IN RE: TAYLOR, BEAN & WHITAKER MORTGAGE CORP.

Case No. 3:09-BK-07047-JAF

*DATE OF FILING: August 24, 2009 (the "Petition Date")*

## **ATTACHMENT TO PROOF OF CLAIM**

Wells Fargo Bank, N.A. ("Wells Fargo"), in its capacities as master servicer (the "Master Servicer"), trust administrator (the "Trust Administrator"), and successor servicer (the "Successor Servicer") for the TBW Mortgage-Backed Trust Series 2006-6, TBW Mortgage-Backed Pass-Through Certificates, Series 2006-6 (the "Trust"), files this proof of claim ("Proof of Claim") against Taylor, Bean & Whitaker Mortgage Corp. ("TBW" or the "Debtor"). Wells Fargo asserts Claims (as defined herein) owed to it as Master Servicer, Trust Administrator, or Successor Servicer, and as Master Servicer or Trust Administrator asserts certain Claims on behalf of the Trust.

### **I. The Trust.**

Prior to the Petition Date, a pool of residential mortgage loans (the "Mortgage Loans") was securitized and certificates representing an interest in the Mortgage Loans were issued pursuant to the terms of a Pooling and Servicing Agreement dated as of December 1, 2006 (the "Pooling Agreement"), by and among Mortgage Asset Securitization Transactions, Inc., as depositor (the "Depositor"), UBS Real Estate Securities Inc. ("UBS"), as transferor, Wells Fargo, as master servicer and trust administrator, and U.S. Bank National Association, as trustee (the "Trustee").

The Debtor agreed to service the Mortgage Loans in accordance with the terms of a Mortgage Loan Purchase and Servicing Agreement dated as of December 1, 2006 (the "Servicing Agreement"), by and among TBW, as servicer and seller, and UBS, as purchaser. The terms of the Servicing Agreement were assigned to the Depositor pursuant to a Reconstituted Servicing Agreement dated as of December 21, 2006 (the "RSA" and together with the Servicing Agreement and Pooling Agreement, the "Agreements"), by and between TBW and the Depositor.<sup>1</sup> The Depositor, in turn, conveyed all of its rights, title and interest in and to the Servicing Agreement to the Trust pursuant to Section 2.01 of the Pooling Agreement. The Debtor's obligations to service the Mortgage Loans included, but were not limited to (i) collecting principal and interest payments on the Mortgage Loans, and receiving and holding moneys in escrow for purposes of paying property taxes and insurance premiums, (ii) establishing and maintaining custodial and escrow accounts, (iii) advancing certain amounts with respect to principal and interest payments that were due on the Mortgage Loans during the applicable period and which were delinquent at the close of business on a specific determination date, (iv) monitoring and identifying delinquent Mortgage Loans and taking appropriate action,

---

<sup>1</sup> The Pooling Agreement, the Servicing Agreement, and the RSA are voluminous and therefore provisions in such Agreements relevant to the Claims asserted in this Proof of Claim are summarized herein. On information and belief, the Debtor has a copy of such Agreements. Wells Fargo can make copies of such Agreements available upon request.

including pursuit of foreclosure actions, with respect to such Mortgage Loans, (v) timely remitting funds collected on the Mortgage Loans to the Master Servicer, and (vi) providing specific reports, data, and other information regarding the Mortgage Loans.

Pursuant to Section 3.01 of the Pooling Agreement, Wells Fargo, as Master Servicer, assumed responsibility for monitoring, overseeing and enforcing TBW's obligations to service the Mortgage Loans under the terms of the Servicing Agreement and RSA. As Trust Administrator, Wells Fargo is responsible for performing certain tasks on behalf of the Trust, including, but not limited to, distributing payments to certificateholders from the distribution account ("Distribution Account") each month, and publishing statements regarding such distributions to certificateholders.

## **II. Events Leading up to the Transfer of Servicing to Wells Fargo**

On August 4, 2009, the United States Department of Housing and Urban Development ("HUD") suspended or terminated TBW's HUD/FHA origination and underwriting approval. Also on August 4, 2009, Freddie Mac notified TBW that TBW's eligibility as a Freddie Mac seller and servicer was terminated for cause, effective immediately.

On August 5, 2009, a hold was placed on the Debtor's accounts at Colonial Bank, N.A. ("Colonial"). On August 14, 2009, the Alabama State Banking Department closed Colonial and the Federal Deposit Insurance Corporation ("FDIC") was named receiver. The FDIC exercised its statutory powers as receiver to freeze all activity in the Debtor's accounts at Colonial, and all such accounts remain frozen as of the date of this Proof of Claim.

