--	----------------------------	-------------------------------------

ATTACHMENT TO PROOF OF CLAIM OF U.S. BANK NATIONAL
ASSOCIATION, AS INDENTURE TRUSTEE, RELATING TO THE FLOATING
RATE JUNIOR SUBORDINATED DEFERRABLE INTEREST DEBENTURES DUE
2033 AND OF U.S. BANK NATIONAL ASSOCIATION, AS INSTITUTIONAL
TRUSTEE OF THE CORUS STATUTORY TRUST V, RELATING TO THE
CAPITAL SECURITIES ISSUED THEREFROM AND FOR FEES AND EXPENSES
RELATED TO THE DEBENTURES AND CAPITAL SECURITIES

1. U.S. Bank National Association (“U.S. Bank”) with a business address of Corporate Trust Services, One Federal Street, 3rd Floor, Boston, MA 02110, serves as Indenture Trustee (the “Trustee”) under the Indenture dated as of December 17, 2003, as may have been amended or supplemented (the “Indenture”), by and between Corus Bankshares, Inc. (the “Company”) and the Trustee, pursuant to which certain Floating Rate Junior Subordinated Deferrable Interest Debentures due 2033 (the “Debentures”) were issued. U.S. Bank, as Institutional Trustee (the “Institutional Trustee”) of the Corus Statutory Trust V (the “Trust”), established under the Amended and Restated Declaration of Trust dated as of December 17, 2003 (the “Declaration of Trust”) by and among the Institutional Trustee, the Company, as Sponsor, and the Administrators named therein, is the sole holder of the Debentures. The Trust issued the Capital Securities (the “Capital Securities”). Capitalized terms used and not

otherwise defined herein shall have the meanings ascribed to them in the Indenture.

The Indenture and Declaration of Trust are attached hereto as Exhibits A and B, respectively. The undersigned is authorized to file this Proof of Claim pursuant to Section 501 of the Bankruptcy Code, 11 U.S.C. §101 et seq., Section 5.2 of the Indenture, and Section 2.8(f) of the Declaration of Trust.

The Debentures

2. The Company was, at the time of the filing of the petition initiating this case, and continues to be, indebted to the Trustee and Institutional Trustee in the aggregate principal sum of \$51,547,000.00, plus accrued and unpaid interest through June 15, 2010, (the "Petition Date") totaling \$3,668,030.11, plus accrued and unpaid fees and expenses through the Petition Date totaling \$6,636.33, plus any and all other accrued but unpaid interest, fees and expenses, and any and all other amounts due and owing, under the Indenture, the Debentures, the Declaration of Trust, the Capital Securities and related documents, whether now owing or hereafter accrued and owing. Attached hereto as Exhibit C is an itemized schedule of the accrued and unpaid interest calculated through the Petition Date.

Fees and Expenses

3. Under Article 6 of the Indenture, the Trustee is to act on behalf of holders of Debentures issued under the Indenture. Specifically, Section 6.1 of the Indenture states that, "In case an Event of Default with respect to the Debentures has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and

skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.” Such obligation survives the filing of a bankruptcy petition by the Company and requires the Trustee to perform services during the pendency of the Company’s bankruptcy.

4. The Trustee and Institutional Trustee have accrued fees and expenses prior to the filing of the bankruptcy petition in the amount of \$6,636.33, have accrued fees and expenses since the filing of the bankruptcy petition, and will continue in the future to accrue fees and expenses as a result of their continuing obligations under the Indenture and Declaration of Trust.

5. In accordance with Section 6.6 of the Indenture, the Company is obligated to pay, reimburse and indemnify the Trustee for all of its fees and expenses under the Indenture, including those of its counsel and other agents. The Trustee’s right to compensation, reimbursement and indemnity under Section 6.6 of the Indenture or any other provision of the Indenture (“Trustee Compensation”): (a) has a priority over the rights of holders pursuant to Sections 5.3 of the Indenture, which provides that money collected shall first be used to pay Trustee Compensation, and Section 6.6 of the Indenture, which provides that the Trustee will have a lien prior to the Debentures on all property and funds held or collected by the Trustee to secure payment of Trustee Compensation; and (b) is not subordinated to Senior Indebtedness (as that term is defined in the Indenture) or subject to any provision of Article 15 of the Indenture, which article governs the subordination of the Debentures, in accordance with Section 15.7 of the Indenture.

6. Pursuant to the Declaration of Trust, the Company is obligated to pay, reimburse and indemnify the Institutional Trustee for all of its fees and expenses, and such obligation survives the dissolution of the Trust.

General

7. This Proof of Claim is for the liquidated and unliquidated amounts set forth in paragraphs 2 and 4, any and all other accrued but unpaid fees and expenses, and any and all other amounts due and owing under the Indenture, Declaration of Trust or any other document relating to the Debentures or Capital Securities that imposes liability on the Debtor, whether now owing or hereafter accrued and owing (the "Claim").

8. To the best of the Trustee and Institutional Trustee's knowledge, no judgment has been rendered on the Claim.

9. To the best of the Trustee and Institutional Trustee's knowledge, the amount of all payments on the Claim has been credited and deducted for the purpose of making this Proof of Claim.

10. To the best of the Trustee and Institutional Trustee's knowledge, the Claim is not subject to any setoff or counterclaim; provided however that, under the Indenture, the Trustee has a right of setoff against any amounts otherwise payable to the holders, and the Trustee reserves the right to exercise its right of setoff with respect to the amount (liquidated and unliquidated) covered by this proof of claim to the extent it is not paid in full from other assets of the bankruptcy estate.

11. The Claim is an unsecured claim, except that the Trustee, pursuant to Section 6.6 of the Indenture has a lien prior to the Debentures on property and funds held or collected by the Trustee.

12. The Trustee reserves the right, as set forth in Section 6.6 of the Indenture, to claim that the portion of its fees and expenses relating to services rendered on and after the date of the filing of the bankruptcy petition constitutes an expense of administration to the extent they are not otherwise paid in full, and the Trustee reserves the right to file a claim or application for payment of administrative expenses.

13. In executing and filing this Proof of Claim, the Trustee and Institutional Trustee do not waive any obligation owing to them, any right to any security held by them or for their benefit, any right to claim specific assets, or any other right or rights of action that they have or may have against the Company or any other person, and the Trustee and Institutional Trustee hereby expressly reserve such rights. The Trustee and Institutional Trustee also expressly reserve the right to file further pleadings and documents and to amend, modify or supplement this Proof of Claim in any respect from time to time in order to (i) restate liquidated and unliquidated components of the Claim; (ii) update the total estimated exposure with respect to any unliquidated claims asserted herein; (iii) request payment of administrative expenses (whether in respect of claims asserted herein or otherwise); (iv) reflect additional claims to the extent discovered after the filing hereof; or (v) for any other reason they deem appropriate, including without limitation to claim all amounts due in respect of any pre-petition or post-petition professional fees and/or expenses and interest.

14. Filing of this Proof of Claim is not and shall not be deemed or construed as: (a) an election of remedies; (b) a consent by the Trustee or Institutional Trustee to the jurisdiction of this Court or any other court with respect to proceedings, if any, commenced in any case against or otherwise involving the Trustee or Institutional Trustee; (c) a consent by the Trustee or Institutional Trustee to a jury trial in this Court or any other court in any proceeding as to any and all matters so triable herein or in any case, controversy or proceeding related hereto, pursuant to 28 U.S.C. §157(e) or otherwise; (d) a waiver of the right of the Trustee or Institutional Trustee to a trial by jury in any proceeding so triable herein or in any case, controversy or proceeding related hereto, notwithstanding the designation or not of such matters as “core proceedings” pursuant to 28 U.S.C. §157(b)(2), and whether such jury trial is pursuant to statute or the United States Constitution; (e) a waiver of the right of the Trustee or Institutional Trustee to have final orders in non-core matters entered only after de novo review by a District Court judgment; (f) a waiver of the right of the Trustee or Institutional Trustee to have the reference withdrawn by the District Court in any matter subject to mandatory or discretionary withdrawal; (g) a waiver of any past, present or future event of default; or (h) a waiver or limitation of any rights of the Trustee or Institutional Trustee, including, without limitation, a waiver of rights, claims, actions, defenses, set-offs or recoupments to which the Trustee or Institutional Trustee are or may be entitled under agreements, in law or in equity, all of which rights, claims, actions, defenses, set-offs and recoupments are expressly reserved by the Trustee and Institutional Trustee.

THIS INDENTURE, dated as of December 17, 2003, between Corus Bankshares, Inc., a Minnesota corporation (the "Company"), and U.S. Bank National Association, a national banking association organized under the laws of the United States of America, as debenture trustee (the "Trustee").

WITNESSETH:

WHEREAS, for its lawful corporate purposes, the Company has duly authorized the issuance of its Floating Rate Junior Subordinated Deferrable Interest Debentures due 2033 (the "Debentures") under this Indenture to provide, among other things, for the execution and authentication, delivery and administration thereof, and the Company has duly authorized the execution of this Indenture; and

WHEREAS, all acts and things necessary to make this Indenture a valid agreement according to its terms, have been done and performed;

NOW, THEREFORE, This Indenture Witnesseth:

In consideration of the premises, and the purchase of the Debentures by the holders thereof, the Company covenants and agrees with the Trustee for the equal and proportionate benefit of the respective holders from time to time of the Debentures as follows:

ARTICLE I. **DEFINITIONS**

Section 1.1. Definitions. The terms defined in this Section 1.1 (except as herein otherwise expressly provided or unless the context otherwise requires) for all purposes of this Indenture and of any indenture supplemental hereto shall have the respective meanings specified in this Section 1.1. All accounting terms used herein and not expressly defined shall have the meanings assigned to such terms in accordance with generally accepted accounting principles and the term "generally accepted accounting principles" means such accounting principles as are generally accepted in the United States at the time of any computation. The words "herein," "hereof" and "hereunder" and other words of similar import refer to this Indenture as a whole and not to any particular Article, Section or other subdivision.

"Additional Interest" has the meaning set forth in Section 2.11.

"Additional Junior Indebtedness" means, without duplication and other than the Debentures, any indebtedness, liabilities or obligations of the Company, or any Subsidiary of the Company, under debt securities (or guarantees in respect of debt securities) initially issued after the date of this Indenture to any trust, or a trustee of a trust, partnership or other entity affiliated with the Company that is, directly or indirectly, a finance subsidiary (as such term is defined in Rule 3a-5 under the Investment Company Act of 1940) or other financing vehicle of the Company or any Subsidiary of the Company in connection with the issuance by that entity of preferred securities or other securities that are eligible to qualify for Tier 1 capital treatment (or its then equivalent) for purposes of the capital adequacy guidelines of the Federal Reserve, as then in effect and applicable to the Company (or, if the Company is not a bank holding company, such guidelines applied to the Company as if the Company were subject to such guidelines); provided, however, that the inability of the Company to treat all or any portion of the Additional Junior Indebtedness as Tier 1 capital shall not disqualify it as Additional Junior Indebtedness if such inability results from the Company having cumulative preferred stock, minority interests in consolidated subsidiaries, or any other class of security or interest which the Federal Reserve now or may hereafter accord Tier 1 capital treatment (including the Debentures) in excess of the amount which may qualify for treatment as Tier 1 capital under applicable capital adequacy guidelines.

“Additional Sums” has the meaning set forth in Section 3.6.

“Affiliate” has the same meaning as given to that term in Rule 405 of the Securities Act or any successor rule thereunder.

“Authenticating Agent” means any agent or agents of the Trustee which at the time shall be appointed and acting pursuant to Section 6.12.

“Bankruptcy Law” means Title 11, U.S. Code, or any similar federal or state law for the relief of debtors.

“Board of Directors” means the board of directors or the executive committee or any other duly authorized designated officers of the Company.

“Board Resolution” means a copy of a resolution certified by the Secretary or an Assistant Secretary of the Company to have been duly adopted by the Board of Directors and to be in full force and effect on the date of such certification and delivered to the Trustee.

“Business Day” means any day other than a Saturday, Sunday or any other day on which banking institutions in New York City or Hartford, Connecticut are permitted or required by any applicable law or executive order to close.

“Capital Securities” means undivided beneficial interests in the assets of the Trust which rank *pari passu* with Common Securities issued by the Trust; provided, however, that upon the occurrence and continuance of an Event of Default (as defined in the Declaration), the rights of holders of such Common Securities to payment in respect of distributions and payments upon liquidation, redemption and otherwise are subordinated to the rights of holders of such Capital Securities.

“Capital Securities Guarantee” means the guarantee agreement that the Company enters into with U.S. Bank National Association, as guarantee trustee, or other Persons that operates directly or indirectly for the benefit of holders of Capital Securities of the Trust.

“Capital Treatment Event” means the receipt by the Company and the Trust of an opinion of counsel experienced in such matters to the effect that, as a result of the occurrence of any amendment to, or change (including any announced prospective change) in, the laws, rules or regulations of the United States or any political subdivision thereof or therein, or as the result of any official or administrative pronouncement or action or decision interpreting or applying such laws, rules or regulations, which amendment or change is effective or which pronouncement, action or decision is announced on or after the date of original issuance of the Debentures, there is more than an insubstantial risk that the Company will not, within 90 days of the date of such opinion, be entitled to treat an amount equal to the aggregate liquidation amount of the Capital Securities as “Tier 1 Capital” (or its then equivalent) for purposes of the capital adequacy guidelines of the Federal Reserve, as then in effect and applicable to the Company (or if the Company is not a bank holding company, such guidelines applied to the Company as if the Company were subject to such guidelines); provided, however, that the inability of the Company to treat all or any portion of the liquidation amount of the Capital Securities as Tier 1 Capital shall not constitute the basis for a Capital Treatment Event, if such inability results from the Company having cumulative preferred stock, minority interests in consolidated subsidiaries, or any other class of security or interest which the Federal Reserve or OTS, as applicable, may now or hereafter accord Tier 1 Capital treatment in excess of the amount which may now or hereafter qualify for treatment as Tier 1 Capital under applicable capital adequacy guidelines; provided further, however, that the distribution of Debentures in connection with the liquidation of the Trust shall not in and of itself constitute a Capital Treatment Event unless such liquidation shall have occurred in connection with a Tax Event or an Investment Company Event.

"Certificate" means a certificate signed by any one of the principal executive officer, the principal financial officer or the principal accounting officer of the Company.

"Common Securities" means undivided beneficial interests in the assets of the Trust which rank *pari passu* with Capital Securities issued by the Trust; provided, however, that upon the occurrence and continuance of an Event of Default (as defined in the Declaration), the rights of holders of such Common Securities to payment in respect of distributions and payments upon liquidation, redemption and otherwise are subordinated to the rights of holders of such Capital Securities.

"Company" means Corus Bankshares, Inc., a Minnesota corporation, and, subject to the provisions of Article XI, shall include its successors and assigns.

All Debentures presented for registration of transfer or for exchange or payment shall (if so required by the Company or the Trustee or the Authenticating Agent) be duly endorsed by, or be accompanied by a written instrument or instruments of transfer in form satisfactory to the Company and the Trustee or the Authenticating Agent duly executed by the holder or his attorney duly authorized in writing.

Thereupon the Trustee shall fix a special record date for the payment of such Defaulted Interest which shall not be more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such special record date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the special record date therefor to be mailed, first class postage prepaid, to each Securityholder at its address as it appears in the Debenture Register, not less than 10 days prior to such special record date. Notice of the proposed payment of such Defaulted Interest and the special record date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Persons in whose names such Debentures (or their respective Predecessor Securities) are registered on such special record date and shall be no longer payable.

The Company may make payment of any Defaulted Interest on any Debentures in any other lawful manner after notice given by the Company to the Trustee of the proposed payment method; provided, however, the Trustee in its sole discretion deems such payment method to be practical.

Any interest (including Additional Interest) scheduled to become payable on an Interest Payment Date occurring during an Extension Period shall not be Defaulted Interest and shall be payable on such other date as may be specified in the terms of such Debentures.

The term "regular record date" as used in this Section shall mean the close of business on the 15th calendar day next preceding the applicable Interest Payment Date.

Subject to the foregoing provisions of this Section, each Debenture delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Debenture shall carry the rights to interest accrued and unpaid, and to accrue, that were carried by such other Debenture.

Section 2.9. Cancellation of Debentures Paid, etc. All Debentures surrendered for the purpose of payment, redemption, exchange or registration of transfer, shall, if surrendered to the Company or any paying agent, be surrendered to the Trustee and promptly canceled by it, or, if surrendered to the Trustee or any Authenticating Agent, shall be promptly canceled by it, and no Debentures shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Indenture. All Debentures canceled by any Authenticating Agent shall be delivered to the Trustee. The Trustee shall destroy all canceled Debentures unless the Company otherwise directs the Trustee in writing. If the Company shall acquire any of the Debentures, however, such acquisition shall not operate as a redemption or satisfaction of the indebtedness represented by such Debentures unless and until the same are surrendered to the Trustee for cancellation.

Section 2.10. Computation of Interest The amount of interest payable for each Distribution Period will be calculated by applying the Interest Rate to the principal amount outstanding at the commencement of the Distribution Period on the basis of the actual number of days in the Distribution Period concerned divided by 360. All percentages resulting from any calculations on the Debentures will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward (e.g., 9.876545% (or .09876545) being rounded to

9.87655% (or .0987655), and all dollar amounts used in or resulting from such calculation will be rounded to the nearest cent (with one-half cent being rounded upward)).

(a) "3-Month LIBOR" means the London interbank offered interest rate for three-month, U.S. dollar deposits determined by the Trustee in the following order of priority:

(1) the rate (expressed as a percentage per annum) for U.S. dollar deposits having a three-month maturity that appears on Telerate Page 3750 as of 11:00 a.m. (London time) on the related Determination Date (as defined below). "Telerate Page 3750" means the display designated as "Page 3750" on the Dow Jones Telerate Service or such other page as may replace Page 3750 on that service or such other service or services as may be nominated by the British Bankers' Association as the information vendor for the purpose of displaying London interbank offered rates for U.S. dollar deposits;

(2) if such rate cannot be identified on the related Determination Date, the Trustee will request the principal London offices of four leading banks in the London interbank market to provide such banks' offered quotations (expressed as percentages per annum) to prime banks in the London interbank market for U.S. dollar deposits having a three-month maturity as of 11:00 a.m. (London time) on such Determination Date. If at least two quotations are provided, 3-Month LIBOR will be the arithmetic mean of such quotations;

(3) if fewer than two such quotations are provided as requested in clause (2) above, the Trustee will request four major New York City banks to provide such banks' offered quotations (expressed as percentages per annum) to leading European banks for loans in U.S. dollars as of 11:00 a.m. (London time) on such Determination Date. If at least two such quotations are provided, 3-Month LIBOR will be the arithmetic mean of such quotations; and

(4) if fewer than two such quotations are provided as requested in clause (3) above, 3-Month LIBOR will be a 3-Month LIBOR determined with respect to the Distribution Period immediately preceding such current Distribution Period.

If the rate for U.S. dollar deposits having a three-month maturity that initially appears on Telerate Page 3750 as of 11:00 a.m. (London time) on the related Determination Date is superseded on the Telerate Page 3750 by a corrected rate by 12:00 noon (London time) on such Determination Date, then the corrected rate as so substituted on the applicable page will be the applicable 3-Month LIBOR for such Determination Date.

(b) The Interest Rate for any Distribution Period will at no time be higher than the maximum rate then permitted by New York law as the same may be modified by United States law.

(c) "Determination Date" means the date that is two London Banking Days (i.e., a business day in which dealings in deposits in U.S. dollars are transacted in the London interbank market) preceding the particular Distribution Period for which a Coupon Rate is being determined.

(d) The Trustee shall notify the Company, the Institutional Trustee and any securities exchange or interdealer quotation system on which the Capital Securities are listed, of the Coupon Rate and the Determination Date for each Distribution Period, in each case as soon as practicable after the determination thereof but in no event later than the thirtieth (30th) day of the relevant Distribution Period. Failure to notify the Company, the Institutional Trustee or any securities exchange or interdealer quotation system, or any defect in said notice, shall not affect the obligation of the Company to make payment on the Debentures at the applicable Coupon Rate. Any error in the calculation of the Coupon Rate by the Trustee may be corrected at any time by notice delivered as above provided. Upon the

request of a holder of a Debenture, the Trustee shall provide the Coupon Rate then in effect and, if determined, the Coupon Rate for the next Distribution Period.

(e) Subject to the corrective rights set forth above, all certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions relating to the payment and calculation of interest on the Debentures and distributions on the Capital Securities by the Trustee or the Institutional Trustee will (in the absence of willful default, bad faith and manifest error) be final, conclusive and binding on the Trust, the Company and all of the holders of the Debentures and the Capital Securities, and no liability shall (in the absence of willful default, bad faith or manifest error) attach to the Trustee or the Institutional Trustee in connection with the exercise or non-exercise by either of them or their respective powers, duties and discretion.

Section 2.11. Extension of Interest Payment Period So long as no Event of Default has occurred and is continuing, the Company shall have the right, from time to time, and without causing an Event of Default, to defer payments of interest on the Debentures by extending the interest payment period on the Debentures at any time and from time to time during the term of the Debentures, for up to 20 consecutive quarterly periods (each such extended interest payment period, an “Extension Period”), during which Extension Period no interest (including Additional Interest) shall be due and payable (except any Additional Sums that may be due and payable). No Extension Period may end on a date other than an Interest Payment Date. During an Extension Period, interest will continue to accrue on the Debentures, and interest on such accrued interest will accrue at an annual rate equal to the Interest Rate in effect for such Extension Period, compounded quarterly from the date such interest would have been payable were it not for the Extension Period, to the extent permitted by law (such interest referred to herein as “Additional Interest”). At the end of any such Extension Period the Company shall pay all interest then accrued and unpaid on the Debentures (together with Additional Interest thereon); provided, however, that no Extension Period may extend beyond the Maturity Date; provided further, however, that during any such Extension Period, the Company shall not and shall not permit any Affiliate to (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire, or make a liquidation payment with respect to, any of the Company’s or such Affiliate’s capital stock (other than payments of dividends or distributions to the Company) or make any guarantee payments with respect to the foregoing or (ii) make any payment of principal of or interest or premium, if any, on or repay, repurchase or redeem any debt securities of the Company or any Affiliate that rank *pari passu* in all respects with or junior in interest to the Debentures (other than, with respect to clauses (i) or (ii) above, (a) repurchases, redemptions or other acquisitions of shares of capital stock of the Company in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of one or more employees, officers, directors or consultants, in connection with a dividend reinvestment or stockholder stock purchase plan or in connection with the issuance of capital stock of the Company (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the applicable Extension Period, (b) as a result of any exchange or conversion of any class or series of the Company’s capital stock (or any capital stock of a subsidiary of the Company) for any class or series of the Company’s capital stock or of any class or series of the Company’s indebtedness for any class or series of the Company’s capital stock, (c) the purchase of fractional interests in shares of the Company’s capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (d) any declaration of a dividend in connection with any stockholders’ rights plan, or the issuance of rights, stock or other property under any stockholders’ rights plan, or the redemption or repurchase of rights pursuant thereto, (e) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks *pari passu* with or junior to such stock and any cash payments in lieu of fractional shares issued in connection therewith, or (f) payments under the Capital Securities Guarantee). Prior to the termination of any Extension Period, the Company may further extend such period, provided that such period together

with all such previous and further consecutive extensions thereof shall not exceed 20 consecutive quarterly periods, or extend beyond the Maturity Date. Upon the termination of any Extension Period and upon the payment of all accrued and unpaid interest and Additional Interest, the Company may commence a new Extension Period, subject to the foregoing requirements. No interest or Additional Interest shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest to the extent permitted by applicable law. The Company must give the Trustee notice of its election to begin or extend an Extension Period at least 5 Business Days prior to the regular record date (as such term is used in Section 2.8) immediately preceding the Interest Payment Date with respect to which interest on the Debentures would have been payable except for the election to begin or extend such Extension Period. The Trustee shall give notice of the Company's election to begin a new Extension Period to the Securityholders.

Section 2.12. CUSIP Numbers. The Company in issuing the Debentures may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use CUSIP numbers in notices of redemption as a convenience to Securityholders; provided, however, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Debentures or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Debentures, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the CUSIP numbers.

ARTICLE III.

PARTICULAR COVENANTS OF THE COMPANY

Section 3.1. Payment of Principal, Premium and Interest; Agreed Treatment of the Debentures.

(a) The Company covenants and agrees that it will duly and punctually pay or cause to be paid the principal of and premium, if any, and interest and any Additional Interest and other payments on the Debentures at the place, at the respective times and in the manner provided in this Indenture and the Debentures. Each installment of interest on the Debentures may be paid (i) by mailing checks for such interest payable to the order of the holders of Debentures entitled thereto as they appear on the registry books of the Company if a request for a wire transfer has not been received by the Company or (ii) by wire transfer to any account with a banking institution located in the United States designated in writing by such Person to the paying agent no later than the related record date. Notwithstanding the foregoing, so long as the holder of this Debenture is the Institutional Trustee, the payment of the principal of and interest on this Debenture will be made in immediately available funds at such place and to such account as may be designated by the Institutional Trustee.

(b) The Company will treat the Debentures as indebtedness, and the amounts payable in respect of the principal amount of such Debentures as interest, for all United States federal income tax purposes. All payments in respect of such Debentures will be made free and clear of United States withholding tax to any beneficial owner thereof that has provided an Internal Revenue Service Form W8 BEN (or any substitute or successor form) establishing its non-United States status for United States federal income tax purposes.

(c) As of the date of this Indenture, the Company has no present intention to exercise its right under Section 2.11 to defer payments of interest on the Debentures by commencing an Extension Period.

(d) As of the date of this Indenture, the Company believes that the likelihood that it would exercise its right under Section 2.11 to defer payments of interest on the Debentures by commencing an

Extension Period at any time during which the Debentures are outstanding is remote because of the restrictions that would be imposed on the Company's ability to declare or pay dividends or distributions on, or to redeem, purchase or make a liquidation payment with respect to, any of its outstanding equity and on the Company's ability to make any payments of principal of or interest on, or repurchase or redeem, any of its debt securities that rank *pari passu* in all respects with (or junior in interest to) the Debentures.

Section 3.2. Offices for Notices and Payments, etc. So long as any of the Debentures remain outstanding, the Company will maintain in Hartford, Connecticut, an office or agency where the Debentures may be presented for payment, an office or agency where the Debentures may be presented for registration of transfer and for exchange as in this Indenture provided and an office or agency where notices and demands to or upon the Company in respect of the Debentures or of this Indenture may be served. The Company will give to the Trustee written notice of the location of any such office or agency and of any change of location thereof. Until otherwise designated from time to time by the Company in a notice to the Trustee, or specified as contemplated by Section 2.5, such office or agency for all of the above purposes shall be the office or agency of the Trustee. In case the Company shall fail to maintain any such office or agency in Hartford, Connecticut, or shall fail to give such notice of the location or of any change in the location thereof, presentations and demands may be made and notices may be served at the Principal Office of the Trustee.

In addition to any such office or agency, the Company may from time to time designate one or more offices or agencies outside Hartford, Connecticut, where the Debentures may be presented for registration of transfer and for exchange in the manner provided in this Indenture, and the Company may from time to time rescind such designation, as the Company may deem desirable or expedient; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain any such office or agency in Hartford, Connecticut, for the purposes above mentioned. The Company will give to the Trustee prompt written notice of any such designation or rescission thereof.

Section 3.3. Appointments to Fill Vacancies in Trustee's Office. The Company, whenever necessary to avoid or fill a vacancy in the office of Trustee, will appoint, in the manner provided in Section 6.9, a Trustee, so that there shall at all times be a Trustee hereunder.

Section 3.4. Provision as to Paying Agent.

