TAYLOR, BEAN & WHITAKER
MORTGAGE CORP.,

Chapter 11

Case No. 3:09-bk-07047-JAF

**MOTION TO APPROVE DEBTOR'S (I) CONTRACT WITH
INTERIM SERVICING AGENT; (II) TRANSFER INTERIM
SERVICING OF LOANS; AND (III) TRANSFER OF RELATED
BORROWER FUNDS TO SERVICING AGENT**

TAYLOR, BEAN & WHITAKER MORTGAGE CORP., as debtor and debtor in possession (“**TBW**” or the “**Debtor**”), by and through its undersigned attorneys, hereby files its Motion to Approve (i) Contract with Interim Servicing Agent; (ii) Transfer Interim Servicing of Loans; and (iii) Transfer of Related Borrower Funds to Servicing Agent (the “**Motion**”). In support of its Motion, the Debtor respectfully represents as follows:

Jurisdiction and Venue

1. This Court has jurisdiction to consider this Motion pursuant to 28 U.S.C. §§ 157 and 1334. The subject matter of this Motion is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper in this district pursuant to 28 U.S.C. § 1408.

2. The statutory predicates for the relief sought in this Motion are Sections 363(b) and (c) of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 6004 of the Federal Rules of Bankruptcy Procedure.

Background

The Bankruptcy

3. On August 24, 2009, the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code.

4. The Debtor continues to operate its business and manage its property as a debtor in possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code.

5. No trustee or examiner has been appointed in this case.

6. On September 11, 2009, the Office of the United States Trustee appointed an Official Committee of Unsecured Creditors.

7. Until very recently, TBW was the largest independent (i.e. non-depository owned) mortgage lender in the United States. Headquartered in Ocala, Florida, TBW employed approximately 2,400 people across the country. The largest offices were in Ocala Florida; Atlanta, Georgia; and Tampa, Florida. TBW's principal business was comprised of:

- origination, underwriting, processing and funding of conforming conventional and Government-insured residential mortgage loans;
- sale of mortgage loans into the "secondary market" to government-sponsored enterprises such as the Federal Home Loan Mortgage Corporation or the Government National Mortgage Association; and
- mortgage payment processing and loan servicing.

8. Following the precipitous events of early August, the members of TBW's board of directors and the company's corporate officers, including the Chairman, Vice Chairman, Chief Executive Officer, and Chief Financial Officer, resigned. New, independent members have been appointed to the board and the new board has appointed Neil F. Luria as the company's Chief

Restructuring Officer. The business and financial affairs and ongoing operations of the company are under the direction and control of the new board and the Chief Restructuring Officer.

9. For a detailed description of the Debtor's business operations and the reasons for this bankruptcy filing, please see the description contained in the Debtor's Emergency Motion for Entry of Interim and Final Orders Authorizing Use of Cash Collateral and Granting Replacement Liens Pursuant to 11 U.S.C. §§ 105(a), 361, 363, and 541 and 552 and Bankruptcy Rule 4001 (Docket No. 5).

The Servicing Agreement

10. On October 28, 2009, the Debtor executed, subject to Bankruptcy Court approval, the Selene Finance Interim Servicing Agreement (the "**Agreement**") with Selene Finance LP ("**Selene**"). A true and correct copy of the Agreement is attached hereto as Exhibit A. Under the Agreement, Debtor would transfer to Selene the servicing of (a) approximately 1,185 mortgage loans presently serviced by the Debtor and (b) 23 reverse mortgage loans owned and presently sub-serviced by Celinek. The mortgage loans have an approximate unpaid principal balance of approximately \$152 million, and the reverse mortgage loans have a current outstanding principal balance of approximately \$2.7 million (the aforesaid mortgage loans and reverse mortgage loans collectively, the "**Loans**"). A list of the Loans is attached hereto as Exhibit B.

