Disclosures and Other Information

Pricing - This section includes the net market value of the securities in your account on a settlement date basis, including short positions, at the close of the statement period. The market prices have been obtained from quotation services, which we believe to be reliable; however, we cannot guarantee their accuracy. Securities for which a price is not available are marked "N/A" and are omitted from the Total.

The estimated annual income (EAI) and estimated current yield (ECY) figures are estimates and for informational purposes only. These figures are not considered to be a forecast or guarantee of future results. These figures are computed using information from providers believed to be reliable; however, no assurance can be made as to the accuracy. Since interest and dividend rates are subject to change at any time, and may be affected by current and future economic, political, and business conditions, they should not be relied on for making investment, trading, or tax decisions. These figures assume that the position quantities, interest and dividend rates, and prices remain constant. A capital gain or return of principal may be included in the figures for certain securities, thereby overstating them. Refer to www.pershing.com/business_continuity.html for specific details as to formulas used to calculate the figures. Accrued interest represents interest earned but not yet received.

The Estimated Price as of Date only appears when the price date does not equal the statement date and the price indicated is estimated since it is not reflective of a last trade price on a recognized exchange.

Portfolio Holdings (continued)

Reinvestment - The dollar amount of Mutual Fund distributions, Money Market Fund dividend income, Bank Deposit interest income, or dividends for other securities shown on your Statement may have been reinvested. You will not receive confirmation of these reinvestments. However, information pertaining to these transactions which would otherwise appear on confirmations, including the time of execution and the name of the person from whom your security was purchased, will be furnished to you upon written request to your introducing firm. In dividend reinvestment transactions, Pershing acts as your agent and receives payment for order flow, the source and nature of which payment will be furnished to you upon written request to your introducing firm.

Foreign Currency Transactions - Pershing may execute foreign currency transactions as principal for your account. Pershing may automatically convert foreign currency to or from U.S. dollars for dividends and similar corporate action transactions unless you instruct your financial organization otherwise. Pershing's currency conversion rate will not exceed the highest interbank conversion rate identified from customary banking sources on the conversion date or the prior business day, increased by up to 1%, unless a particular rate is required by applicable law. Your financial organization may also increase the currency conversion rate. This conversion rate may differ from rates in effect on the date you executed a transaction, incurred a charge, or received a credit. Transactions converted by agents (such as depositories) will be billed at the rates such agents use.

Proxy Vote - Securities held by you on margin (securities not fully paid for by you) may be lent by Pershing to itself or others in accordance with the terms outlined in the Margin Agreement. The right to vote your shares held on margin will be reduced by the amount of shares on loan. The Proxy Voting Instruction Form sent to you may reflect a smaller number of shares entitled to vote than the number of shares in your margin account.

Please contact your investment professional or financial organization for more information.

****Investors Capital Corporation ("ICC") has implemented a \$2.88 annual account maintenance fee for each account. This fee is designed to help offset both the general costs related to servicing your account and the increased costs of providing the protections offered by the Securities Investor Protection Corporation (SIPC®) to our clients. ICC is a member of SIPC which, in appropriate circumstances, provides account protection for securities up to \$500,000 in value, including a maximum of \$250,000 in cash awaiting reinvestment. SIPC provides protection for clients of brokerage firms against losses should a SIPC member firm fail financially and become unable to meet obligations to its securities clients. SIPC does not provide protection for clients against losses due to market fluctuation of investments.**

Effective June 1, 2010, each paper brokerage account statement and each trade for which a confirmation is produced and delivered in paper format became subject to a separate paper surcharge of \$1.00. To avoid these surcharges, you will need to turn off paper delivery for your account(s) by applying for online access to account information. There are two options available to you in order to avoid paying these charges:

- A. Apply for online access to REAL TIME information about your account(s) by going to www.investorscapital.com, or
- B. Apply for online access only to your statements and confirms by going to www.mydocumentsuite.com.

We strongly recommend that you use Option A applying at www.investorscapital.com as this application process is much faster and simpler and also results in access to real time account information. There is no application fee in either case.

Option A. Apply for real time access through Investors Capital (RECOMMENDED):

Go to the www.investorscapital.com, and click on the link in the upper right hand corner "Apply for Online Access".

A popup screen will appear, input all required information (account number, mother maiden name, login id, etc.), and hit the submit button.

Within 48-72hours the client will receive an email with their login id and temporary password.

Go back to our website www.investorscapital.com, and click on the link "Client Login" (located in the upper right hand corner of the web page).

Option B. Apply access only to statements and confirms by enrolling in mydocumentsuite.com :

1. Go to www.mydocumentsuite.com
2. In the box labeled Financial Organization Number, enter "6BB."
3. Click "Register Now" and follow these steps:
 - ú Review and agree to the terms and conditions regarding the use of the web site.
 - ú Provide user information, including a valid email address.

Messages (continued)

ú Verify identity to help ensure the safety and security of your information.

ú Create a user ID and secure password.

An email will be sent to the email address provided. Click the link inside the email that you receive to complete enrollment. You will be redirected to myedocumentsuite.com and can then log in with your self-created user ID and secure password that you established in a previous step above.

For your protection, you must select and answer a set of challenge questions and choose an image and personal phrase the first time you log in. You will be presented with a list of accounts associated with your SSN. All accounts will default to electronic delivery. **You need to click "Save" to confirm all choices.**

ú You will receive a letter in the mail and an email to confirm your choices. After this, you will only receive statements or confirms electronically. It takes five business days for delivery preferences to be confirmed.

ú You can view historical data and view, print or download your statements and trade confirmations. You will receive an email whenever a new document is available to view online.

You may change your decision at any time. To resume receiving paper copies of statements or trade confirmations, simply change your delivery preferences. This will subject you again to the paper format surcharges.