Following the FDIC freeze of the Colonial accounts, TBW established new bank accounts, or deposited funds into existing accounts, at Wachovia Bank, National Association ("Wachovia") and later at Regions Bank ("Regions") which mirrored the account structure at Colonial and were used to deposit collections received from borrowers on the Mortgage Loans. On information and belief, the amounts on deposit in the accounts maintained at Wachovia were later combined with the amounts on deposit at Regions. There have been no disbursements from the Regions accounts to the Master Servicer as of the date of this Proof of Claim. On information and belief, the Debtor may also currently maintain, or at one point did maintain, other accounts containing Trust moneys at other institutions, including the Royal Bank of Canada.

On August 13, 2009, Wells Fargo issued a notice of termination to TBW for its failure to maintain certain servicer eligibility requirements under the Agreements. On August 20, 2009, Wells Fargo issued an additional notice of event of default to TBW as a result of TBW's failure to remit the Remittance Amount (as defined below) by the related Remittance Date (as defined below) for August 2009. TBW filed for bankruptcy on August 24, 2009.

On August 27, 2009, Wells Fargo filed a Motion for (i) Relief from the Automatic Stay and (ii) to Prohibit Use of Certain Funds (Docket No. 58) requesting this Court allow Wells Fargo to transition the servicing of the Mortgage Loans from TBW to Wells Fargo. TBW filed their Response to Wells Fargo Bank, N.A.'s Motion for (i) Relief from the Automatic Stay and (ii) to Prohibit Use of Certain Funds with the Court on September 10, 2009 (Docket No. 191).

On October 7, 2009, the Debtor and Wells Fargo entered into a Stipulation (the "Stipulation"), whereby TBW transferred ongoing servicing of the Mortgage Loans to Wells Fargo as Successor Servicer. On October 15, 2009 (the "Transition Date"), this Court entered an Order approving the Stipulation (Docket No. 456). As a result, Wells Fargo currently acts as Successor Servicer of the Mortgage Loans for benefit of the Trust.

In connection with the transfer of servicing from the Debtor to Wells Fargo, Wells Fargo engaged American Home Mortgage Servicing, Inc. to act as its subservicer of the Mortgage Loans (the "Subservicer").

### **III. Breaches of the Debtor's Obligations**

Section 11.01 of the Servicing Agreement required the Debtor, as servicer, to "service and administer the Mortgage Loans in accordance with the [Servicing Agreement] and... Accepted Servicing Practices." Accepted Servicing Practices is defined in the Servicing Agreement to be "those mortgage servicing practices (including collection procedures) of prudent mortgage lending institutions which service loans of the same type as such [Mortgage] Loan in the jurisdiction where the related Mortgaged Property is located and in accordance with applicable law, the terms of the Mortgage and Note and the servicing guidelines established by Freddie Mac (including future updates)." Without limitation, the Servicing Agreement required TBW, as servicer, to remit all payments received from borrowers, advance any required principal and interest amounts or other servicing advances out of its own funds, and provide accounting reports and statements to the Master Servicer, in each case in accordance with the terms of the Servicing Agreement. In addition, the Servicing Agreement required TBW to hold all Trust funds "separate and apart from any of its own funds and general assets". See, without limitation, Sections 11.04 and 11.06 of the Servicing Agreement. The preceding summary is qualified by the terms and conditions of the Servicing Agreement, and all of the undertakings, obligations, covenants, representations, warranties, and agreements of TBW as servicer are collectively referred to herein as the "Debtor's Obligations."

As specified in Section 14.01 of the Servicing Agreement, the servicer may be terminated for cause if certain events occur. Such events include, but are not limited to (i) a failure to timely remit any required Remittance Amounts (as defined herein), (ii) a failure to observe and perform in any material respect the covenants and agreements required of the servicer under the Servicing Agreement, (iii) a failure to be in compliance with the "doing business" or licensing laws of any jurisdiction where a Mortgaged Property is located, (iv) a failure to be approved by Freddie Mac as a seller or servicer, or (v) the filing of a petition for bankruptcy or voluntarily suspension of payment of its obligations. Prior to the Petition Date, several of the events specified in Section 14.01 of the Servicing Agreement had occurred and had not been cured within any applicable cure period, and the Debtor also failed to perform numerous of its Debtor's Obligations (collectively, the "Debtor's Breaches"). As a result of the Debtor's Breaches, Wells Fargo in its capacities as Master Servicer, Trust Administrator, or Successor Servicer, as applicable, has "Claims" (as such term is defined 11 U.S.C. § 101(5)) against the Debtor, which it asserts on its own behalf as well as on behalf of the Trust, as further specified below.

