This matter is before the Court on the *Motion To Approve Procedures For Billings By And Payments To Professionals Retained In This Case For Fees And Expenses Incurred* (the "Professional Billings Motion"), filed by Faegre Baker Daniels LLP, counsel to the above-captioned debtor and debtor in possession (the "Debtor"). The Court, based on the record before it, finds that (i) it has jurisdiction over the matters raised in the Professional Billings Motion pursuant to 28 U.S.C. §§ 157 and 1334; (ii) this is a core proceeding pursuant to 28 U.S.C. § 157; (iii) the relief requested in the Professional Billings Motion is in the best interests of the Debtor, its estate, and its creditors; (iv) proper and adequate notice of the Professional Billings Motion and the hearing thereon has been given and no other or further notice is

necessary; and (v) good and sufficient cause exists for granting the relief requested in the Professional Billings Motion. Accordingly,

IT IS HEREBY ORDERED that:

1. The Professional Billings Motion is hereby GRANTED.
2. The following billing and payment procedures shall apply to all

Professionals<sup>1</sup> retained in this case:

(b) Concurrent with the Notice, each Professional shall also send to the Debtor and the United States Trustee, a copy of the bill prepared in the ordinary course of business by that Professional on which the Notice is based, and request that the Debtor pay the bill within ten (10) days of receipt of the bill. If the Debtor does not object to the statement within the ten (10) day period, the Debtor shall promptly pay eighty percent (80%) of the Professional's fees and one hundred percent (100%) of the Professional's expenses, except for any portion of the fees and expenses objected to by the Debtor.

(c) Every three (3) months after the Petition Date, or more frequently if circumstances so warrant or the United States Trustee so requests, each Professional will file a formal fee application pursuant to 11 U.S.C. §§ 330 and

---

<sup>1</sup> Unless otherwise defined herein, all capitalized terms shall have the same meaning ascribed to such terms in the Professional Billings Motion.

331, whichever is applicable, reflecting and incorporating all of the services that resulted in all payments by the Debtor in the ordinary course of business. The failure of any party to object to any proposed payment shall not preclude such party from objecting to any formal fee application filed by that Professional.
