| | § | |
| DEBTORS. | § | (Chapter 11) |
| | § | (Jointly Administered) |

**SECOND MOTION TO AUTHORIZE AND RATIFY REJECTIONS
OF VARIOUS CIRCUIT AGREEMENTS**

TO THE HONORABLE HARLIN D. HALE, UNITED STATES BANKRUPTCY JUDGE:

A HEARING WILL BE CONDUCTED ON THIS MATTER ON NOVEMBER 22, 2005, AT 1:30 P.M. IN THE COURTROOM OF THE HONORABLE HARLIN D. HALE, 1100 COMMERCE STREET, 14TH FLOOR, DALLAS, TEXAS. IF YOU OBJECT TO THE RELIEF REQUESTED, YOU MUST RESPOND IN WRITING, SPECIFICALLY ANSWERING EACH PARAGRAPH OF THIS PLEADING. UNLESS OTHERWISE DIRECTED BY THE COURT, YOU MUST FILE YOUR RESPONSE WITH THE CLERK OF THE BANKRUPTCY COURT WITHIN TWENTY (20) DAYS FROM THE DATE YOU WERE SERVED WITH THIS PLEADING. YOU MUST SERVE A COPY OF YOUR RESPONSE ON THE PERSON WHO SENT YOU THE NOTICE; OTHERWISE, THE COURT MAY TREAT THE PLEADING AS UNOPPOSED AND GRANT THE RELIEF REQUESTED.

The above-referenced debtors and debtors in possession (collectively, the “Debtors”)¹ file this Motion to Authorize and Ratify Rejections of Various Circuit Agreements (the “Motion”) and in support thereof the Debtors would show as follows:

JURISDICTION AND PROCEDURAL BACKGROUND

1. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 1334 and 157. This Motion concerns the administration of the estate; and therefore, it is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A).

2. Venue is proper in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

3. On November 1, 2004 (the “Petition Date”), the Debtors each filed a voluntary petition for relief (collectively, the “Cases”) under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”).

4. Since the Petition Dates, the Debtors have continued to operate and manage their businesses as debtors in possession pursuant to Bankruptcy Code §§ 1107(a) and 1108.

5. The Debtors’ Cases are jointly administered under the case styled *In re VarTec Telecom, Inc.*, Case No. 04-81694-HDH-11.

6. On July 29, 2005, the Court entered its *Order (A) Approving the Sale Free and Clear of All Liens, Claims, Rights, Interests and Encumbrances to Comtel Investments LLC and (B) Granting Related Relief (Substantially All of the Debtors’ Remaining Assets)* [Docket No. 1663] in which it authorized the sale of substantially all

¹ The Debtors include VarTec Telecom, Inc., Excel Communications Marketing, Inc., Excel Management Service, Inc., Excel Products, Inc., Excel Telecommunications, Inc., Excel Telecommunications of Virginia, Inc., Excel Teleservices, Inc., Excelcom, Inc., Telco Communications Group, Inc., Telco Network Services, Inc., VarTec Business Trust, VarTec Properties, Inc., VarTec Resource Services, Inc., VarTec Solutions, Inc., VarTec Telecom Holding Company, VarTec Telecom International Holding Company, and VarTec Telecom of Virginia, Inc.

of the Debtors' remaining assets to Comtel Investments LLC ("Comtel") under the Asset Purchase Agreement dated July 25, 2005 by and among the Debtors and Comtel (the "APA").

7. On August 23, 2005, the Court entered its *Stipulation and Order for Assumption and Assignment of Executory Contracts, and Related Cure, Among (I) the Debtor, (II) BellSouth Telecommunications, Inc. and (III) Comtel Telecom Assets LP, and Settlement of Adversary Proceeding No. 05-3233* [Docket No. 1785] (the "BellSouth Stipulation Order").

8. On August 23, 2005, the Court entered its *Stipulation and Order for Assumption and Assignment of Executory Contracts, and Related Cure, Among (i) the Debtor, (ii) the Operating Telephone Company Subsidiaries of Verizon Communications Inc., and (iii) Comtel Telecom Assets LP* [Docket No. 1786] (the "Verizon Stipulation Order").

STATEMENT OF FACTS

Circuit Agreements

9. Under various agreements, certain telecommunication service providers (collectively, the "Providers") lease or provide the Debtors access to a number of telecommunication circuits that are used to transmit voice and data (collectively, the "Circuits"). The Debtors have identified 268 Circuits (collectively, the "Designated Circuits") that are not necessary to the Debtors' reorganization or continued operation; and accordingly, they request authority to reject the executory contracts under which the

Designated Circuits are provided (collectively, the “Agreements”).² The Agreements providing for the Designated Circuits are identified on the list attached hereto as **Exhibit A**. Certain Agreements were created through one of the Debtors opting into tariffs that were filed by certain ILECs with various state public utilities commissions (the “ILEC Agreements”). Accordingly, the ILECs’ tariffs that created the ILEC Agreements are of public record as filed in each respective state. The remaining Agreements are subject to master leases with other CLECs (the “CLEC Agreements”).³ The CLEC Agreements consist of severable schedules. All of the Designated Circuits have already been disconnected through the procedure provided for under the applicable Agreements and as reflected in the Disconnection Dates listed on **Exhibit A**.