#### **IV. Claims of Wells Fargo in its Capacity as Master Servicer and Trust Administrator.**

##### ***A. Late Remittance Interest Amounts***

Pursuant to Section 11.14 of the Servicing Agreement, on each remittance date ("Remittance Date") TBW, as servicer, was obligated to remit to the Master Servicer for deposit in the Master Servicer collection account ("Collection Account") amounts held in the servicer maintained custodial account ("Custodial Account"), which amounts include all collections received from the borrowers as well as any required advances the servicer was obligated to make under the Servicing Agreement (collectively, the "Remittance Amount"). The Remittance Date occurs on the 18<sup>th</sup> day of each month, or if the 18<sup>th</sup> day is not a Business Day (as defined in the Servicing Agreement), the first Business Day immediately preceding such 18<sup>th</sup> day. The Master Servicer remits any "Available Funds" (as defined in the Pooling Agreement) in the Collection Account to the Trust Administrator for deposit in the Distribution Account on the Business Day prior to the Distribution Date (as defined below). The Trust Administrator in turn distributes all Available Funds (as defined in the Pooling Agreement) from the Distribution Account to certificateholders on the 25<sup>th</sup> day of each month, or if such 25<sup>th</sup> day is not a Business Day (as defined in the Pooling Agreement), the next Business Day (the "Distribution Date") in accordance with the provisions contained in the Pooling Agreement. Pursuant to the definitions of "Master Servicer Compensation" and "Trust Administrator Compensation" of the Pooling Agreement, the investment income earned on amounts held in the Collection Account and the Distribution Account between the Remittance Date and the Distribution Date is compensation to Wells Fargo for acting as Master Servicer and Trust Administrator of the Trust.

Section 11.14 of the Servicing Agreement provides that in the event TBW, in its capacity as servicer, fails to timely remit all required amounts to the Master Servicer on each Remittance Date, the Debtor is required to pay interest on the Remittance Amounts at a rate equal to the rate of interest publicly announced by JPMorgan Chase Bank, New York, New York, as its prime lending rate, adjusted as of the date of each change, *plus* three percentage points, to the extent permitted by applicable law (the "Late Remittance Rate"). Such interest begins accruing on the day following the Remittance Date and ends on the business day on which such payment is made, both inclusive (such period of time, a "Late Pay Period").

On each Remittance Date the Debtor was required to remit to the Master Servicer collections received during the related Due Period (as defined in the Servicing Agreement). The Debtor failed to remit the Remittance Amount to the Master Servicer on the Remittance Dates occurring in August through November of 2009.<sup>2</sup> As of the date of this Proof of Claim, the Debtor has not remitted the Remittance Amount for such months. Therefore, in accordance with Section 11.14 of the Servicing Agreement, Wells Fargo has a claim against the Debtor for interest on all unpaid Remittance Amounts at the Late Remittance Rate, which interest accrues for the Late Pay Period

---

<sup>2</sup> The Due Period for which the Remittance Amount for November 2009 would pertain runs from October 2 and through November 1, 2009. The expected Remittance Amount for November 2009 due from the Debtor to Wells Fargo, however, would only be those amounts collected by the Debtor through the Transition Date.

determined in respect of each of the August 2009, September 2009, October 2009, and November 2009 Remittance Dates.<sup>3</sup>

Wells Fargo is also entitled to payment of the late remittance interest amount pursuant to the indemnification provision of Section 13.01 of the Servicing Agreement, as further described in Section IV(B) below.

As of May 31, 2010, Wells Fargo has determined the applicable late remittance interest amount described in this section to be the amount referenced on the attached Schedule A. This amount, however, continues to grow each day the Remittance Amount from August 2009 through November 2009 remains unpaid and accordingly, Wells Fargo reserves the right to revise or amend this amount in the future.

***B. Wells Fargo is Entitled to Indemnification from the Debtor.***

UBS, in its capacity as purchaser of the Mortgage Loans, originally entered into the Servicing Agreement with TBW prior to assigning its rights under the Servicing Agreement with respect to the Mortgage Loans to the Trust. Pursuant to Section 13.01 of the Pooling Agreement, the Debtor agreed "to indemnify the Purchaser and hold the Purchaser harmless against any and all claims, losses, damages, penalties, fines, forfeitures, reasonable and necessary legal fees and related costs, judgments, and any other costs, fees and expenses that the Purchaser may sustain in any way related to the failure of the Seller to perform its obligations under [the Servicing Agreement] including but not limited to its obligation to service and administer the [Mortgage Loans] in strict compliance with the terms of the [Servicing Agreement.]" Section 24 of the Servicing Agreement provides that the rights and benefits under the Servicing Agreement shall also inure to the benefit of the person to whom the master servicing of the Mortgage Loans has been transferred. Accordingly, Wells Fargo, in its capacity as Master Servicer, is a beneficiary of such indemnification. Such section is referred to herein as the "Indemnification Provision."

Wells Fargo has incurred, and continues to incur, losses, claims, expenses, costs or liabilities (collectively, "Losses") as a result of the Debtor's Breaches. In accordance with the Indemnification Provision, Wells Fargo is entitled to indemnification for any Losses incurred in connection with any of the Debtor's Breaches. Without limitation, Wells Fargo asserts specific indemnification Claims with respect to the Losses described below.

