**(Chapter 11)  
(Jointly Administered)**

**ORDER GRANTING AMENDED SECOND MOTION TO AUTHORIZE  
AND RATIFY REJECTIONS OF VARIOUS CIRCUIT AGREEMENTS**

On November 22, 2005, the Court considered the Amended Second Motion to Authorize and Ratify Rejections of Various Circuit Agreements [Docket No. 2032] (the "Motion")<sup>1</sup> filed by the above-referenced debtors and debtors in possession (the "Debtors"). The Court finds that the Debtors have exercised sound business judgment to determine that the Agreements as provided herein, should be rejected. The Court further finds that adequate notice of this Motion has been given and no other notice needs to be given. Therefore, it is

---

<sup>1</sup> Capitalized terms not defined herein shall have the meaning given to them in the Motion.

**ORDERED** that the Motion is **GRANTED** as set forth below. It is further

**ORDERED** that the Motion as to the Agreements set forth on **Exhibit A** are disconnected as set forth in the BellSouth Stipulation Order. As set forth in the BellSouth Stipulation Order, any damages arising from the disconnection of the Agreements on **Exhibit A** are deemed (a) a prepetition unsecured claim if the Final Closing (as defined in the BellSouth Stipulation Order) is not accomplished, and (b) as prepetition unsecured claims except for ordinary course disconnection charges (which do not include any early termination charges) if Final Closing is accomplished. It is further

**ORDERED** that, to the extent that any circuit identified on **Exhibit B** has termination penalties associated with it that would result from a rejection of its associated Verizon Network Agreement (as defined in the Verizon Stipulation Order), such associated Verizon Network Agreement is rejected as of the date of disconnection, and any termination penalties or other claims arising from such rejection shall be deemed prepetition claims of Verizon against the Debtors and subject to the release provision by Verizon in the Verizon Stipulation Order. Nothing contained herein shall modify or otherwise alter the terms of the Verizon Stipulation Order. It is further

**ORDERED** that a hearing on the Agreements set forth in **Exhibit C** (the “Sprint Agreements”) will be scheduled for December 13, 2005 at 1:30 p.m. or the next scheduled omnibus hearing for the Debtors so that the parties can continue to negotiate a possible settlement. It is further

**ORDERED** that the Agreements set forth in **Exhibit D** (the “Broadwing Agreements”) are deemed disconnected as of the Disconnection Date set forth on **Exhibit D** and all damages, if any, arising from the disconnection shall be prepetition

general unsecured claims and such general unsecured claims are not payable as cure costs if the Debtors assume any Broadwing circuit agreements or other Broadwing agreements. Broadwing Communications, LLC (“Broadwing”) and the Debtors reserve all of their rights and legal positions regarding the claims arising prior to the Disconnection Date set forth on **Exhibit D**. Nothing contained herein shall preclude Broadwing or the Debtors from taking future positions as to other agreements, excluding the Broadwing Agreements, that are inconsistent with the relief granted herein. It is further

**ORDERED** that the Agreements set forth in **Exhibit E** (the “WilTel Agreements”) are deemed rejected as of the Disconnection Date set forth on **Exhibit E** and all damages, if any, arising from the rejection shall be prepetition unsecured claims. WilTel Communications, L.L.C. f/k/a Williams Communications, L.L.C. (“WilTel”) and the Debtors reserve all of their rights and legal positions regarding the claims arising prior to the Disconnection Date set forth on **Exhibit E**. Nothing contained herein shall preclude WilTel or the Debtors from taking future positions as to other agreements, excluding the WilTel Agreements, that are inconsistent with the relief granted herein. It is further

**ORDERED** that the Agreements set forth on **Exhibit F** shall be rejected and terminated effective as of the Disconnection Date, and, unless the Debtors and the respective counterparty agree otherwise, the respective counterparties to the Agreements shall retrieve any property relating to the Agreements within a reasonable time with the cost of such retrieval to be borne by such counterparties. It is further

**ORDERED** that to the extent that a counterparty to an Agreement set forth on **Exhibit F** refuses to timely retrieve personal property relating to the Agreements, the Debtors are authorized to abandon and/or dispose of such property by any reasonable

means and shall have a claim against such counterparty for the costs of such abandonment or disposition.
