## FIRST CLAIM FOR RELIEF Breach of Contract

- 23. The allegations set forth in paragraphs 1 though 22 are re-alleged and incorporated by reference as if fully set forth within.
- 24. Plaintiff and Defendants entered into a valid binding contract, the terms of which governed their relationship.
- 25. The contract consists of the UFOC, the Franchise Agreement and any Addendum to these documents. A copy of the UFOC, containing the Franchise Agreement is attached hereto as Exhibit F.
- 26. Item 5 of the UFOC states the following:
  - The initial franchise fee will also be refunded in the event the independent paralegal document preparation business is determined to be illegal in your state.
- 27. By virtue of the Consent Judgments entered on July 18, 2006 against, among others, Dollar, WTPA and WTP National, the activities of WTP franchises have been determined to be in violation of North Carolina Law and, therefore, illegal.

# SECOND CLAIM FOR RELIEF Fraud as to Defendants Ira Distenfield And the Successors in Interest to WTPFSC

- 31. The allegations set forth in paragraphs 1 through 30 are re-alleged and incorporated by reference as if fully set forth within.
- 32. Plaintiffs were provided with a Uniform Franchise Offering Circular (UFOC) dated April 20, 2003 at or about the time they purchased a franchise.
- 33. In the UFOC and through Defendant Ira Distenfield at the April 2, 2004 meeting, Plaintiff George Hunt was provided with certain facts regarding the franchise.
- 34. The UFOC at Item 1, B states the following:

"The company will designate a supervising attorney in each state who will be available, at your expense, during reasonable business hours for consultation on general legal issues that may be presented by you or your customers."

- 35. Defendant Ira Distenfield reiterated the fact that a supervising attorney would be made available to Plaintiffs at the meeting on April 20, 2004.
- 36. At the time these statements were made, Plaintiff Ira Distenfield and WTPFSC were aware that the United States Bankruptcy Court for the Eastern District of North Carolina, Raleigh Division, found in a March 20, 2003 decision that services provided by the Raleigh Franchise of WTP violated statutes prohibiting the unauthorized practice of law and enjoined the company from providing the services of a supervising attorney, as it was found to be an unfair and deceptive trade practice.
- 37. At the time the statements were made to Plaintiff George Hunt, Defendant Ira Distenfield and WTPFSC knew the statements were false in that the WTP could not, legally, provide the services of a supervising attorney.
- 38. Statements regarding the availability of a supervising attorney were made with the intent that Plaintiff rely on the truth of the statements.
- 39. Plaintiffs allege further that Ira Distenfield and WTPSFC, through the UFOC, made statements regarding the availability of a supervising attorney as an inducement to Plaintiffs or, alternatively, to offer some comfort to Plaintiffs in the purchase of a franchise.

- 40. Plaintiffs did, in fact, rely on these statements, as evidenced by the purchase two franchises.
- Plaintiffs believed and relied upon the statements of Ira Distenfield and WTPFSC, or their successor in interests, through the UFOC and Franchise Agreement.

### THIRD CLAIM FOR RELIEF Fraudulent Misrepresentation As to all Defendants

- 42. The allegations set forth in paragraphs 1 thorough 41 are re-alleged and incorporated by reference as if fully set forth within.
- 43. At the time of the meeting between Plaintiff George Hunt and Defendant Ira Distenfield, Defendant Ira Distenfield led Plaintiff George Hunt to believe that WTPMC could change more than approximately \$200.00 per Bankruptcy petition.
- 44. At the time Defendant Ira Distenfield led Plaintiff George Hunt to believe this fact, Defendant Ira Distendfield knew, or should have known, that the approved charges in North Carolina to assist with bankruptcy petitions was \$80.00.
- 45. Defendant Ira Distenfield, for himself and on behalf of WTPFSC and its successors in interest, deliberately concealed the correct information regarding bankruptcy fees.
- 46. Defendant Ira Distenfield, for himself and on behalf of WTPFSC and its successors in interests, concealed the truth about bankruptcy fees so that Plaintiff would believe that the opportunity for success in his franchise was greater than in reality.
- 47. Without correct information, Plaintiffs did, in fact, believe the opportunity for success was greater, as evidenced by the purchase of two franchises (Mecklenburg County and the remainder of North Carolina).
- 48. As a result of Plaintiff's reliance on the fraudulent misrepresentations of Defendant Ira Distenfield, for himself and on behalf of WTPFSC and its successors in interest, Plaintiffs have been damaged in an amount to be more specifically proven at trial, but in no event less than \$15,000.00.

## FOURTH CLAIM FOR RELIEF Unjust Enrichment and Quantum Meriut

- 49. The allegations set forth in paragraphs 1 through 48 are re-alleged and incorporated by reference as if fully set forth within.
- 50. Defendants have been unjustly enriched as a direct and proximate result of their inequitable conduct.
- 51. Defendants have not returned the initial franchise fee for the territories, as required by the contract.
- 52. As a direct and proximate result of Defendant's conduct, Plaintiff has suffered damages in an amount to be proven at trial but in no event less than \$15,000.00.