***i. Servicing Transfer Costs***

Wells Fargo has incurred expenses in connection with the termination of TBW, as servicer and the transfer of servicing of the Mortgage Loans which expenses are reasonable and include, but are not limited to, the following: (i) estimated costs of relocating servicing files previously held by TBW, (ii) estimated costs associated with the review and inventory of the TBW servicing files, (iii) negotiation and other expenses related to the necessary engagement of the Subservicer, of the Mortgage Loans, (iv) boarding fees of the Subservicer (which fees included the cost of any

<sup>3</sup> The amount included on Schedule A has been adjusted to account for the FDIC release of certain lock-box checks for the Trust on the dates such amounts were remitted to the Trust. **Scanned: 6/14/2010-11:44:53 AM**

clean-up, reconciliation and verification of physical and electronic information concerning the transferred Mortgage Loan files), (v) payment of fees requested by Nationwide Title Clearing relating to the processing of lien releases of Mortgage Loans that had been paid in full by borrowers, (vi) lien searches on a sample pool of Mortgage Loans and REO Properties, (vii) travel expenses and other administrative out of pocket expenses specifically relating to ensuring the successful transition of servicing from TBW to the Subservicer, and (viii) attorneys' fees relating to assistance with legal issues concerning the transfer of servicing.

Wells Fargo has so far incurred servicing transfer costs in the amounts reflected on the attached Schedules B1-B6. Therefore, Wells Fargo asserts a Claim pursuant to the Indemnification Provision for such servicing transfer costs. Wells Fargo reserves the right to revise or amend this amount in the future.

***ii. Expenses incurred in connection with Issues 1, 2 and 3 of the Borrower Protocol***

The Order Establishing Protocol to Resolve Borrower Issues, dated February 24, 2010 (Docket No. 1079) (the "Borrower Protocol") also addressed certain (i) loss drafts (as such phrase is used in the Borrower Protocol) with respect to insurance proceeds due to borrowers (Issue 1 under the Borrower Protocol), (ii) tax and insurance escrow refunds due to borrowers who had paid off their mortgages (Issue 2 under the Borrower Protocol), and (iii) certain bounced checks that were written on a specific account at Platinum Community Bank ("Platinum") (Issue 3 under the Borrower Protocol). Because certain of the Mortgage Loans were previously paid in full by borrowers prior to the Petition Date, the Subservicer was required to board additional Mortgage Loans onto their system prior to making any reimbursement payments to the borrowers in compliance with the terms of the Borrower Protocol. The Subservicer charged a flat rate of \$50.00 per Mortgage Loan. Accordingly, Wells Fargo has a Claim against the Debtor in the amount reflected on the attached Schedule C.

***iii. REO Condominium Bulk Sales***

During the Debtor's tenure as servicer, five Mortgage Loans in the Trust secured by properties within the same condominium complex (the "Condo Loans") became REO Property (as defined in the Agreements). These Condo Loans were reported by the Debtor as liquidations in the October 2009 cycle. These Mortgage Loans were combined with 25 other units and sold to an REO investor by TBW for a total sale price in the amount of approximately \$3 million (the "Sale Amount"). TBW should have prorated the full Sale Amount as liquidation proceeds received on each REO Property and paid such amounts to the Trust, and reported any differences between the Sale Amount and the outstanding balance of the Mortgage Loan related to the REO Property, all with proper documentation from the servicer. The Debtor, however, made a loan to the investor for the Sale Amount and the terms of the loan required the investor to pay only 5% of the Sale Amount upfront to the Debtor. As of the date of this Proof of Claim, TBW has not remitted to the Trust any portion of the Sale Amount allocable to the Trust, in contravention of its obligation under (i) Section 11.13 of the Servicing Agreement, to deposit in the Custodial Account all revenues received with respect to REO Property, (ii) Section 11.04 of the Servicing Agreement, to deposit any amounts required to be deposited by the Debtor in connection with any REO Property in the Custodial Account on a daily basis, and (iii) Section 11.01 of the Servicing

Scanned: 6/14/2010-11:44:54 AM

Agreement, to service the Mortgage Loans in a manner that gives due consideration to Accepted Servicing Practices (as such term is defined under the Servicing Agreement).

Wells Fargo is still awaiting resolution of how the Debtor intends to reconcile the amounts owed to the Trust for the Condo Loans. Pursuant to the Indemnification Provision, Wells Fargo is entitled to indemnification for any Losses it may incur in connection with the resolution of the issues surrounding the Condo Loans and accordingly holds an unliquidated Claim with respect to such amount. Moreover, the Trust has an unliquidated Claim with respect to the Losses it will incur as a result of the sale of the Condo Loans and such Claims are further described in Section V(E) below.