11. The Debtor wishes and intends to extricate itself from the loan servicing business. At its peak, the Debtor serviced approximately 500,000 individual residential mortgage loans. The Loans are among the last remaining loans serviced by the Debtor and will be transferred solely for servicing purposes; ownership of the Loans will remain with the Debtor. To the extent

that additional Debtor-owned loans are identified, such additional loans will be transferred to Selene for interim servicing pursuant to the Agreement.

12. Finally, consistent with the transfer of the interim servicing of the Loans, the Debtor seeks authorization to transfer borrower funds currently on deposit in the Debtor's accounts at Regions Bank related to the Loans to Selene to facilitate the payment of borrower taxes and insurance and the payment of servicing fees related to the Loans. The current amount of such funds to be transferred to Selene is approximately \$617,000.

13. TBW's status as a chapter 11 debtor impedes its ability to properly service the Loans, as the Debtor does not have access to the tax and interest payments ("T & I") made on the Loans and, thus, is unable to transfer the funds to the appropriate parties. The transfer of servicing contemplated by the Agreement will allow TBW to stabilize the servicing of the Loans so as to maximize the value of the Loans and to ensure that the underlying consumers are properly protected.

14. Section 3(b) of the Agreement requires an initial deposit of \$300,000 by Debtor into the "Operating Account" to be established under the Agreement to enable Selene to carry out its duties under the Agreement. A schedule of the servicing fees to be paid by Debtor to Selene is attached as Exhibit A to the Agreement. Prior to entering into the Agreement, Debtor undertook a review of competitive pricing to ensure that Selene's fees were appropriate. Based on discussions with two other interim servicers, the Debtor believes in its reasonable business judgment that Selene's proposal is price competitive (given the high delinquency rate of the Loans), and that Selene has the necessary capabilities to service the Loans. Moreover, the Debtor intends to recoup from principal and interest payments received by it under the

Agreement servicing advances and other out of pocket costs incurred by the Debtor with respect to the Loans.

Relief Requested

15. Pursuant to Section 363 of the Bankruptcy Code, the Debtor seeks the Court's approval to (i) enter into and perform the Agreement with Selene (including the deposits into the Operating Agreement required under the Agreement); (ii) transfer the interim servicing of the Loans to Selene; and (iii) transfer to Selene all borrower funds related to the Loans received post-petition that are currently on deposit in the Debtor's accounts at Regions Bank to facilitate the payment of borrower T & I and the payment of servicing fees.

Basis for Relief

16. Section 363(c)(1) of the Bankruptcy Code provides that a debtor-in-possession may enter into a transaction "in the ordinary course of business, without notice or a hearing, and may use property of the estate in the ordinary course of business without notice or a hearing." 11 U.S.C. § 363(c)(1).

17. The Debtor believes it has executed the Agreement in the ordinary course of its business. In an abundance of caution, however, to the extent that entering the Agreement is deemed to be outside the ordinary course of the Debtor's business, the Debtor seeks Court authority to enter into the Agreement pursuant to Section 363(b) of the Bankruptcy Code.

18. Section 363(b) of the Bankruptcy Code provides that a debtor in possession "after notice and a hearing, may use, sell or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b). To approve a use, sale or lease of property out of

the ordinary course of business, this Court must find “some articulated business justification.” Committee of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.), 722 F.2d 1063, 1070 (2d Cir. 1983). See also In re Abbots Dairies of Pa., Inc., 788 F.2d 143, 145-47 (3d Cir. 1986) (implicitly adopting the articulated business justification test of Lionel Corp. and requiring show of good faith); In re Delaware & Hudson R. Co., 124 B.R. 169, 176 (D. Del. 1991) (concluding that Third Circuit adopted the “sound business purpose” test after the Abbots Dairies decision); In re Titusville Country Club, 128 B.R. 396, 399 (Bankr. W.D. Pa. 1991) (same).