(a) If the Company shall appoint a paying agent other than the Trustee, it will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provision of this Section 3.4,

- (1) that it will hold all sums held by it as such agent for the payment of the principal of and premium, if any, or interest, if any, on the Debentures (whether such sums have been paid to it by the Company or by any other obligor on the Debentures) in trust for the benefit of the holders of the Debentures;
- (2) that it will give the Trustee prompt written notice of any failure by the Company (or by any other obligor on the Debentures) to make any payment of the principal of and premium, if any, or interest, if any, on the Debentures when the same shall be due and payable; and
- (3) that it will, at any time during the continuance of any Event of Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such paying agent.

(b) If the Company shall act as its own paying agent, it will, on or before each due date of the principal of and premium, if any, or interest or other payments, if any, on the Debentures, set aside, segregate and hold in trust for the benefit of the holders of the Debentures a sum sufficient to pay such principal, premium, interest or other payments so becoming due and will notify the Trustee in writing of any failure to take such action and of any failure by the Company (or by any other obligor under the Debentures) to make any payment of the principal of and premium, if any, or interest or other payments, if any, on the Debentures when the same shall become due and payable.

Whenever the Company shall have one or more paying agents for the Debentures, it will, on or prior to each due date of the principal of and premium, if any, or interest, if any, on the Debentures, deposit with a paying agent a sum sufficient to pay the principal, premium, interest or other payments so becoming due, such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such paying agent is the Trustee) the Company shall promptly notify the Trustee in writing of its action or failure to act.

(c) Anything in this Section 3.4 to the contrary notwithstanding, the Company may, at any time, for the purpose of obtaining a satisfaction and discharge with respect to the Debentures, or for any other reason, pay, or direct any paying agent to pay to the Trustee all sums held in trust by the Company or any such paying agent, such sums to be held by the Trustee upon the trusts herein contained.

(d) Anything in this Section 3.4 to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section 3.4 is subject to Sections 12.3 and 12.4.

Section 3.5. Certificate to Trustee. The Company will deliver to the Trustee on or before 120 days after the end of each fiscal year, so long as Debentures are outstanding hereunder, a Certificate stating that in the course of the performance by the signers of their duties as officers of the Company they would normally have knowledge of any default during such fiscal year by the Company in the performance of any covenants contained herein, stating whether or not they have knowledge of any such default and, if so, specifying each such default of which the signers have knowledge and the nature and status thereof.

Section 3.6. Additional Sums. If and for so long as the Trust is the holder of all Debentures and the Trust is required to pay any additional taxes (including withholding taxes), duties, assessments or other governmental charges as a result of a Tax Event, the Company will pay such additional amounts ("Additional Sums") on the Debentures as shall be required so that the net amounts received and retained by the Trust after paying taxes (including withholding taxes), duties, assessments or other governmental charges will be equal to the amounts the Trust would have received if no such taxes, duties, assessments or other governmental charges had been imposed. Whenever in this Indenture or the Debentures there is a reference in any context to the payment of principal of or interest on the Debentures, such mention shall be deemed to include mention of payments of the Additional Sums provided for in this paragraph to the extent that, in such context, Additional Sums are, were or would be payable in respect thereof pursuant to the provisions of this paragraph and express mention of the payment of Additional Sums (if applicable) in any provisions hereof shall not be construed as excluding Additional Sums in those provisions hereof where such express mention is not made; provided, however, that the deferral of the payment of interest during an Extension Period pursuant to Section 2.11 shall not defer the payment of any Additional Sums that may be due and payable.

Section 3.7. Compliance with Consolidation Provisions. The Company will not, while any of the Debentures remain outstanding, consolidate with, or merge into, or merge into itself, or sell or convey all or substantially all of its property to any other Person unless the provisions of Article XI hereof are complied with.

Section 3.8. Limitation on Dividends. If Debentures are initially issued to the Trust or a trustee of such Trust in connection with the issuance of Trust Securities by the Trust (regardless of whether Debentures continue to be held by such Trust) and (i) there shall have occurred and be continuing an Event of Default, (ii) the Company shall be in default with respect to its payment of any obligations under the Capital Securities Guarantee, or (iii) the Company shall have given notice of its election to defer payments of interest on the Debentures by extending the interest payment period as provided herein and such period, or any extension thereof, shall be continuing, then the Company shall not, and shall not allow any Affiliate of the Company to, (x) declare or pay any dividends or distributions on, or redeem, purchase, acquire, or make a liquidation payment with respect to, any of the Company's capital stock or its Affiliates' capital stock (other than payments of dividends or distributions to the Company) or make any guarantee payments with respect to the foregoing or (y) make any payment of principal of or interest or premium, if any, on or repay, repurchase or redeem any debt securities of the Company or any Affiliate that rank *pari passu* in all respects with or junior in interest to the Debentures (other than, with respect to clauses (x) and (y) above, (1) repurchases, redemptions or other acquisitions of shares of capital stock of the Company in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of one or more employees, officers, directors or consultants, in connection with a dividend reinvestment or stockholder stock purchase plan or in connection with the issuance of capital stock of the Company (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the applicable Extension Period, if any, (2) as a result of any exchange or conversion of any class or series of the Company's capital stock (or any capital stock of a subsidiary of the Company) for any class or series of the Company's capital stock or of any class or series of the Company's indebtedness for any class or series of the Company's capital stock, (3) the purchase of fractional interests in shares of the Company's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (4) any declaration of a dividend in connection with any stockholders' rights plan, or the issuance of rights, stock or other property under any stockholders' rights plan, or the redemption or repurchase of rights pursuant thereto, (5) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks *pari passu* with or junior to such stock and any cash payments in lieu of fractional shares issued in connection therewith, or (6) payments under the Capital Securities Guarantee).

Section 3.9. Covenants as to the Trust. For so long as the Trust Securities remain outstanding, the Company shall maintain 100% ownership of the Common Securities; provided, however, that any permitted successor of the Company under this Indenture may succeed to the Company's ownership of such Common Securities. The Company, as owner of the Common Securities, shall, except in connection with a distribution of Debentures to the holders of Trust Securities in liquidation of the Trust, the redemption of all of the Trust Securities or certain mergers, consolidations or amalgamations, each as permitted by the Declaration, cause the Trust (a) to remain a statutory trust, (b) to otherwise continue to be classified as a grantor trust for United States federal income tax purposes, and (c) to cause each holder of Trust Securities to be treated as owning an undivided beneficial interest in the Debentures.

Section 3.10. Additional Junior Indebtedness. The Company shall not, and it shall not cause or permit any Subsidiary of the Company to, incur, issue or be obligated on any Additional Junior Indebtedness, either directly or indirectly, by way of guarantee, suretyship or otherwise, other than Additional Junior Indebtedness (i) that, by its terms, is expressly stated to be either junior and subordinate or *pari passu* in all respects to the Debentures, and (ii) of which the Company has notified (and, if then required under the applicable guidelines of the regulating entity, has received approval from) the Federal Reserve, if the Company is a bank holding company, or the OTS, if the Company is a savings and loan holding company.

ARTICLE IV.
SECURITYHOLDERS' LISTS AND REPORTS
BY THE COMPANY AND THE TRUSTEE

Section 4.1. Securityholders' Lists. The Company covenants and agrees that it will furnish or caused to be furnished to the Trustee:

(a) on each regular record date for the Debentures, a list, in such form as the Trustee may reasonably require, of the names and addresses of the Securityholders of the Debentures as of such record date; and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

except that no such lists need be furnished under this Section 4.1 so long as the Trustee is in possession thereof by reason of its acting as Debenture registrar.

Section 4.2. Preservation and Disclosure of Lists.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the holders of Debentures (1) contained in the most recent list furnished to it as provided in Section 4.1 or (2) received by it in the capacity of Debentures registrar (if so acting) hereunder. The Trustee may destroy any list furnished to it as provided in Section 4.1 upon receipt of a new list so furnished.

(b) In case three or more holders of Debentures (hereinafter referred to as "applicants") apply in writing to the Trustee and furnish to the Trustee reasonable proof that each such applicant has owned a Debenture for a period of at least 6 months preceding the date of such application, and such application states that the applicants desire to communicate with other holders of Debentures with respect to their rights under this Indenture or under such Debentures and is accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, then the Trustee shall within 5 Business Days after the receipt of such application, at its election, either:

(1) afford such applicants access to the information preserved at the time by the Trustee in accordance with the provisions of subsection (a) of this Section 4.2, or

(2) inform such applicants as to the approximate number of holders of Debentures whose names and addresses appear in the information preserved at the time by the Trustee in accordance with the provisions of subsection (a) of this Section 4.2, and as to the approximate cost of mailing to such Securityholders the form of proxy or other communication, if any, specified in such application.

If the Trustee shall elect not to afford such applicants access to such information, the Trustee shall, upon the written request of such applicants, mail to each Securityholder whose name and address appear in the information preserved at the time by the Trustee in accordance with the provisions of subsection (a) of this Section 4.2 a copy of the form of proxy or other communication which is specified in such request with reasonable promptness after a tender to the Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless within five days after such tender, the Trustee shall mail to such applicants and file with the Securities and Exchange Commission, if permitted or required by applicable law, together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of the Trustee, such mailing would be contrary to the

best interests of the holders of all Debentures, as the case may be, or would be in violation of applicable law. Such written statement shall specify the basis of such opinion. If said Commission, as permitted or required by applicable law, after opportunity for a hearing upon the objections specified in the written statement so filed, shall enter an order refusing to sustain any of such objections or if, after the entry of an order sustaining one or more of such objections, said Commission shall find, after notice and opportunity for hearing, that all the objections so sustained have been met and shall enter an order so declaring, the Trustee shall mail copies of such material to all such Securityholders with reasonable promptness after the entry of such order and the renewal of such tender; otherwise the Trustee shall be relieved of any obligation or duty to such applicants respecting their application.

(c) Each and every holder of Debentures, by receiving and holding the same, agrees with Company and the Trustee that neither the Company nor the Trustee nor any paying agent shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the holders of Debentures in accordance with the provisions of subsection (b) of this Section 4.2, regardless of the source from which such information was derived, and that the Trustee shall not be held accountable by reason of mailing any material pursuant to a request made under said subsection (b).

ARTICLE V. **REMEDIES OF THE TRUSTEE AND SECURITYHOLDERS** **UPON AN EVENT OF DEFAULT**

Section 5.1. Events of Default. "Event of Default," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) the Company defaults in the payment of any interest upon any Debenture when it becomes due and payable, and fails to cure such default for a period of 30 days; provided, however, that a valid extension of an interest payment period by the Company in accordance with the terms of this Indenture shall not constitute a default in the payment of interest for this purpose; or

(b) the Company defaults in the payment of all or any part of the principal of (or premium, if any, on) any Debentures as and when the same shall become due and payable either at maturity, upon redemption, by declaration of acceleration or otherwise; or

(c) the Company defaults in the performance of, or breaches, any of its covenants or agreements in this Indenture or in the terms of the Debentures established as contemplated in this Indenture (other than a covenant or agreement a default in whose performance or whose breach is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the holders of at least 25% in aggregate principal amount of the outstanding Debentures, a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(d) a court of competent jurisdiction shall enter a decree or order for relief in respect of the Company in an involuntary case under any applicable bankruptcy, insolvency, reorganization or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Company or for any substantial part of its property, or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 90 consecutive days; or

(e) the Company shall commence a voluntary case under any applicable bankruptcy, insolvency, reorganization or other similar law now or hereafter in effect, shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Company or of any substantial part of its property, or shall make any general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due; or

(f) the Trust shall have voluntarily or involuntarily liquidated, dissolved, wound-up its business or otherwise terminated its existence except in connection with (i) the distribution of the Debentures to holders of such Trust Securities in liquidation of their interests in the Trust, (ii) the redemption of all of the outstanding Trust Securities or (iii) certain mergers, consolidations or amalgamations, each as permitted by the Declaration.

If an Event of Default occurs and is continuing with respect to the Debentures, then, and in each and every such case, unless the principal of the Debentures shall have already become due and payable, either the Trustee or the holders of not less than 25% in aggregate principal amount of the Debentures then outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by Securityholders), may declare the entire principal of the Debentures and the interest accrued thereon, if any, to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable.

The foregoing provisions, however, are subject to the condition that if, at any time after the principal of the Debentures shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, (i) the Company shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest upon all the Debentures and the principal of and premium, if any, on the Debentures which shall have become due otherwise than by acceleration (with interest upon such principal and premium, if any, and Additional Interest) and such amount as shall be sufficient to cover reasonable compensation to the Trustee and each predecessor Trustee, their respective agents, attorneys and counsel, and all other amounts due to the Trustee pursuant to Section 6.6, if any, and (ii) all Events of Default under this Indenture, other than the non-payment of the principal of or premium, if any, on Debentures which shall have become due by acceleration, shall have been cured, waived or otherwise remedied as provided herein -- then and in every such case the holders of a majority in aggregate principal amount of the Debentures then outstanding, by written notice to the Company and to the Trustee, may waive all defaults and rescind and annul such declaration and its consequences, but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default or shall impair any right consequent thereon.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such rescission or annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Trustee and the holders of the Debentures shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company, the Trustee and the holders of the Debentures shall continue as though no such proceeding had been taken.

Section 5.2. Payment of Debentures on Default; Suit Therefor. The Company covenants that upon the occurrence of an Event of Default pursuant to Section 5.1(a) or Section 5.1(b) then, upon demand of the Trustee, the Company will pay to the Trustee, for the benefit of the holders of the Debentures the whole amount that then shall have become due and payable on all Debentures for principal and premium, if any, or interest, or both, as the case may be, with Additional Interest accrued on the Debentures (to the extent that payment of such interest is enforceable under applicable law and, if the

Debentures are held by the Trust or a trustee of such Trust, without duplication of any other amounts paid by the Trust or a trustee in respect thereof); and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including a reasonable compensation to the Trustee, its agents, attorneys and counsel, and any other amounts due to the Trustee under Section 6.6. In case the Company shall fail forthwith to pay such amounts upon such demand, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any actions or proceedings at law or in equity for the collection of the sums so due and unpaid, and may prosecute any such action or proceeding to judgment or final decree, and may enforce any such judgment or final decree against the Company or any other obligor on such Debentures and collect in the manner provided by law out of the property of the Company or any other obligor on such Debentures wherever situated the moneys adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor on the Debentures under Bankruptcy Law, or in case a receiver or trustee shall have been appointed for the property of the Company or such other obligor, or in the case of any other similar judicial proceedings relative to the Company or other obligor upon the Debentures, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the principal of the Debentures shall then be due and payable as therein expressed or by declaration of acceleration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.2, shall be entitled and empowered, by intervention in such proceedings or otherwise,

- (i) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Debentures,
- (ii) in case of any judicial proceedings, to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all other amounts due to the Trustee under Section 6.6), and of the Securityholders allowed in such judicial proceedings relative to the Company or any other obligor on the Debentures, or to the creditors or property of the Company or such other obligor, unless prohibited by applicable law and regulations, to vote on behalf of the holders of the Debentures in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency proceedings or Person performing similar functions in comparable proceedings,
- (iii) to collect and receive any moneys or other property payable or deliverable on any such claims, and
- (iv) to distribute the same after the deduction of its charges and expenses.

Any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized by each of the Securityholders to make such payments to the Trustee, and, in the event that the Trustee shall consent to the making of such payments directly to the Securityholders, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other amounts due to the Trustee under Section 6.6.

Nothing herein contained shall be construed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Securityholder any plan of reorganization, arrangement, adjustment or composition affecting the Debentures or the rights of any holder thereof or to authorize the Trustee to vote in respect of the claim of any Securityholder in any such proceeding.

All rights of action and of asserting claims under this Indenture, or under any of the Debentures, may be enforced by the Trustee without the possession of any of the Debentures, or the production thereof at any trial or other proceeding relative thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be for the ratable benefit of the holders of the Debentures.

In any proceedings brought by the Trustee (and also any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the holders of the Debentures, and it shall not be necessary to make any holders of the Debentures parties to any such proceedings.

Section 5.3. Application of Moneys Collected by Trustee. Any moneys collected by the Trustee pursuant to this Article V shall be applied in the following order, at the date or dates fixed by the Trustee for the distribution of such moneys, upon presentation of the several Debentures in respect of which moneys have been collected, and stamping thereon the payment, if only partially paid, and upon surrender thereof if fully paid:

First: To the payment of costs and expenses incurred by, and reasonable fees of, the Trustee, its agents, attorneys and counsel, and of all other amounts due to the Trustee under Section 6.6;

Second: To the payment of all Senior Indebtedness of the Company if and to the extent required by Article XV;

Third: To the payment of the amounts then due and unpaid upon Debentures for principal (and premium, if any), and interest on the Debentures, in respect of which or for the benefit of which money has been collected, ratably, without preference or priority of any kind, according to the amounts due on such Debentures (including Additional Interest); and

Fourth: The balance, if any, to the Company.

Section 5.4. Proceedings by Securityholders. No holder of any Debenture shall have any right to institute any suit, action or proceeding for any remedy hereunder, unless such holder previously shall have given to the Trustee written notice of an Event of Default with respect to the Debentures and unless the holders of not less than 25% in aggregate principal amount of the Debentures then outstanding shall have given the Trustee a written request to institute such action, suit or proceeding and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred thereby, and the Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such action, suit or proceeding.

Notwithstanding any other provisions in this Indenture, however, the right of any holder of any Debenture to receive payment of the principal of, premium, if any, and interest, on such Debenture when due, or to institute suit for the enforcement of any such payment, shall not be impaired or affected without the consent of such holder and by accepting a Debenture hereunder it is expressly understood, intended and covenanted by the taker and holder of every Debenture with every other such taker and holder and the Trustee, that no one or more holders of Debentures shall have any right in any manner whatsoever by virtue or by availing itself of any provision of this Indenture to affect, disturb or prejudice the rights of the holders of any other Debentures, or to obtain or seek to obtain priority over or preference to any other such holder, or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all holders of Debentures. For the protection and enforcement of the provisions of this Section, each and every Securityholder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Section 5.5. Proceedings by Trustee. In case of an Event of Default hereunder the Trustee may in its discretion proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any of such rights, either by suit in equity or by action at law or by proceeding in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

Section 5.6. Remedies Cumulative and Continuing; Delay or Omission Not a Waiver. Except as otherwise provided in Section 2.6, all powers and remedies given by this Article V to the Trustee or to the Securityholders shall, to the extent permitted by law, be deemed cumulative and not exclusive of any other powers and remedies available to the Trustee or the holders of the Debentures, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture or otherwise established with respect to the Debentures, and no delay or omission of the Trustee or of any holder of any of the Debentures to exercise any right, remedy or power accruing upon any Event of Default occurring and continuing as aforesaid shall impair any such right, remedy or power, or shall be construed to be a waiver of any such default or an acquiescence therein; and, subject to the provisions of Section 5.4, every power and remedy given by this Article V or by law to the Trustee or to the Securityholders may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee (in accordance with its duties under Section 6.1) or by the Securityholders.

Section 5.7. Direction of Proceedings and Waiver of Defaults by Majority of Securityholders. The holders of a majority in aggregate principal amount of the Debentures affected (voting as one class) at the time outstanding shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee with respect to such Debentures; provided, however, that (subject to the provisions of Section 6.1) the Trustee shall have the right to decline to follow any such direction if the Trustee shall determine that the action so directed would be unjustly prejudicial to the holders not taking part in such direction or if the Trustee being advised by counsel determines that the action or proceeding so directed may not lawfully be taken or if a Responsible Officer of the Trustee shall determine that the action or proceedings so directed would involve the Trustee in personal liability.

The holders of a majority in aggregate principal amount of the Debentures at the time outstanding may on behalf of the holders of all of the Debentures waive (or modify any previously granted waiver of) any past default or Event of Default, and its consequences, except a default (a) in the payment of principal of, premium, if any, or interest on any of the Debentures, (b) in respect of covenants or provisions hereof which cannot be modified or amended without the consent of the holder of each Debenture affected, or (c) in respect of the covenants contained in Section 3.9; provided, however, that if the Debentures are held by the Trust or a trustee of such trust, such waiver or modification to such waiver shall not be effective until the holders of a majority in Liquidation Amount of Trust Securities of the Trust shall have consented to such waiver or modification to such waiver, provided, further, that if the consent of the holder of each outstanding Debenture is required, such waiver shall not be effective until each holder of the Trust Securities of the Trust shall have consented to such waiver. Upon any such waiver, the default covered thereby shall be deemed to be cured for all purposes of this Indenture and the Company, the Trustee and the holders of the Debentures shall be restored to their former positions and rights hereunder, respectively; but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon. Whenever any default or Event of Default hereunder shall have been waived as permitted by this Section, said default or Event of Default shall for all purposes of the Debentures and this Indenture be deemed to have been cured and to be not continuing.

Section 5.8. Notice of Defaults. The Trustee shall, within 90 days after the actual knowledge by a Responsible Officer of the Trustee of the occurrence of a default with respect to the Debentures, mail to all Securityholders, as the names and addresses of such holders appear upon the Debenture Register, notice of all defaults with respect to the Debentures known to the Trustee, unless such defaults shall have been cured before the giving of such notice (the term "defaults" for the purpose of this Section 5.8 being hereby defined to be the events specified in clauses (a), (b), (c), (d), (e) and (f) of Section 5.1, not including periods of grace, if any, provided for therein); provided, however, that, except in the case of default in the payment of the principal of, premium, if any, or interest on any of the Debentures, the Trustee shall be protected in withholding such notice if and so long as a Responsible Officer of the Trustee in good faith determines that the withholding of such notice is in the interests of the Securityholders.

Section 5.9. Undertaking to Pay Costs. All parties to this Indenture agree, and each holder of any Debenture by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; provided, however, that the provisions of this Section 5.9 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Securityholder, or group of Securityholders, holding in the aggregate more than 10% in principal amount of the Debentures outstanding, or to any suit instituted by any Securityholder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Debenture against the Company on or after the same shall have become due and payable.

ARTICLE VI. CONCERNING THE TRUSTEE

Section 6.1. Duties and Responsibilities of Trustee. With respect to the holders of Debentures issued hereunder, the Trustee, prior to the occurrence of an Event of Default with respect to the Debentures and after the curing or waiving of all Events of Default which may have occurred, with respect to the Debentures, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants shall be read into this Indenture against the Trustee. In case an Event of Default with respect to the Debentures has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(a) prior to the occurrence of an Event of Default with respect to Debentures and after the curing or waiving of all Events of Default which may have occurred

(1) the duties and obligations of the Trustee with respect to Debentures shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations with respect to the Debentures as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee, and

(2) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions

expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture;

(b) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(c) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith, in accordance with the direction of the Securityholders pursuant to Section 5.7, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is ground for believing that the repayment of such funds or liability is not assured to it under the terms of this Indenture or indemnity satisfactory to the Trustee against such risk is not reasonably assured to it.

Section 6.2. Reliance on Documents, Opinions, etc. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, note, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by an Officers' Certificate (unless other evidence in respect thereof be herein specifically prescribed); and any Board Resolution may be evidenced to the Trustee by a copy thereof certified by the Secretary or an Assistant Secretary of the Company;

(c) the Trustee may consult with counsel of its selection and any advice or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with such advice or Opinion of Counsel;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Securityholders, pursuant to the provisions of this Indenture, unless such Securityholders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which may be incurred therein or thereby;

(e) the Trustee shall not be liable for any action taken or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture; nothing contained herein shall, however, relieve the Trustee of the obligation, upon the occurrence of an Event of Default with respect to the Debentures (that has not been cured or waived) to exercise with respect to Debentures such of the rights and powers vested in it by this Indenture, and to use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, coupon or other paper or document, unless requested in writing to do so by the holders of not less than a majority in aggregate principal amount of the outstanding Debentures affected thereby; provided, however, that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not reasonably assured to the Trustee by the security afforded to it by the terms of this Indenture, the Trustee may require reasonable indemnity against such expense or liability as a condition to so proceeding;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents (including any Authenticating Agent) or attorneys, and the Trustee shall not be responsible for any misconduct or negligence on the part of any such agent or attorney appointed by it with due care; and

(h) with the exceptions of defaults under Sections 5.1(a) or 5.1(b), the Trustee shall not be charged with knowledge of any Default or Event of Default with respect to the Debentures unless a written notice of such Default or Event of Default shall have been given to the Trustee by the Company or any other obligor on the Debentures or by any holder of the Debentures.

Section 6.3. No Responsibility for Recitals, etc. The recitals contained herein and in the Debentures (except in the certificate of authentication of the Trustee or the Authenticating Agent) shall be taken as the statements of the Company, and the Trustee and the Authenticating Agent assume no responsibility for the correctness of the same. The Trustee and the Authenticating Agent make no representations as to the validity or sufficiency of this Indenture or of the Debentures. The Trustee and the Authenticating Agent shall not be accountable for the use or application by the Company of any Debentures or the proceeds of any Debentures authenticated and delivered by the Trustee or the Authenticating Agent in conformity with the provisions of this Indenture.

Section 6.4. Trustee, Authenticating Agent, Paying Agents, Transfer Agents or Registrar May Own Debentures. The Trustee or any Authenticating Agent or any paying agent or any transfer agent or any Debenture registrar, in its individual or any other capacity, may become the owner or pledgee of Debentures with the same rights it would have if it were not Trustee, Authenticating Agent, paying agent, transfer agent or Debenture registrar.

Section 6.5. Moneys to be Held in Trust Subject to the provisions of Section 12.4, all moneys received by the Trustee or any paying agent shall, until used or applied as herein provided, be held in trust for the purpose for which they were received, but need not be segregated from other funds except to the extent required by law. The Trustee and any paying agent shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Company. So long as no Event of Default shall have occurred and be continuing, all interest allowed on any such moneys shall be paid from time to time upon the written order of the Company, signed by the Chairman of the Board of Directors, the Chief Executive Officer, the President, a Managing Director, a Vice President, the Treasurer or an Assistant Treasurer of the Company.

Section 6.6. Compensation and Expenses of Trustee. The Company covenants and agrees to pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all Persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence or willful misconduct. For purposes of clarification, this Section 6.6 does not contemplate the payment by the Company of acceptance or annual administration fees owing to the Trustee pursuant to

the services to be provided by the Trustee under this Indenture or the fees and expenses of the Trustee's counsel in connection with the closing of the transactions contemplated by this Indenture. The Company also covenants to indemnify each of the Trustee or any predecessor Trustee (and its officers, agents, directors and employees) for, and to hold it harmless against, any and all loss, damage, claim, liability or expense including taxes (other than taxes based on the income of the Trustee) incurred without negligence or willful misconduct on the part of the Trustee and arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim of liability. The obligations of the Company under this Section 6.6 to compensate and indemnify the Trustee and to pay or reimburse the Trustee for expenses, disbursements and advances shall constitute additional indebtedness hereunder. Such additional indebtedness shall be secured by a lien prior to that of the Debentures upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the holders of particular Debentures.

Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 5.1(d), Section 5.1(e) or Section 5.1(f), the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any applicable federal or state bankruptcy, insolvency or other similar law.

The provisions of this Section shall survive the resignation or removal of the Trustee and the defeasance or other termination of this Indenture.

Notwithstanding anything in this Indenture or any Debenture to the contrary, the Trustee shall have no obligation whatsoever to advance funds to pay any principal of or interest on or other amounts with respect to the Debentures or otherwise advance funds to or on behalf of the Company.

Section 6.7. Officers' Certificate as Evidence. Except as otherwise provided in Sections 6.1 and 6.2, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence or willful misconduct on the part of the Trustee, be deemed to be conclusively proved and established by an Officers' Certificate delivered to the Trustee, and such certificate, in the absence of negligence or willful misconduct on the part of the Trustee, shall be full warrant to the Trustee for any action taken or omitted by it under the provisions of this Indenture upon the faith thereof.

Section 6.8. Eligibility of Trustee. The Trustee hereunder shall at all times be a corporation organized and doing business under the laws of the United States of America or any state or territory thereof or of the District of Columbia or a corporation or other Person authorized under such laws to exercise corporate trust powers, having (or whose obligations under this Indenture are guaranteed by an affiliate having) a combined capital and surplus of at least 50 million U.S. dollars (\$50,000,000.00) and subject to supervision or examination by federal, state, territorial, or District of Columbia authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8 the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent records of condition so published.