***iv. D&R Expenses of Wells Fargo***

As a result of the Debtor's Breaches, Wells Fargo has also incurred Losses in the administration of its duties that fall outside the scope of Wells Fargo's ordinary course of business. Specifically, Wells Fargo has been required, as a result of the Debtor's Breaches, to utilize the services of its default and restructuring group ("D&R Expenses").

Wells Fargo asserts any and all Claims it has to indemnification for all such amounts arising as a result of the Debtor's Breaches. The total amount of the D&R Expenses is reflected on the attached Schedule D. Such amounts, however, may continue to grow and accordingly, Wells Fargo reserves the right to revise or amend this amount in the future.

***v. Legal fees incurred by Wells Fargo***

Wells Fargo has incurred legal fees associated with, or arising out of, the Debtor's Breaches and all the Claims described in this Proof of Claim. The Debtor is expressly obligated to pay such fees in accordance with the Indemnification Provision. Wells Fargo has a Claim for the total dollar amount of such legal fees as reflected on the attached Schedule E, for the period of time up until May 31, 2010. Such amounts, however, may continue to grow and accordingly, Wells Fargo reserves the right to revise or amend this amount in the future.

***vi. Future indemnification obligations of the Debtor***

In addition to the Indemnification Provision, the Debtor also covenanted under the Agreements to indemnify the Master Servicer for other specific breaches of its duties specified under the Agreements, which include, but are not limited to, indemnification for any breach of the Debtor's representations, warranties and covenants as servicer made in accordance with Paragraph 1 of the RSA (collectively, the "Additional Indemnification Obligations"). Both the Indemnification Provision as well as the Additional Indemnification Obligations survive the Debtor's term as servicer of the Mortgage Loans and accordingly, Wells Fargo has a contingent, unliquidated claim for any indemnification obligations that may become known in the future.

***vii. Investigation by State Regulatory Agencies***

Numerous state regulatory agencies have launched independent investigations into the Debtor's origination and servicing practices prior to the Petition Date. In April 2010, the Subservicer was formally contacted by the North Carolina Commissioner of Banks in connection with such an

Scanned: 6/14/2010-11:44:54 AM

ongoing investigation against the Debtor. To date, other than legal fees incurred in connection with the North Carolina investigation, no costs have been incurred as a result of its compliance with such investigation requests. State regulatory board investigations of the Debtor's origination and servicing practices are ongoing, however, and costs incurred with complying with ongoing requests for documents may arise in the future.

## **V. On behalf of the Trust**

### ***A. All Trust moneys on deposit at Colonial, Regions, and other institutions***

Pursuant to Section 11.14 of the Servicing Agreement, the Debtor, prior to the Transition Date, was obligated to remit on each Remittance Date all amounts on deposit in the Custodial Account as of the close of business on the last day of the related Due Period (as defined in the Servicing Agreement) to the Master Servicer on a "scheduled/scheduled" basis. The amounts to be remitted would include all payments made by borrowers as well as any other amounts the Debtor was obligated to pay to the Trust out of its own funds (e.g., advances and any Prepayment Interest Shortfall (as such term is defined in the Servicing Agreement)). The Debtor failed to remit any amounts to the Master Servicer on the Remittance Dates occurring in August 2009, September 2009, October 2009, and November 2009 and as of the date of this Proof of Claim, has still not remitted such amounts to the Trust.

The Trust, as record owner of the Mortgage Loans, is rightfully entitled to (i) all amounts on deposit at any account pertaining to the Trust at Colonial and Regions (as well any other institution which may currently hold Trust moneys), including but not limited to any Custodial Account, Escrow Account, or any other account required to be maintained by TBW by the terms of the Servicing Agreement, and (ii) any and all amounts the Debtor was required to deposit in any such account under the Agreements that it has not so deposited, including, but not limited to, Prepayment Interest Shortfall (as defined in the Servicing Agreement), but excluding any advances (clauses (i) and (ii) collectively, the "Trust Moneys Claim"). The Master Servicer is the party responsible for overseeing the servicer's performance under the Agreements. Accordingly, the Master Servicer, on behalf of the Trust, asserts a Claim for the full amount of the Trust Moneys Claim as reflected on the attached Schedules F1-F2. Wells Fargo reserves the right to amend such amounts in the future pending final reconciliation of all of the Debtor's accounts held at Colonial and Regions.

