Disclosures and Other Information

Pricing - Securities prices may vary from actual liquidation value. Prices shown should only be used as a general guide to portfolio value. Prices are received from various pricing services. However, pricing services are sometimes unable to provide timely information. Where pricing sources are not readily available, particularly on certain debt securities, estimated prices may be generated by a matrix system taking various factors into consideration. The pricing of listed options takes into account the last closing price, as well as the current bid and offer prices. Where securities have not been priced, such securities have not been included in the Asset Allocation information at the beginning of this statement.

The Estimated Price as of Date only appears when the price date does not equal the statement date and the price indicated is estimated since it is not reflective of a last trade price on a recognized exchange.

Reinvestment - The dollar amount of Mutual Fund distributions, Money Market Fund dividend income, Bank Deposit interest income, or dividends for other securities shown on your Statement may have been reinvested. You will not receive confirmation of these reinvestments. However, information pertaining to these transactions which would otherwise appear on confirmations, including the time of execution and the name of the person from whom your security was purchased, will be furnished to you upon written request to your introducing firm. In dividend reinvestment transactions, Pershing acts as your agent and receives payment for order flow, the source and nature of which payment will be furnished to you upon written request to your introducing firm.

Foreign Currency Transactions - Pershing may execute foreign currency transactions as principal for your account. Pershing may automatically convert foreign currency to or from U.S. dollars for dividends and

Portfolio Holdings *(continued)*

similar corporate action transactions unless you instruct your financial organization otherwise. Pershing's currency conversion rate will not exceed the highest interbank conversion rate identified from customary banking sources on the conversion date or the prior business day, increased by up to 1%, unless a particular rate is required by applicable law. Your financial organization may also increase the currency conversion rate. This conversion rate may differ from rates in effect on the date you executed a transaction, incurred a charge, or received a credit. Transactions converted by agents (such as depositories) will be billed at the rates such agents use.

Proxy Vote - Securities held by you on margin (securities not fully paid for by you) may be lent by Pershing to itself or others in accordance with the terms outlined in the Margin Agreement. The right to vote your shares held on margin will be reduced by the amount of shares on loan. The Proxy Voting Instruction Form sent to you may reflect a smaller number of shares entitled to vote than the number of shares in your margin account.

Pershing has been advised by your financial organization that it does not receive payment for directing order flow. See the Terms and Conditions section of your brokerage account statement for a description of Pershing's payment for order flow practices.

For additional information regarding order-routing practices and the venues to which your financial organization's orders are routed, you may visit orderroutingdisclosure.com.

Upon written request to your financial organization, you may obtain the identity of the venue to which your orders were routed for the six months prior to your request and the time of transactions that may have resulted from such orders.

In third quarter 2011, the bank owner of the routing transit number for ProCash Plus® accounts will change from JPMorgan Chase to United Missouri Bank (UMB). The routing transit number is the nine-digit number at the bottom of standard checks and will not change in any way, since it is moving from JPMorgan Chase to UMB.

You are not required to take any action, and there will be no change in your check writing services. You will be able to use your existing checks after June 30. However, if you order new checks after that date, the new checks will reflect that they are payable through UMB.

AS REQUIRED UNDER REGULATION E OF THE BOARD OF GOVERNORS OF THE FEDERAL RESERVE SYSTEM, WE ARE REQUIRED TO NOTIFY YOU OF YOUR RIGHTS CONCERNING ELECTRONIC TRANSFERS.

IF YOU HAVE ANY QUESTIONS ABOUT ELECTRONIC TRANSFERS, CALL PERSHING'S ASSET MANAGEMENT DEPARTMENT AT (800) 547-7008 OR AT (201) 413-4625. YOU MAY ALSO WRITE TO

Effective June 1, 2010, **each** paper brokerage account statement and **each** trade for which a confirmation is produced and delivered in paper format became subject to a separate paper surcharge of $1.00. **To avoid these surcharges, you will need to turn off paper delivery for your account(s) by applying for online access to account information.** There are two options available to you in order to avoid paying these charges:

A. Apply for online access to REAL TIME information about your account(s) by going to www.investorscapital.com, or

B. Apply for online access only to your statements and confirms by going to www.myedocumentsuite.com.

We strongly recommend that you use Option A applying at www.investorscapital.com as this application process is much faster and simpler and also results in access to real time account information. There is no application fee in either case.

Option A. Apply for real time access through Investors Capital (RECOMMENDED):

Go to the www.investorscapital.com, and click on the link in the upper right hand corner "Apply for Online Access".

A popup screen will appear, input all required information (account number, mother maiden name, login id, etc.), and hit the submit button.

Within 48-72hours the client will receive an email with their login id and temporary password.

Go back to our website www.investorscapital.com, and click on the link "Client Login" (located in the upper right hand corner of the web page).

Option B. Apply access only to statements and confirms by enrolling in myedocumentsuite.com :

ú Provide user information, including a valid email address.

ú Verify identity to help ensure the safety and security of your information.

ú Create a user ID and secure password.

An email will be sent to the email address provided. Click the link inside the email that you receive to complete enrollment. You will be redirected to myedocumentsuite.com and can then log in with your

Messages *(continued)*

self-created user ID and secure password that you established in a previous step above.

For your protection, you must select and answer a set of challenge questions and choose an image and personal phrase the first time you log in. You will be presented with a list of accounts associated with your SSN. All accounts will default to electronic delivery. **You need to click "Save" to confirm all choices.**

ú You will receive a letter in the mail and an email to confirm your choices. After this, you will only receive statements or confirms electronically. It takes five business days for delivery preferences to be confirmed.

ú You can view historical data and view, print or download your statements and trade confirmations. You will receive an email whenever a new document is available to view online.

You may change your decision at any time. To resume receiving paper copies of statements or trade confirmations, simply change your delivery preferences. This will subject you again to the paper format surcharges.

Important Arbitration Agreement and Important Arbitration Disclosures

Important Arbitration Agreement

Any controversy between you and Pershing LLC shall be submitted to arbitration before the Financial Industry Regulatory Authority. No person shall bring a putative or certified class action to arbitration, nor seek to enforce any predispute arbitration agreement against any person who has initiated in court a putative class action, who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until; (I) the class certification is denied; (II) the class is decertified; or (III) the customer is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this agreement except to the extent stated herein. The laws of the State of New York govern.

Important Arbitration Disclosures

- All parties to this agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.
- Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
- The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.
- The arbitrators do not have to explain the reason(s) for their award.
- The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.
- The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
- The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this agreement.