The Company may not, nor may any Person directly or indirectly controlling, controlled by, or under common control with the Company, serve as Trustee.

In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, the Trustee shall resign immediately in the manner and with the effect specified in Section 6.9.

If the Trustee has or shall acquire any "conflicting interest" within the meaning of §310(b) of the Trust Indenture Act of 1939, the Trustee shall either eliminate such interest or resign, to the extent and in the manner described by this Indenture.

Section 6.9. Resignation or Removal of Trustee

(a) The Trustee, or any trustee or trustees hereafter appointed, may at any time resign by giving written notice of such resignation to the Company and by mailing notice thereof, at the Company's expense, to the holders of the Debentures at their addresses as they shall appear on the Debenture Register. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee or trustees by written instrument, in duplicate, executed by order of its Board of Directors, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor Trustee. If no successor Trustee shall have been so appointed and have accepted appointment within 30 days after the mailing of such notice of resignation to the affected Securityholders, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, or any Securityholder who has been a bona fide holder of a Debenture or Debentures for at least six months may, subject to the provisions of Section 5.9, on behalf of himself and all others similarly situated, petition any such court for the appointment of a successor Trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Trustee.

(b) In case at any time any of the following shall occur --

(1) the Trustee shall fail to comply with the provisions of Section 6.8 after written request therefor by the Company or by any Securityholder who has been a bona fide holder of a Debenture or Debentures for at least 6 months, or

(2) the Trustee shall cease to be eligible in accordance with the provisions of Section 6.8 and shall fail to resign after written request therefor by the Company or by any such Securityholder, or

(3) the Trustee shall become incapable of acting, or shall be adjudged as bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, the Company may remove the Trustee and appoint a successor Trustee by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor Trustee, or, subject to the provisions of Section 5.9, any Securityholder who has been a bona fide holder of a Debenture or Debentures for at least 6 months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint successor Trustee.

(c) Upon prior written notice to the Company and the Trustee, the holders of a majority in aggregate principal amount of the Debentures at the time outstanding may at any time remove the Trustee and nominate a successor Trustee, which shall be deemed appointed as successor Trustee unless within 10 Business Days after such nomination the Company objects thereto, in which case, or in the case of a failure by such holders to nominate a successor Trustee, the Trustee so removed or any Securityholder, upon the terms and conditions and otherwise as in subsection (a) of this Section 6.9 provided, may petition any court of competent jurisdiction for an appointment of a successor.

(d) Any resignation or removal of the Trustee and appointment of a successor Trustee pursuant to any of the provisions of this Section shall become effective upon acceptance of appointment by the successor Trustee as provided in Section 6.10.

Section 6.10. Acceptance by Successor Trustee. Any successor Trustee appointed as provided in Section 6.9 shall execute, acknowledge and deliver to the Company and to its predecessor Trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations with respect to the Debentures of its predecessor hereunder, with like effect as if originally named as Trustee herein; but, nevertheless, on the written request of the Company or of the successor Trustee, the Trustee ceasing to act shall, upon payment of any amounts then due it pursuant to the provisions of Section 6.6, execute and deliver an instrument transferring to such successor Trustee all the rights and powers of the Trustee so ceasing to act and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee thereunder. Upon request of any such successor Trustee, the Company shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor Trustee all such rights and powers. Any Trustee ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such Trustee to secure any amounts then due it pursuant to the provisions of Section 6.6.

If a successor Trustee is appointed, the Company, the retiring Trustee and the successor Trustee shall execute and deliver an indenture supplemental hereto which shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Debentures as to which the predecessor Trustee is not retiring shall continue to be vested in the predecessor Trustee, and shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the Trust hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be Trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee.

No successor Trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor Trustee shall be eligible under the provisions of Section 6.8.

In no event shall a retiring Trustee be liable for the acts or omissions of any successor Trustee hereunder.

Upon acceptance of appointment by a successor Trustee as provided in this Section 6.10, the Company shall mail notice of the succession of such Trustee hereunder to the holders of Debentures at their addresses as they shall appear on the Debenture Register. If the Company fails to mail such notice within 10 Business Days after the acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the Company.

Section 6.11. Succession by Merger, etc. Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto; provided such corporation shall be otherwise eligible and qualified under this Article.

In case at the time such successor to the Trustee shall succeed to the trusts created by this Indenture any of the Debentures shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor Trustee, and deliver such

Debentures so authenticated; and in case at that time any of the Debentures shall not have been authenticated, any successor to the Trustee may authenticate such Debentures either in the name of any predecessor hereunder or in the name of the successor Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Debentures or in this Indenture provided that the certificate of the Trustee shall have; provided, however, that the right to adopt the certificate of authentication of any predecessor Trustee or authenticate Debentures in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

Section 6.12. Authenticating Agents. There may be one or more Authenticating Agents appointed by the Trustee upon the request of the Company with power to act on its behalf and subject to its direction in the authentication and delivery of Debentures issued upon exchange or registration of transfer thereof as fully to all intents and purposes as though any such Authenticating Agent had been expressly authorized to authenticate and deliver Debentures; provided, however, that the Trustee shall have no liability to the Company for any acts or omissions of the Authenticating Agent with respect to the authentication and delivery of Debentures. Any such Authenticating Agent shall at all times be a corporation organized and doing business under the laws of the United States or of any state or territory thereof or of the District of Columbia authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of at least \$50,000,000.00 and being subject to supervision or examination by federal, state, territorial or District of Columbia authority. If such corporation publishes reports of condition at least annually pursuant to law or the requirements of such authority, then for the purposes of this Section 6.12 the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect herein specified in this Section.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, if such successor corporation is otherwise eligible under this Section 6.12 without the execution or filing of any paper or any further act on the part of the parties hereto or such Authenticating Agent.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and to the Company. The Trustee may at any time terminate the agency of any Authenticating Agent with respect to the Debentures by giving written notice of termination to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time any Authenticating Agent shall cease to be eligible under this Section 6.12, the Trustee may, and upon the request of the Company shall, promptly appoint a successor Authenticating Agent eligible under this Section 6.12, shall give written notice of such appointment to the Company and shall mail notice of such appointment to all holders of Debentures as the names and addresses of such holders appear on the Debenture Register. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all rights, powers, duties and responsibilities with respect to the Debentures of its predecessor hereunder, with like effect as if originally named as Authenticating Agent herein.

The Company agrees to pay to any Authenticating Agent from time to time reasonable compensation for its services. Any Authenticating Agent shall have no responsibility or liability for any action taken by it as such in accordance with the directions of the Trustee.

ARTICLE VII.
CONCERNING THE SECURITYHOLDERS

Section 7.1. Action by Securityholders. Whenever in this Indenture it is provided that the holders of a specified percentage in aggregate principal amount of the Debentures may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action) the fact that at the time of taking any such action the holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by such Securityholders in person or by agent or proxy appointed in writing, or (b) by the record of such holders of Debentures voting in favor thereof at any meeting of such Securityholders duly called and held in accordance with the provisions of Article VIII, or (c) by a combination of such instrument or instruments and any such record of such a meeting of such Securityholders or (d) by any other method the Trustee deems satisfactory.

If the Company shall solicit from the Securityholders any request, demand, authorization, direction, notice, consent, waiver or other action or revocation of the same, the Company may, at its option, as evidenced by an Officers' Certificate, fix in advance a record date for such Debentures for the determination of Securityholders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other action or revocation of the same, but the Company shall have no obligation to do so. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other action or revocation of the same may be given before or after the record date, but only the Securityholders of record at the close of business on the record date shall be deemed to be Securityholders for the purposes of determining whether Securityholders of the requisite proportion of outstanding Debentures have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other action or revocation of the same, and for that purpose the outstanding Debentures shall be computed as of the record date; provided, however, that no such authorization, agreement or consent by such Securityholders on the record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than 6 months after the record date.

Section 7.2. Proof of Execution by Securityholders. Subject to the provisions of Section 6.1, 6.2 and 8.5, proof of the execution of any instrument by a Securityholder or his agent or proxy shall be sufficient if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee. The ownership of Debentures shall be proved by the Debenture Register or by a certificate of the Debenture registrar. The Trustee may require such additional proof of any matter referred to in this Section as it shall deem necessary.

The record of any Securityholders' meeting shall be proved in the manner provided in Section 8.6.

Section 7.3. Who Are Deemed Absolute Owners. Prior to due presentment for registration of transfer of any Debenture, the Company, the Trustee, any Authenticating Agent, any paying agent, any transfer agent and any Debenture registrar may deem the Person in whose name such Debenture shall be registered upon the Debenture Register to be, and may treat him as, the absolute owner of such Debenture (whether or not such Debenture shall be overdue) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Debenture and for all other purposes; and neither the Company nor the Trustee nor any Authenticating Agent nor any paying agent nor any transfer agent nor any Debenture registrar shall be affected by any notice to the contrary. All such payments so made to any holder for the time being or upon his order shall be valid, and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Debenture.

Section 7.4. Debentures Owned by Company Deemed Not Outstanding. In determining whether the holders of the requisite aggregate principal amount of Debentures have concurred in any direction, consent or waiver under this Indenture, Debentures which are owned by the Company or any other obligor on the Debentures or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any other obligor on the Debentures shall be disregarded and deemed not to be outstanding for the purpose of any such determination; provided, however, that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, consent or waiver, only Debentures which a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Debentures so owned which have been pledged in good faith may be regarded as outstanding for the purposes of this Section 7.4 if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Debentures and that the pledgee is not the Company or any such other obligor or Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any such other obligor. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

Section 7.5. Revocation of Consents; Future Holders Bound. At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 7.1, of the taking of any action by the holders of the percentage in aggregate principal amount of the Debentures specified in this Indenture in connection with such action, any holder (in cases where no record date has been set pursuant to Section 7.1) or any holder as of an applicable record date (in cases where a record date has been set pursuant to Section 7.1) of a Debenture (or any Debenture issued in whole or in part in exchange or substitution therefor) the serial number of which is shown by the evidence to be included in the Debentures the holders of which have consented to such action may, by filing written notice with the Trustee at the Principal Office of the Trustee and upon proof of holding as provided in Section 7.2, revoke such action so far as concerns such Debenture (or so far as concerns the principal amount represented by any exchanged or substituted Debenture). Except as aforesaid any such action taken by the holder of any Debenture shall be conclusive and binding upon such holder and upon all future holders and owners of such Debenture, and of any Debenture issued in exchange or substitution therefor or on registration of transfer thereof, irrespective of whether or not any notation in regard thereto is made upon such Debenture or any Debenture issued in exchange or substitution therefor.

ARTICLE VIII.

SECURITYHOLDERS' MEETINGS

Section 8.1. Purposes of Meetings. A meeting of Securityholders may be called at any time and from time to time pursuant to the provisions of this Article VIII for any of the following purposes:

- (a) to give any notice to the Company or to the Trustee, or to give any directions to the Trustee, or to consent to the waiving of any default hereunder and its consequences, or to take any other action authorized to be taken by Securityholders pursuant to any of the provisions of Article V;
- (b) to remove the Trustee and nominate a successor trustee pursuant to the provisions of Article VI;
- (c) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 9.2; or
- (d) to take any other action authorized to be taken by or on behalf of the holders of any specified aggregate principal amount of such Debentures under any other provision of this Indenture or under applicable law.

Section 8.2. Call of Meetings by Trustee. The Trustee may at any time call a meeting of Securityholders to take any action specified in Section 8.1, to be held at such time and at such place as the Trustee shall determine. Notice of every meeting of the Securityholders, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be mailed to holders of Debentures affected at their addresses as they shall appear on the Debentures Register and, if the Company is not a holder of Debentures, to the Company. Such notice shall be mailed not less than 20 nor more than 180 days prior to the date fixed for the meeting.

Section 8.3. Call of Meetings by Company or Securityholders. In case at any time the Company pursuant to a Board Resolution, or the holders of at least 10% in aggregate principal amount of the Debentures, as the case may be, then outstanding, shall have requested the Trustee to call a meeting of Securityholders, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed the notice of such meeting within 20 days after receipt of such request, then the Company or such Securityholders may determine the time and the place for such meeting and may call such meeting to take any action authorized in Section 8.1, by mailing notice thereof as provided in Section 8.2.

Section 8.4. Qualifications for Voting. To be entitled to vote at any meeting of Securityholders a Person shall (a) be a holder of one or more Debentures with respect to which the meeting is being held or (b) a Person appointed by an instrument in writing as proxy by a holder of one or more such Debentures. The only Persons who shall be entitled to be present or to speak at any meeting of Securityholders shall be the Persons entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

Section 8.5. Regulations. Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Securityholders, in regard to proof of the holding of Debentures and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Securityholders as provided in Section 8.3, in which case the Company or the Securityholders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by majority vote of the meeting.

Subject to the provisions of Section 7.4, at any meeting each holder of Debentures with respect to which such meeting is being held or proxy therefor shall be entitled to one vote for each \$1,000.00 principal amount of Debentures held or represented by him; provided, however, that no vote shall be cast or counted at any meeting in respect of any Debenture challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote other than by virtue of Debentures held by him or instruments in writing as aforesaid duly designating him as the Person to vote on behalf of other Securityholders. Any meeting of Securityholders duly called pursuant to the provisions of Section 8.2 or 8.3 may be adjourned from time to time by a majority of those present, whether or not constituting a quorum, and the meeting may be held as so adjourned without further notice.

Section 8.6. Voting. The vote upon any resolution submitted to any meeting of holders of Debentures with respect to which such meeting is being held shall be by written ballots on which shall be subscribed the signatures of such holders or of their representatives by proxy and the serial number or numbers of the Debentures held or represented by them. The permanent chairman of the meeting shall

appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in triplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Securityholders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed as provided in Section 8.2. The record shall show the serial numbers of the Debentures voting in favor of or against any resolution. The record shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

Section 8.7. Quorum; Actions. The Persons entitled to vote a majority in principal amount of the Debentures then outstanding shall constitute a quorum for a meeting of Securityholders; provided, however, that if any action is to be taken at such meeting with respect to a consent, waiver, request, demand, notice, authorization, direction or other action which may be given by the holders of not less than a specified percentage in principal amount of the Debentures then outstanding, the Persons holding or representing such specified percentage in principal amount of the Debentures then outstanding will constitute a quorum. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of Securityholders, be dissolved. In any other case the meeting may be adjourned for a period of not less than 10 days as determined by the permanent chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be further adjourned for a period of not less than 10 days as determined by the permanent chairman of the meeting prior to the adjournment of such adjourned meeting. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 8.2, except that such notice need be given only once not less than 5 days prior to the date on which the meeting is scheduled to be reconvened. Notice of the reconvening of an adjourned meeting shall state expressly the percentage, as provided above, of the principal amount of the Debentures then outstanding which shall constitute a quorum.

Except as limited by the provisos in the first paragraph of Section 9.2, any resolution presented to a meeting or adjourned meeting duly reconvened at which a quorum is present as aforesaid may be adopted by the affirmative vote of the holders of a majority in principal amount of the Debentures then outstanding; provided, however, that, except as limited by the provisos in the first paragraph of Section 9.2, any resolution with respect to any consent, waiver, request, demand, notice, authorization, direction or other action which this Indenture expressly provides may be given by the holders of not less than a specified percentage in principal amount of the Debentures then outstanding may be adopted at a meeting or an adjourned meeting duly reconvened and at which a quorum is present as aforesaid only by the affirmative vote of the holders of a not less than such specified percentage in principal amount of the Debentures then outstanding.

Any resolution passed or decision taken at any meeting of holders of Debentures duly held in accordance with this Section shall be binding on all the Securityholders, whether or not present or represented at the meeting.

ARTICLE IX.

SUPPLEMENTAL INDENTURES

Section 9.1. Supplemental Indentures without Consent of Securityholders. The Company, when authorized by a Board Resolution, and the Trustee may from time to time and at any time

enter into an indenture or indentures supplemental hereto, without the consent of the Securityholders, for one or more of the following purposes:

(a) to evidence the succession of another Person to the Company, or successive successions, and the assumption by the successor Person of the covenants, agreements and obligations of the Company, pursuant to Article XI hereof;

(b) to add to the covenants of the Company such further covenants, restrictions or conditions for the protection of the holders of Debentures as the Board of Directors shall consider to be for the protection of the holders of such Debentures, and to make the occurrence, or the occurrence and continuance, of a default in any of such additional covenants, restrictions or conditions a default or an Event of Default permitting the enforcement of all or any of the several remedies provided in this Indenture as herein set forth; provided, however, that in respect of any such additional covenant restriction or condition such supplemental indenture may provide for a particular period of grace after default (which period may be shorter or longer than that allowed in the case of other defaults) or may provide for an immediate enforcement upon such default or may limit the remedies available to the Trustee upon such default;

(c) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture which may be defective or inconsistent with any other provision contained herein or in any supplemental indenture, or to make such other provisions in regard to matters or questions arising under this Indenture; provided that any such action shall not materially adversely affect the interests of the holders of the Debentures;

(d) to add to, delete from, or revise the terms of Debentures, including, without limitation, any terms relating to the issuance, exchange, registration or transfer of Debentures, including to provide for transfer procedures and restrictions substantially similar to those applicable to the Capital Securities as required by Section 2.5 (for purposes of assuring that no registration of Debentures is required under the Securities Act); provided, however, that any such action shall not adversely affect the interests of the holders of the Debentures then outstanding (it being understood, for purposes of this proviso, that transfer restrictions on Debentures substantially similar to those that were applicable to Capital Securities shall not be deemed to materially adversely affect the holders of the Debentures);

(e) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Debentures and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee;

(f) to make any change (other than as elsewhere provided in this paragraph) that does not adversely affect the rights of any Securityholder in any material respect; or

(g) to provide for the issuance of and establish the form and terms and conditions of the Debentures, to establish the form of any certifications required to be furnished pursuant to the terms of this Indenture or the Debentures, or to add to the rights of the holders of Debentures.

The Trustee is hereby authorized to join with the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations which may be therein contained and to accept the conveyance, transfer and assignment of any property thereunder, but the Trustee shall not be obligated to, but may in its discretion, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Any supplemental indenture authorized by the provisions of this Section 9.1 may be executed by the Company and the Trustee without the consent of the holders of any of the Debentures at the time outstanding, notwithstanding any of the provisions of Section 9.2.

Section 9.2. Supplemental Indentures with Consent of Securityholders. With the consent (evidenced as provided in Section 7.1) of the holders of not less than a majority in aggregate principal amount of the Debentures at the time outstanding affected by such supplemental indenture (voting as a class), the Company, when authorized by a Board Resolution, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner the rights of the holders of the Debentures; provided, however, that no such supplemental indenture shall without the consent of the holders of each Debenture then outstanding and affected thereby (i) change the fixed maturity of any Debenture, or reduce the principal amount thereof or any premium thereon, or reduce the rate or extend the time of payment of interest thereon, or reduce any amount payable on redemption thereof or make the principal thereof or any interest or premium thereon payable in any coin or currency other than that provided in the Debentures, or impair or affect the right of any Securityholder to institute suit for payment thereof or impair the right of repayment, if any, at the option of the holder, or (ii) reduce the aforesaid percentage of Debentures the holders of which are required to consent to any such supplemental indenture; provided further, however, that if the Debentures are held by a trust or a trustee of such trust, such supplemental indenture shall not be effective until the holders of a majority in Liquidation Amount of Trust Securities shall have consented to such supplemental indenture; provided further, however, that if the consent of the Securityholder of each outstanding Debenture is required, such supplemental indenture shall not be effective until each holder of the Trust Securities shall have consented to such supplemental indenture.

Upon the request of the Company accompanied by a Board Resolution authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of Securityholders as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

Promptly after the execution by the Company and the Trustee of any supplemental indenture pursuant to the provisions of this Section, the Trustee shall transmit by mail, first class postage prepaid, a notice, prepared by the Company, setting forth in general terms the substance of such supplemental indenture, to the Securityholders as their names and addresses appear upon the Debenture Register. Any failure of the Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

It shall not be necessary for the consent of the Securityholders under this Section 9.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Section 9.3. Effect of Supplemental Indentures. Upon the execution of any supplemental indenture pursuant to the provisions of this Article IX, this Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company and the holders of Debentures shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 9.4. Notation on Debentures. Debentures authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article IX may bear a notation as to any matter provided for in such supplemental indenture. If the Company or the Trustee shall so determine, new Debentures so modified as to conform, in the opinion of the Board of Directors of the Company, to any modification of this Indenture contained in any such supplemental indenture may be prepared and executed by the Company, authenticated by the Trustee or the Authenticating Agent and delivered in exchange for the Debentures then outstanding.

Section 9.5. Evidence of Compliance of Supplemental Indenture to be Furnished to Trustee. The Trustee, subject to the provisions of Sections 6.1 and 6.2, shall, in addition to the documents required by Section 14.6, receive an Officers' Certificate and an Opinion of Counsel as conclusive evidence that any supplemental indenture executed pursuant hereto complies with the requirements of this Article IX. The Trustee shall receive an Opinion of Counsel as conclusive evidence that any supplemental indenture executed pursuant to this Article IX is authorized or permitted by, and conforms to, the terms of this Article IX and that it is proper for the Trustee under the provisions of this Article IX to join in the execution thereof.

ARTICLE X. REDEMPTION OF SECURITIES

Section 10.1. Optional Redemption. The Company shall have the right (subject to the receipt by the Company of prior approval (i) if the Company is a bank holding company, from the Federal Reserve, if then required under applicable capital guidelines or policies of the Federal Reserve or (ii) if the Company is a savings and loan holding company, from the OTS, if then required under applicable capital guidelines or policies of the OTS) to redeem the Debentures, in whole or in part, but in all cases in a principal amount with integral multiples of \$1,000.00, on any Interest Payment Date on or after December 17, 2008 (the "Redemption Date"), at the Redemption Price.

Section 10.2. Special Event Redemption. If a Special Event shall occur and be continuing, the Company shall have the right (subject to the receipt by the Company of prior approval (i) if the Company is a bank holding company, from the Federal Reserve, if then required under applicable capital guidelines or policies of the Federal Reserve or (ii) if the Company is a savings and loan holding company, from the OTS, if then required under applicable capital guidelines or policies of the OTS) to redeem the Debentures in whole, but not in part, at any Interest Payment Date, within 120 days following the occurrence of such Special Event (the "Special Redemption Date") at the Special Redemption Price.

Section 10.3. Notice of Redemption; Selection of Debentures. In case the Company shall desire to exercise the right to redeem all, or, as the case may be, any part of the Debentures, it shall cause to be mailed a notice of such redemption at least 30 and not more than 60 days prior to the Redemption Date or the Special Redemption Date to the holders of Debentures so to be redeemed as a whole or in part at their last addresses as the same appear on the Debenture Register. Such mailing shall be by first class mail. The notice if mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the holder of any Debenture designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Debenture.

Each such notice of redemption shall specify the CUSIP number, if any, of the Debentures to be redeemed, the Redemption Date or the Special Redemption Date, as applicable, the Redemption Price or the Special Redemption Price, as applicable, at which Debentures are to be redeemed, the place or places of payment, that payment will be made upon presentation and surrender of such Debentures, that interest accrued to the date fixed for redemption will be paid as specified in said notice, and that on and after said date interest thereon or on the portions thereof to be redeemed will cease to accrue. If less than all the

Debentures are to be redeemed the notice of redemption shall specify the numbers of the Debentures to be redeemed. In case the Debentures are to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that on and after the date fixed for redemption, upon surrender of such Debenture, a new Debenture or Debentures in principal amount equal to the unredeemed portion thereof will be issued.

Prior to 10:00 a.m. New York City time on the Redemption Date or Special Redemption Date, as applicable, the Company will deposit with the Trustee or with one or more paying agents an amount of money sufficient to redeem on the Redemption Date or the Special Redemption Date, as applicable, all the Debentures so called for redemption at the appropriate Redemption Price or Special Redemption Price.

If all, or less than all, the Debentures are to be redeemed, the Company will give the Trustee notice not less than 45 nor more than 60 days, respectively, prior to the Redemption Date or Special Redemption Date, as applicable, as to the aggregate principal amount of Debentures to be redeemed and the Trustee shall select, in such manner as in its sole discretion it shall deem appropriate and fair, the Debentures or portions thereof (in integral multiples of \$1,000.00) to be redeemed.

Section 10.4. Payment of Debentures Called for Redemption. If notice of redemption has been given as provided in Section 10.3, the Debentures or portions of Debentures with respect to which such notice has been given shall become due and payable on the Redemption Date or Special Redemption Date, as applicable, and at the place or places stated in such notice at the applicable Redemption Price or Special Redemption Price and on and after said date (unless the Company shall default in the payment of such Debentures at the Redemption Price or Special Redemption Price, as applicable) interest on the Debentures or portions of Debentures so called for redemption shall cease to accrue. On presentation and surrender of such Debentures at a place of payment specified in said notice, such Debentures or the specified portions thereof shall be paid and redeemed by the Company at the applicable Redemption Price or Special Redemption Price.

Upon presentation of any Debenture redeemed in part only, the Company shall execute and the Trustee shall authenticate and make available for delivery to the holder thereof, at the expense of the Company, a new Debenture or Debentures of authorized denominations, in principal amount equal to the unredeemed portion of the Debenture so presented.

ARTICLE XI.

CONSOLIDATION, MERGER, SALE, CONVEYANCE AND LEASE

Section 11.1. Company May Consolidate, etc., on Certain Terms. Nothing contained in this Indenture or in the Debentures shall prevent any consolidation or merger of the Company with or into any other Person (whether or not affiliated with the Company) or successive consolidations or mergers in which the Company or its successor or successors shall be a party or parties, or shall prevent any sale, conveyance, transfer or other disposition of the property or capital stock of the Company or its successor or successors as an entirety, or substantially as an entirety, to any other Person (whether or not affiliated with the Company, or its successor or successors) authorized to acquire and operate the same; provided, however, that the Company hereby covenants and agrees that, upon any such consolidation, merger (where the Company is not the surviving corporation), sale, conveyance, transfer or other disposition, the due and punctual payment of the principal of (and premium, if any) and interest on all of the Debentures in accordance with their terms, according to their tenor, and the due and punctual performance and observance of all the covenants and conditions of this Indenture to be kept or performed by the Company, shall be expressly assumed by supplemental indenture satisfactory in form to the Trustee executed and delivered to the Trustee by the entity formed by such consolidation, or into which the Company shall have been merged, or by the entity which shall have acquired such property or capital stock.

Section 11.2. Successor Entity to be Substituted In case of any such consolidation, merger, sale, conveyance, transfer or other disposition and upon the assumption by the successor entity, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the due and punctual payment of the principal of and premium, if any, and interest on all of the Debentures and the due and punctual performance and observance of all of the covenants and conditions of this Indenture to be performed or observed by the Company, such successor entity shall succeed to and be substituted for the Company, with the same effect as if it had been named herein as the Company, and thereupon the predecessor entity shall be relieved of any further liability or obligation hereunder or upon the Debentures. Such successor entity thereupon may cause to be signed, and may issue in its own name, any or all of the Debentures issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee or the Authenticating Agent; and, upon the order of such successor entity instead of the Company and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee or the Authenticating Agent shall authenticate and deliver any Debentures which previously shall have been signed and delivered by the officers of the Company, to the Trustee or the Authenticating Agent for authentication, and any Debentures which such successor entity thereafter shall cause to be signed and delivered to the Trustee or the Authenticating Agent for that purpose. All the Debentures so issued shall in all respects have the same legal rank and benefit under this Indenture as the Debentures theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Debentures had been issued at the date of the execution hereof.

Section 11.3. Opinion of Counsel to be Given to Trustee. The Trustee, subject to the provisions of Sections 6.1 and 6.2, shall receive, in addition to the Opinion of Counsel required by Section 9.5, an Opinion of Counsel as conclusive evidence that any consolidation, merger, sale, conveyance, transfer or other disposition, and any assumption, permitted or required by the terms of this Article XI complies with the provisions of this Article XI.