10. In addition, the Debtors have disconnected a number of circuits with each of BellSouth and Verizon. The agreements providing for the disconnected BellSouth and Verizon circuits (the “BellSouth and Verizon Circuits”) are identified on the list attached hereto as **Exhibit B**. Pursuant to the BellSouth Stipulation Order, the Debtors are permitted, prior to December 15, 2005, to disconnect circuits with damages, if any, arising from the disconnection being deemed (a) a prepetition unsecured claim if the Final Closing (as defined therein) is not accomplished, and (b) as prepetition unsecured claims except for ordinary course disconnection charges (which do not include any early termination charges) if Final Closing is accomplished. Pursuant to the Verizon Stipulation Order, the Debtors are permitted to disconnect the circuits with damages, if

² The Debtors are not rejecting any Circuits that are not Designated Circuits.

³ Because such Agreements are voluminous, they are not attached to this Motion, but they will be provided to parties in interest upon the receipt of a written request sent to Vinson & Elkins L.L.P., Attn: Pamela Lewis, Paralegal, Trammell Crow Center, 2001 Ross Avenue, Suite 3700, Dallas, Texas 75201-2975.

any, arising from the disconnection being deemed a prepetition unsecured claim. The Debtors followed the procedure under both the BellSouth Stipulation Order and the Verizon Stipulation Order to disconnect the circuits. The BellSouth and Verizon Circuits are no longer necessary for the administration of the Debtors' estates. The inclusion of the BellSouth and Verizon Circuits herein is **not** a request to alter the BellSouth Stipulation Order or the Verizon Stipulation Order. Rather, the inclusion of the BellSouth and Verizon Circuits herein is to obtain ratification of the Debtors' actions which the Debtors submit are consistent with the Court's BellSouth Stipulation Order or the Verizon Stipulation Order.

RELIEF REQUESTED

11. Pursuant to Bankruptcy Code § 365, the Debtors seek authority to reject the Agreements as of the date on which they discontinued their use of the respective Designated Circuits (the "Disconnection Date"), which date is identified on **Exhibit A**. Although certain of the Agreements are schedules to a master agreement, those schedules are severable agreements and the Debtors do not seek authority to assume or reject the schedules, other than the Agreements, at this time. See *Stewart Title Guaranty Co. v. Old Republic Nat'l Title Insur. Co.*, 83 F.3d 735, 741 (5th Cir. 1996).

12. Further, the Debtors seek approval of the disconnection of the BellSouth and Verizon Circuits pursuant to the BellSouth Stipulation Order and the Verizon Stipulation Order, respectively, as of the Disconnection Date listed on **Exhibit B** attached hereto. The approval requested will give the Debtors certainty as to the treatment of the damages, if any, resulting from the disconnection of the BellSouth and Verizon Circuits.

13. Bankruptcy Code § 365 provides that the Debtors, “subject to the Court’s approval, may assume or reject any executory contract and unexpired lease of the debtor.” 11 U.S.C. § 365(a). A debtor operating its business pursuant to Bankruptcy Code §§ 1107 and 1108 must use reasonable judgment in ordinary business matters in its determination of whether to reject executory contracts and unexpired leases.

14. Bankruptcy Code § 365 does not provide a standard for determining when a debtor’s rejection of an executory contract or unexpired lease is appropriate. *In re Monarch Tool & Manufacturing Co.*, 114 B.R. 134 (Bankr. S.D. Ohio 1990). However, most courts acknowledge that the business judgment standard should be applied to determine “whether to authorize the rejection of executory contracts and unexpired leases.” *In re Federated Department Stores, Inc.*, 131 B.R. 808, 811 (Bankr. S.D. Ohio 1991) (citing, *N.L.R.B. v. Bildisco & Bildisco*, 465 U.S. 513, 523 (1984) and *Group of Investors v. Chicago, Milwaukee, St. Paul & Pacific Railroad Co.*, 318 U.S. 523 (1943)). As one court stated, “[A] bankruptcy court . . . need determine only . . . whether disaffirmance would be advantageous to the debtor. The burden or hardship which rejection would impose on other parties to such a contract *is not* a factor to be weighed by the bankruptcy court in ruling upon the debtor’s application.” *Borman’s, Inc. v. Allied Supermarkets, Inc.*, 706 F.2d 187, 189 (6th Cir.) (dicta), *cert. denied*, 464 U.S. 908 (1983) (emphasis added). Therefore, the Debtors may reject any executory contract or unexpired lease provided that they determine, in their business judgment, that rejection would be advantageous to them.

15. The Debtors have determined, in their business judgment, that the Agreements will no longer be necessary to their operations or to effect successful

reorganizations of their businesses, and the failure to reject the Agreements could result in the incurrence of unnecessary expense.

16. As such, the Debtors request that the Court authorize the rejection of each of the Agreements as of the Disconnection Date as set forth on **Exhibit A**. The Agreements are no longer necessary for the continued operation of the Debtors' businesses and do not benefit any of the Debtors' estates. Further, the Debtors request approval of the disconnection of the BellSouth and Verizon Circuits pursuant to the BellSouth Stipulation Order or the Verizon Stipulation Order.

PRAYER

17. The Debtors respectfully request that the Court enter an Order authorizing the rejection of the Agreements as of their respective Disconnection Dates with any costs of retrieval borne by the counterparties. Further, the Debtors request approval of the disconnection of the BellSouth and Verizon Circuits pursuant to the BellSouth Stipulation Order or the Verizon Stipulation Order. The Debtors also request such other and further relief to which they may be justly entitled.

Dated: October 11, 2005

Respectfully submitted,