### ***B. Interest amounts paid to Certificate Insurer on previously paid Insured Payments***

#### ***i. Reimbursement Interest Amount***

MBIA Insurance Corporation ("MBIA" or the "Certificate Insurer") insured each of the Class A-4 and Class A-5A Certificates issued by the Trust (the "Insured Certificates"). In exchange for payment of a nonrefundable premium, the Certificate Insurer covenanted to pay to the Insured Certificates the full scheduled interest distribution amount owed to the Insured Certificates each month to the extent any scheduled distribution amounts exceed the amount of funds available to pay the Insured Certificates (an "Insured Payment"). If the Certificate Insurer makes an Insured Payment, the Certificate Insurer is also entitled to "Certificate Insurer Reimbursement Amount," which amount is (i) reimbursement for an Insured Payment, plus (ii) interest on the Insured

Scanned: 6/14/2010-11:44:55 AM

Payment at a specified rate (such interest amount described in this clause (ii), the "Reimbursement Interest Amount"). Pursuant to the definition of "Late Payment Rate" in the Insurance Agreement, dated as of December 1, 2006 (the "Insurance Agreement"), executed in conjunction with the creation of the Trust, the Reimbursement Interest Rate is the prime rate announced by Citibank, N.A., plus 3%. Section 4.02 of the Pooling Agreement states that the Certificate Insurer is entitled to receive its full Certificate Insurer Reimbursement Amount prior to any payments made to the non-insured Subordinate Certificates (as defined in the Pooling Agreement).

As a result of the Debtor's failure to remit the Remittance Amount in the months of August, through November 2009, the Trust Administrator was unable to make required distributions to certificateholders and therefore the Certificate Insurer was required to make full or partial scheduled interest payments on the Insured Certificates through the November 2009 distribution date. MBIA has not yet been repaid all of its outstanding Certificate Insurer Reimbursement Amounts as of the May 2010 distribution. Cashflow that would have been paid to certificateholders, however, is necessarily being used to pay the Certificate Insurer Reimbursement Amount owed to the Certificate Insurer in the amount reflected on the attached Schedule G. Accordingly, Wells Fargo, on behalf of the Trust, asserts a Claim against the Debtor for such Reimbursement Interest Amount paid to the Certificate Insurer as a result of the Debtor's failure to remit the Remittance Amounts to the Master Servicer in the months of August through November 2009.

***ii. Other expenses owed to the Certificate Insurer***

Section 3.05 of the Insurance Agreement also provides that the Certificate Insurer is entitled to payment or reimbursement of any other amounts owed to it under the Insurance Agreement together with interest thereon at a rate equal to the Reimbursement Interest Rate. To the extent the Certificate Insurer later asserts a claim for reimbursement of any such amounts from the Trust for expenses it has incurred, or may incur in the future, as a result of the Debtor's Breaches, Wells Fargo, on behalf of the Trust, would be entitled to recover such amounts from the Debtor.

Therefore Wells Fargo, on behalf of the Trust, holds a contingent, unliquidated Claim against the Debtor for any such amounts that may become known in the future. Wells Fargo retains the right to amend this Proof of Claim in the future to reflect such shortages when known.

***C. Lien released loans reported by the Debtor as paid in full by a borrower but Wells Fargo is unable to confirm borrower payments to the Trust***

Pursuant to Section 11.20 of the Servicing Agreement, only upon receipt of payment in full by a borrower of a Mortgage Loan, may the servicer satisfy or release such Mortgage Loan from the Trust. In the event the servicer releases such Mortgage Loan prior to receipt of payment in full of the indebtedness secured by the mortgage note, or if the servicer otherwise prejudice any rights of the Purchaser, the servicer is required to deposit the entire outstanding principal balance of such Mortgage Loan. Section 11.20 of the Servicing Agreement.

Following the Petition Date, Wells Fargo received reports from the Debtor that certain Mortgage Loans had been paid in full. Because the servicing and asset reconciliation described in the Stipulation between the Debtor and the FDIC (Docket Nos. 202 and 222) and related Orders (Docket Nos. 348 and 468) has not yet been completed, Wells Fargo has been unable to verify that all payoff amounts for Mortgage Loans reported by the Debtor as paid-in-full have in fact been remitted to the Trust. Nevertheless, Wells Fargo was forced to release such mortgage from the Trust so as to avoid accruing numerous monetary penalties under applicable state and local laws. As a result, Wells Fargo released such mortgages despite its inability to verify that all payoff amounts were appropriately remitted to the Trust. Wells Fargo engaged Nationwide Title Clearing, a third party agent previously engaged by the Debtor, to release liens on all loans that were reported by TBW as paid in full. Costs associated with Nationwide Title Clearing's lien release work have been claimed pursuant to Section IV(B)(i) above.

In the event it is later determined the Debtor failed to remit payoff amounts due on such Mortgage Loans despite being reported by the Debtor as paid in full, and to the extent the related mortgage was subsequently released by Wells Fargo based upon reporting received from TBW, the Debtor would be obligated to pay to the Trust the entire outstanding principal balance of such Mortgage Loan in accordance with Section 11.20 of the Servicing Agreement. Wells Fargo, on behalf of the Trust, holds a contingent, unliquidated Claim against the Debtor for any such amounts that may become known in the future. Wells Fargo retains the right to amend this Proof of Claim in the future to reflect such amounts when known.