ARTICLE XII.

SATISFACTION AND DISCHARGE OF INDENTURE

Section 12.1. Discharge of Indenture. When

- (a) the Company shall deliver to the Trustee for cancellation all Debentures theretofore authenticated (other than any Debentures which shall have been destroyed, lost or stolen and which shall have been replaced or paid as provided in Section 2.6) and not theretofore canceled, or
- (b) all the Debentures not theretofore canceled or delivered to the Trustee for cancellation shall have become due and payable, or are by their terms to become due and payable within 1 year or are to be called for redemption within 1 year under arrangements satisfactory to the Trustee for the giving of notice of redemption, and the Company shall deposit with the Trustee, in trust, funds, which shall be immediately due and payable, sufficient to pay at maturity or upon redemption all of the Debentures (other than any Debentures which shall have been destroyed, lost or stolen and which shall have been replaced or paid as provided in Section 2.6) not theretofore canceled or delivered to the Trustee for cancellation, including principal and premium, if any, and interest due or to become due to such date of maturity or redemption date, as the case may be, but excluding, however, the amount of any moneys for the payment of principal of, and premium, if any, or interest on the Debentures (1) theretofore repaid to the Company in accordance with the provisions of Section 12.4, or (2) paid to any state or to the District of Columbia pursuant to its unclaimed property or similar laws,

and if in the case of either clause (a) or clause (b) the Company shall also pay or cause to be paid all other sums payable hereunder by the Company, then this Indenture shall cease to be of further effect except for the provisions of Sections 2.5, 2.6, 2.8, 3.1, 3.2, 3.4, 6.6, 6.8, 6.9 and 12.4 hereof shall survive until such Debentures shall mature and be paid. Thereafter, Sections 6.6 and 12.4 shall survive, and the Trustee, on demand of the Company accompanied by an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with, and at the cost and expense of the Company, shall execute proper instruments acknowledging satisfaction of and discharging this Indenture. The Company agrees to reimburse the Trustee for any costs or expenses thereafter reasonably and properly incurred by the Trustee in connection with this Indenture or the Debentures.

Section 12.2. Deposited Moneys to be Held in Trust by Trustee. Subject to the provisions of Section 12.4, all moneys deposited with the Trustee pursuant to Section 12.1 shall be held in trust in a non-interest bearing account and applied by it to the payment, either directly or through any paying agent (including the Company if acting as its own paying agent), to the holders of the particular Debentures for the payment of which such moneys have been deposited with the Trustee, of all sums due and to become due thereon for principal, and premium, if any, and interest.

Section 12.3. Paying Agent to Repay Moneys Held. Upon the satisfaction and discharge of this Indenture all moneys then held by any paying agent of the Debentures (other than the Trustee) shall, upon demand of the Company, be repaid to it or paid to the Trustee, and thereupon such paying agent shall be released from all further liability with respect to such moneys.

Section 12.4. Return of Unclaimed Moneys. Any moneys deposited with or paid to the Trustee or any paying agent for payment of the principal of, and premium, if any, or interest on Debentures and not applied but remaining unclaimed by the holders of Debentures for 2 years after the date upon which the principal of, and premium, if any, or interest on such Debentures, as the case may be, shall have become due and payable, shall, subject to applicable escheatment laws, be repaid to the Company by the Trustee or such paying agent on written demand; and the holder of any of the Debentures shall thereafter look only to the Company for any payment which such holder may be entitled to collect, and all liability of the Trustee or such paying agent with respect to such moneys shall thereupon cease.

ARTICLE XIII. **IMMUNITY OF INCORPORATORS, STOCKHOLDERS,** **OFFICERS AND DIRECTORS**

Section 13.1. Indenture and Debentures Solely Corporate Obligations. Section 14.7. Table of Contents, Headings, etc. The table of contents and the titles and headings of the articles and sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part hereof, and shall in no way modify or restrict any of the terms or provisions hereof.

Section 14.8. Execution in Counterparts. This Indenture may be executed in any number of counterparts, each of which shall be an original, but such counterparts shall together constitute but one and the same instrument.

Section 14.9. Separability. In case any one or more of the provisions contained in this Indenture or in the Debentures shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Indenture or of such Debentures, but this Indenture and such Debentures shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein or therein.

Section 14.10. Assignment. The Company will have the right at all times to assign any of its rights or obligations under this Indenture to a direct or indirect wholly owned Subsidiary of the Company, provided that, in the event of any such assignment, the Company will remain liable for all such obligations. Subject to the foregoing, this Indenture is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns. This Indenture may not otherwise be assigned by the parties hereto.

Section 14.11. Acknowledgment of Rights. The Company agrees that, with respect to any Debentures held by the Trust or the Institutional Trustee of the Trust, if the Institutional Trustee of the Trust fails to enforce its rights under this Indenture as the holder of Debentures held as the assets of such Trust after the holders of a majority in Liquidation Amount of the Capital Securities of such Trust have so directed such Institutional Trustee, a holder of record of such Capital Securities may, to the fullest extent permitted by law, institute legal proceedings directly against the Company to enforce such Institutional Trustee's rights under this Indenture without first instituting any legal proceedings against such trustee or any other Person. Notwithstanding the foregoing, if an Event of Default has occurred and is continuing and such event is attributable to the failure of the Company to pay interest (or premium, if any) or principal on the Debentures on the date such interest (or premium, if any) or principal is otherwise payable (or in the case of redemption, on the redemption date), the Company agrees that a holder of record of Capital Securities of the Trust may directly institute a proceeding against the Company for enforcement of payment to such holder directly of the principal of (or premium, if any) or interest on the Debentures having an aggregate principal amount equal to the aggregate Liquidation Amount of the Capital Securities of such holder on or after the respective due date specified in the Debentures.

ARTICLE XV.

SUBORDINATION OF DEBENTURES

Section 15.1. Agreement to Subordinate. The Company covenants and agrees, and each holder of Debentures by such Securityholder's acceptance thereof likewise covenants and agrees, that all Debentures shall be issued subject to the provisions of this Article XV; and each holder of a Debenture, whether upon original issue or upon transfer or assignment thereof, accepts and agrees to be bound by such provisions.

The payment by the Company of the principal of, and premium, if any, and interest on all Debentures shall, to the extent and in the manner hereinafter set forth, be subordinated and junior in right

of payment to the prior payment in full of all Senior Indebtedness of the Company, whether outstanding at the date of this Indenture or thereafter incurred; provided, however, that the Debentures shall rank *pari passu* in right of payment with (1) Floating Rate Junior Subordinated Deferrable Interest Debentures due June 26, 2033 issued pursuant to an Indenture dated as of June 26, 2003 by and between the Company and U.S. Bank National Association; (2) Floating Rate Junior Subordinated Debentures due June 24, 2033 issued pursuant to an Indenture dated as of June 24, 2003 by and between the Company and Bank of New York; (3) Floating Rate Junior Subordinated Debentures due September 17, 2033 issued pursuant to an Indenture dated as of September 17, 2003 by and between the Company and U.S. Bank National Association; and (4) Floating Rate Junior Subordinated Debentures due December 15, 2033 issued pursuant to an Indenture dated as of December 15, 2003 by and between the Company and Bank of New York.

No provision of this Article XV shall prevent the occurrence of any default or Event of Default hereunder.

Section 15.2. Default on Senior Indebtedness. In the event and during the continuation of any default by the Company in the payment of principal, premium, interest or any other payment due on any Senior Indebtedness of the Company following any grace period, or in the event that the maturity of any Senior Indebtedness of the Company has been accelerated because of a default and such acceleration has not been rescinded or canceled and such Senior Indebtedness has not been paid in full, then, in either case, no payment shall be made by the Company with respect to the principal (including redemption) of, or premium, if any, or interest on the Debentures.

In the event that, notwithstanding the foregoing, any payment shall be received by the Trustee when such payment is prohibited by the preceding paragraph of this Section 15.2, such payment shall, subject to Section 15.7, be held in trust for the benefit of, and shall be paid over or delivered to, the holders of Senior Indebtedness or their respective representatives, or to the trustee or trustees under any indenture pursuant to which any of such Senior Indebtedness may have been issued, as their respective interests may appear, but only to the extent that the holders of the Senior Indebtedness (or their representative or representatives or a trustee) notify the Trustee in writing within 90 days of such payment of the amounts then due and owing on the Senior Indebtedness and only the amounts specified in such notice to the Trustee shall be paid to the holders of Senior Indebtedness.

Section 15.3. Liquidation, Dissolution, Bankruptcy. Upon any payment by the Company or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to creditors upon any dissolution or winding-up or liquidation or reorganization of the Company, whether voluntary or involuntary or in bankruptcy, insolvency, receivership or other proceedings, all amounts due upon all Senior Indebtedness of the Company shall first be paid in full, or payment thereof provided for in money in accordance with its terms, before any payment is made by the Company, on account of the principal (and premium, if any) or interest on the Debentures. Upon any such dissolution or winding-up or liquidation or reorganization, any payment by the Company, or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to which the Securityholders or the Trustee would be entitled to receive from the Company, except for the provisions of this Article XV, shall be paid by the Company, or by any receiver, trustee in bankruptcy, liquidating trustee, agent or other Person making such payment or distribution, or by the Securityholders or by the Trustee under this Indenture if received by them or it, directly to the holders of Senior Indebtedness (*pro rata* to such holders on the basis of the respective amounts of Senior Indebtedness held by such holders, as calculated by the Company) or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such Senior Indebtedness may have been issued, as their respective interests may appear, to the extent necessary to pay such Senior Indebtedness in full, in money or money's worth, after giving effect to any concurrent payment or distribution to or for the

holders of such Senior Indebtedness, before any payment or distribution is made to the Securityholders or to the Trustee.

In the event that, notwithstanding the foregoing, any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, prohibited by the foregoing, shall be received by the Trustee before all Senior Indebtedness is paid in full, or provision is made for such payment in money in accordance with its terms, such payment or distribution shall be held in trust for the benefit of and shall be paid over or delivered to the holders of such Senior Indebtedness or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such Senior Indebtedness may have been issued, as their respective interests may appear, as calculated by the Company, for application to the payment of all Senior Indebtedness, remaining unpaid to the extent necessary to pay such Senior Indebtedness in full in money in accordance with its terms, after giving effect to any concurrent payment or distribution to or for the benefit of the holders of such Senior Indebtedness.

For purposes of this Article XV, the words "cash, property or securities" shall not be deemed to include shares of stock of the Company as reorganized or readjusted, or securities of the Company or any other corporation provided for by a plan of reorganization or readjustment, the payment of which is subordinated at least to the extent provided in this Article XV with respect to the Debentures to the payment of all Senior Indebtedness, that may at the time be outstanding, provided that (i) such Senior Indebtedness is assumed by the new corporation, if any, resulting from any such reorganization or readjustment, and (ii) the rights of the holders of such Senior Indebtedness are not, without the consent of such holders, altered by such reorganization or readjustment. The consolidation of the Company with, or the merger of the Company into, another corporation or the liquidation or dissolution of the Company following the conveyance or transfer of its property as an entirety, or substantially as an entirety, to another corporation upon the terms and conditions provided for in Article XI of this Indenture shall not be deemed a dissolution, winding-up, liquidation or reorganization for the purposes of this Section if such other corporation shall, as a part of such consolidation, merger, conveyance or transfer, comply with the conditions stated in Article XI of this Indenture. Nothing in Section 15.2 or in this Section shall apply to claims of, or payments to, the Trustee under or pursuant to Section 6.6 of this Indenture.

Section 15.4. Subrogation. Subject to the payment in full of all Senior Indebtedness, the Securityholders shall be subrogated to the rights of the holders of such Senior Indebtedness to receive payments or distributions of cash, property or securities of the Company, applicable to such Senior Indebtedness until the principal of (and premium, if any) and interest on the Debentures shall be paid in full. For the purposes of such subrogation, no payments or distributions to the holders of such Senior Indebtedness of any cash, property or securities to which the Securityholders or the Trustee would be entitled except for the provisions of this Article XV, and no payment over pursuant to the provisions of this Article XV to or for the benefit of the holders of such Senior Indebtedness by Securityholders or the Trustee, shall, as between the Company, its creditors other than holders of Senior Indebtedness of the Company, and the holders of the Debentures be deemed to be a payment or distribution by the Company to or on account of such Senior Indebtedness. It is understood that the provisions of this Article XV are and are intended solely for the purposes of defining the relative rights of the holders of the Securities, on the one hand, and the holders of such Senior Indebtedness, on the other hand.

Nothing contained in this Article XV or elsewhere in this Indenture or in the Debentures is intended to or shall impair, as between the Company, its creditors other than the holders of Senior Indebtedness, and the holders of the Debentures, the obligation of the Company, which is absolute and unconditional, to pay to the holders of the Debentures the principal of (and premium, if any) and interest on the Debentures as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the holders of the Debentures and creditors of the

Company, other than the holders of Senior Indebtedness, nor shall anything herein or therein prevent the Trustee or the holder of any Debenture from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, under this Article XV of the holders of such Senior Indebtedness in respect of cash, property or securities of the Company, received upon the exercise of any such remedy.

Upon any payment or distribution of assets of the Company referred to in this Article XV, the Trustee, subject to the provisions of Article VI of this Indenture, and the Securityholders shall be entitled to conclusively rely upon any order or decree made by any court of competent jurisdiction in which such dissolution, winding-up, liquidation or reorganization proceedings are pending, or a certificate of the receiver, trustee in bankruptcy, liquidation trustee, agent or other Person making such payment or distribution, delivered to the Trustee or to the Securityholders, for the purposes of ascertaining the Persons entitled to participate in such distribution, the holders of Senior Indebtedness and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article XV.

Section 15.5. Trustee to Effectuate Subordination. Each Securityholder by such Securityholder's acceptance thereof authorizes and directs the Trustee on such Securityholder's behalf to take such action as may be necessary or appropriate to effectuate the subordination provided in this Article XV and appoints the Trustee such Securityholder's attorney-in-fact for any and all such purposes.

Section 15.6. Notice by the Company. The Company shall give prompt written notice to a Responsible Officer of the Trustee at the Principal Office of the Trustee of any fact known to the Company that would prohibit the making of any payment of monies to or by the Trustee in respect of the Debentures pursuant to the provisions of this Article XV. Notwithstanding the provisions of this Article XV or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment of monies to or by the Trustee in respect of the Debentures pursuant to the provisions of this Article XV, unless and until a Responsible Officer of the Trustee at the Principal Office of the Trustee shall have received written notice thereof from the Company or a holder or holders of Senior Indebtedness or from any trustee therefor; and before the receipt of any such written notice, the Trustee, subject to the provisions of Article VI of this Indenture, shall be entitled in all respects to assume that no such facts exist; provided, however, that if the Trustee shall not have received the notice provided for in this Section at least 2 Business Days prior to the date upon which by the terms hereof any money may become payable for any purpose (including, without limitation, the payment of the principal of (or premium, if any) or interest on any Debenture), then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such money and to apply the same to the purposes for which they were received, and shall not be affected by any notice to the contrary that may be received by it within 2 Business Days prior to such date.

The Trustee, subject to the provisions of Article VI of this Indenture, shall be entitled to conclusively rely on the delivery to it of a written notice by a Person representing himself to be a holder of Senior Indebtedness (or a trustee or representative on behalf of such holder), to establish that such notice has been given by a holder of such Senior Indebtedness or a trustee or representative on behalf of any such holder or holders. In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of such Senior Indebtedness to participate in any payment or distribution pursuant to this Article XV, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article XV, and, if such evidence is

not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

Section 15.7. Rights of the Trustee; Holders of Senior Indebtedness. The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article XV in respect of any Senior Indebtedness at any time held by it, to the same extent as any other holder of Senior Indebtedness, and nothing in this Indenture shall deprive the Trustee of any of its rights as such holder.

With respect to the holders of Senior Indebtedness, the Trustee undertakes to perform or to observe only such of its covenants and obligations as are specifically set forth in this Article XV, and no implied covenants or obligations with respect to the holders of such Senior Indebtedness shall be read into this Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of such Senior Indebtedness and, subject to the provisions of Article VI of this Indenture, the Trustee shall not be liable to any holder of such Senior Indebtedness if it shall pay over or deliver to Securityholders, the Company or any other Person money or assets to which any holder of such Senior Indebtedness shall be entitled by virtue of this Article XV or otherwise.

Nothing in this Article XV shall apply to claims of, or payments to, the Trustee under or pursuant to Section 6.6.

Section 15.8. Subordination May Not Be Impaired No right of any present or future holder of any Senior Indebtedness to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company, or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company, with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof that any such holder may have or otherwise be charged with.

Without in any way limiting the generality of the foregoing paragraph, the holders of Senior Indebtedness may, at any time and from time to time, without the consent of or notice to the Trustee or the Securityholders, without incurring responsibility to the Securityholders and without impairing or releasing the subordination provided in this Article XV or the obligations hereunder of the holders of the Debentures to the holders of such Senior Indebtedness, do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, such Senior Indebtedness, or otherwise amend or supplement in any manner such Senior Indebtedness or any instrument evidencing the same or any agreement under which such Senior Indebtedness is outstanding; (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing such Senior Indebtedness; (iii) release any Person liable in any manner for the collection of such Senior Indebtedness; and (iv) exercise or refrain from exercising any rights against the Company, and any other Person.

THIS SECURITY WILL BE ISSUED AND MAY BE TRANSFERRED ONLY IN BLOCKS HAVING AN AGGREGATE PRINCIPAL AMOUNT OF NOT LESS THAN \$100,000.00 AND MULTIPLES OF \$1,000.00 IN EXCESS THEREOF. ANY ATTEMPTED TRANSFER OF THIS SECURITY IN A BLOCK HAVING AN AGGREGATE PRINCIPAL AMOUNT OF LESS THAN \$100,000.00 SHALL BE DEEMED TO BE VOID AND OF NO LEGAL EFFECT WHATSOEVER.

THE HOLDER OF THIS SECURITY AGREES THAT IT WILL COMPLY WITH THE FOREGOING RESTRICTIONS.

IN CONNECTION WITH ANY TRANSFER, THE HOLDER WILL DELIVER TO THE REGISTRAR AND TRANSFER AGENT SUCH CERTIFICATES AND OTHER INFORMATION AS MAY BE REQUIRED BY THE INDENTURE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.

Floating Rate Junior Subordinated Deferrable Interest Debenture

of

Corus Bankshares, Inc.

December 17, 2003

Corus Bankshares, Inc., a Minnesota corporation (the "Company" which term includes any successor Person under the Indenture hereinafter referred to), for value received promises to pay to U.S. Bank National Association, not in its individual capacity but solely as Institutional Trustee for Corus Statutory Trust V (the "Holder") or registered assigns, the principal sum of fifty-one million five hundred forty-seven thousand dollars (\$51,547,000.00) on December 17, 2033, and to pay interest on said principal sum from December 17, 2003, or from the most recent interest payment date (each such date, an "Interest Payment Date") to which interest has been paid or duly provided for, quarterly (subject to deferral as set forth herein) in arrears on March 17, June 17, September 17 and December 17 of each year (or if such day is not a Business Day, then the next succeeding Business Day) commencing on March 17, 2004, at an annual rate equal to 4.02% beginning on (and including) the date of original issuance and ending on (but excluding) March 17, 2004 and at an annual rate for each successive period beginning on (and including) March 17, 2004, and each succeeding Interest Payment Date, and ending on (but excluding) the next succeeding Interest Payment Date (each a "Distribution Period"), equal to 3-Month LIBOR, determined as described below, plus 2.85% (the "Coupon Rate"), applied to the principal amount hereof, until the principal hereof is paid or duly provided for or made available for payment, and on any overdue principal and (without duplication and to the extent that payment of such interest is enforceable under applicable law) on any overdue installment of interest (including Additional Interest) at the Interest Rate in effect for each applicable period, compounded quarterly, from the dates such amounts are due

until they are paid or made available for payment. The amount of interest payable for any period will be computed on the basis of the actual number of days in the Distribution Period concerned divided by 360. In the event that any date on which interest is payable on this Debenture is not a Business Day, then a payment of the interest payable on such date will be made on the next succeeding day which is a Business Day (and without any interest or other payment in respect of any such delay), except that, if such Business Day is in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case with the same force and effect as if made on the date the payment was originally payable. The interest installment so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Debenture (or one or more Predecessor Securities) is registered at the close of business on the regular record date for such interest installment, which shall be fifteen days prior to the day on which the relevant Interest Payment Date occurs. Any such interest installment not so punctually paid or duly provided for shall forthwith cease to be payable to the Holder on such regular record date and may be paid to the Person in whose name this Debenture (or one or more Predecessor Securities) is registered at the close of business on a special record date.

"3-Month LIBOR" as used herein, means the London interbank offered interest rate for three-month U.S. dollar deposits determined by the Trustee in the following order of priority: (i) the rate (expressed as a percentage per annum) for U.S. dollar deposits having a three-month maturity that appears on Telerate Page 3750 as of 11:00 a.m. (London time) on the related Determination Date ("Telerate Page 3750" means the display designated as "Page 3750" on the Dow Jones Telerate Service or such other page as may replace Page 3750 on that service or such other service or services as may be nominated by the British Bankers' Association as the information vendor for the purpose of displaying London interbank offered rates for U.S. dollar deposits); (ii) if such rate cannot be identified on the related Determination Date, the Trustee will request the principal London offices of four leading banks in the London interbank market to provide such banks' offered quotations (expressed as percentages per annum) to prime banks in the London interbank market for U.S. dollar deposits having a three-month maturity as of 11:00 a.m. (London time) on such Determination Date. If at least two quotations are provided, 3-Month LIBOR will be the arithmetic mean of such quotations; (iii) if fewer than two such quotations are provided as requested in clause (ii) above, the Trustee will request four major New York City banks to provide such banks' offered quotations (expressed as percentages per annum) to leading European banks for loans in U.S. dollars as of 11:00 a.m. (London time) on such Determination Date. If at least two such quotations are provided, 3-Month LIBOR will be the arithmetic mean of such quotations; and (iv) if fewer than two such quotations are provided as requested in clause (iii) above, 3-Month LIBOR will be a 3-Month LIBOR determined with respect to the Distribution Period immediately preceding such current Distribution Period. If the rate for U.S. dollar deposits having a three-month maturity that initially appears on Telerate Page 3750 as of 11:00 a.m. (London time) on the related Determination Date is superseded on the Telerate Page 3750 by a corrected rate by 12:00 noon (London time) on such Determination Date, then the corrected rate as so substituted on the applicable page will be the applicable 3-Month LIBOR for such Determination Date. As used herein, "Determination Date" means the date that is two London Banking Days (i.e., a business day in which dealings in deposits in U.S. dollars are transacted in the London interbank market) preceding the commencement of the relevant Distribution Period.

The Interest Rate for any Distribution Period will at no time be higher than the maximum rate then permitted by New York law as the same may be modified by United States law.

All percentages resulting from any calculations on the Debentures will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward (e.g., 9.876545% (or .09876545) being rounded to 9.87655% (or .0987655), and all

dollar amounts used in or resulting from such calculation will be rounded to the nearest cent (with one-half cent being rounded upward)).

The principal of and interest on this Debenture shall be payable at the office or agency of the Trustee (or other paying agent appointed by the Company) maintained for that purpose in any coin or currency of the United States of America that at the time of payment is legal tender for payment of public and private debts; provided, however, that payment of interest may be made by check mailed to the registered holder at such address as shall appear in the Debenture Register if a request for a wire transfer by such holder has not been received by the Company or by wire transfer to an account appropriately designated by the holder hereof. Notwithstanding the foregoing, so long as the holder of this Debenture is the Institutional Trustee, the payment of the principal of and interest on this Debenture will be made in immediately available funds at such place and to such account as may be designated by the Trustee.

So long as no Event of Default has occurred and is continuing, the Company shall have the right, from time to time, and without causing an Event of Default, to defer payments of interest on the Debentures by extending the interest payment period on the Debentures at any time and from time to time during the term of the Debentures, for up to 20 consecutive quarterly periods (each such extended interest payment period, an "Extension Period"), during which Extension Period no interest (including Additional Interest) shall be due and payable (except any Additional Sums that may be due and payable). No Extension Period may end on a date other than an Interest Payment Date. During an Extension Period, interest will continue to accrue on the Debentures, and interest on such accrued interest will accrue at an annual rate equal to the Interest Rate in effect for such Extension Period, compounded quarterly from the date such interest would have been payable were it not for the Extension Period, to the extent permitted by law (such interest referred to herein as "Additional Interest"). At the end of any such Extension Period the Company shall pay all interest then accrued and unpaid on the Debentures (together with Additional Interest thereon); provided, however, that no Extension Period may extend beyond the Maturity Date; provided further, however, that during any such Extension Period, the Company shall not and shall not permit any Affiliate to engage in any of the activities or transactions described on the reverse side hereof and in the Indenture. Prior to the termination of any Extension Period, the Company may further extend such period, provided that such period together with all such previous and further consecutive extensions thereof shall not exceed 20 consecutive quarterly periods, or extend beyond the Maturity Date. Upon the termination of any Extension Period and upon the payment of all accrued and unpaid interest and Additional Interest, the Company may commence a new Extension Period, subject to the foregoing requirements. No interest or Additional Interest shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest. The Company must give the Trustee notice of its election to begin or extend an Extension Period at least 5 Business Days prior to the regular record date (as such term is used in Section 2.8 of the Indenture) immediately preceding the Interest Payment Date with respect to which interest on the Debentures would have been payable except for the election to begin or extend such Extension Period.

The indebtedness evidenced by this Debenture is, to the extent provided in the Indenture, subordinate and junior in right of payment to the prior payment in full of all Senior Indebtedness, and this Debenture is issued subject to the provisions of the Indenture with respect thereto. Each holder of this Debenture, by accepting the same, (a) agrees to and shall be bound by such provisions, (b) authorizes and directs the Trustee on his or her behalf to take such action as may be necessary or appropriate to acknowledge or effectuate the subordination so provided and (c) appoints the Trustee his or her attorney-in-fact for any and all such purposes. Each holder hereof, by his or her acceptance hereof, hereby waives all notice of the acceptance of the subordination provisions contained herein and in the Indenture by each holder of Senior Indebtedness, whether now outstanding or hereafter incurred, and waives reliance by each such holder upon said provisions.

This Debenture shall not be entitled to any benefit under the Indenture hereinafter referred to, be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by or on behalf of the Trustee.

The provisions of this Debenture are continued on the reverse side hereof and such provisions shall for all purposes have the same effect as though fully set forth at this place.

IN WITNESS WHEREOF, the Company has duly executed this certificate.

[FORM OF REVERSE OF DEBENTURE]

This Debenture is one of the floating rate junior subordinated deferrable interest debentures of the Company, all issued or to be issued under and pursuant to the Indenture dated as of December 17, 2003 (the "Indenture"), duly executed and delivered between the Company and the Trustee, to which Indenture reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the holders of the Debentures. The Debentures are limited in aggregate principal amount as specified in the Indenture.

Upon the occurrence and continuation of a Special Event prior to December 17, 2008, the Company shall have the right to redeem the Debentures in whole, but not in part, at any Interest Payment Date, within 120 days following the occurrence of such Special Event, at the Special Redemption Price.

In addition, the Company shall have the right to redeem the Debentures, in whole or in part, but in all cases in a principal amount with integral multiples of \$1,000.00, on any Interest Payment Date on or after December 17, 2008, at the Redemption Price.

Prior to 10:00 a.m. New York City time on the Redemption Date or Special Redemption Date, as applicable, the Company will deposit with the Trustee or with one or more paying agents an amount of money sufficient to redeem on the Redemption Date or the Special Redemption Date, as applicable, all the Debentures so called for redemption at the appropriate Redemption Price or Special Redemption Price.