### FIFTH CLAIM FOR RELIEF Violation of Business Opportunities Act NCGS 66-94, et. seq.

- 53. The allegations set forth in paragraphs 1 through 52 are re-alleged and incorporated by reference as if fully set forth within.
- 54. NCGS 66-94 et. seq. requires of the Defendants, or sellers of a business opportunity in North Carolina, that certain information be provided in the disclosure statement including, but not limited to, the following:
  - a) Whether the seller's officers, directors, trustees, general partners, general managers, principal executives, and any other persons charged with responsibility for the seller's business activities to disclose whether they have been the subject of any legal or administrative proceeding alleging the violation of any business opportunity or franchise law, or fraud, embezzlement, fraudulent conversion, restrain of trade, unfair or deceptive practices, misappropriation of property or comparable allegations, and
  - b) Has been the subject of any Bankruptcy, reorganization or Receivership proceeding, or was an owner, a principal officer or a general partner of any entity which has been the subject to such proceeding.
- 55. Pursuant to NCGS 66-94, et. seq., a disclosure statement is required to set forth the nature and parties to any action or proceeding, the Court or forum, the date, the current status of the action or proceeding, the terms and conditions of any order or decree, the penalties or damages assessed and/or

- terms of settlement, and any other information to enable the purchaser to assess the prior business activities of the seller.
- 56. Pursuant to NCGS 66-94 et. seq., a full and detailed description of the actual services that the business opportunity seller undertakes to perform for the purchaser is required.
- 57. Pursuant to NCGS 66-94 et. seq., a copy of the current (not older than 13 months) financial statement of the seller, updated to reflect any material changes in the seller's financial condition.
- Pursuant to NCGC 66-94 et. seq., if the seller makes any statement concerning sales or earnings, or range of sales or earnings that may be made through the business opportunity, the disclosure statement must include (a) the total number of purchasers who, to the seller's knowledge, have actually received earnings in the amount or range specified, within 3 years prior to the date of the disclosure statement and (b) the total number of purchasers of the business opportunity involving the product being offered within 3 years prior to the date of the disclosure statement.
- 59. NCGS 66-94 et. seq. also requires that the seller file two copies of the disclosure statement with the Secretary of State of North Carolina prior to placing any advertisement or making any other representation to prospective purchasers in this State.
- 60. NCGS 66-94 et. seq. also prohibits a business opportunity seller from representing that the business opportunity provides income or earning potential of any kind unless the seller has documented data to substantiate the claims of income or earning potential and discloses this data to the prospective purchaser at the time such representations are made.
- 61. The UFOC presented by the Sellers, Defendants Ira Distenfield, Linda Distenfield, WTPFSC and its successors in interest, liability for which was adopted by the other Defendants in this action, fails to meet the requirements of NCGS 66-94 et. seq., thereby providing remedy to the Plaintiffs, as allowed by Statute.
- 62. Plaintiffs, in reliance upon the information provided in the UFOC and by the Defendants, have been damaged in an amount to be more specifically proven at trial, but in no event less than \$15,000.00.
- 63. Pursuant to NCGS 66-100(e), violations of this article constitute unfair and deceptive practice under NCGS 75-1.1, thereby entitling Plaintiff to recovery for damages, including reasonable attorney's fees.

### SIXTH CLAIM FOR RELIEF Fraud in the Inducement

- 64. The allegations set forth in paragraphs 1 through 63 are re-alleged and incorporated by reference as if fully set forth within.
- 65. At the time Defendant Ira Distenfield met with Plaintiff George Hunt to discuss the possible sale and purchase of a franchise, Defendant Ira Distenfield led Plaintiff George Hunt to believe that, among other services to be provided by the seller, a supervising attorney would be provided to WTPMC.
- 66. Further, Defendant Ira Distenfield led Plaintiff George Hunt to believe that a franchise operating in Mecklenburg County could expect to generate a significant annual income from a WTP Franchise.
- 67. Defendant Ira Distenfield, for himself and on behalf of WTPFSC and its successors in interest, deliberately concealed correct information regarding the availability of a supervising attorney and/or the prospects for success, as well as other facts.
- 68. Defendant Ira Distenfield, for himself and on behalf of WTPFSC and its successors in interest, concealed the truth about the availability of a supervising attorney and the possibility for success, as well as other facts, so that Plaintiff would purchase a franchise.
- 69. Without correct information, Plaintiffs did, in fact, believe the misinformation provided by the Defendants, as evidenced by the purchase of two franchises (Mecklenburg County and the remainder of North Carolina).
- 70. The activities of the Defendants constitute Fraud in the Inducement in that, had the Plaintiffs known the truth regarding the availability of a supervising attorney and the prospects for success, as well as other concealed facts, Plaintiffs would not have purchased either franchise.
- 71. As a result of the Defendants' Fraud in the Inducement, perpetrated by Defendant Ira Distenfield, for himself and on behalf of WTPFSC and its successors in interest, Plaintiffs have been damaged in an amount to be more specifically proven at trial, but in no event less than \$15,000.00.

Wherefore Plaintiff Prays the Court that,

- 1. Plaintiff have and recover judgment against Defendants in excess of \$15,000.00 on all claims on Count One;
- 2. Plaintiff have and recover judgment against Defendants in excess of \$15,000.00 on all claims on Count Two;
- 3. Plaintiff have and recover judgment against Defendants in excess of \$15,000.00 on all claims on Count Three;
- 4. Plaintiff have and recover judgment against Defendants in excess of \$15,000.00 on all claims on Count Four;
- 5. Plaintiff have and recover judgment against Defendants in excess of \$15,000.00 on all claims on Count Five;
- 6. Plaintiff have and recover judgment against Defendants in excess of \$15,000.00 on all claims on Count Six;
- 7. That the Court determines that the Defendants violated NCGS 66-94, et. seq.
- 8. That the Plaintiff's actual damages be trebled pursuant to N.C. Gen. Stat. 75-1.1 and N.C. Gen. State. 66-94, et. seq.;
- 9. That Plaintiff be awarded punitive damages;
- 10. That Plaintiff's recover the costs of this action, including reasonable attorney's fees, as allowed by law.
- 11. That all issues herein be tried by a jury.
- 12. Any such other further relief as the Court may deem appropriate under the law.
