1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot or Parcel owned by it, hereby covenants, and each Owner of a Lot or Parcel, by becoming the Owner thereof, whether or not it is expressed in the deed or other instrument by which the Owner acquired ownership of the Lot or Parcel, is deemed to covenant and agree to pay to the Association annual assessments, special assessments, and any applicable neighborhood assessments. The annual, special, and neighborhood assessments, together, with interest, costs and reasonable attorneys fees, shall be a charge on the land and shall be a continuing lien upon the Lot or Parcel against which each such Assessment is made. Each such Assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the Owner of such Lot or Parcel at the time when the Assessment became due. The personal obligation for delinquent Assessments shall not pass to the Owner's successors in title unless expressly assumed by them.

Section 4.2. Purpose of the Assessments. The Assessments levied by the Association shall be used exclusively for (i) the upkeep, maintenance and improvement of the Common Area, (ii) maintenance, repair, replacement, and operation of rights-of-way and easements within or immediately adjacent to the Project (e.g. landscaping and sidewalks within the right-of-way of adjoining streets) to the extent that such actions are required by government entities or deemed appropriate by the Association's Board of Directors, (iii) promoting the recreation, health, safety and welfare of the Owners and residents of Lots and Parcels within the Property, and (iv) the performance and exercise by the Association of its rights, duties and obligations under the Project Documents. Without limitation of the foregoing, the Association may expend Assessments for acquisition, preparation, maintenance and operation of an internet website or other methods for communications with Members and third parties. Notwithstanding the foregoing, neighborhood assessments shall be used only for the benefit of the neighborhood paying such assessments, shall not be used for any purpose that is covered by annual assessments or special assessments in other areas of the Property, and shall be accounted for separately from annual and special assessments.

Section 4.3. Annual Assessment.

(A) For each fiscal year of the Association, the Board shall adopt a budget for the Association containing an estimate of the total amount of funds which the Board believes to be required to pay all Common Expenses including, but not limited to (i) the amount required to pay the cost of maintenance, management, operation, repair and replacement of the Common Area and those parts of the Lots or Parcels, if any, which the Association has the responsibility of maintaining, repairing or replacing under the Project Documents, (ii) the cost of wages, materials, insurance premiums, services, supplies and maintenance or repair of the Common Area and for the general operation and administration of the Association, (iii) the amount

adjusted according to the number of months remaining in the fiscal year of the Association. The Board may require that the annual assessment be paid in installments and in such event the Board shall establish the due dates for each installment. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association or the Association's designated agent setting forth whether the Assessments on a specified Lot or Parcel have been paid.

Section 4.7. Effect of Non-payment of Assessments; Remedies of the Association.

(A) Any Assessment, or any installment of an Assessment, not paid within thirty (30) days after the Assessment, or the installment of the Assessment, first became due shall have added to such Assessment or installment, the greater of (i) interest from the due date at the rate of ten percent (10%) per annum, or (ii) a late charge of fifteen dollars (\$15.00). Any amounts paid by a Member shall be applied first to unpaid principal and then to late charges or interest. Any Assessment, or any installment of an Assessment, which is delinquent shall become a continuing lien on the Lot against which such Assessment was made. The Assessment Lien may be placed of record by the recordation of a "Notice of Claim of Lien" which shall set forth (i) the name of the delinquent Owner as shown on the records of the Association, (ii) the legal description and/or street address of the Lot against which the claim of lien is made, (iii) the amount claimed as of the date of the recording of the notice including late charges, interest, lien recording fees, reasonable collection costs and reasonable attorneys' fees, and (iv) the name and address of the Association.

(B) The Assessment Lien shall have priority over all liens or claims created subsequent to the recordation of this Declaration except for (i) tax liens for real Property taxes on the Lot or Parcel, (ii) assessments on any Lot or Parcel in favor of any municipal or other governmental body and (iii) the lien of any First Mortgage.

(C) Before recording a Notice of Claim of Lien against any Lot or Parcel the Association shall make a written demand to the defaulting Owner for payment of the delinquent Assessments together with late charges, interest, reasonable collection costs and reasonable attorneys' fees, if any. The demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand or claim of lien but any number of defaults may be included within a single demand or claim of lien. If the delinquency is not paid within ten (10) days after delivery of the demand, the Association may proceed with recording a Notice of Claim of Lien against the Lot or Parcel of the defaulting Owner. The Association shall not be obligated to release the Assessment Lien until all delinquent Assessments, late charges, interest, lien recording fees, reasonable collection costs and reasonable attorneys' fees have been paid in full whether or not all of such amounts are set forth in the Notice of Claim of Lien.

(D) The Association shall have the right, at its option, to enforce collection of any delinquent Assessments together with late charges, interest, lien recording fees, reasonable collection costs, reasonable attorneys' fees and any other sums due to the Association in any manner allowed by law including, but not limited to, (i) bringing an action at law against the Owner personally obligated to pay the delinquent Assessment Lien securing the delinquent
