(“Applicant”) as financial advisors to Debtors submits its Third and Final Fee Application for Interim Allowance of Compensation and Reimbursement of Expenses for the period May 28, 2007 through and including August 17, 2007 (the “Application”) under 11 U.S.C. §§ 330 and 331. In support of this Application, Applicant states as follows:

**I. INTRODUCTION**

1. On September 20, 2006 (the “Petition Date”), each Debtor filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code. Pursuant to an order entered by the Court on September 26, 2006, the Cases are being jointly administered for procedural purposes only.

United States Trustee appointed an official committee of unsecured creditors. No trustee or examiner has been appointed.

3. On September 20, 2006, Debtors filed an Application for Entry of an Order, Pursuant to Sections 327(a) and 328(a) of the Bankruptcy Code and Bankruptcy Rule 2014(a), Authorizing Debtors to Employ and Retain Applicant as financial advisors to Debtors Effective as of the Petition Date. The Applicant's retention was approved by Court Order entered on October 13, 2006, attached hereto, as **Exhibit A**. Applicant submitted to the court on February 22, 2007 a Supplemental Declaration of John DiDonato stating that Glass & Associates, Inc. was acquired by Huron Consulting Group and verifying that there are no conflicts with Huron Consulting Group, Attached hereto, as **Exhibit B**.

4. From the Petition Date to January 2007, the Debtors liquidated their business operations and assets. The Debtors ceased manufacturing operations at all facilities on December 20, 2006. Certain of the Debtors' facilities were sold as going concerns and the assets at the remaining facilities were liquidated by an auctioneer.

5. The Debtors liquidation was highly successful and resulted in sufficient proceeds to pay off the Debtors' secured lender, Wachovia Capital Finance Corporation ("Wachovia"), in full. In addition to the payment of all secured claims, the Debtors' liquidation has generated approximately \$10 million for distribution to unsecured creditors.

6. On July 25, 2007, this Court entered its Order Confirming First Amended Joint Plan of Liquidation under Chapter 11 of the Bankruptcy Code Proposed by the Debtors and The Official Committee of Unsecured Creditors (the "Confirmation Order"). The Confirmation Order establishes the CEP Liquidating Trust (the "Trust") and effectuates a transfer of the claims and liabilities of the Debtors to the Trust. On August 17, 2007, the

Effective Date (as defined in the Confirmation Order) occurred and the Debtors' assets and liabilities were transferred to the Trust.

7. Pursuant to the Confirmation Order, Huron hereby submits this Final Application.

#### **IV. LODESTAR ANALYSIS**

21. Applicant submits the following lodestar and Johnson factors analysis in support of its request for allowance of fees and disbursements. These standards have been adopted by most courts. Applicant respectfully submits that a consideration of these factors should result in this Court's allowance of the full compensation sought.

22. **The Time and Labor Required.** The professional services rendered by Applicant on behalf of the Debtors have required continuous expenditure of substantial time and effort, under time pressures that on a regular basis required the performance of services late into the evening and during weekends, often to the exclusion of other clients. The services rendered required a high degree of professional competence and expertise to be administered with skill and dispatch.

23. **The Novelty and Difficulty of Questions.** Effective advocacy and a creative approach have been and will continue to be crucial to clarify and resolve new and often challenging issues raised in these cases.

24. **The Skill Requisite to Perform the Legal Services Properly.** The firm's recognized expertise in the area of corporate reorganization, its ability to draw from highly experienced professionals in other areas of its practice, and its creative approach to the resolution of issues have and will contribute to the maximization of distributions to creditors.

25. **The Customary Fee.** The fees sought herein are based upon the firm's normal hourly rates for services of this kind. Applicant respectfully submits that the fees sought are not unusual given the magnitude and complexity of these cases and the time expended in attending to the representation of the Debtors. The fees requested are commensurate with fees Applicant has been awarded in other cases, as well as with fees charged by other professionals of comparable experience.

26. **Whether the Fee is Fixed or Contingent.** Pursuant to Sections 330 and 331 of the Bankruptcy Code, all fees sought by professionals employed under Section 327 of the Code are contingent pending final approval by this Court, and are subject to adjustment dependent upon the services rendered and the results obtained.

