INSTRUCTIONS FOR PROOF OF CLAIM FORM

The instructions and definitions below are general explanations of the law In particular types of cases or circumstances such as bankruptcy cases that are not filed voluntarily by a debtor there may be exceptions to these general rules

DEFINITIONS

Debtor

The person, corporation, or other entity that has filed a bankruptcy case is called the debtor

Creditor

A creditor is any person corporation, or other entity to whom the debtor owed a debt on the date that the bankruptcy case was filed

Proof of Claim

A form telling the bankruptcy court how much the debtor owed a creditor at the time the bankruptcy case was filed (the amount of the creditor s claim) This form must be filed with the clerk of the bankruptcy court where the bankruptcy case was filed

Secured Claim

A claim is a secured claim to the extent that the creditor has a lien on property of the debtor (collateral) that gives the creditor the right to be paid from that property before creditors who do not have liens on the property

Examples of liens are a mortgage on real estate and a security interest in a car, truck, boat, television set, or other item of property A lien may have been obtained through a court proceeding before the bankruptcy case began, in some states a court judgment is a lien In addition, to the extent a creditor also owes money to the debtor (has a right of setoff) the creditor s claim may be a secured claim (See also *Unsecured Claim*)

Unsecured Claim

If a claim is not a secured claim it is an unsecured claim A claim may be partly secured and partly unsecured if the property on which a creditor has a lien is not worth enough to pay the creditor in full

Unsecured Priority Claim

Certain types of unsecured claims are given priority, so they are to be paid in bankruptcy cases before most other unsecured claims (if there is sufficient money or property available to pay these claims) The most common types of priority claims are listed on the proof of claim form Unsecured claims that are not specifically given priority status by the bankruptcy laws are classified as *Unsecured Nonpriority Claims*
