Subject: TWA - Spadafora

Russ: **REDACTED**

On a related matter, I just wanted to keep you in the loop as to my communications with your co-counsel at AA. I have, since June, been attempting to communicate with Helen Yu to resolve the Spadafora payments. As I understand it, American agrees to pay any obligation assumed under the APA, and all it needs from Ms. Spadafora--notwithstanding the view that this is American's duty--is support for what she is due. I have provided this information and have been waiting months for a response. Helen acknowledges, but then ignores my requests for a discussion on this issue and the sufficiency of the information I provided. I indicated to Helen, and am simply forwarding the message to you, that since this matter does not appear to be able to be resolved amicably, we are preparing a motion to compel, similar to the DiGioia motion.

Please let me know if you have any questions.

Regards,
--Jim