27. **Time Limitations Imposed by Client or Other Circumstances.** The firm has been required to address certain issues arising in these cases in a compressed and urgent time-frame. As a result, Applicants professionals have had to perform services under significant time constraints requiring professionals assigned to these cases to work evenings and weekends.

28. **The Amount Involved and Results Obtained.** The firm has been an active participant in these chapter 11 cases, and has provided constructive assistance to resolving major obstacles. The firm believes its efforts will enhance recoveries available to the Debtors' creditors, and assist the efficient administration of these cases.

#### V. ALLOWANCE OF COMPENSATION

29. The allowance of interim compensation for services rendered and reimbursement of expenses in bankruptcy cases is expressly provided for in section 331 of the Bankruptcy Code:

Any professional person...may apply to the court not more than once every 120 days after an order for relief in a case under this title, or more often if the court permits, for such compensation for services rendered...as is provided under section 330 of this title.

11 U.S.C. § 331. Moreover, this Court has authorized the filing of this Application in the Administrative Order.

30. With respect to the level of compensation, section 330(a)(1) of the Bankruptcy Code provides, in pertinent part, that the Court may award to a professional person "reasonable compensation for actual, necessary services rendered...." Section 330(a)(3)(A), in turn, provides:

In determining the amount of reasonable compensation to be awarded, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

(A) the time spent on such services;

(B) the rates charged for such services:

(C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;

(D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and

(E) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3)(A). The clear Congressional intent and policy expressed in this statute is to provide for adequate compensation in order to continue to attract qualified and competent bankruptcy practitioners to bankruptcy cases.

31. Throughout these cases, Applicant has carefully coordinated its efforts with other professionals. The work involved, and thus the time expended, was carefully assigned in light of the experience and expertise required for a particular task. As shown by this Application and supporting documents, the firm spent its time economically and without unnecessary duplication.

32. Applicant incurred actual and necessary out-of-pocket expenses in connection with rendering professional services to the Debtors in the sums indicated on **Summary Sheet 2(Expenses)** for which Application respectfully requests full reimbursement. The disbursements and expenses have been incurred in accordance with the firm's normal practice of charging clients for expenses clearly related to and required by particular matters. Applicant has endeavored to minimize these expenses to the fullest extent possible.

33. Applicant's billing rates do not include charges for photocopying, telephone and telecopier toll charges, computerized research, travel expenses, "working meals," secretarial overtime, postage, and certain other office services, since the needs of each client for such services differ. In these proceedings, Applicant charges include an administrative charge of 2% of hourly fee billings for indirect costs including long-distance

telephone charges, cell phone charges, facsimiles, normal postage, in-house photocopying and in-house printing. The expenses incurred by Applicant are in compliance with the Administrative Order and Guidelines.

34. No agreement or understanding exists between Applicant and any other person for the sharing of any compensation to be received for professional services rendered or to be rendered in connection with these cases.

35. No prior application has been made in this or in any other Court for the relief requested herein for the Interim Period.

WHEREFORE, Applicant respectfully requests that this Court enter an Order:

1. approving the final allowance for compensation of professional services rendered to the Debtors from May 28, 2007 through and including August 17, 2007, in the sum of \$30,660.00;

2. approving the reimbursement of Applicant's out-of-pocket expenses incurred in connection with the rendering of such professional services from May 28, 2007 through and including August 17, 2007, in the sum of \$1,151,24;

3. approval and final allowance for compensation previously sought in the amount of \$777,625.00 for period September 20, 2006 through May 27, 2007;

4. approval and final allowance for reimbursement of expenses previously sought in the amount of \$62,811.78 for period September 20, 2006 through May 27, 2007;

5. authorizing and directing the Debtors to pay the remaining 10% holdback from the first fee application period of \$62,060.00

6. authorizing and directing the Debtors to pay the remaining 20% holdback from the second fee application period of \$31,405.00

7. authorize the applicant to use the remaining retainer of \$12,940.00 to apply to unpaid amounts due as of today is \$117,896.24. , less amounts that have been paid by the Debtors as of the date of this Application (described on page 2); and

8. granting such other and further relief as this Court may deem just and proper.