19. The transfer of the Loans pursuant to the Agreement has several advantages, among them ensuring that TBW satisfies state regulators with respect to consumer protection. Additionally, the Agreement benefits consumer-borrowers in that Selene will have access to T & I funds and the ability to make such funds available to the appropriate parties, thus relieving consumers of any servicing issues arising from TBW’s inability to access T & I funds – this is particularly important given the fact that fall is the season during which property taxes are often due to municipalities. Furthermore, the ongoing servicing of the Loans is not cost effective for TBW, as TBW would have to retain, solely for the purpose of servicing the Loans, a full cadre of servicing staff that is no longer needed as a result of the decrease in the size of TBW’s operations.

20. Bankruptcy Rule 6004(h) provides that an “order authorizing the use, sale or lease of property . . . is stayed until expiration of ten (10) days after entry of the order, unless the court orders otherwise.” Fed. R. Bankr. P. 6004(h). The Debtors request the Court to rule that the ten (10) day stay pursuant to Bankruptcy Rule 6004(h) does not apply, such that an order granting the Motion will be immediately effective

WHEREFORE, the Debtor respectfully requests that the Court enter an order:

- A. granting this Motion;
- B. authorizing the Debtor to enter into and perform the Agreement;
- C. authorizing the Debtor to transfer the interim servicing of the Loans to Selene;
- D. authorizing the Debtor to transfer all borrower funds received post-petition related to the Loans that are currently on deposit in the Debtor's accounts at Regions Bank to Selene to facilitate the payment of borrower T & I and the payment of servicing fees;
- E. vacating the ten (10) day stay provided for in Bankruptcy Rule 6004(h); and
- F. providing such other and further relief as is just and proper.

Dated this 28th day of October 2009.

(a) Servicing of Loans. Servicer shall service and administer the Mortgage Loans that it is obligated to service and administer pursuant to this Agreement on behalf of, in the best interests of and for the benefit of Company (as determined by Servicer, in its good faith and reasonable judgment), in accordance with applicable law, the terms of this Agreement and the terms of the respective Mortgage Loans and, to the extent consistent with the foregoing, further as follows: (i) with the same care, skill and diligence as is normal and usual in its general mortgage servicing and REO property management activities, with respect to mortgage loans and REO properties that are comparable to those for which it is responsible hereunder; (ii) with a view to the timely collection of all scheduled payments of principal and interest under the Mortgage Loans or, if a Mortgage Loan is, comes into and continues in default and if, in the good faith and reasonable judgment of Servicer, no satisfactory arrangements can be made for the collection of the delinquent payments, the maximization of the recovery on such Mortgage Loan to Company; and (iii) to the extent applicable, with the Fannie Mae Guide (the “Servicing Standard”).

(b) Custody of Original Mortgage Loan Documents. Company will select the document custodian and bear the entire cost of establishing and maintaining each document custodian regime required by Company or any other investor with respect to any of the Mortgage Loans. Company will identify each document custodian to Servicer and instruct each custodian to cooperate with reasonable requests of Servicer, especially in connection with the requests for original documents or information to enable Servicer to perform its duties hereunder.

(c) General Authority. Servicer will negotiate with the Mortgagor the terms and conditions of any Modification Transaction within the standards set forth in Section 3(g). Subject to the provisions of Section 2(a) and this Section 2(c), Servicer shall have full power and authority, acting alone to do or cause to be done any and all things in connection with such servicing and administration which it may deem necessary or desirable.

(d) Independent Contractor. The relationship of Servicer to Company is intended by the parties to be that of an independent contractor and not that of a joint venturer, partner or agent.

SECTION 3 - SERVICING ACTIVITIES

(a) Collection of Payments. Servicer shall on behalf of Company diligently collect all payments due from Mortgagors to Company under the Mortgage Loans as they become due, including but not limited to (i) principal, (ii) interest, (iii) all Servicing Advances. All such amounts received on each Mortgage Loan shall be collected and deposited in accordance with procedures from time to time established by Company and Servicer and held separate and apart from Servicer's own funds in one or more Eligible Accounts with account terms and conditions determined by Servicer.