If all, or less than all, the Debentures are to be redeemed, the Company will give the Trustee notice not less than 45 nor more than 60 days, respectively, prior to the Redemption Date or Special Redemption Date, as applicable, as to the aggregate principal amount of Debentures to be redeemed and the Trustee shall select, in such manner as in its sole discretion it shall deem appropriate and fair, the Debentures or portions thereof (in integral multiples of \$1,000.00) to be redeemed.

Notwithstanding the foregoing, any redemption of Debentures by the Company shall be subject to the receipt of any and all required regulatory approvals.

In case an Event of Default shall have occurred and be continuing, upon demand of the Trustee, the principal of all of the Debentures shall become due and payable in the manner, with the effect and subject to the conditions provided in the Indenture.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than a majority in aggregate principal amount of the Debentures at the time outstanding, to execute supplemental indentures for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner the rights of the holders of the Debentures; provided, however, that no such supplemental indenture shall without the consent of the holders of each Debenture then outstanding and affected thereby (i) change the fixed maturity of any Debenture, or reduce the principal amount thereof or any premium thereon, or reduce the rate or extend the time of payment of interest thereon, or reduce any amount payable on redemption thereof or make the principal thereof or any interest or premium thereon payable in any coin or currency other than that provided in the Debentures, or impair or affect the right of any Securityholder to institute suit for payment thereof or impair the right of repayment, if any, at the option of the holder, or (ii) reduce the aforesaid percentage of Debentures the holders of which are required to consent to any such supplemental indenture.

The Indenture also contains provisions permitting the holders of a majority in aggregate principal amount of the Debentures at the time outstanding on behalf of the holders of all of the Debentures to

waive (or modify any previously granted waiver of) any past default or Event of Default, and its consequences, except a default (a) in the payment of principal of, premium, if any, or interest on any of the Debentures, (b) in respect of covenants or provisions hereof or of the Indenture which cannot be modified or amended without the consent of the holder of each Debenture affected, or (c) in respect of the covenants contained in Section 3.9 of the Indenture; provided, however, that if the Debentures are held by the Trust or a trustee of such trust, such waiver or modification to such waiver shall not be effective until the holders of a majority in Liquidation Amount of Trust Securities of the Trust shall have consented to such waiver or modification to such waiver, provided, further, that if the consent of the holder of each outstanding Debenture is required, such waiver shall not be effective until each holder of the Trust Securities of the Trust shall have consented to such waiver. Upon any such waiver, the default covered thereby shall be deemed to be cured for all purposes of the Indenture and the Company, the Trustee and the holders of the Debentures shall be restored to their former positions and rights hereunder, respectively; but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon. Whenever any default or Event of Default hereunder shall have been waived as permitted by the Indenture, said default or Event of Default shall for all purposes of the Debentures and the Indenture be deemed to have been cured and to be not continuing.

No reference herein to the Indenture and no provision of this Debenture or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and premium, if any, and interest, including Additional Interest, on this Debenture at the time and place and at the rate and in the money herein prescribed.

The Company has agreed that if Debentures are initially issued to the Trust or a trustee of such Trust in connection with the issuance of Trust Securities by the Trust (regardless of whether Debentures continue to be held by such Trust) and (i) there shall have occurred and be continuing an Event of Default, (ii) the Company shall be in default with respect to its payment of any obligations under the Capital Securities Guarantee, or (iii) the Company shall have given notice of its election to defer payments of interest on the Debentures by extending the interest payment period as provided herein and such Extension Period, or any extension thereof, shall be continuing, then the Company shall not, and shall not allow any Affiliate of the Company to, (x) declare or pay any dividends or distributions on, or redeem, purchase, acquire, or make a liquidation payment with respect to, any of the Company's capital stock or its Affiliates' capital stock (other than payments of dividends or distributions to the Company) or make any guarantee payments with respect to the foregoing or (y) make any payment of principal of or interest or premium, if any, on or repay, repurchase or redeem any debt securities of the Company or any Affiliate that rank *pari passu* in all respects with or junior in interest to the Debentures (other than, with respect to clauses (x) and (y) above, (1) repurchases, redemptions or other acquisitions of shares of capital stock of the Company in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of one or more employees, officers, directors or consultants, in connection with a dividend reinvestment or stockholder stock purchase plan or in connection with the issuance of capital stock of the Company (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the applicable Extension Period, if any, (2) as a result of any exchange or conversion of any class or series of the Company's capital stock (or any capital stock of a subsidiary of the Company) for any class or series of the Company's capital stock or of any class or series of the Company's indebtedness for any class or series of the Company's capital stock, (3) the purchase of fractional interests in shares of the Company's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (4) any declaration of a dividend in connection with any stockholders' rights plan, or the issuance of rights, stock or other property under any stockholders' rights plan, or the redemption or repurchase of rights pursuant thereto, (5) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks *pari passu* with or junior to such stock and any

cash payments in lieu of fractional shares issued in connection therewith, or (6) payments under the Capital Securities Guarantee).

The Debentures are issuable only in registered, certificated form without coupons and in minimum denominations of \$100,000.00 and any multiple of \$1,000.00 in excess thereof. As provided in the Indenture and subject to the transfer restrictions and limitations as may be contained herein and therein from time to time, this Debenture is transferable by the holder hereof on the Debenture Register of the Company. Upon due presentment for registration of transfer of any Debenture at the Principal Office of the Trustee or at any office or agency of the Company maintained for such purpose as provided in Section 3.2 of the Indenture, the Company shall execute, the Company or the Trustee shall register and the Trustee or the Authenticating Agent shall authenticate and make available for delivery in the name of the transferee or transferees a new Debenture for a like aggregate principal amount. All Debentures presented for registration of transfer or for exchange or payment shall (if so required by the Company or the Trustee or the Authenticating Agent) be duly endorsed by, or be accompanied by a written instrument or instruments of transfer in form satisfactory to, the Company and the Trustee or the Authenticating Agent duly executed by the holder or his attorney duly authorized in writing. No service charge shall be made for any exchange or registration of transfer of Debentures, but the Company or the Trustee may require payment of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in connection therewith.

Prior to due presentment for registration of transfer of any Debenture, the Company, the Trustee, any Authenticating Agent, any paying agent, any transfer agent and any Debenture registrar may deem the Person in whose name such Debenture shall be registered upon the Debenture Register to be, and may treat him as, the absolute owner of such Debenture (whether or not such Debenture shall be overdue) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Debenture and for all other purposes; and neither the Company nor the Trustee nor any Authenticating Agent nor any paying agent nor any transfer agent nor any Debenture registrar shall be affected by any notice to the contrary. All such payments so made to any holder for the time being or upon his order shall be valid, and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Debenture.

No recourse for the payment of the principal of or premium, if any, or interest on any Debenture, or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company in the Indenture or in any supplemental indenture, or in any such Debenture, or because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, employee, officer or director, as such, past, present or future, of the Company or of any successor Person of the Company, either directly or through the Company or any successor Person of the Company, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, it being expressly understood that all such liability is hereby expressly waived and released as a condition of, and as a consideration for, the execution of the Indenture and the issue of the Debentures.

Capitalized terms used and not defined in this Debenture shall have the meanings assigned in the Indenture dated as of the date of original issuance of this Debenture between the Trustee and the Company.

THE INDENTURE AND THE DEBENTURES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES THEREOF.

The Trust's activities may be conducted under the name of the Trust or any other name deemed advisable by the Administrators.

Section 2.2. Office. The address of the principal office of the Trust is c/o U.S. Bank National Association, 225 Asylum Street, Goodwin Square, Hartford, Connecticut 06103. On at least 10 Business Days written notice to the Holders of the Securities, the Administrators may designate another principal office, which shall be in a state of the United States or in the District of Columbia.

Section 2.3. Purpose. The exclusive purposes and functions of the Trust are (a) to issue and sell the Securities representing undivided beneficial interests in the assets of the Trust, (b) to invest the gross proceeds from such sale to acquire the Debentures, (c) to facilitate direct investment in the assets of the Trust through issuance of the Common Securities and the Capital Securities and (d) except as otherwise limited herein, to engage in only those other activities necessary or incidental thereto. The Trust shall not borrow money, issue debt or reinvest proceeds derived from investments, pledge any of its assets, or otherwise undertake (or permit to be undertaken) any activity that would cause the Trust not to be classified for United States federal income tax purposes as a grantor trust.

Section 2.4. Authority. Except as specifically provided in this Declaration, the Institutional Trustee shall have exclusive and complete authority to carry out the purposes of the Trust. An action taken by the Institutional Trustee in accordance with its powers shall constitute the act of and serve to bind the Trust. In dealing with the Institutional Trustee acting on behalf of the Trust, no Person shall be required to inquire into the authority of the Institutional Trustee to bind the Trust. (a) The Institutional Trustee and the Administrators shall conduct the affairs of the Trust in accordance with the terms of this Declaration. Subject to the limitations set forth in paragraph (b) of this Section, and in accordance with the following provisions (i) and (ii), the Institutional Trustee and the Administrators shall have the authority to enter into all transactions and agreements determined by the

(G) execution and delivery of closing certificates pursuant to the Placement Agreement and the application for a taxpayer identification number;

(H) unless otherwise determined by the Holders of a Majority in liquidation amount of the Securities or as otherwise required by the Statutory Trust Act, to execute on behalf of the Trust (either acting alone or together with any or all of the Administrators) any documents that the Administrators have the power to execute pursuant to this Declaration;

(I) the taking of any action incidental to the foregoing as the Institutional Trustee may from time to time determine is necessary or advisable to give effect to the terms of this Declaration for the benefit of the Holders (without consideration of the effect of any such action on any particular Holder);

(J) to establish a record date with respect to all actions to be taken hereunder that require a record date be established, including Distributions, voting rights, redemptions and exchanges, and to issue relevant notices to the Holders of Capital Securities and Holders of Common Securities as to such actions and applicable record dates; and

(K) to duly prepare and file all applicable tax returns and tax information reports that are required to be filed with respect to the Trust on behalf of the Trust.

- (J) to take all action that may be necessary for the preservation and the continuation of the Trust's valid existence, rights, franchises and privileges as a statutory trust under the laws of the State of Connecticut and of each other jurisdiction in which such existence is necessary to protect the limited liability of the Holders of the Capital Securities or to enable the Trust to effect the purposes for which the Trust was created.

(iii) The Institutional Trustee shall have the power and authority to act on behalf of the Trust with respect to any of the duties, liabilities, powers or the authority of the Administrators set forth in Section 2.6(a)(i)(D), (E) and (F) herein but shall not have a duty to do any such act unless specifically requested to do so in writing by the Sponsor, and shall then be fully protected in acting pursuant to such written request; and in the event of a conflict between the action of the Administrators and the action of the Institutional Trustee, the action of the Institutional Trustee shall prevail.

(b) So long as this Declaration remains in effect, the Trust (or the Institutional Trustee or Administrators acting on behalf of the Trust) shall not undertake any business, activities or transaction except as expressly provided herein or contemplated hereby. In particular, neither the Institutional Trustee nor the Administrators may cause the Trust to (i) acquire any investments or engage in any activities not authorized by this Declaration, (ii) sell, assign, transfer, exchange, mortgage, pledge, set-off or otherwise dispose of any of the Trust Property or interests therein, including to Holders, except as expressly provided herein, (iii) take any action that would reasonably be expected (x) to cause the Trust to fail or cease to qualify as a "grantor trust" for United States federal income tax purposes or (y) to require the trust to register as an Investment Company under the Investment Company Act, (iv) incur any indebtedness for borrowed money or issue any other debt or (v) take or consent to any action that would

result in the placement of a lien on any of the Trust Property. The Institutional Trustee shall, at the sole cost and expense of the Trust, defend all claims and demands of all Persons at any time claiming any lien on any of the Trust Property adverse to the interest of the Trust or the Holders in their capacity as Holders.

(c) In connection with the issuance and sale of the Capital Securities, the Sponsor shall have the right and responsibility to assist the Trust with respect to, or effect on behalf of the Trust, the following (and any actions taken by the Sponsor in furtherance of the following prior to the date of this Declaration are hereby ratified and confirmed in all respects):

(i) the taking of any action necessary to obtain an exemption from the Securities Act;

(ii) the determination of the States in which to take appropriate action to qualify or register for sale all or part of the Capital Securities and the determination of any and all such acts, other than actions which must be taken by or on behalf of the Trust, and the advice to the Administrators of actions they must take on behalf of the Trust, and the preparation for execution and filing of any documents to be executed and filed by the Trust or on behalf of the Trust, as the Sponsor deems necessary or advisable in order to comply with the applicable laws of any such States in connection with the sale of the Capital Securities;

(iii) the negotiation of the terms of, and the execution and delivery of, the Placement Agreement providing for the sale of the Capital Securities; and

(iv) the taking of any other actions necessary or desirable to carry out any of the foregoing activities.

(d) Notwithstanding anything herein to the contrary, the Administrators and the Holders of a Majority in liquidation amount of the Common Securities are authorized and directed to conduct the affairs of the Trust and to operate the Trust so that the Trust will not (i) be deemed to be an Investment Company required to be registered under the Investment Company Act, or (ii) fail to be classified as a "grantor trust" for United States federal income tax purposes. The Administrators and the Holders of a Majority in liquidation amount of the Common Securities shall not take any action inconsistent with the treatment of the Debentures as indebtedness of the Debenture Issuer for United States federal income tax purposes. In this connection, the Administrators and the Holders of a Majority in liquidation amount of the Common Securities are authorized to take any action, not inconsistent with applicable laws, the Certificate of Trust or this Declaration, as amended from time to time, that each of the Administrators and the Holders of a Majority in liquidation amount of the Common Securities determines in their discretion to be necessary or desirable for such purposes.

(e) All expenses incurred by the Administrators or the Institutional Trustee pursuant to this Section 2.6 shall be reimbursed by the Sponsor, and the Institutional Trustee and the Administrators shall have no obligations with respect to such expenses.

(f) The assets of the Trust shall consist of the Trust Property.

(g) Legal title to all Trust Property shall be vested at all times in the Institutional Trustee (in its capacity as such) and shall be held and administered by the Institutional Trustee and the Administrators for the benefit of the Trust in accordance with this Declaration.

(h) If the Institutional Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Declaration and such proceeding has been discontinued or abandoned for any

reason, or has been determined adversely to the Institutional Trustee or to such Holder, then and in every such case the Sponsor, the Institutional Trustee and the Holders shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Institutional Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 2.7. Prohibition of Actions by the Trust and the Institutional Trustee.

(a) The Trust shall not, and the Institutional Trustee shall cause the Trust not to, engage in any activity other than as required or authorized by this Declaration. In particular, the Trust shall not and the Institutional Trustee shall cause the Trust not to:

Section 2.8. Powers and Duties of the Institutional Trustee.

(a) The legal title to the Debentures shall be owned by and held of record in the name of the Institutional Trustee in trust for the benefit of the Trust and the Holders of the Securities. The right, title and interest of the Institutional Trustee to the Debentures shall vest automatically in each Person who may hereafter be appointed as Institutional Trustee in accordance with Section 4.3. Such vesting and cessation of title shall be effective whether or not conveyancing documents with regard to the Debentures have been executed and delivered.

(b) The Institutional Trustee shall not transfer its right, title and interest in the Debentures to the Administrators.

(c) The Institutional Trustee shall:

(i) establish and maintain a segregated non-interest bearing trust account (the "Property Account") in the name of and under the exclusive control of the Institutional Trustee, and maintained in the Institutional Trustee's trust department, on behalf of the Holders of the Securities and, upon the receipt of payments of funds made in respect of the Debentures held by the Institutional Trustee, deposit such funds into the Property Account and make payments, or cause the Paying Agent to make payments, to the Holders of the Capital Securities and Holders of the Common Securities from the Property Account in accordance with Section 5.1. Funds in the Property Account shall be held uninvested until disbursed in accordance with this Declaration;

(d) The Institutional Trustee may bring or defend, pay, collect, compromise, arbitrate, resort to legal action with respect to, or otherwise adjust claims or demands of or against, the Trust which arise out of or in connection with an Event of Default of which a Responsible Officer of the Institutional Trustee has actual knowledge or arise out of the Institutional Trustee's duties and obligations under this Declaration; provided, however, that if an Event of Default has occurred and is continuing and such event is attributable to the failure of the Debenture Issuer to pay interest or principal on the Debentures on the date such interest or principal is otherwise payable (or in the case of redemption, on the redemption date), then a Holder of the Capital Securities may directly institute a proceeding for enforcement of payment to such Holder of the principal of or interest on the Debentures having a principal amount equal to the aggregate liquidation amount of the Capital Securities of such Holder (a "Direct Action") on or after the respective due date specified in the Debentures. In connection with such Direct Action, the rights of the Holders of the Common Securities will be subrogated to the rights of such Holder of the Capital Securities to the extent of any payment made by the Debenture Issuer to such Holder of the Capital Securities in such Direct Action; provided, however, that no Holder of the Common Securities may exercise such right of subrogation so long as an Event of Default with respect to the Capital Securities has occurred and is continuing.

(e) The Institutional Trustee shall continue to serve as a Trustee until either:

(i) the Trust has been completely liquidated and the proceeds of the liquidation distributed to the Holders of the Securities pursuant to the terms of the Securities and this Declaration; or

(ii) a Successor Institutional Trustee has been appointed and has accepted that appointment in accordance with Section 4.3.

(f) The Institutional Trustee shall have the legal power to exercise all of the rights, powers and privileges of a Holder of the Debentures under the Indenture and, if an Event of Default occurs and is continuing, the Institutional Trustee may, for the benefit of Holders of the Securities, enforce its rights as holder of the Debentures subject to the rights of the Holders pursuant to this Declaration (including Annex I) and the terms of the Securities.

The Institutional Trustee must exercise the powers set forth in this Section 2.8 in a manner that is consistent with the purposes and functions of the Trust set out in Section 2.3, and the Institutional Trustee

shall not take any action that is inconsistent with the purposes and functions of the Trust set out in Section 2.3.

Section 2.9. Certain Duties and Responsibilities of the Institutional Trustee and Administrators.

(a) The Institutional Trustee, before the occurrence of any Event of Default and after the curing or waiving of all such Events of Default that may have occurred, shall undertake to perform only such duties as are specifically set forth in this Declaration and no implied covenants shall be read into this Declaration against the Institutional Trustee. In case an Event of Default has occurred (that has not been cured or waived pursuant to Section 6.7), the Institutional Trustee shall exercise such of the rights and powers vested in it by this Declaration, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) The duties and responsibilities of the Institutional Trustee and the Administrators shall be as provided by this Declaration. Notwithstanding the foregoing, no provision of this Declaration shall require the Institutional Trustee or Administrators to expend or risk their own funds or otherwise incur any financial liability in the performance of any of their duties hereunder, or in the exercise of any of their rights or powers if it shall have reasonable grounds to believe that repayment of such funds or adequate protection against such risk of liability is not reasonably assured to it. Whether or not therein expressly so provided, every provision of this Declaration relating to the conduct or affecting the liability of or affording protection to the Institutional Trustee or Administrators shall be subject to the provisions of this Article. Nothing in this Declaration shall be construed to relieve an Administrator or the Institutional Trustee from liability for its own negligent act, its own negligent failure to act, or its own willful misconduct. To the extent that, at law or in equity, the Institutional Trustee or an Administrator has duties and liabilities relating to the Trust or to the Holders, the Institutional Trustee or such Administrator shall not be liable to the Trust or to any Holder for the Institutional Trustee's or such Administrator's good faith reliance on the provisions of this Declaration. The provisions of this Declaration, to the extent that they restrict the duties and liabilities of the Administrators or the Institutional Trustee otherwise existing at law or in equity, are agreed by the Sponsor and the Holders to replace such other duties and liabilities of the Administrators or the Institutional Trustee.

(c) All payments made by the Institutional Trustee or a Paying Agent in respect of the Securities shall be made only from the revenue and proceeds from the Trust Property and only to the extent that there shall be sufficient revenue or proceeds from the Trust Property to enable the Institutional Trustee or a Paying Agent to make payments in accordance with the terms hereof. Each Holder, by its acceptance of a Security, agrees that it will look solely to the revenue and proceeds from the Trust Property to the extent legally available for distribution to it as herein provided and that the Institutional Trustee and the Administrators are not personally liable to it for any amount distributable in respect of any Security or for any other liability in respect of any Security. This Section 2.9(c) does not limit the liability of the Institutional Trustee expressly set forth elsewhere in this Declaration.

(d) The Institutional Trustee shall not be liable for its own acts or omissions hereunder except as a result of its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) the Institutional Trustee shall not be liable for any error of judgment made in good faith by an Authorized Officer of the Institutional Trustee, unless it shall be proved that the Institutional Trustee was negligent in ascertaining the pertinent facts;

(ii) the Institutional Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less

than a Majority in liquidation amount of the Capital Securities or the Common Securities, as applicable, relating to the time, method and place of conducting any proceeding for any remedy available to the Institutional Trustee, or exercising any trust or power conferred upon the Institutional Trustee under this Declaration;

(iii) the Institutional Trustee's sole duty with respect to the custody, safekeeping and physical preservation of the Debentures and the Property Account shall be to deal with such property in a similar manner as the Institutional Trustee deals with similar property for its fiduciary accounts generally, subject to the protections and limitations on liability afforded to the Institutional Trustee under this Declaration;

(iv) the Institutional Trustee shall not be liable for any interest on any money received by it except as it may otherwise agree in writing with the Sponsor; and money held by the Institutional Trustee need not be segregated from other funds held by it except in relation to the Property Account maintained by the Institutional Trustee pursuant to Section 2.8(c)(i) and except to the extent otherwise required by law; and

(v) the Institutional Trustee shall not be responsible for monitoring the compliance by the Administrators or the Sponsor with their respective duties under this Declaration, nor shall the Institutional Trustee be liable for any default or misconduct of the Administrators or the Sponsor.

Section 2.10. Certain Rights of Institutional Trustee. Subject to the provisions of Section

2.9:

(a) the Institutional Trustee may conclusively rely and shall fully be protected in acting or refraining from acting in good faith upon any resolution, opinion of counsel, certificate, written representation of a Holder or transferee, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, appraisal, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(k) except as otherwise expressly provided in this Declaration, the Institutional Trustee shall not be under any obligation to take any action that is discretionary under the provisions of this Declaration;

(l) when the Institutional Trustee incurs expenses or renders services in connection with a Bankruptcy Event, such expenses (including the fees and expenses of its counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally;

(m) the Institutional Trustee shall not be charged with knowledge of an Event of Default unless a Responsible Officer of the Institutional Trustee obtains actual knowledge of such event or the

(A) expressly assumes all of the obligations of the Trust under the Securities; or

(B) substitutes for the Securities other securities having substantially the same terms as the Securities (the "Successor Securities") so that the Successor Securities rank

ARTICLE III

SPONSOR

Section 3.1. Sponsor's Purchase of Common Securities. On the Closing Date, the Sponsor will purchase all of the Common Securities issued by the Trust in an amount at least equal to 3% of the capital of the Trust, at the same time as the Capital Securities are sold.

Section 3.2. Responsibilities of the Sponsor. In connection with the issue and sale of the Capital Securities, the Sponsor shall have the exclusive right and responsibility to engage in, or direct the Administrators to engage in, the following activities:

(a) to determine the States in which to take appropriate action to qualify or register for sale all or part of the Capital Securities and to do any and all such acts, other than actions which must be taken by the Trust, and advise the Trust of actions it must take, and prepare for execution and filing any documents to be executed and filed by the Trust, as the Sponsor deems necessary or advisable in order to comply with the applicable laws of any such States; and

(b) to negotiate the terms of and/or execute on behalf of the Trust, the Placement Agreement and other related agreements providing for the sale of the Capital Securities.

(c) pay any and all taxes (other than United States withholding taxes attributable to the Trust or its assets) and all liabilities, costs and expenses with respect to such taxes of the Trust.

The Sponsor's obligations under this Section 3.3 shall be for the benefit of, and shall be enforceable by, any Person to whom such debts, obligations, costs, expenses and taxes are owed (a "Creditor") whether or not such Creditor has received notice hereof. Any such Creditor may enforce the Sponsor's obligations under this Section 3.3 directly against the Sponsor and the Sponsor irrevocably waives any right or remedy to require that any such Creditor take any action against the Trust or any other

Person before proceeding against the Sponsor. The Sponsor agrees to execute such additional agreements as may be necessary or desirable in order to give full effect to the provisions of this Section 3.3.

 - (ii) not offer or provide credit or credit enhancement to the Trust; and
 - (iii) be a banking corporation or trust company organized and doing business under the laws of the United States of America or any state thereof or the District of Columbia, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least 50 million U.S. dollars (\$50,000,000.00), and subject to supervision or examination by Federal, state, or District of Columbia authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the supervising or examining authority referred to above, then for the purposes of this Section 4.1(a)(iii), the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.
- (b) If at any time the Institutional Trustee shall cease to be eligible to so act under Section 4.1(a), the Institutional Trustee shall immediately resign in the manner and with the effect set forth in Section 4.3(a).
- (c) If the Institutional Trustee has or shall acquire any "conflicting interest" within the meaning of Section 310(b) of the Trust Indenture Act of 1939, as amended, the Institutional Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to this Declaration.
- (d) The initial Institutional Trustee shall be U.S. Bank National Association.

Section 4.2. Administrators. Each Administrator shall be a U.S. Person, 21 years of age or older and authorized to bind the Sponsor. The initial Administrators shall be Timothy H. Taylor, Dan Semenak and Michael E. Dulberg. There shall at all times be at least one Administrator. Except where a requirement for action by a specific number of Administrators is expressly set forth in this Declaration and except with respect to any action the taking of which is the subject of a meeting of the Administrators, any action required or permitted to be taken by the Administrators may be taken by, and any power of the Administrators may be exercised by, or with the consent of, any one such Administrator.

Section 4.3. Appointment, Removal and Resignation of Institutional Trustee and Administrators.

- (a) Notwithstanding anything to the contrary in this Declaration, no resignation or removal of the Institutional Trustee and no appointment of a Successor Institutional Trustee pursuant to this

Article shall become effective until the acceptance of appointment by the Successor Institutional Trustee in accordance with the applicable requirements of this Section 4.3.

Subject to the immediately preceding paragraph, the Institutional Trustee may resign at any time by giving written notice thereof to the Holders of the Securities and by appointing a Successor Institutional Trustee. Upon the resignation of the Institutional Trustee, the Institutional Trustee shall appoint a successor by requesting from at least three Persons meeting the eligibility requirements, its expenses and charges to serve as the successor Institutional Trustee on a form provided by the Administrators, and selecting the Person who agrees to the lowest expense and charges (the "Successor Institutional Trustee"). If the instrument of acceptance by the Successor Institutional Trustee required by this Section 4.3 shall not have been delivered to the Institutional Trustee within 60 days after the giving of such notice of resignation or delivery of the instrument of removal, the Institutional Trustee may petition, at the expense of the Trust, any Federal, state or District of Columbia court of competent jurisdiction for the appointment of a Successor Institutional Trustee. Such court may thereupon, after prescribing such notice, if any, as it may deem proper, appoint a Successor Institutional Trustee. The Institutional Trustee shall have no liability for the selection of such successor pursuant to this Section 4.3.

The Institutional Trustee may be removed by the act of the Holders of a Majority in liquidation amount of the Capital Securities, delivered to the Institutional Trustee (in its individual capacity and on behalf of the Trust) if an Event of Default shall have occurred and be continuing. If the Institutional Trustee shall be so removed, the Holders of Capital Securities, by act of the Holders of a Majority in liquidation amount of the Capital Securities then outstanding delivered to the Institutional Trustee, shall promptly appoint a Successor Institutional Trustee, and such Successor Institutional Trustee shall comply with the applicable requirements of this Section 4.3. If no Successor Institutional Trustee shall have been so appointed by the Holders of a Majority in liquidation amount of the Capital Securities and accepted appointment in the manner required by this Section 4.3, within 30 days after delivery of an instrument of removal, any Holder who has been a Holder of the Securities for at least 6 months may, on behalf of himself and all others similarly situated, petition any Federal, state or District of Columbia court of competent jurisdiction for the appointment of the Successor Institutional Trustee. Such court may thereupon, after prescribing such notice, if any, as it may deem proper, appoint a Successor Institutional Trustee.

