**EXHIBIT "A" ATTACHMENT TO
PROOF OF CLAIM OF VADA GROUP LP**

Vada Group LP ("Vada") files this Proof of Claim in the above referenced bankruptcy case as secured creditor and working interest owner as described herein.

1. On September 5, 2007, Vada entered into an agreement with Ram Oil & Gas, LLC ("Ram"), as predecessor to TriDimension Energy, L.P. ("TriDimension" or the "Debtor"), REP Operating, LLC and Britland Resources, LLC (the "Agreement"). Pursuant to the Agreement, Ram agreed to pay Vada Six Million Dollars (\$6,000,000) (the "Purchase Price"), plus the right to participate in the "Ram Option Prospects" and the satisfaction of other obligations created or arising out of the Agreement to purchase a one-quarter (1/4) working interest in certain properties in Louisiana identified in Exhibit A to the Agreement and described in the Agreement as "lease rights...together with easements, contracts and equipment (the "Contract Area")".

2. Pursuant to the Agreement, the Purchase Price was payable by an initial payment of Seven Hundred and Fifty Thousand Dollars (\$750,000), with the unpaid Purchase Price (the "Balance") payable on an installment basis in accordance with subsequent provisions of the Agreement. Currently, the remaining unpaid Balance is approximately \$1,067,501.89 plus

interest as of the Petition Date in the amount of \$253,124.62 for a total claim amount of \$1,320,626.51.

3. Incorporated as part of the Agreement are Joint Operating Agreements on the various wells located in the Contract Area (the “Wells”).

4. In mid-2008, the Debtor notified Vada that it could no longer perform under the Agreement by timely paying the required installment amounts (the “Default”). The Agreement provides that as a result of the Default, Vada is authorized to, *inter alia*, satisfy the installment payments from production revenue. In addition, following its Default, the Debtor consented to Vada recouping the Balance out of proceeds of production from the Wells (“Contract Recoupment Rights”) and Vada enforced its Contract Recoupment Rights prepetition.

5. On May 21, 2010 (the “Petition Date”), the Debtor, along with various related entities (TriDimension and its related entities may be herein referred to collectively as the “Debtors”), each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), thereby commencing the above-captioned bankruptcy cases (collectively, the “Cases”).

6. Vada has complied with the Agreement in all respects, and, under the Agreement and state law has rights of recoupment against the Debtors for recovery of the Balance and any prior unpaid or ongoing costs and expenses associated with realizing production and revenue from the Wells.

7. In addition to Vada’s recoupment rights, Vada has a validly perfected vendor’s lien, as well as a validly perfected operating lien for any unpaid costs and expenses associated with producing the assets as provided for in the parties’ Joint Operating Agreements related to the Contract Area. Vada has perfected its lien rights by recording the operative Joint Operating

Agreements, the Agreement, and the subject conveyance documents. Accordingly, the Proof of Claim is filed as a fully secured claim secured by the properties in the Contract Area and the proceeds of production from any of the Wells.

8. Documents in support of this Claim are voluminous in nature and are summarized below:

- a. The Purchase and Participation Agreement with Ram, as predecessor to TriDimension, REP Operating, LLC and Britland Resources, LLC, including any modifications, supplements, amendments, forbearance agreements or other agreements ancillary to the Agreement and the attached Joint Operating Agreements and documents evidencing the perfection of liens created by the same.
- b. Correspondence between Vada and the Debtors regarding the Agreement, the Balance, JIBs, AFEs and any other correspondence regarding additional participation offerings as contemplated by the Agreement.
- c. Mineral leases for which Vada is lessor.
- d. Authority for Expenditures (“AFEs”).
- e. Accounting documents indicating amounts owed by, amounts paid on behalf of, and amounts accepted by Debtors, including invoices and joint interest billings.
- f. Maps of the properties included in the Contract Area.

9. Copies of the documents that support this Claim have been provided to the Debtors and are available by request to:

10. By filing this Claim, Vada does not voluntarily submit itself to the jurisdiction of this Court for any purpose.

11. By filing this Claim, Vada does not expressly or impliedly waive any right to demand a trial by jury with respect to the claims asserted therein or with respect to any matters which it may be entitled to such a right. Vada expressly reserves the right to demand a trial by jury with respect to the claims asserted in the proof of claim and any other claims it may have or which may be asserted against it.

12. This claim is filed as a secured claim, except to the extent that the security interests arising under the Agreement or applicable law are insufficient to satisfy the claim. To that extent, the remainder of the claim is filed as a Superpriority administrative claim under the Cash Collateral Order and/or Section 507(b) of the Bankruptcy Code and/or as an unsecured claim. Nothing herein contained is or shall be deemed to be a waiver or relinquishment in whole or in part of any security interests or liens securing any indebtedness of the Debtors to Vada. Vada reserves the right to amend or supplement this Claim and/or to file additional Proofs of Claim for additional claims or interests at any time, either before or after any bar date established by the Bankruptcy Court.

13. To the extent possible, the amounts of all payments on Vada's claim as of the Petition Date have been credited and deducted for the purpose of making this Proof of Claim.

14. Vada reserves all rights of setoff and recoupment under the Agreement or applicable law and all similar such rights and nothing herein shall be construed as a waiver thereof.

15. Vada reserves the right to claim all interest, legal fees, and other costs or fees actually incurred in connection with this debt.

16. Vada incorporates this Attachment for all purposes into its Claim.