(b) Remittance of Payments. Except as provided for herein, Servicer shall remit to Company payments of principal and interest received pursuant to each Mortgage Loan in accordance with procedures established by Servicer and Company. Servicer shall deduct from the remittances of principal and interest the amount of Servicing Advances paid by Servicer in accordance with Section 3(f) of this Agreement and compensation to be paid to Servicer in accordance with Section 5 of this Agreement (the "Servicing Fee"). Servicer shall retain for its own account all late fees, NSF fees, assumption fees, and other fees collected from the Mortgagor or paid on the Mortgagor's behalf. Notwithstanding anything herein to the contrary, in the event there are insufficient funds in the Operating Account or otherwise collected by Servicer, as the case may be, to pay Servicer any amounts owed under this Agreement, Servicer shall invoice the Company (whether related to Servicing Fees, Servicing Advances or otherwise) and the Company shall pay such invoices. Company shall deposit \$300,000 into the Operating Account on the date Servicer begins servicing the Mortgage Loans and shall promptly deposit such additional sums as are necessary to ensure that the amount in the Operating Account is sufficient to advance expenses and costs necessary to appropriately service and maintain the Company's Mortgage loans and assets.

Company acknowledges that if there are insufficient funds in the Operating Account or otherwise collected by Servicer and Company has not paid amounts due pursuant to invoices submitted by Servicer within the time period provided for in this subsection, Servicer may be unable to make Servicing Advances as those may become due. Service shall not be

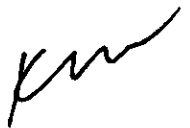

responsible for any consequences resulting from unmade Servicing Advances if funds for such Advances are not available.

(c) Maintenance of Records and Mortgage Files. Servicer shall keep and maintain complete and accurate books and records in connection with its servicing of the Mortgage Loans pertaining to (i) each Mortgage Loan and the collections made thereon and (ii) each remittance made thereon and/or modification thereto and (iii) such other transactions that affect the rights and obligations under the Mortgage Loan and Mortgage. The books and records shall be clearly marked to reflect that the Mortgage Loans are owned by Company. Servicer shall allow Company, or any person or persons authorized by Company full and complete access to the Mortgage Files and the Records in its possession or control at any time during reasonable business hours, permit any such person to make copies thereof and shall make available its personnel to Company, or to such authorized persons at any time during reasonable business hours for the purpose of responding to questions or inquiries regarding the Mortgage Loans and Mortgages and the performance of Servicer's duties hereunder. Company may at its expense during or after the term of this Agreement audit all or any part of Servicer's performance hereunder.

(d) Servicer's Employees and Facilities. Servicer shall maintain and employ throughout the term hereof a sufficient number of qualified employees and third party service providers to perform the servicing activities to be carried out hereunder. Servicer shall maintain throughout the term hereof physical facilities from which the servicing activities can be performed in a manner consistent with the foregoing.

(e) Reports to Company. Servicer shall deliver to Company all reports relating to the Mortgage Loans and REO Properties that are in form and substance and delivered on specified dates or frequency, in each case, reasonably acceptable to Company and Servicer. Such reports shall be timely delivered and include, among other things, a detailed summary of sums expended on behalf of Company and funds withdrawn from the Operating Account. In addition, Servicer shall provide monthly reports verifying the accuracy of the amounts remitted to Company, the servicing compensation, and any withdrawals Servicer has made from the Operating Account.

(f) Servicing Advances. Servicer shall be responsible for ensuring that all necessary payments described as Servicing Advances are made to the extent not Nonrecoverable Advances. Company hereby grants Servicer authority to withdraw funds needed for Servicing Advances from the applicable Operating Account to the extent there are insufficient funds in the Related Escrow Accounts. If sufficient funds are not available in the Operating Account or the Related Escrow Accounts, Company is authorized to reimburse itself from payments of principal and interest received for the Mortgage Loans. Company acknowledges that absent sufficient funds in the Operating Account, Servicer may not be able to make Servicing Advances as those may be due. Servicer will use reasonable efforts

to provide notice to Company that there are insufficient funds in the Operating Account to make future Servicing Advances.