The Institutional Trustee shall give notice of its resignation and removal and each appointment of a Successor Institutional Trustee to all Holders in the manner provided in Section 13.1(d) and shall give notice to the Sponsor. Each notice shall include the name of the Successor Institutional Trustee and the address of its Corporate Trust Office.

(b) In case of the appointment hereunder of a Successor Institutional Trustee, the retiring Institutional Trustee and the Successor Institutional Trustee shall execute and deliver an amendment hereto wherein the Successor Institutional Trustee shall accept such appointment and which (i) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, the Successor Institutional Trustee all the rights, powers, trusts and duties of the retiring Institutional Trustee with respect to the Securities and the Trust and (ii) shall add to or change any of the provisions of this Declaration as shall be necessary to provide for or facilitate the administration of the Trust by more than one Institutional Trustee, it being understood that nothing herein or in such amendment shall constitute such Institutional Trustees co-trustees and upon the execution and delivery of such amendment the resignation or removal of the retiring Institutional Trustee shall become effective to the extent provided therein and each Successor Institutional Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Institutional Trustee; but, on request of the Trust or any Successor Institutional Trustee such retiring Institutional Trustee shall duly assign, transfer and deliver to such Successor Institutional Trustee all Trust Property, all proceeds thereof

and money held by such retiring Institutional Trustee hereunder with respect to the Securities and the Trust.

(c) No Institutional Trustee shall be liable for the acts or omissions to act of any Successor Institutional Trustee.

(d) The Holders of the Capital Securities will have no right to vote to appoint, remove or replace the Administrators, which voting rights are vested exclusively in the Holder of the Common Securities.

Section 4.4. Institutional Trustee Vacancies. If the Institutional Trustee ceases to hold office for any reason a vacancy shall occur. A resolution certifying the existence of such vacancy by the Institutional Trustee shall be conclusive evidence of the existence of such vacancy. The vacancy shall be filled with a trustee appointed in accordance with Section 4.3.

Section 4.5. Effect of Vacancies. The death, resignation, retirement, removal, bankruptcy, dissolution, liquidation, incompetence or incapacity to perform the duties of the Institutional Trustee shall not operate to dissolve, terminate or annul the Trust or terminate this Declaration.

Section 4.6. Meetings of the Institutional Trustee and the Administrators. Meetings of the Administrators shall be held from time to time upon the call of an Administrator. Regular meetings of the Administrators may be held in person in the United States or by telephone, at a place (if applicable) and time fixed by resolution of the Administrators. Notice of any in-person meetings of the Institutional Trustee with the Administrators or meetings of the Administrators shall be hand delivered or otherwise delivered in writing (including by facsimile, with a hard copy by overnight courier) not less than 48 hours before such meeting. Notice of any telephonic meetings of the Institutional Trustee with the Administrators or meetings of the Administrators or any committee thereof shall be hand delivered or otherwise delivered in writing (including by facsimile, with a hard copy by overnight courier) not less than 24 hours before a meeting. Notices shall contain a brief statement of the time, place and anticipated purposes of the meeting. The presence (whether in person or by telephone) of the Institutional Trustee or an Administrator, as the case may be, at a meeting shall constitute a waiver of notice of such meeting except where the Institutional Trustee or an Administrator, as the case may be, attends a meeting for the express purpose of objecting to the transaction of any activity on the grounds that the meeting has not been lawfully called or convened. Unless provided otherwise in this Declaration, any action of the Institutional Trustee or the Administrators, as the case may be, may be taken at a meeting by vote of the Institutional Trustee or a majority vote of the Administrators present (whether in person or by telephone) and eligible to vote with respect to such matter, provided that a Quorum is present, or without a meeting by the unanimous written consent of the Institutional Trustee or the Administrators. Meetings of the Institutional Trustee and the Administrators together shall be held from time to time upon the call of the Institutional Trustee or an Administrator.

Section 4.7. Delegation of Power.

(a) Any Administrator may, by power of attorney consistent with applicable law, delegate to any other natural person over the age of 21 that is a U.S. Person his or her power for the purpose of executing any documents contemplated in Section 2.6; and

(b) the Administrators shall have power to delegate from time to time to such of their number the doing of such things and the execution of such instruments either in the name of the Trust or the names of the Administrators or otherwise as the Administrators may deem expedient, to the extent such delegation is not prohibited by applicable law or contrary to the provisions of the Trust, as set forth herein.

Section 4.8. Conversion, Consolidation or Succession to Business. Any Person into which the Institutional Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Institutional Trustee shall be a party, or any Person succeeding to all or substantially all the corporate trust business of the Institutional Trustee shall be the successor of the Institutional Trustee hereunder, provided such Person shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

ARTICLE V

DISTRIBUTIONS

Section 5.1. Distributions. Holders shall receive Distributions in accordance with the applicable terms of the relevant Holder's Securities. Distributions shall be made on the Capital Securities and the Common Securities in accordance with the preferences set forth in their respective terms. If and to the extent that the Debenture Issuer makes a payment of Interest or any principal on the Debentures held by the Institutional Trustee, the Institutional Trustee shall and is directed, to the extent funds are available for that purpose, to make a distribution (a "Distribution") of such amounts to Holders.

ARTICLE VI

ISSUANCE OF SECURITIES

Section 6.1. General Provisions Regarding Securities.

(a) The Administrators shall, on behalf of the Trust, issue one series of capital securities substantially in the form of Exhibit A-1 representing undivided beneficial interests in the assets of the Trust having such terms as are set forth in Annex I and one series of common securities representing undivided beneficial interests in the assets of the Trust having such terms as are set forth in Annex I. The Trust shall issue no securities or other interests in the assets of the Trust other than the Capital Securities and the Common Securities. The Capital Securities rank *pari passu* to, and payment thereon shall be made Pro Rata with, the Common Securities except that, when an Event of Default has occurred and is continuing, the rights of Holders of the Common Securities to payment in respect of Distributions and payments upon liquidation, redemption and otherwise are subordinated to the rights to payment of the Holders of the Capital Securities as set forth in Annex I.

(b) The Certificates shall be signed on behalf of the Trust by one or more Administrators. Such signature shall be the facsimile or manual signature of any Administrator. In case any Administrator of the Trust who shall have signed any of the Securities shall cease to be such Administrator before the Certificates so signed shall be delivered by the Trust, such Certificates nevertheless may be delivered as though the person who signed such Certificates had not ceased to be such Administrator, and any Certificate may be signed on behalf of the Trust by such persons who, at the actual date of execution of such Security, shall be an Administrator of the Trust, although at the date of the execution and delivery of the Declaration any such person was not such an Administrator. A Capital Security shall not be valid until authenticated by the facsimile or manual signature of an Authorized Officer of the Institutional Trustee. Such signature shall be conclusive evidence that the Capital Security has been authenticated under this Declaration. Upon written order of the Trust signed by one Administrator, the Institutional Trustee shall authenticate the Capital Securities for original issue. The Institutional Trustee may appoint an authenticating agent that is a U.S. Person acceptable to the Trust to authenticate the Capital Securities. A Common Security need not be so authenticated.

(c) The consideration received by the Trust for the issuance of the Securities shall constitute a contribution to the capital of the Trust and shall not constitute a loan to the Trust.

(d) Upon issuance of the Securities as provided in this Declaration and receipt of payment thereof, the Securities so issued shall be deemed to be validly issued, fully paid and, except as provided in Section 9.1(b) with respect to the Common Securities, non-assessable.

(e) Every Person, by virtue of having become a Holder in accordance with the terms of this Declaration, shall be deemed to have expressly assented and agreed to the terms of, and shall be bound by, this Declaration and the Guarantee.

Section 6.2. Paying Agent, Transfer Agent and Registrar. The Trust shall maintain in Hartford, Connecticut, an office or agency where the Capital Securities may be presented for payment ("Paying Agent"), and an office or agency where Securities may be presented for registration of transfer or exchange (the "Transfer Agent"). The Trust shall keep or cause to be kept at such office or agency a register for the purpose of registering Securities, transfers and exchanges of Securities, such register to be held by a registrar (the "Registrar"). The Administrators may appoint the Paying Agent, the Registrar and the Transfer Agent and may appoint one or more additional Paying Agents or one or more co-Registrars, or one or more co-Transfer Agents in such other locations as it shall determine. The term "Paying Agent" includes any additional paying agent, the term "Registrar" includes any additional registrar or co-Registrar and the term "Transfer Agent" includes any additional transfer agent. The Administrators may change any Paying Agent, Transfer Agent or Registrar at any time without prior notice to any Holder. The Administrators shall notify the Institutional Trustee of the name and address of any Paying Agent, Transfer Agent and Registrar not a party to this Declaration. The Administrators hereby initially appoint the Institutional Trustee to act as Paying Agent, Transfer Agent and Registrar for the Capital Securities and the Common Securities. The Institutional Trustee or any of its Affiliates in the United States may act as Paying Agent, Transfer Agent or Registrar.

Section 6.3. Form and Dating. The Capital Securities and the Institutional Trustee's certificate of authentication thereon shall be substantially in the form of Exhibit A-1, and the Common Securities shall be substantially in the form of Exhibit A-2, each of which is hereby incorporated in and expressly made a part of this Declaration. Certificates may be typed, printed, lithographed or engraved or may be produced in any other manner as is reasonably acceptable to the Administrators, as conclusively evidenced by their execution thereof. The Securities may have letters, numbers, notations or other marks of identification or designation and such legends or endorsements required by law, stock exchange rule, agreements to which the Trust is subject if any, or usage (provided that any such notation, legend or endorsement is in a form acceptable to the Sponsor). The Trust at the direction of the Sponsor shall furnish any such legend not contained in Exhibit A-1 to the Institutional Trustee in writing. Each Capital Security shall be dated on or before the date of its authentication. The terms and provisions of the Securities set forth in Annex I and the forms of Securities set forth in Exhibits A-1 and A-2 are part of the terms of this Declaration and to the extent applicable, the Institutional Trustee, the Administrators and the Sponsor, by their execution and delivery of this Declaration, expressly agree to such terms and provisions and to be bound thereby. Capital Securities will be issued only in blocks having a stated liquidation amount of not less than \$100,000.00 and any multiple of \$1,000.00 in excess thereof.

The Capital Securities are being offered and sold by the Trust pursuant to the Placement Agreement in definitive, registered form without coupons and with the Restricted Securities Legend.

Section 6.4. Mutilated, Destroyed, Lost or Stolen Certificates.

If:

(a) any mutilated Certificates should be surrendered to the Registrar, or if the Registrar shall receive evidence to its satisfaction of the destruction, loss or theft of any Certificate; and

(b) there shall be delivered to the Registrar, the Administrators and the Institutional Trustee such security or indemnity as may be required by them to keep each of them harmless;

then, in the absence of notice that such Certificate shall have been acquired by a protected purchaser, an Administrator on behalf of the Trust shall execute (and in the case of a Capital Security Certificate, the Institutional Trustee shall authenticate) and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like denomination. In connection with the issuance of any new Certificate under this Section 6.4, the Registrar or the Administrators may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith. Any duplicate Certificate issued pursuant to this Section shall constitute conclusive evidence of an ownership interest in the relevant Securities, as if originally issued, whether or not the lost, stolen or destroyed Certificate shall be found at any time.

Section 6.5. Temporary Securities. Until definitive Securities are ready for delivery, the Administrators may prepare and, in the case of the Capital Securities, the Institutional Trustee shall authenticate, temporary Securities. Temporary Securities shall be substantially in the form of definitive Securities but may have variations that the Administrators consider appropriate for temporary Securities. Without unreasonable delay, the Administrators shall prepare and, in the case of the Capital Securities, the Institutional Trustee shall authenticate, definitive Securities in exchange for temporary Securities.

Section 6.6. Cancellation. The Administrators at any time may deliver Securities to the Institutional Trustee for cancellation. The Registrar shall forward to the Institutional Trustee any Securities surrendered to it for registration of transfer, redemption or payment. The Institutional Trustee shall promptly cancel all Securities surrendered for registration of transfer, payment, replacement or cancellation and shall dispose of such canceled Securities as the Administrators direct. The Administrators may not issue new Securities to replace Securities that have been paid or that have been delivered to the Institutional Trustee for cancellation.

Section 6.7. Rights of Holders; Waivers of Past Defaults.

(a) The legal title to the Trust Property is vested exclusively in the Institutional Trustee (in its capacity as such) in accordance with Section 2.5, and the Holders shall not have any right or title therein other than the undivided beneficial interest in the assets of the Trust conferred by their Securities and they shall have no right to call for any partition or division of property, profits or rights of the Trust except as described below. The Securities shall be personal property giving only the rights specifically set forth therein and in this Declaration. The Securities shall have no preemptive or similar rights.

(b) For so long as any Capital Securities remain outstanding, if upon an Indenture Event of Default, the Debenture Trustee fails or the holders of not less than 25% in principal amount of the outstanding Debentures fail to declare the principal of all of the Debentures to be immediately due and payable, the Holders of a Majority in liquidation amount of the Capital Securities then outstanding shall have the right to make such declaration by a notice in writing to the Institutional Trustee, the Sponsor and the Debenture Trustee.

At any time after a declaration of acceleration with respect to the Debentures has been made and before a judgment or decree for payment of the money due has been obtained by the Debenture Trustee as provided in the Indenture, if the Institutional Trustee, subject to the provisions hereof, fails to annul any such declaration and waive such default, the Holders of a Majority in liquidation amount of the Capital

Securities, by written notice to the Institutional Trustee, the Sponsor and the Debenture Trustee, may rescind and annul such declaration and its consequences if:

- (i) the Debenture Issuer has paid or deposited with the Debenture Trustee a sum sufficient to pay
 - (A) all overdue installments of interest on all of the Debentures,
 - (B) any accrued Additional Interest on all of the Debentures,
 - (C) the principal of (and premium, if any, on) any Debentures that have become due otherwise than by such declaration of acceleration and interest and Additional Interest thereon at the rate borne by the Debentures, and
 - (D) all sums paid or advanced by the Debenture Trustee under the Indenture and the reasonable compensation, expenses, disbursements and advances of the Debenture Trustee and the Institutional Trustee, their agents and counsel; and
- (ii) all Events of Default with respect to the Debentures, other than the non-payment of the principal of the Debentures that has become due solely by such acceleration, have been cured or waived as provided in Section 5.7 of the Indenture.

The Holders of at least a Majority in liquidation amount of the Capital Securities may, on behalf of the Holders of all the Capital Securities, waive any past default under the Indenture or any Indenture Event of Default, except a default or Indenture Event of Default in the payment of principal or interest on the Debentures (unless such default or Indenture Event of Default has been cured and a sum sufficient to pay all matured installments of interest and principal due otherwise than by acceleration has been deposited with the Debenture Trustee) or a default under the Indenture or an Indenture Event of Default in respect of a covenant or provision that under the Indenture cannot be modified or amended without the consent of the holder of each outstanding Debenture. No such rescission shall affect any subsequent default or impair any right consequent thereon.

Upon receipt by the Institutional Trustee of written notice declaring such an acceleration, or rescission and annulment thereof, by Holders of any part of the Capital Securities, a record date shall be established for determining Holders of outstanding Capital Securities entitled to join in such notice, which record date shall be at the close of business on the day the Institutional Trustee receives such notice. The Holders on such record date, or their duly designated proxies, and only such Persons, shall be entitled to join in such notice, whether or not such Holders remain Holders after such record date; provided, that unless such declaration of acceleration, or rescission and annulment, as the case may be, shall have become effective by virtue of the requisite percentage having joined in such notice prior to the day that is 90 days after such record date, such notice of declaration of acceleration, or rescission and annulment, as the case may be, shall automatically and without further action by any Holder be canceled and of no further effect. Nothing in this paragraph shall prevent a Holder, or a proxy of a Holder, from giving, after expiration of such 90-day period, a new written notice of declaration of acceleration, or rescission and annulment thereof, as the case may be, that is identical to a written notice that has been canceled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 6.7.

(c) Except as otherwise provided in paragraphs (a) and (b) of this Section 6.7, the Holders of at least a Majority in liquidation amount of the Capital Securities may, on behalf of the Holders of all the Capital Securities, waive any past default or Event of Default and its consequences. Upon such waiver, any such default or Event of Default shall cease to exist, and any default or Event of Default

arising therefrom shall be deemed to have been cured, for every purpose of this Declaration, but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon.

ARTICLE VII

DISSOLUTION AND TERMINATION OF TRUST

Section 7.1. Dissolution and Termination of Trust

(a) The Trust shall dissolve on the first to occur of:

(i) unless earlier dissolved, on June 26, 2038, the expiration of the term of the Trust;

(ii) upon a Bankruptcy Event with respect to the Sponsor, the Trust or the Debenture Issuer;

(iii) upon the filing of a certificate of dissolution or its equivalent with respect to the Sponsor (other than in connection with a merger, consolidation or similar transaction not prohibited by the Indenture, this Declaration or the Guarantee, as the case may be) or upon the revocation of the charter of the Sponsor and the expiration of 90 days after the date of revocation without a reinstatement thereof;

(iv) upon the distribution of the Debentures to the Holders of the Securities, upon exercise of the right of the Holder of all of the outstanding Common Securities to dissolve the Trust as provided in Annex I hereto;

(v) upon the entry of a decree of judicial dissolution of the Holder of the Common Securities, the Sponsor, the Trust or the Debenture Issuer;

(vi) when all of the Securities shall have been called for redemption and the amounts necessary for redemption thereof shall have been paid to the Holders in accordance with the terms of the Securities; or

(vii) before the issuance of any Securities, with the consent of the Institutional Trustee and the Sponsor.

(b) As soon as is practicable after the occurrence of an event referred to in Section 7.1(a), and after satisfaction of liabilities to creditors of the Trust as required by applicable law, including the Statutory Trust Act, and subject to the terms set forth in Annex I, the Institutional Trustee shall terminate the Trust by filing a certificate of cancellation with the Secretary of State of the State of Connecticut.

(c) The provisions of Section 2.9 and Article IX shall survive the termination of the Trust.

ARTICLE VIII

TRANSFER OF INTERESTS

Section 8.1. General.

(a) Subject to Section 8.1(c), where Capital Securities are presented to the Registrar or a co-registrar with a request to register a transfer or to exchange them for an equal number of Capital

Securities represented by different certificates, the Registrar shall register the transfer or make the exchange if its requirements for such transactions are met. To permit registrations of transfer and exchanges, the Trust shall issue and the Institutional Trustee shall authenticate Capital Securities at the Registrar's request.

(b) Upon issuance of the Common Securities, the Sponsor shall acquire and retain beneficial and record ownership of the Common Securities, and, for so long as the Securities remain outstanding, the Sponsor shall maintain 100% ownership of the Common Securities; provided, however, that any permitted successor of the Sponsor, in its capacity as Debenture Issuer, under the Indenture that is a U.S. Person may succeed to the Sponsor's ownership of the Common Securities.

(c) Capital Securities may only be transferred, in whole or in part, in accordance with the terms and conditions set forth in this Declaration and in the terms of the Securities. To the fullest extent permitted by applicable law, any transfer or purported transfer of any Security not made in accordance with this Declaration shall be null and void and will be deemed to be of no legal effect whatsoever and any such transferee shall be deemed not to be the holder of such Capital Securities for any purpose, including but not limited to the receipt of Distributions on such Capital Securities, and such transferee shall be deemed to have no interest whatsoever in such Capital Securities.

(d) The Registrar shall provide for the registration of Securities and of transfers of Securities, which will be effected without charge but only upon payment (with such indemnity as the Registrar may require) in respect of any tax or other governmental charges that may be imposed in relation to it. Upon surrender for registration of transfer of any Securities, the Registrar shall cause one or more new Securities of the same tenor to be issued in the name of the designated transferee or transferees. Every Security surrendered for registration of transfer shall be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder or such Holder's attorney duly authorized in writing. Each Security surrendered for registration of transfer shall be canceled by the Institutional Trustee pursuant to Section 6.6. A transferee of a Security shall be entitled to the rights and subject to the obligations of a Holder hereunder upon the receipt by such transferee of a Security. By acceptance of a Security, each transferee shall be deemed to have agreed to be bound by this Declaration.

(e) The Trust shall not be required (i) to issue, register the transfer of, or exchange any Securities during a period beginning at the opening of business 15 days before the day of any selection of Securities for redemption and ending at the close of business on the earliest date on which the relevant notice of redemption is deemed to have been given to all Holders of the Securities to be redeemed, or (ii) to register the transfer or exchange of any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

Section 8.2. Transfer Procedures and Restrictions.

(a) The Capital Securities shall bear the Restricted Securities Legend, which shall not be removed unless there is delivered to the Trust such satisfactory evidence, which may include an opinion of counsel satisfactory to the Trustee, as may be reasonably required by the Trust, that neither the legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of the Securities Act. Upon provision of such satisfactory evidence, the Institutional Trustee, at the written direction of the Trust, shall authenticate and deliver Capital Securities that do not bear the legend.

(b) Except as permitted by Section 8.2(a), each Capital Security shall bear a legend (the "Restricted Securities Legend") in substantially the following form, and a Capital Security shall not be transferred except in compliance with such legend, unless otherwise determined by the Sponsor, upon the advice of counsel expert in securities law, in accordance with applicable law:

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), ANY STATE SECURITIES LAWS OR ANY OTHER APPLICABLE SECURITIES LAW. THIS SECURITY WILL BE ISSUED AND MAY BE TRANSFERRED ONLY IN BLOCKS HAVING A LIQUIDATION AMOUNT OF NOT LESS THAN \$100,000.00 (100 SECURITIES) AND MULTIPLES OF \$1,000.00 IN EXCESS THEREOF. ANY ATTEMPTED TRANSFER OF SECURITIES IN A BLOCK HAVING A LIQUIDATION AMOUNT OF LESS THAN \$100,000.00 SHALL BE DEEMED TO BE VOID AND OF NO LEGAL EFFECT WHATSOEVER.

THE HOLDER OF THIS SECURITY AGREES THAT IT WILL COMPLY WITH THE FOREGOING RESTRICTIONS.

(c) To permit registrations of transfers and exchanges, the Trust shall execute and the Institutional Trustee shall authenticate Capital Securities at the Registrar's request.

(d) Registrations of transfers or exchanges will be effected without charge, but only upon payment (with such indemnity as the Registrar or the Sponsor may require) in respect of any tax or other governmental charge that may be imposed in relation to it.

(e) All Capital Securities issued upon any registration of transfer or exchange pursuant to the terms of this Declaration shall evidence the same security and shall be entitled to the same benefits under this Declaration as the Capital Securities surrendered upon such registration of transfer or exchange.

Section 8.3. Deemed Security Holders. The Trust, the Administrators, the Institutional Trustee, the Paying Agent, the Transfer Agent or the Registrar may treat the Person in whose name any Certificate shall be registered on the books and records of the Trust as the sole holder of such Certificate and of the Securities represented by such Certificate for purposes of receiving Distributions and for all other purposes whatsoever and, accordingly, shall not be bound to recognize any equitable or other claim to or interest in such Certificate or in the Securities represented by such Certificate on the part of any Person, whether or not the Trust, the Administrators, the Institutional Trustee, the Paying Agent, the Transfer Agent or the Registrar shall have actual or other notice thereof.

ARTICLE IX

LIMITATION OF LIABILITY OF HOLDERS OF SECURITIES, INSTITUTIONAL TRUSTEE OR OTHERS

Section 9.1. Liability.

(a) Except as expressly set forth in this Declaration, the Guarantee and the terms of the Securities, the Sponsor shall not be:

(i) personally liable for the return of any portion of the capital contributions (or any return thereon) of the Holders of the Securities which shall be made solely from assets of the Trust; or

(ii) required to pay to the Trust or to any Holder of the Securities any deficit upon dissolution of the Trust or otherwise.

(b) The Holder of the Common Securities shall be liable for all of the debts and obligations of the Trust (other than with respect to the Securities) to the extent not satisfied out of the Trust's assets.

(c) Pursuant to the Statutory Trust Act, the Holders of the Capital Securities shall be entitled to the same limitation of personal liability extended to stockholders of private corporations for profit organized under the General Corporation Law of the State of Connecticut.

Section 9.2. Exculpation.

(a) No Indemnified Person shall be liable, responsible or accountable in damages or otherwise to the Trust or any Covered Person for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Indemnified Person in good faith on behalf of the Trust and in a manner such Indemnified Person reasonably believed to be within the scope of the authority conferred on such Indemnified Person by this Declaration or by law, except that an Indemnified Person shall be liable for any such loss, damage or claim incurred by reason of such Indemnified Person's negligence or willful misconduct with respect to such acts or omissions.

(b) An Indemnified Person shall be fully protected in relying in good faith upon the records of the Trust and upon such information, opinions, reports or statements presented to the Trust by any Person as to matters the Indemnified Person reasonably believes are within such other Person's professional or expert competence and, if selected by such Indemnified Person, has been selected by such Indemnified Person with reasonable care by or on behalf of the Trust, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, profits, losses, or any other facts pertinent to the existence and amount of assets from which Distributions to Holders of Securities might properly be paid.

Section 9.3. Fiduciary Duty.

(a) To the extent that, at law or in equity, an Indemnified Person has duties (including fiduciary duties) and liabilities relating thereto to the Trust or to any other Covered Person, an Indemnified Person acting under this Declaration shall not be liable to the Trust or to any other Covered Person for its good faith reliance on the provisions of this Declaration. The provisions of this Declaration, to the extent that they restrict the duties and liabilities of an Indemnified Person otherwise existing at law or in equity, are agreed by the parties hereto to replace such other duties and liabilities of the Indemnified Person.

(b) Whenever in this Declaration an Indemnified Person is permitted or required to make a decision:

(i) in its "discretion" or under a grant of similar authority, the Indemnified Person shall be entitled to consider such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting the Trust or any other Person; or

(ii) in its "good faith" or under another express standard, the Indemnified Person shall act under such express standard and shall not be subject to any other or different standard imposed by this Declaration or by applicable law.

Section 9.4. Indemnification.

(a) The Sponsor shall indemnify, to the full extent permitted by law, any Indemnified Person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Trust) arising out of or in connection with the acceptance or administration of this Declaration by reason of the fact that he is or was an Indemnified Person against expenses (including reasonable attorneys' fees and expenses), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Trust, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the Indemnified Person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Trust, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

(b) The Sponsor shall indemnify, to the full extent permitted by law, any Indemnified Person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Trust to procure a judgment in its favor arising out of or in connection with the acceptance or administration of this Declaration by reason of the fact that he is or was an Indemnified Person against expenses (including reasonable attorneys' fees and expenses) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Trust; provided, however, that no such indemnification shall be made in respect of any claim, issue or matter as to which such Indemnified Person shall have been adjudged to be liable to the Trust unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

(c) To the extent that an Indemnified Person shall be successful on the merits or otherwise (including dismissal of an action without prejudice or the settlement of an action without admission of liability) in defense of any action, suit or proceeding referred to in paragraphs (a) and (b) of this Section 9.4, or in defense of any claim, issue or matter therein, he shall be indemnified, to the full extent permitted by law, against expenses (including attorneys' fees and expenses) actually and reasonably incurred by him in connection therewith.

(d) Any indemnification of an Administrator under paragraphs (a) and (b) of this Section 9.4 (unless ordered by a court) shall be made by the Sponsor only as authorized in the specific case upon a determination that indemnification of the Indemnified Person is proper in the circumstances because he

has met the applicable standard of conduct set forth in paragraphs (a) and (b). Such determination shall be made (i) by the Administrators by a majority vote of a Quorum consisting of such Administrators who were not parties to such action, suit or proceeding, (ii) if such a Quorum is not obtainable, or, even if obtainable, if a Quorum of disinterested Administrators so directs, by independent legal counsel in a written opinion, or (iii) by the Common Security Holder of the Trust.