#### ***D. REO condominium bulk sales***

As further described in Section IV(B)(iii) above, the Trust will also bear Losses as a result of the sale of the Condo Loans. Total loss amounts on the Condo Loans reflected on the attached Schedule H are expected to be owed to the Trust. Such amounts, however, may be reduced by the proration of the Sale Amount that may be later allocated to the Trust in satisfaction of the sale of the Condo Loans. Accordingly, Wells Fargo, on behalf of the Trust, has a Claim for any such Losses. Wells Fargo reserves the right to amend this Proof of Claim in the future to reflect such amounts when known.

#### ***E. Commingling of Funds***

The Servicing Agreement required TBW to hold all Trust funds "separate and apart from any of its own funds and general assets". See, without limitation, Sections 11.04 and 11.06 of the Servicing Agreement. It has been alleged in pleadings filed in connection with TBW's bankruptcy case that TBW commingled investor funds with its own funds and assets and/or with the funds and assets of other investors.<sup>4</sup> To the extent there is any shortage in any accounts

---

<sup>4</sup> In a complaint styled *Certain Underwriters at Lloyd's, London, et al v. Taylor, Bean & Whitaker Mortgage Corporation, et al*, filed as an adversary proceeding in TBW's bankruptcy case, the Plaintiffs allege that TBW has stated that, among other things, that "it is becoming increasingly clear that monies and mortgage assets were misused and, likely, misappropriated by TBW (including members of senior management) and others," and that "at various points in time employees of TBW at the direction of Lee B. Farkas improperly transferred funds held in Custodial Accounts maintained by TBW on behalf of Freddie Mac and other investors and TBW and/or Farkas used such funds for other purposes. To date, TBW has not been able to identify the total amount of funds

pertaining to the Trust held at Colonial, Regions or any other institution that is attributable to commingling by TBW, or to the extent Wells Fargo suffers any other Losses as a result of such commingling, Wells Fargo would be entitled to recover such shortage from TBW under the Indemnification Provision.

Therefore Wells Fargo, on behalf of the Trust, holds a contingent, unliquidated Claim against the Debtor for any such shortages attributable to commingling by TBW that may become known in the future. Wells Fargo retains the right to amend this Proof of Claim in the future to reflect such shortages when known.

#### **VI. Claims of Wells Fargo in its capacity as Successor Servicer**

When the Debtor agreed to service the Mortgage Loans, the applicable servicing fee rate was 0.25% per annum calculated on the outstanding principal balance of the Mortgage Loans (the "Servicing Fee"). Wells Fargo assumed the ongoing servicing responsibilities of the Debtor when it became Successor Servicer on the Transition Date. Under current market conditions, Wells Fargo was unable to find a third party servicer willing to assume all servicing functions of the Debtor under the Agreements for the Servicing Fee. The Subservicer agreed to subservice the Mortgage Loans for the entire Servicing Fee, but only on an "actual/actual" basis. As a result, Wells Fargo has been required (and will continue to be required) to perform the advancing functions of the servicer, including (i) making all required principal and interest advances to make up the differences between actual payments made by borrowers and scheduled payments due to certificateholders, (ii) making all required servicing advances, (iii) making all tax and insurance advances, and (iv) continued payment of the Custodial Fee (as defined below), all without the benefit of any fee for same due to the sub-market Servicing Fee. Wells Fargo has and will continue to suffer monetary losses in order to service the Mortgage Loans for the benefit of the Trust.

Accordingly, Wells Fargo, in its capacity as Successor Servicer, has Claims against the Debtor as further specified below.

##### ***A. Prospective Custodial Fee.***

In connection with the creation of the Trust, the Trust Administrator, Trustee, and Colonial, as custodian entered into a Custodial Agreement, dated as of December 1, 2006 (the "Custodial Agreement"). In accordance with the terms of the Custodial Agreement, the Custodian agreed to hold certain documents relating to the Mortgage Loans. Pursuant to Section 11 of the Custodial Agreement, the Debtor, in its capacity as servicer of the Mortgage Loans, agreed to pay a fee to the custodian for its services. After Wells Fargo assumed the servicing of the Mortgage Loans, BB&T Company, as successor to Colonial as Custodian, began forwarding invoices for custodial services to Wells Fargo.

---

transferred from Custodial Accounts or the losses incurred or to be incurred with respect to such transfers, but TBW believes the amount of funds improperly removed from Custodial Accounts exceeds \$1 billion. Additionally, as set forth above, TBW believes that more than \$2.5 billion in mortgage loans were improperly sold and/or pledged as collateral under the OFCP and the AOT."

Scanned: 6/14/2010-11:44:57 AM

As stated above, the Subservicer currently receives the entire Servicing Fee to perform all day-to-day servicing of the Mortgage Loans except advancing. Wells Fargo continues to make advances as Successor Servicer, but does not realize any compensation for performing such functions.