(g) Loan Resolution. Servicer is hereby authorized and empowered to agree to any Modification Transaction, including waiving or varying any term of any Mortgage Loan or Mortgage or consenting to the postponement of compliance with any such term or in any manner grant indulgence to any Mortgagor, in each case, subject to the express terms and conditions for such transactions for such Mortgage Loan and Mortgage or class of Mortgage Loans and Mortgages, as from time to time determined by Company and such transaction is in accordance with the Servicing Standard and Servicer's Customary Servicing Procedures.

(h) REO Property.

- (i) In the event that title to any Mortgaged Property is acquired in foreclosure or by deed in lieu of foreclosure (or other transaction with similar effect), the deed or certificate of sale shall be taken in the name of the Company (an "REO Property"). In connection with an REO Property, Servicer shall manage, conserve, protect and operate each REO Property for Company in accordance with the reasonable operating procedures, which the parties agree will likely be for the purpose of its prompt disposition and sale. Servicer, either itself or through an agent selected by Servicer, shall manage, conserve, protect and operate the REO Property. Servicer shall attempt to dispose of the REO Property on such terms and conditions for such REO Property or class of REO Properties, for the benefit of Company.
- (ii) Servicer shall, in accordance with Section 3(h)(i), also maintain on each REO Property fire and hazard insurance with extended coverage in an amount which is at least equal to the insurable value of the improvements which are a part of such property, liability insurance and, to the extent required and available under the Flood Disaster Protection Act of 1973, as amended, flood insurance and maintain appropriate security over such REO Properties. Servicer will withdraw any sums needed for the foregoing third party expenses from the Operating Account to the extent such are reasonably incurred.
- (iii) The disposition of REO Property shall be carried out by Servicer at such price and upon such terms and conditions as Company shall from time to time determine for such REO Property or class of REO Properties.
- (iv) Servicer shall keep and maintain complete and accurate books and records in connection with its management, conservation, protection, operation and sale

of each REO Property. The books and records shall be clearly marked to reflect that the REO Property is owned by Company. Servicer shall allow Company or any person or persons authorized by the Company full and complete access to such books and records in its possession or control at any time during reasonable business hours, permit any such person to make copies thereof and shall make available its personnel to Company or to such authorized persons at any time during reasonable business hours for the purpose of responding to questions or inquiries regarding the REO Properties and the agents and independent contractors retained to provide services with respect to such assets. Company may at its expense during or after the term of this Agreement audit all or any part of Servicer's performance hereunder.

- (v) In addition to the payments referenced in Section 3(h)(ii) the Servicer shall pay (and be entitled to withdraw any sums needed for such payments) all amounts constituting ground rents, taxes, assessments, water and sewer charges, Primary Mortgage Insurance Policy premiums, if any, FHA insurance premiums, if any, and other payments that were required to be escrowed by the Mortgagor with the mortgagee pursuant to any Mortgage Loan prior to the acquisition of the REO Property.
- (vi) Notwithstanding any provision of this Agreement to the contrary, the Company may instruct the Servicer to suspend or terminate any payments referenced in this Section with respect to the REO Property and the Servicer shall thereafter not have any right to withdraw funds from the Operating Account with respect to such payments.

(i) Litigation. Litigation filed in connection with the Mortgage Loans will be handled in accordance with Exhibit B (Litigation Procedures).

(j) Authorization. Without limiting the generality of the foregoing, Servicer shall continue, and is hereby authorized and empowered, to execute and deliver on behalf of Company all instruments of satisfaction or cancellation, or of partial or full release, discharge and all other comparable instruments, with respect to each Mortgage Loan and with respect to the related Mortgaged Property in accordance with standards set forth in Section 3(g) or other authority from time to time granted by the Company to the Servicer. As reasonably required by Servicer, Company shall furnish Servicer with powers of attorney, in recordable form, and other documents reasonably necessary or appropriate to enable Servicer to carry out its servicing and administrative duties under this Agreement.