(e) To the fullest extent permitted by law, expenses (including reasonable attorneys' fees and expenses) incurred by an Indemnified Person in defending a civil, criminal, administrative or investigative action, suit or proceeding referred to in paragraphs (a) and (b) of this Section 9.4 shall be paid by the Sponsor in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such Indemnified Person to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Sponsor as authorized in this Section 9.4. Notwithstanding the foregoing, no advance shall be made by the Sponsor if a determination is reasonably and promptly made (i) by the Administrators by a majority vote of a Quorum of disinterested Administrators, (ii) if such a Quorum is not obtainable, or, even if obtainable, if a quorum of disinterested Administrators so directs, by independent legal counsel in a written opinion or (iii) by the Common Security Holder of the Trust, that, based upon the facts known to the Administrators, counsel or the Common Security Holder at the time such determination is made, such Indemnified Person acted in bad faith or in a manner that such Indemnified Person did not believe to be in the best interests of the Trust, or, with respect to any criminal proceeding, that such Indemnified Person believed or had reasonable cause to believe his conduct was unlawful. In no event shall any advance be made in instances where the Administrators, independent legal counsel or the Common Security Holder reasonably determine that such Indemnified Person deliberately breached his duty to the Trust or its Common or Capital Security Holders.

(f) The Institutional Trustee, at the sole cost and expense of the Sponsor, retains the right to representation by counsel of its own choosing in any action, suit or any other proceeding for which it is indemnified under paragraphs (a) and (b) of this Section 9.4, without affecting its right to indemnification hereunder or waiving any rights afforded to it under this Declaration or applicable law.

(g) The indemnification and advancement of expenses provided by, or granted pursuant to, the other paragraphs of this Section 9.4 shall not be deemed exclusive of any other rights to which those seeking indemnification and advancement of expenses may be entitled under any agreement, vote of stockholders or disinterested directors of the Sponsor or Capital Security Holders of the Trust or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office. All rights to indemnification under this Section 9.4 shall be deemed to be provided by a contract between the Sponsor and each Indemnified Person who serves in such capacity at any time while this Section 9.4 is in effect. Any repeal or modification of this Section 9.4 shall not affect any rights or obligations then existing.

(h) The Sponsor or the Trust may purchase and maintain insurance on behalf of any Person who is or was an Indemnified Person against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Sponsor would have the power to indemnify him against such liability under the provisions of this Section 9.4.

(i) For purposes of this Section 9.4, references to "the Trust" shall include, in addition to the resulting or surviving entity, any constituent entity (including any constituent of a constituent) absorbed in a consolidation or merger, so that any Person who is or was a director, trustee, officer or employee of such constituent entity, or is or was serving at the request of such constituent entity as a director, trustee, officer, employee or agent of another entity, shall stand in the same position under the

provisions of this Section 9.4 with respect to the resulting or surviving entity as he would have with respect to such constituent entity if its separate existence had continued.

(j) The indemnification and advancement of expenses provided by, or granted pursuant to, this Section 9.4 shall, unless otherwise provided when authorized or ratified, (i) continue as to a Person who has ceased to be an Indemnified Person and shall inure to the benefit of the heirs, executors and administrators of such a Person; and (ii) survive the termination or expiration of this Declaration or the earlier removal or resignation of an Indemnified Person.

Section 9.5. Outside Businesses. Any Covered Person, the Sponsor and the Institutional Trustee may engage in or possess an interest in other business ventures of any nature or description, independently or with others, similar or dissimilar to the business of the Trust, and the Trust and the Holders of Securities shall have no rights by virtue of this Declaration in and to such independent ventures or the income or profits derived therefrom, and the pursuit of any such venture, even if competitive with the business of the Trust, shall not be deemed wrongful or improper. None of any Covered Person, the Sponsor or the Institutional Trustee shall be obligated to present any particular investment or other opportunity to the Trust even if such opportunity is of a character that, if presented to the Trust, could be taken by the Trust, and any Covered Person, the Sponsor and the Institutional Trustee shall have the right to take for its own account (individually or as a partner or fiduciary) or to recommend to others any such particular investment or other opportunity. Any Covered Person and the Institutional Trustee may engage or be interested in any financial or other transaction with the Sponsor or any Affiliate of the Sponsor, or may act as depositary for, trustee or agent for, or act on any committee or body of holders of, securities or other obligations of the Sponsor or its Affiliates.

Section 9.6. Compensation; Fee. The Sponsor agrees:

(a) to pay to the Institutional Trustee from time to time such compensation for all services rendered by it hereunder as the parties shall agree from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust); and

(b) except as otherwise expressly provided herein, to reimburse the Institutional Trustee upon request for all reasonable expenses, disbursements and advances incurred or made by the Institutional Trustee in accordance with any provision of this Declaration (including the reasonable compensation and the expenses and disbursements of their respective agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence, bad faith or willful misconduct.

The provisions of this Section 9.6 shall survive the dissolution of the Trust and the termination of this Declaration and the removal or resignation of the Institutional Trustee.

No Institutional Trustee may claim any lien or charge on any property of the Trust as a result of any amount due pursuant to this Section 9.6.

ARTICLE X

ACCOUNTING

Section 10.1. Fiscal Year. The fiscal year ("Fiscal Year") of the Trust shall be the calendar year, or such other year as is required by the Code.

Section 10.2. Certain Accounting Matters.

(a) At all times during the existence of the Trust, the Administrators shall keep, or cause to be kept at the principal office of the Trust in the United States, as defined for purposes of Treasury Regulations section 301.7701-7, full books of account, records and supporting documents, which shall reflect in reasonable detail each transaction of the Trust. The books of account shall be maintained, at the Sponsor's expense, in accordance with generally accepted accounting principles, consistently applied. The books of account and the records of the Trust shall be examined by and reported upon (either separately or as part of the Sponsor's regularly prepared consolidated financial report) as of the end of each Fiscal Year of the Trust by a firm of independent certified public accountants selected by the Administrators.

(b) The Administrators shall cause to be duly prepared and delivered to each of the Holders of Securities Form 1099 or such other annual United States federal income tax information statement required by the Code, containing such information with regard to the Securities held by each Holder as is required by the Code and the Treasury Regulations. Notwithstanding any right under the Code to deliver any such statement at a later date, the Administrators shall endeavor to deliver all such statements within 30 days after the end of each Fiscal Year of the Trust.

(c) The Administrators, at the Sponsor's expense, shall cause to be duly prepared at the principal office of the Sponsor in the United States, as 'United States' is defined in Section 7701(a)(9) of the Code (or at the principal office of the Trust if the Sponsor has no such principal office in the United States), and filed an annual United States federal income tax return on a Form 1041 or such other form required by United States federal income tax law, and any other annual income tax returns required to be filed by the Administrators on behalf of the Trust with any state or local taxing authority.

Section 10.3. Banking. The Trust shall maintain in the United States, as defined for purposes of Treasury Regulations section 301.7701-7, one or more bank accounts in the name and for the sole benefit of the Trust; provided, however, that all payments of funds in respect of the Debentures held by the Institutional Trustee shall be made directly to the Property Account and no other funds of the Trust shall be deposited in the Property Account. The sole signatories for such accounts (including the Property Account) shall be designated by the Institutional Trustee.

Section 10.4. Withholding. The Institutional Trustee or any Paying Agent and the Administrators shall comply with all withholding requirements under United States federal, state and local law. The Institutional Trustee or any Paying Agent shall request, and each Holder shall provide to the Institutional Trustee or any Paying Agent, such forms or certificates as are necessary to establish an exemption from withholding with respect to the Holder, and any representations and forms as shall reasonably be requested by the Institutional Trustee or any Paying Agent to assist it in determining the extent of, and in fulfilling, its withholding obligations. The Administrators shall file required forms with applicable jurisdictions and, unless an exemption from withholding is properly established by a Holder, shall remit amounts withheld with respect to the Holder to applicable jurisdictions. To the extent that the Institutional Trustee or any Paying Agent is required to withhold and pay over any amounts to any authority with respect to distributions or allocations to any Holder, the amount withheld shall be deemed to be a Distribution in the amount of the withholding to the Holder. In the event of any claimed overwithholding, Holders shall be limited to an action against the applicable jurisdiction. If the amount required to be withheld was not withheld from actual Distributions made, the Institutional Trustee or any Paying Agent may reduce subsequent Distributions by the amount of such withholding.

ARTICLE XI

AMENDMENTS AND MEETINGS

Section 11.1. Amendments.

- (a) Except as otherwise provided in this Declaration or by any applicable terms of the Securities, this Declaration may only be amended by a written instrument approved and executed by the Institutional Trustee.
- (b) Notwithstanding any other provision of this Article XI, an amendment may be made, and any such purported amendment shall be valid and effective only if:
- (i) the Institutional Trustee shall have first received
 - (A) an Officers' Certificate from each of the Trust and the Sponsor that such amendment is permitted by, and conforms to, the terms of this Declaration (including the terms of the Securities); and
 - (B) an opinion of counsel (who may be counsel to the Sponsor or the Trust) that such amendment is permitted by, and conforms to, the terms of this Declaration (including the terms of the Securities); and
 - (ii) the result of such amendment would not be to
 - (A) cause the Trust to cease to be classified for purposes of United States federal income taxation as a grantor trust; or
 - (B) cause the Trust to be deemed to be an Investment Company required to be registered under the Investment Company Act.
- (c) Except as provided in Section 11.1(d), (e) or (h), no amendment shall be made, and any such purported amendment shall be void and ineffective, unless the Holders of a Majority in liquidation amount of the Capital Securities shall have consented to such amendment.
- (d) In addition to and notwithstanding any other provision in this Declaration, without the consent of each affected Holder, this Declaration may not be amended to (i) change the amount or timing of any Distribution on the Securities or otherwise adversely affect the amount of any Distribution required to be made in respect of the Securities as of a specified date or change any conversion or exchange provisions or (ii) restrict the right of a Holder to institute suit for the enforcement of any such payment on or after such date.
- (e) Sections 9.1(b) and 9.1(c) and this Section 11.1 shall not be amended without the consent of all of the Holders of the Securities.
- (f) Article III shall not be amended without the consent of the Holders of a Majority in liquidation amount of the Common Securities.
- (g) The rights of the Holders of the Capital Securities under Article IV to appoint and remove the Institutional Trustee shall not be amended without the consent of the Holders of a Majority in liquidation amount of the Capital Securities.

- (ii) correct or supplement any provision in this Declaration that may be defective or inconsistent with any other provision of this Declaration;
- (iii) add to the covenants, restrictions or obligations of the Sponsor; or
- (iv) modify, eliminate or add to any provision of this Declaration to such extent as may be necessary to ensure that the Trust will be classified for United States federal income tax purposes at all times as a grantor trust and will not be required to register as an Investment Company (including without limitation to conform to any change in Rule 3a-5, Rule 3a-7 or any other applicable rule under the Investment Company Act or written change in interpretation or application thereof by any legislative body, court, government agency or regulatory authority) which amendment does not have a material adverse effect on the rights, preferences or privileges of the Holders of Securities;

provided, however, that no such modification, elimination or addition referred to in clauses (i), (ii), (iii) or (iv) shall adversely affect in any material respect the powers, preferences or special rights of Holders of Capital Securities.

Section 11.2. Meetings of the Holders of Securities; Action by Written Consent.

(a) Meetings of the Holders of any class of Securities may be called at any time by the Administrators (or as provided in the terms of the Securities) to consider and act on any matter on which Holders of such class of Securities are entitled to act under the terms of this Declaration or the terms of the Securities. The Administrators shall call a meeting of the Holders of such class if directed to do so by the Holders of at least 10% in liquidation amount of such class of Securities. Such direction shall be given by delivering to the Administrators one or more calls in a writing stating that the signing Holders of the Securities wish to call a meeting and indicating the general or specific purpose for which the meeting is to be called. Any Holders of the Securities calling a meeting shall specify in writing the Certificates held by the Holders of the Securities exercising the right to call a meeting and only those Securities represented by such Certificates shall be counted for purposes of determining whether the required percentage set forth in the second sentence of this paragraph has been met.

(b) Except to the extent otherwise provided in the terms of the Securities, the following provisions shall apply to meetings of Holders of the Securities:

- (i) notice of any such meeting shall be given to all the Holders of the Securities having a right to vote thereat at least 7 days and not more than 60 days before the date of such meeting. Whenever a vote, consent or approval of the Holders of the Securities is permitted or required under this Declaration, such vote, consent or approval may be given at a meeting of the Holders of the Securities. Any action that may be taken at a meeting of the Holders of the Securities may be taken without a meeting if a consent in writing setting forth the action so taken is signed by the Holders of the Securities owning not less than the minimum amount of Securities in liquidation amount that would be necessary to authorize or take such action at a meeting at which all Holders of the Securities having a right to vote thereon were present and voting. Prompt notice of the taking of action without a meeting shall be given to the Holders of the Securities entitled to vote who have not consented in writing. The Administrators may specify

that any written ballot submitted to the Holders of the Securities for the purpose of taking any action without a meeting shall be returned to the Trust within the time specified by the Administrators;

(ii) each Holder of a Security may authorize any Person to act for it by proxy on all matters in which a Holder of Securities is entitled to participate, including waiving notice of any meeting, or voting or participating at a meeting. No proxy shall be valid after the expiration of 11 months from the date thereof unless otherwise provided in the proxy. Every proxy shall be revocable at the pleasure of the Holder of the Securities executing it. Except as otherwise provided herein, all matters relating to the giving, voting or validity of proxies shall be governed by the General Corporation Law of the State of Connecticut relating to proxies, and judicial interpretations thereunder, as if the Trust were a Connecticut corporation and the Holders of the Securities were stockholders of a Connecticut corporation; each meeting of the Holders of the Securities shall be conducted by the Administrators or by such other Person that the Administrators may designate; and

(iii) unless the Statutory Trust Act, this Declaration, or the terms of the Securities otherwise provides, the Administrators, in their sole discretion, shall establish all other provisions relating to meetings of Holders of Securities, including notice of the time, place or purpose of any meeting at which any matter is to be voted on by any Holders of the Securities, waiver of any such notice, action by consent without a meeting, the establishment of a record date, quorum requirements, voting in person or by proxy or any other matter with respect to the exercise of any such right to vote; provided, however, that each meeting shall be conducted in the United States (as that term is defined in Treasury Regulations section 301.7701-7).

ANNEX I

TERMS OF SECURITIES

Pursuant to Section 6.1 of the Amended and Restated Declaration of Trust, dated as of June 26, 2003 (as amended from time to time, the "Declaration"), the designation, rights, privileges, restrictions, preferences and other terms and provisions of the Capital Securities and the Common Securities are set out below (each capitalized term used but not defined herein has the meaning set forth in the Declaration):

1. Designation and Number.

(a) 27,500 Floating Rate Capital Securities of Corus Statutory Trust I (the "Trust"), with an aggregate stated liquidation amount with respect to the assets of the Trust of twenty-seven million five hundred thousand dollars (\$27,500,000.00) and a stated liquidation amount with respect to the assets of the Trust of \$1,000.00 per Capital Security, are hereby designated for the purposes of identification only as the "Capital Securities". The Capital Security Certificates evidencing the Capital Securities shall be substantially in the form of Exhibit A-1 to the Declaration, with such changes and additions thereto or deletions therefrom as may be required by ordinary usage, custom or practice.

(b) 851 Floating Rate Common Securities of the Trust (the "Common Securities") will be evidenced by Common Security Certificates substantially in the form of Exhibit A-2 to the Declaration, with such changes and additions thereto or deletions therefrom as may be required by ordinary usage, custom or practice.

2. Distributions.

(a) Distributions will be payable on each Security for the period beginning on (and including) the date of original issuance and ending on (but excluding) September 26, 2003 at a rate per annum of 4.11% and shall bear interest for each successive period beginning on (and including) September 26, 2003, and each succeeding Distribution Payment Date, and ending on (but excluding) the next succeeding Distribution Payment Date (each, a "Distribution Period") at a rate per annum equal to the 3-Month LIBOR, determined as described below, plus 3.05% (the "Coupon Rate"), applied to the stated liquidation amount thereof, such rate being the rate of interest payable on the Debentures to be held by the Institutional Trustee. Distributions in arrears will bear interest thereon compounded quarterly at the applicable Distribution Rate (to the extent permitted by law). Distributions, as used herein, include cash distributions and any such compounded distributions unless otherwise noted. A Distribution is payable only to the extent that payments are made in respect of the Debentures held by the Institutional Trustee and to the extent the Institutional Trustee has funds available therefor. In the event that any date on which a Distribution is payable on the Securities is not a Business Day, then payment of the Distribution payable on such date shall be made on the next succeeding day which is a Business Day (and without any interest or other payment in respect of any such delay), except that, if such Business Day is in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case with the same force and effect as if made on the date such payment was originally payable. The amount of the Distribution payable for any Distribution Period will be calculated by applying the Distribution Rate to the stated liquidation amount outstanding at the commencement of the Distribution Period and multiplying each such amount by the actual number of days in the Distribution Period concerned divided by 360. All percentages resulting from any calculations on the Capital Securities will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward (e.g., 9.876545% (or .09876545) being rounded

to 9.87655% (or .0987655), and all dollar amounts used in or resulting from such calculation will be rounded to the nearest cent (with one-half cent being rounded upward)).

(b) Distributions on the Securities will be cumulative, will accrue from the date of original issuance, and will be payable, subject to extension of distribution payment periods as described herein, quarterly in arrears on March 26, June 26, September 26 and December 26 of each year, commencing on September 26, 2003 (each a "Distribution Payment Date") when, as and if available for payment. The Debenture Issuer has the right under the Indenture to defer payments of interest on the Debentures, so long as no Indenture Event of Default has occurred and is continuing, by deferring the payment of interest on the Debentures for up to 20 consecutive quarterly periods (each an "Extension Period") at any time and from time to time, subject to the conditions described below, during which Extension Period no interest shall be due and payable. During any Extension Period, interest will continue to accrue on the Debentures, and interest on such accrued interest will accrue at an annual rate equal to the Distribution Rate in effect for each such Extension Period, compounded quarterly from the date such interest would have been payable were it not for the Extension Period, to the extent permitted by law (such interest referred to herein as "Additional Interest"). No Extension Period may end on a date other than a Distribution Payment Date. At the end of any such Extension Period, the Debenture Issuer shall pay all interest then accrued and unpaid on the Debentures (together with Additional Interest thereon); provided, however, that no Extension Period may extend beyond the Maturity Date and provided further, however, that during any such Extension Period, the Debenture Issuer and its Affiliates shall not (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire, or make a liquidation payment with respect to, any of the Debenture Issuer's or its Affiliates' capital stock (other than payments of dividends or distributions to the Debenture Issuer) or make any guarantee payments with respect to the foregoing, or (ii) make any payment of principal of or interest or premium, if any, on or repay, repurchase or redeem any debt securities of the Debenture Issuer or any Affiliate that rank *pari passu* in all respects with or junior in interest to the Debentures (other than, with respect to clauses (i) and (ii) above, (a) repurchases, redemptions or other acquisitions of shares of capital stock of the Debenture Issuer in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of one or more employees, officers, directors or consultants, in connection with a dividend reinvestment or stockholder stock purchase plan or in connection with the issuance of capital stock of the Debenture Issuer (or securities convertible into or exercisable for such capital stock) as consideration in an acquisition transaction entered into prior to the applicable Extension Period, (b) as a result of any exchange or conversion of any class or series of the Debenture Issuer's capital stock (or any capital stock of a subsidiary of the Debenture Issuer) for any class or series of the Debenture Issuer's capital stock or of any class or series of the Debenture Issuer's indebtedness for any class or series of the Debenture Issuer's capital stock, (c) the purchase of fractional interests in shares of the Debenture Issuer's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged, (d) any declaration of a dividend in connection with any stockholders' rights plan, or the issuance of rights, stock or other property under any stockholders' rights plan, or the redemption or repurchase of rights pursuant thereto, (e) any dividend in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks *pari passu* with or junior to such stock and any cash payments in lieu of fractional shares issued in connection therewith, or (f) payments under the Capital Securities Guarantee). Prior to the termination of any Extension Period, the Debenture Issuer may further extend such period, provided that such period together with all such previous and further consecutive extensions thereof shall not exceed 20 consecutive quarterly periods, or extend beyond the Maturity Date. Upon the termination of any Extension Period and upon the payment of all accrued and unpaid interest and Additional Interest, the Debenture Issuer may commence a new Extension Period, subject to the foregoing requirements. No interest or Additional Interest shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period

shall bear Additional Interest. During any Extension Period, Distributions on the Securities shall be deferred for a period equal to the Extension Period. If Distributions are deferred, the Distributions due shall be paid on the date that the related Extension Period terminates to Holders of the Securities as they appear on the books and records of the Trust on the record date immediately preceding such date. Distributions on the Securities must be paid on the dates payable (after giving effect to any Extension Period) to the extent that the Trust has funds available for the payment of such distributions in the Property Account of the Trust. The Trust's funds available for Distribution to the Holders of the Securities will be limited to payments received from the Debenture Issuer. The payment of Distributions out of moneys held by the Trust is guaranteed by the Guarantor pursuant to the Guarantee.

(c) Distributions on the Securities will be payable to the Holders thereof as they appear on the books and records of the Trust on the relevant record dates. The relevant record dates shall be 15 days before the relevant Distribution Payment Date. Distributions payable on any Securities that are not punctually paid on any Distribution Payment Date, as a result of the Debenture Issuer having failed to make a payment under the Debentures, as the case may be, when due (taking into account any Extension Period), will cease to be payable to the Person in whose name such Securities are registered on the relevant record date, and such defaulted Distribution will instead be payable to the Person in whose name such Securities are registered on the special record date or other specified date determined in accordance with the Indenture. If any date on which Distributions are payable on the Securities is not a Business Day, then payment of the Distribution payable on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay) except that, if such Business Day is in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case with the same force and effect as if made on such payment date.

(d) In the event that there is any money or other property held by or for the Trust that is not accounted for hereunder, such property shall be distributed Pro Rata (as defined herein) among the Holders of the Securities.

3. Liquidation Distribution Upon Dissolution. In the event of the voluntary or involuntary liquidation, dissolution, winding-up or termination of the Trust (each a "Liquidation") other than in connection with a redemption of the Debentures, the Holders of the Securities will be entitled to receive out of the assets of the Trust available for distribution to Holders of the Securities, after satisfaction of liabilities to creditors of the Trust (to the extent not satisfied by the Debenture Issuer), distributions equal to the aggregate of the stated liquidation amount of \$1,000.00 per Security plus accrued and unpaid Distributions thereon to the date of payment (such amount being the "Liquidation Distribution"), unless in connection with such Liquidation, the Debentures in an aggregate stated principal amount equal to the aggregate stated liquidation amount of such Securities, with an interest rate equal to the Distribution Rate of, and bearing accrued and unpaid interest in an amount equal to the accrued and unpaid Distributions on, and having the same record date as, such Securities, after paying or making reasonable provision to pay all claims and obligations of the Trust in accordance with the Statutory Trust Act, shall be distributed on a Pro Rata basis to the Holders of the Securities in exchange for such Securities.

The Sponsor, as the Holder of all of the Common Securities, has the right at any time to dissolve the Trust (including, without limitation, upon the occurrence of a Special Event), subject to the receipt by the Debenture Issuer of prior approval from the Board of Governors of the Federal Reserve System and any successor federal agency that is primarily responsible for regulating the activities of the Sponsor (the "Federal Reserve") if then required under applicable capital guidelines or policies of the Federal Reserve, and, after satisfaction of liabilities to creditors of the Trust, cause the Debentures to be distributed to the Holders of the Securities on a Pro Rata basis in accordance with the aggregate stated liquidation amount thereof.

If a Liquidation of the Trust occurs as described in clause (i), (ii), (iii) or (v) in Section 7.1(a) of the Declaration, the Trust shall be liquidated by the Institutional Trustee as expeditiously as it determines to be possible by distributing, after satisfaction of liabilities to creditors of the Trust, to the Holders of the Securities, the Debentures on a Pro Rata basis to the extent not satisfied by the Debenture Issuer, unless such distribution is determined by the Institutional Trustee not to be practical, in which event such Holders will be entitled to receive out of the assets of the Trust available for distribution to the Holders, after satisfaction of liabilities of creditors of the Trust to the extent not satisfied by the Debenture Issuer, an amount equal to the Liquidation Distribution. An early Liquidation of the Trust pursuant to clause (iv) of Section 7.1(a) of the Declaration shall occur if the Institutional Trustee determines that such Liquidation is possible by distributing, after satisfaction of liabilities to creditors of the Trust, to the Holders of the Securities on a Pro Rata basis, the Debentures, and such distribution occurs.

If, upon any such Liquidation the Liquidation Distribution can be paid only in part because the Trust has insufficient assets available to pay in full the aggregate Liquidation Distribution, then the amounts payable directly by the Trust on such Capital Securities shall be paid to the Holders of the Trust Securities on a Pro Rata basis, except that if an Event of Default has occurred and is continuing, the Capital Securities shall have a preference over the Common Securities with regard to such distributions.

After the date for any distribution of the Debentures upon dissolution of the Trust (i) the Securities of the Trust will be deemed to be no longer outstanding, (ii) upon surrender of a Holder's Securities certificate, such Holder of the Securities will receive a certificate representing the Debentures to be delivered upon such distribution, (iii) any certificates representing the Securities still outstanding will be deemed to represent undivided beneficial interests in such of the Debentures as have an aggregate principal amount equal to the aggregate stated liquidation amount with an interest rate identical to the Distribution Rate of, and bearing accrued and unpaid interest equal to accrued and unpaid distributions on, the Securities until such certificates are presented to the Debenture Issuer or its agent for transfer or reissuance (and until such certificates are so surrendered, no payments of interest or principal shall be made to Holders of Securities in respect of any payments due and payable under the Debentures; provided, however that such failure to pay shall not be deemed to be an Event of Default and shall not entitle the Holder to the benefits of the Guarantee), and (iv) all rights of Holders of Securities under the Declaration shall cease, except the right of such Holders to receive Debentures upon surrender of certificates representing such Securities.

4. Redemption and Distribution.

(a) The Debentures will mature on June 26, 2033. The Debentures may be redeemed by the Debenture Issuer, in whole or in part, at any Distribution Payment Date on or after June 26, 2008, at the Redemption Price. In addition, the Debentures may be redeemed by the Debenture Issuer at the Special Redemption Price at any Distribution Payment Date, upon the occurrence and continuation of a Special Event within 120 days following the occurrence of such Special Event at the Special Redemption Price, upon not less than 30 nor more than 60 days' notice to holders of such Debentures so long as such Special Event is continuing. In each case, the right of the Debenture Issuer to redeem the Debentures is subject to the Debenture Issuer having received prior approval from the Federal Reserve if then required under applicable capital guidelines or policies of the Federal Reserve.

"3-Month LIBOR" means the London interbank offered interest rate for three-month, U.S. dollar deposits determined by the Debenture Trustee in the following order of priority:

(1) the rate (expressed as a percentage per annum) for U.S. dollar deposits having a three-month maturity that appears on Telerate Page 3750 as of 11:00 a.m. (London time) on the related Determination Date (as defined below). "Telerate Page 3750" means the display designated as "Page 3750" on the Dow Jones Telerate Service or such other page as may replace

Page 3750 on that service or such other service or services as may be nominated by the British Bankers' Association as the information vendor for the purpose of displaying London interbank offered rates for U.S. dollar deposits;

(2) if such rate cannot be identified on the related Determination Date, the Debenture Trustee will request the principal London offices of four leading banks in the London interbank market to provide such banks' offered quotations (expressed as percentages per annum) to prime banks in the London interbank market for U.S. dollar deposits having a three-month maturity as of 11:00 a.m. (London time) on such Determination Date. If at least two quotations are provided, 3-Month LIBOR will be the arithmetic mean of such quotations;

(3) if fewer than two such quotations are provided as requested in clause (2) above, the Debenture Trustee will request four major New York City banks to provide such banks' offered quotations (expressed as percentages per annum) to leading European banks for loans in U.S. dollars as of 11:00 a.m. (London time) on such Determination Date. If at least two such quotations are provided, 3-Month LIBOR will be the arithmetic mean of such quotations; and

(4) if fewer than two such quotations are provided as requested in clause (3) above, 3-Month LIBOR will be a 3-Month LIBOR determined with respect to the Distribution Period immediately preceding such current Distribution Period.