As required to facilitate the proper functioning of the Trust, Wells Fargo has continued to pay from its own funds the Custodian its monthly fees in the amount reflected on the attached Schedule I and hereby claims such amounts. But for the Debtor's Breaches, Wells Fargo would not have to incur these out of pocket expenses to pay the custodial fees. Therefore, Wells Fargo also has a Claim against the Debtor in the amount reflected on the attached Schedule J for the projected future payment of custodial fees for the Trust. Wells Fargo retains the right to amend this Proof of Claim in the future to reflect such amounts when known.

#### ***B. Cost of Funds for Advances.***

Pursuant to the terms of the Servicing Agreement, Wells Fargo as Successor Servicer is required to make certain servicing advances and principal and interest advances (collectively, "Advances") on a monthly basis. The Servicing Agreement contains certain provisions for the reimbursement of Advances; however, under most circumstances, the servicer is required to wait until final liquidation proceeds have been realized with respect to a particular mortgage loan before reimbursing itself for any previously made Advances. Only under limited circumstances is the Successor Servicer able to reimburse itself for previously made Advances on an immediate basis from available general collections. Accordingly, the cost to Wells Fargo for making Advances is equal to the interest that Wells Fargo could have earned on the amount of the Advances from the time the Advance was made until the time it is reimbursed (the "Cost of Funds").

Wells Fargo assumed the role of Successor Servicer only as a result of the Debtor's Breaches. As further described above, however, Wells Fargo, as Successor Servicer, does not receive any portion of the Servicing Fee. As a result, Wells Fargo asserts a Claim against the Debtor in the amount reflected on the attached Schedule K for the Cost of Funds associated with Advances made by Wells Fargo through May 31, 2010. Since Wells Fargo makes Advances to the Trust every month, such Claim will continue to grow and accordingly, Wells Fargo reserves the right to amend this Proof of Claim in the future.

#### **VII. Right to Recoup.**

Wells Fargo currently holds in escrow certain amounts recovered from liquidation proceeds that are owed to TBW in reimbursement of previously made advances and unpaid Servicing Fees for related Mortgage Loans. Wells Fargo will hold any additional amounts it may collect in the future as advances previously made by TBW continue to be recovered from liquidation proceeds. Accordingly, Wells Fargo has the right to recoup its damages for the Claims described herein from any amounts that may be due to TBW.

### **VIII. Reservation of Rights.**

In addition to Claims it has under the Agreements, Wells Fargo has or may have additional rights under applicable law related to its role as Master Servicer, Trust Administrator, and Successor Servicer of the Trust.

Wells Fargo hereby asserts all of its Claims arising out of or relating to its capacities as Master Servicer, Trust Administrator, and Successor Servicer of the Trust, including without limitation, any and all claims arising under the Agreements. The description of any specific Claims in this Proof of Claim does not limit (and is not intended to limit) the generality of the Claims asserted herein. Wells Fargo intends, by the filing of this Proof of Claim, to assert any (i) right to payment it may have against the Debtor, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured or (ii) right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured, arising from or related to Wells Fargo's role as Master Servicer, Trust Administrator, and Successor Servicer or otherwise arising out of or related to the Agreements.

Wells Fargo reserves its rights to file and assert any Claims that arise or may arise after the filing of this Proof of Claim. Wells Fargo also reserves its rights to file an amendment to this Proof of Claim to assert a liquidated amount for any such Claims that arises after the filing of this Proof of Claim.

Nothing set forth in this Proof of Claim or otherwise, including, without limitation, any later appearance, pleading, claim, or action, is intended or shall be deemed to be a waiver, release, or modification by Wells Fargo of its (a) right to have final orders in noncore matters entered after *de novo* review by a District Judge; (b) right to trial by jury in any proceeding so triable in this case or any case, controversy, or proceeding related to these cases; (c) right to have the District Court withdraw the reference in any matter subject to mandatory or discretionary withdrawal; or (d) other rights, remedies, claims, actions, defenses, setoffs, or recoupments to which Wells Fargo is or may be entitled, all of which are hereby expressly reserved.

Wells Fargo specifically reserves all rights to supplement, amend, or modify this Proof of Claim with any information, including, without limitation, updated amounts or to list other claims of liability relating to Wells Fargo's roles as Master Servicer, Trust Administrator, and Successor Servicer on behalf of the Trust. Wells Fargo also reserves its rights to seek the allowance and payment of any administrative expense claim pursuant to 11 U.S.C. § 503 for any post-petition damages, Losses, or expenses arising out of any breach of any obligation by the Debtor under the Agreements or under other applicable law, including for post-petition liabilities, costs, losses, damages, or expense relating to or arising from Wells Fargo's roles as Master Servicer, Trust Administrator, and Successor Servicer of the Trust.