(k) Reverse Mortgages. Company has requested Servicer to service approximately twenty-three (23) Mortgage Loans which are home equity conversion mortgages, commonly known as reverse mortgages (the "Reverse Mortgages"). Company and Servicer agree that if either party concludes that the Reverse Mortgages are best subserviced by a third party

subservicer, Servicer shall select such third party subservicer and advise Company of the selection. Company shall pay the market based servicing costs charged by such subservicer for the work performed. If Servicer retains the servicing of the Reverse Mortgages, Company shall pay Servicer the fees shown on Exhibit A. Company acknowledges that advances remain to be disbursed on the Reverse Mortgages and agrees that Servicer shall have no obligation to make any such advances to the mortgagors if sufficient funds are not available in the Operating Account. Servicer shall have sole discretion in deciding the priority of advances to be made either as advances under the Reverse Mortgages or as Servicing Advances; however Servicer intends to make advances under the Reverse Mortgages prior to making other advances. Notwithstanding anything contained herein to the contrary, the transfer of servicing of the Reverse Mortgages will occur at the discretion of the Company.

SECTION 4 - RELATED ESCROW ACCOUNTS

(a) **Maintenance of Related Escrow Accounts.** The Related Escrow Accounts shall be maintained in accordance with any and all applicable federal, state and local laws, ordinances, rules and regulations and the terms of this Agreement. For convenience of administration, the balance in the Related Escrow Accounts and any collections related to the Mortgage Loans may continue to be held in the bank account or accounts heretofore employed by Servicer, provided that the Related Escrow Accounts are Eligible Accounts.

(b) **Permitted Withdrawals from the Related Escrow Account.** Servicer may make withdrawals from the Related Escrow Accounts only (in each case, to the extent permitted by the operative loan documents for the Mortgage Loan) (i) to effect timely payments of items constituting Escrow Payments for the related Mortgage Loan, (ii) to refund to any Mortgagor any funds found to be in excess of the amounts required under the terms of the related Mortgage Loan, (iii) for application to the restoration or repair of the Mortgaged Property, (iv) to pay to the Mortgagor to the extent required by law, interest on the funds deposited in a Related Escrow Account, or (v) to clear and terminate the Related Escrow Account upon the termination of this Agreement.

(c) **Payment of Taxes, Insurance and Other Charges.** With respect to each Mortgage Loan, Servicer shall maintain accurate records reflecting the status of all matters constituting Escrow Payments for the related Mortgage Loan and other charges which are or may become a lien upon the Mortgage Property and the status of Primary Mortgage Insurance Policy premiums, if any, FHA and VA guarantee or insurance premiums and fees, if any, and including fire and hazard insurance coverage, and shall obtain, from time to time, all bills for the payment of such charges (including renewal premiums) and shall effect payment thereof prior to the applicable penalty or termination date and at a time appropriate for

securing maximum discounts allowable, employing for such purposes deposits of the Mortgagor in the Related Escrow Account which shall have been estimated and accumulated by Servicer in amounts sufficient for such purposes, as allowed under the terms of the Mortgage, to the extent not a Nonrecoverable Advance. To the extent that a Mortgage does not provide for Escrow Payments, Servicer shall determine that any such payments are made by the Mortgagor during the period such payments can be made without interest or penalty. Servicer assumes full responsibility for the timely payment of all such bills and shall effect timely payments of all such bills irrespective of each Mortgagor's faithful performance in the payment of same or the making of the Escrow Payments. To the extent there are insufficient funds in the Related Escrow Accounts to make such Escrow Payments, Servicer shall make Servicing Advances in accordance with Section 3(f) of this Agreement.

SECTION 5 - SERVICING COMPENSATION