If the rate for U.S. dollar deposits having a three-month maturity that initially appears on Telerate Page 3750 as of 11:00 a.m. (London time) on the related Determination Date is superseded on the Telerate Page 3750 by a corrected rate by 12:00 noon (London time) on such Determination Date, then the corrected rate as so substituted on the applicable page will be the applicable 3-Month LIBOR for such Determination Date.

The Distribution Rate for any Distribution Period will at no time be higher than the maximum rate then permitted by New York law as the same may be modified by United States law.

"Capital Treatment Event" means the receipt by the Debenture Issuer and the Trust of an opinion of counsel experienced in such matters to the effect that, as a result of the occurrence of any amendment to, or change (including any announced prospective change) in, the laws, rules or regulations of the United States or any political subdivision thereof or therein, or as the result of any official or administrative pronouncement or action or decision interpreting or applying such laws, rules or regulations, which amendment or change is effective or which pronouncement, action or decision is announced on or after the date of original issuance of the Debentures, there is more than an insubstantial risk that the Sponsor will not, within 90 days of the date of such opinion, be entitled to treat an amount equal to the aggregate liquidation amount of the Capital Securities as "Tier 1 Capital" (or its then equivalent) for purposes of the capital adequacy guidelines of the Federal Reserve, as then in effect and applicable to the Sponsor; provided, however, that the inability of the Sponsor to treat all or any portion of the liquidation amount of the Capital Securities as Tier 1 Capital shall not constitute the basis for a Capital Treatment Event, if such inability results from the Sponsor having cumulative preferred stock, minority interests in consolidated subsidiaries, or any other class of security or interest which the Federal Reserve may now or hereafter accord Tier 1 Capital treatment in excess of the amount which may now or hereafter qualify for treatment as Tier 1 Capital under applicable capital adequacy guidelines; provided further, however, that the distribution of Debentures in connection with the Liquidation of the Trust shall not in and of itself constitute a Capital Treatment Event unless such Liquidation shall have occurred in connection with a Tax Event or an Investment Company Event.

“Determination Date” means the date that is two London Banking Days (i.e., a business day in which dealings in deposits in U.S. dollars are transacted in the London interbank market) preceding the particular Distribution Period for which a Coupon Rate is being determined.

“Investment Company Event” means the receipt by the Debenture Issuer and the Trust of an opinion of counsel experienced in such matters to the effect that, as a result of the occurrence of a change in law or regulation or written change (including any announced prospective change) in interpretation or application of law or regulation by any legislative body, court, governmental agency or regulatory authority, there is more than an insubstantial risk that the Trust is or, within 90 days of the date of such opinion, will be considered an Investment Company that is required to be registered under the Investment Company Act which change or prospective change becomes effective or would become effective, as the case may be, on or after the date of the issuance of the Debentures.

“Maturity Date” means June 26, 2033.

“Redemption Date” shall mean the date fixed for the redemption of Capital Securities, which shall be any March 26, June 26, September 26 or December 26 commencing June 26, 2008.

“Redemption Price” means 100% of the principal amount of the Debentures being redeemed, plus accrued and unpaid Interest on such Debentures to the Redemption Date.

“Special Event” means a Tax Event, an Investment Company Event or a Capital Treatment Event.

“Special Redemption Date” means a date on which a Special Event redemption occurs.

“Special Redemption Price” means (i) 107.5% of the principal amount of the Debentures being redeemed on a Special Redemption Date that occurs before June 26, 2008 and (ii) 100% of the principal amount of the Debentures being redeemed on a Special Redemption Date that occurs on June 26, 2008 or after, plus, in each case, accrued and unpaid Interest on such Debentures to the Special Redemption Date.

“Tax Event” means the receipt by the Debenture Issuer and the Trust of an opinion of counsel experienced in such matters to the effect that, as a result of any amendment to or change (including any announced prospective change) in the laws or any regulations thereunder of the United States or any political subdivision or taxing authority thereof or therein, or as a result of any official administrative pronouncement (including any private letter ruling, technical advice memorandum, field service advice, regulatory procedure, notice or announcement including any notice or announcement of intent to adopt such procedures or regulations) (an “Administrative Action”) or judicial decision interpreting or applying such laws or regulations, regardless of whether such Administrative Action or judicial decision is issued to or in connection with a proceeding involving the Debenture Issuer or the Trust and whether or not subject to review or appeal, which amendment, clarification, change, Administrative Action or decision is enacted, promulgated or announced, in each case on or after the date of original issuance of the Debentures, there is more than an insubstantial risk that: (i) the Trust is, or will be within 90 days of the date of such opinion, subject to United States federal income tax with respect to income received or accrued on the Debentures; (ii) interest payable by the Debenture Issuer on the Debentures is not, or within 90 days of the date of such opinion, will not be, deductible by the Debenture Issuer, in whole or in part, for United States federal income tax purposes; or (iii) the Trust is, or will be within 90 days of the date of such opinion, subject to more than a de minimis amount of other taxes, duties or other governmental charges.

(b) Upon the repayment in full at maturity or redemption in whole or in part of the Debentures (other than following the distribution of the Debentures to the Holders of the Securities), the proceeds from such repayment or payment shall concurrently be applied to redeem Pro Rata at the

applicable Redemption Price or Special Redemption Price, as applicable, Securities having an aggregate liquidation amount equal to the aggregate principal amount of the Debentures so repaid or redeemed; provided, however, that holders of such Securities shall be given not less than 30 nor more than 60 days' notice of such redemption (other than at the scheduled maturity of the Debentures).

(c) If fewer than all the outstanding Securities are to be so redeemed, the Common Securities and the Capital Securities will be redeemed Pro Rata and the Capital Securities to be redeemed will be redeemed Pro Rata from each Holder of Capital Securities.

(d) The Trust may not redeem fewer than all the outstanding Capital Securities unless all accrued and unpaid Distributions have been paid on all Capital Securities for all quarterly Distribution periods terminating on or before the date of redemption.

(e) Redemption or Distribution Procedures.

(i) Notice of any redemption of, or notice of distribution of the Debentures in exchange for, the Securities (a "Redemption/Distribution Notice") will be given by the Trust by mail to each Holder of Securities to be redeemed or exchanged not fewer than 30 nor more than 60 days before the date fixed for redemption or exchange thereof which, in the case of a redemption, will be the date fixed for redemption of the Debentures. For purposes of the calculation of the date of redemption or exchange and the dates on which notices are given pursuant to this paragraph 4(e)(i), a Redemption/Distribution Notice shall be deemed to be given on the day such notice is first mailed by first-class mail, postage prepaid, to Holders of such Securities. Each Redemption/Distribution Notice shall be addressed to the Holders of such Securities at the address of each such Holder appearing on the books and records of the Trust. No defect in the Redemption/Distribution Notice or in the mailing thereof with respect to any Holder shall affect the validity of the redemption or exchange proceedings with respect to any other Holder.

(ii) If the Securities are to be redeemed and the Trust gives a Redemption/Distribution Notice, which notice may only be issued if the Debentures are redeemed as set out in this paragraph 4 (which notice will be irrevocable), then, provided that the Institutional Trustee has a sufficient amount of cash in connection with the related redemption or maturity of the Debentures, the Institutional Trustee will pay the relevant Redemption Price or Special Redemption Price, as applicable, to the Holders of such Securities by check mailed to the address of each such Holder appearing on the books and records of the Trust on the Redemption Date. If a Redemption/Distribution Notice shall have been given and funds deposited as required then immediately prior to the close of business on the date of such deposit Distributions will cease to accrue on the Securities so called for redemption and all rights of Holders of such Securities so called for redemption will cease, except the right of the Holders of such Securities to receive the applicable Redemption Price or Special Redemption Price specified in paragraph 4(a), but without interest on such Redemption Price or Special Redemption Price. If any date fixed for redemption of Securities is not a Business Day, then payment of any such Redemption Price or Special Redemption Price payable on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay) except that, if such Business Day falls in the next calendar year, such payment will be made on the immediately preceding Business Day, in each case with the same force and effect as if made on such date fixed for redemption. If payment of the Redemption Price or Special Redemption Price in respect of any Securities is improperly withheld or refused and not paid either by the Trust or by the Debenture Issuer as guarantor pursuant to the Guarantee, Distributions on such Securities will continue to accrue at the Distribution Rate from the original Redemption Date to the actual

date of payment, in which case the actual payment date will be considered the date fixed for redemption for purposes of calculating the Redemption Price or Special Redemption Price. In the event of any redemption of the Capital Securities issued by the Trust in part, the Trust shall not be required to (i) issue, register the transfer of or exchange any Security during a period beginning at the opening of business 15 days before any selection for redemption of the Capital Securities and ending at the close of business on the earliest date on which the relevant notice of redemption is deemed to have been given to all Holders of the Capital Securities to be so redeemed or (ii) register the transfer of or exchange any Capital Securities so selected for redemption, in whole or in part, except for the unredeemed portion of any Capital Securities being redeemed in part.

(iii) Redemption/Distribution Notices shall be sent by the Administrators on behalf of the Trust to (A) in respect of the Capital Securities, the Holders thereof and (B) in respect of the Common Securities, the Holder thereof.

(iv) Subject to the foregoing and applicable law (including, without limitation, United States federal securities laws), and provided that the acquiror is not the Holder of the Common Securities or the obligor under the Indenture, the Sponsor or any of its subsidiaries may at any time and from time to time purchase outstanding Capital Securities by tender, in the open market or by private agreement.

5. Voting Rights - Capital Securities.

(a) Except as provided under paragraphs 5(b) and 7 and as otherwise required by law and the Declaration, the Holders of the Capital Securities will have no voting rights. The Administrators are required to call a meeting of the Holders of the Capital Securities if directed to do so by Holders of at least 10% in liquidation amount of the Capital Securities.

(b) Subject to the requirements of obtaining a tax opinion by the Institutional Trustee in certain circumstances set forth in the last sentence of this paragraph, the Holders of a Majority in liquidation amount of the Capital Securities, voting separately as a class, have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Institutional Trustee, or exercising any trust or power conferred upon the Institutional Trustee under the Declaration, including the right to direct the Institutional Trustee, as holder of the Debentures, to (i) exercise the remedies available under the Indenture as the holder of the Debentures, (ii) waive any past default that is waivable under the Indenture, (iii) exercise any right to rescind or annul a declaration that the principal of all the Debentures shall be due and payable or (iv) consent on behalf of all the Holders of the Capital Securities to any amendment, modification or termination of the Indenture or the Debentures where such consent shall be required; provided, however, that, where a consent or action under the Indenture would require the consent or act of the holders of greater than a simple majority in aggregate principal amount of Debentures (a "Super Majority") affected thereby, the Institutional Trustee may only give such consent or take such action at the written direction of the Holders of at least the proportion in liquidation amount of the Capital Securities outstanding which the relevant Super Majority represents of the aggregate principal amount of the Debentures outstanding. If the Institutional Trustee fails to enforce its rights under the Debentures after the Holders of a Majority in liquidation amount of such Capital Securities have so directed the Institutional Trustee, to the fullest extent permitted by law, a Holder of the Capital Securities may institute a legal proceeding directly against the Debenture Issuer to enforce the Institutional Trustee's rights under the Debentures without first instituting any legal proceeding against the Institutional Trustee or any other person or entity. Notwithstanding the foregoing, if an Event of Default has occurred and is continuing and such event is attributable to the failure of the Debenture Issuer to pay interest or principal on the Debentures on the date the interest or principal is payable (or in the case of redemption, the Redemption Date or the Special Redemption Date, as applicable), then a Holder of record of the Capital

Securities may directly institute a proceeding for enforcement of payment, on or after the respective due dates specified in the Debentures, to such Holder directly of the principal of or interest on the Debentures having an aggregate principal amount equal to the aggregate liquidation amount of the Capital Securities of such Holder. The Institutional Trustee shall notify all Holders of the Capital Securities of any default actually known to the Institutional Trustee with respect to the Debentures unless (x) such default has been cured prior to the giving of such notice or (y) the Institutional Trustee determines in good faith that the withholding of such notice is in the interest of the Holders of such Capital Securities, except where the default relates to the payment of principal of or interest on any of the Debentures. Such notice shall state that such Indenture Event of Default also constitutes an Event of Default hereunder. Except with respect to directing the time, method and place of conducting a proceeding for a remedy, the Institutional Trustee shall not take any of the actions described in clauses (i), (ii) or (iii) above unless the Institutional Trustee has obtained an opinion of tax counsel to the effect that, as a result of such action, the Trust will not be classified as other than a grantor trust for United States federal income tax purposes.

In the event the consent of the Institutional Trustee, as the holder of the Debentures, is required under the Indenture with respect to any amendment, modification or termination of the Indenture, the Institutional Trustee shall request the direction of the Holders of the Securities with respect to such amendment, modification or termination and shall vote with respect to such amendment, modification or termination as directed by a Majority in liquidation amount of the Securities voting together as a single class; provided, however, that where a consent under the Indenture would require the consent of a Super-Majority, the Institutional Trustee may only give such consent at the direction of the Holders of at least the proportion in liquidation amount of the Securities outstanding which the relevant Super-Majority represents of the aggregate principal amount of the Debentures outstanding. The Institutional Trustee shall not take any such action in accordance with the directions of the Holders of the Securities unless the Institutional Trustee has obtained an opinion of tax counsel to the effect that, as a result of such action, the Trust will not be classified as other than a grantor trust for United States federal income tax purposes.

A waiver of an Indenture Event of Default will constitute a waiver of the corresponding Event of Default hereunder. Any required approval or direction of Holders of the Capital Securities may be given at a separate meeting of Holders of the Capital Securities convened for such purpose, at a meeting of all of the Holders of the Securities in the Trust or pursuant to written consent. The Institutional Trustee will cause a notice of any meeting at which Holders of the Capital Securities are entitled to vote, or of any matter upon which action by written consent of such Holders is to be taken, to be mailed to each Holder of record of the Capital Securities. Each such notice will include a statement setting forth the following information (i) the date of such meeting or the date by which such action is to be taken, (ii) a description of any resolution proposed for adoption at such meeting on which such Holders are entitled to vote or of such matter upon which written consent is sought and (iii) instructions for the delivery of proxies or consents. No vote or consent of the Holders of the Capital Securities will be required for the Trust to redeem and cancel Capital Securities or to distribute the Debentures in accordance with the Declaration and the terms of the Securities.

Notwithstanding that Holders of the Capital Securities are entitled to vote or consent under any of the circumstances described above, any of the Capital Securities that are owned by the Sponsor or any Affiliate of the Sponsor shall not entitle the Holder thereof to vote or consent and shall, for purposes of such vote or consent, be treated as if such Capital Securities were not outstanding.

In no event will Holders of the Capital Securities have the right to vote to appoint, remove or replace the Administrators, which voting rights are vested exclusively in the Sponsor as the Holder of all of the Common Securities of the Trust. Under certain circumstances as more fully described in the Declaration, Holders of Capital Securities have the right to vote to appoint, remove or replace the Institutional Trustee.

6. Voting Rights - Common Securities.

(a) Except as provided under paragraphs 6(b), 6(c) and 7 and as otherwise required by law and the Declaration, the Common Securities will have no voting rights.

(b) The Holders of the Common Securities are entitled, in accordance with Article IV of the Declaration, to vote to appoint, remove or replace any Administrators.

(c) Subject to Section 6.7 of the Declaration and only after each Event of Default (if any) with respect to the Capital Securities has been cured, waived, or otherwise eliminated and subject to the requirements of the second to last sentence of this paragraph, the Holders of a Majority in liquidation amount of the Common Securities, voting separately as a class, may direct the time, method, and place of conducting any proceeding for any remedy available to the Institutional Trustee, or exercising any trust or power conferred upon the Institutional Trustee under the Declaration, including (i) directing the time, method, place of conducting any proceeding for any remedy available to the Debenture Trustee, or exercising any trust or power conferred on the Debenture Trustee with respect to the Debentures, (ii) waiving any past default and its consequences that is waivable under the Indenture, or (iii) exercising any right to rescind or annul a declaration that the principal of all the Debentures shall be due and payable; provided, however, that, where a consent or action under the Indenture would require a Super Majority, the Institutional Trustee may only give such consent or take such action at the written direction of the Holders of at least the proportion in liquidation amount of the Common Securities which the relevant Super Majority represents of the aggregate principal amount of the Debentures outstanding. Notwithstanding this paragraph 6(c), the Institutional Trustee shall not revoke any action previously authorized or approved by a vote or consent of the Holders of the Capital Securities. Other than with respect to directing the time, method and place of conducting any proceeding for any remedy available to the Institutional Trustee or the Debenture Trustee as set forth above, the Institutional Trustee shall not take any action described in (i), (ii) or (iii) above, unless the Institutional Trustee has obtained an opinion of tax counsel to the effect that for the purposes of United States federal income tax the Trust will not be classified as other than a grantor trust on account of such action. If the Institutional Trustee fails to enforce its rights under the Declaration to the fullest extent permitted by law, any Holder of the Common Securities may institute a legal proceeding directly against any Person to enforce the Institutional Trustee's rights under the Declaration, without first instituting a legal proceeding against the Institutional Trustee or any other Person.

Any approval or direction of Holders of the Common Securities may be given at a separate meeting of Holders of the Common Securities convened for such purpose, at a meeting of all of the Holders of the Securities in the Trust or pursuant to written consent. The Administrators will cause a notice of any meeting at which Holders of the Common Securities are entitled to vote, or of any matter upon which action by written consent of such Holders is to be taken, to be mailed to each Holder of the Common Securities. Each such notice will include a statement setting forth (i) the date of such meeting or the date by which such action is to be taken, (ii) a description of any resolution proposed for adoption at such meeting on which such Holders are entitled to vote or of such matter upon which written consent is sought and (iii) instructions for the delivery of proxies or consents.

No vote or consent of the Holders of the Common Securities will be required for the Trust to redeem and cancel Common Securities or to distribute the Debentures in accordance with the Declaration and the terms of the Securities.

7. Amendments to Declaration and Indenture.

(a) In addition to any requirements under Section 11.1 of the Declaration, if any proposed amendment to the Declaration provides for, or the Institutional Trustee, Sponsor or

Administrators otherwise propose to effect, (i) any action that would adversely affect the powers, preferences or special rights of the Securities, whether by way of amendment to the Declaration or otherwise, or (ii) the Liquidation of the Trust, other than as described in Section 7.1 of the Declaration, then the Holders of outstanding Securities, voting together as a single class, will be entitled to vote on such amendment or proposal and such amendment or proposal shall not be effective except with the approval of the Holders of at least a Majority in liquidation amount of the Securities, affected thereby; provided, however, if any amendment or proposal referred to in clause (i) above would adversely affect only the Capital Securities or only the Common Securities, then only the affected class will be entitled to vote on such amendment or proposal and such amendment or proposal shall not be effective except with the approval of a Majority in liquidation amount of such class of Securities.

(b) In the event the consent of the Institutional Trustee as the holder of the Debentures is required under the Indenture with respect to any amendment, modification or termination of the Indenture or the Debentures, the Institutional Trustee shall request the written direction of the Holders of the Securities with respect to such amendment, modification or termination and shall vote with respect to such amendment, modification, or termination as directed by a Majority in liquidation amount of the Securities voting together as a single class; provided, however, that where a consent under the Indenture would require a Super Majority, the Institutional Trustee may only give such consent at the direction of the Holders of at least the proportion in liquidation amount of the Securities which the relevant Super Majority represents of the aggregate principal amount of the Debentures outstanding.

(c) Notwithstanding the foregoing, no amendment or modification may be made to the Declaration if such amendment or modification would (i) cause the Trust to be classified for purposes of United States federal income taxation as other than a grantor trust, (ii) reduce or otherwise adversely affect the powers of the Institutional Trustee or (iii) cause the Trust to be deemed an Investment Company which is required to be registered under the Investment Company Act.

(d) Notwithstanding any provision of the Declaration, the right of any Holder of the Capital Securities to receive payment of distributions and other payments upon redemption or otherwise, on or after their respective due dates, or to institute a suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder. For the protection and enforcement of the foregoing provision, each and every Holder of the Capital Securities shall be entitled to such relief as can be given either at law or equity.

8. Pro Rata. A reference in these terms of the Securities to any payment, distribution or treatment as being "Pro Rata" shall mean pro rata to each Holder of the Securities according to the aggregate liquidation amount of the Securities held by the relevant Holder in relation to the aggregate liquidation amount of all Securities then outstanding unless, in relation to a payment, an Event of Default has occurred and is continuing, in which case any funds available to make such payment shall be paid first to each Holder of the Capital Securities Pro Rata according to the aggregate liquidation amount of the Capital Securities held by the relevant Holder relative to the aggregate liquidation amount of all Capital Securities outstanding, and only after satisfaction of all amounts owed to the Holders of the Capital Securities, to each Holder of the Common Securities Pro Rata according to the aggregate liquidation amount of the Common Securities held by the relevant Holder relative to the aggregate liquidation amount of all Common Securities outstanding.

9. Ranking. The Capital Securities rank *pari passu* with and payment thereon shall be made Pro Rata with the Common Securities except that, when an Event of Default has occurred and is continuing, the rights of Holders of the Common Securities to receive payment of Distributions and payments upon liquidation, redemption and otherwise are subordinated to the rights of the Holders of the Capital Securities with the result that no payment of any Distribution on, or Redemption Price (or Special

Redemption Price) of, any Common Security, and no other payment on account of redemption, liquidation or other acquisition of Common Securities, shall be made unless payment in full in cash of all accumulated and unpaid Distributions on all outstanding Capital Securities for all distribution periods terminating on or prior thereto, or in the case of payment of the Redemption Price (or Special Redemption Price) the full amount of such Redemption Price (or Special Redemption Price) on all outstanding Capital Securities then called for redemption, shall have been made or provided for, and all funds immediately available to the Institutional Trustee shall first be applied to the payment in full in cash of all Distributions on, or the Redemption Price (or Special Redemption Price) of, the Capital Securities then due and payable.

10. Acceptance of Guarantee and Indenture. Each Holder of the Capital Securities and the Common Securities, by the acceptance of such Securities, agrees to the provisions of the Guarantee, including the subordination provisions therein, and to the provisions of the Indenture.

11. No Preemptive Rights. The Holders of the Securities shall have no preemptive or similar rights to subscribe for any additional securities.

12. Miscellaneous. These terms constitute a part of the Declaration. The Sponsor will provide a copy of the Declaration, the Guarantee, and the Indenture to a Holder without charge on written request to the Sponsor at its principal place of business.

[FORM OF REVERSE OF CAPITAL SECURITY]

Distributions payable on each Capital Security will be payable at an annual rate equal to 4.11% beginning on (and including) the date of original issuance and ending on (but excluding) September 26, 2003 and at an annual rate for each successive period beginning on (and including) September 26, 2003, and each succeeding Distribution Payment Date, and ending on (but excluding) the next succeeding Distribution Payment Date (each a "Distribution Period"), equal to 3Month LIBOR, determined as described below, plus 3.05% (the "Coupon Rate"), applied to the stated liquidation amount of \$1,000.00 per Capital Security, such rate being the rate of interest payable on the Debentures to be held by the Institutional Trustee. Distributions in arrears will bear interest thereon compounded quarterly at the Distribution Rate (to the extent permitted by applicable law). The term "Distributions" as used herein includes cash distributions and any such compounded distributions unless otherwise noted. A Distribution is payable only to the extent that payments are made in respect of the Debentures held by the Institutional Trustee and to the extent the Institutional Trustee has funds available therefor. As used herein, "Determination Date" means the date that is two London Banking Days (i.e., a business day in which dealings in deposits in U.S. dollars are transacted in the London interbank market) preceding the commencement of the relevant Distribution Period. In the event that any date on which a Distribution is payable on this Capital Security is not a Business Day, then a payment of the Distribution payable on such date will be made on the next succeeding day which is a Business Day (and without any interest or other payment in respect of any such delay), except that if such Business Day is in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case with the same force and effect as if made on the date the payment was originally payable. The amount of the Distribution payable for any Distribution Period will be calculated by applying the Distribution Rate to the stated liquidation amount outstanding at the commencement of the Distribution Period and multiplying each such amount by the actual number of days in the Distribution Period concerned divided by 360.

"3-Month LIBOR" as used herein, means the London interbank offered interest rate for three-month U.S. dollar deposits determined by the Debenture Trustee in the following order of priority: (i) the rate (expressed as a percentage per annum) for U.S. dollar deposits having a three-month maturity that appears on Telerate Page 3750 as of 11:00 a.m. (London time) on the related Determination Date ("Telerate Page 3750" means the display designated as "Page 3750" on the Dow Jones Telerate Service or such other page as may replace Page 3750 on that service or such other service or services as may be nominated by the British Bankers' Association as the information vendor for the purpose of displaying London interbank offered rates for U.S. dollar deposits); (ii) if such rate cannot be identified on the related Determination Date, the Debenture Trustee will request the principal London offices of four leading banks in the London interbank market to provide such banks' offered quotations (expressed as percentages per annum) to prime banks in the London interbank market for U.S. dollar deposits having a three-month maturity as of 11:00 a.m. (London time) on such Determination Date. If at least two quotations are provided, 3-Month LIBOR will be the arithmetic mean of such quotations; (iii) if fewer than two such quotations are provided as requested in clause (ii) above, the Debenture Trustee will request four major New York City banks to provide such banks' offered quotations (expressed as percentages per annum) to leading European banks for loans in U.S. dollars as of 11:00 a.m. (London time) on such Determination Date. If at least two such quotations are provided, 3-Month LIBOR will be the arithmetic mean of such quotations; and (iv) if fewer than two such quotations are provided as requested in clause (iii) above, 3-Month LIBOR will be a 3-Month LIBOR determined with respect to the Distribution Period immediately preceding such current Distribution Period. If the rate for U.S. dollar deposits having a three-month maturity that initially appears on Telerate Page 3750 as of 11:00 a.m. (London time) on the related Determination Date is superseded on the Telerate Page 3750 by a corrected rate by 12:00 noon (London time) on such Determination Date, then the corrected rate as so substituted on the applicable page will be the applicable 3-Month LIBOR for such Determination Date.

The Distribution Rate for any Distribution Period will at no time be higher than the maximum rate then permitted by New York law as the same may be modified by United States law.

All percentages resulting from any calculations on the Capital Securities will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward (e.g., 9.876545% (or .09876545) being rounded to 9.87655% (or .0987655), and all dollar amounts used in or resulting from such calculation will be rounded to the nearest cent (with one-half cent being rounded upward)).

Except as otherwise described below, Distributions on the Capital Securities will be cumulative, will accrue from the date of original issuance and will be payable quarterly in arrears on March 26, June 26, September 26 and December 26 of each year, commencing on September 26, 2003. The Debenture Issuer has the right under the Indenture to defer payments of interest on the Debentures, so long as no Indenture Event of Default has occurred and is continuing, by extending the interest payment period for up to 20 consecutive quarterly periods (each an "Extension Period") at any time and from time to time on the Debentures, subject to the conditions described below, during which Extension Period no interest shall be due and payable. During any Extension Period, interest will continue to accrue on the Debentures, and interest on such accrued interest will accrue at an annual rate equal to the Distribution Rate in effect for each such Extension Period, compounded quarterly from the date such interest would have been payable were it not for the Extension Period, to the extent permitted by law (such interest referred to herein as "Additional Interest"). No Extension Period may end on a date other than a Distribution Payment Date. At the end of any such Extension Period, the Debenture Issuer shall pay all interest then accrued and unpaid on the Debentures (together with Additional Interest thereon); provided, however, that no Extension Period may extend beyond the Maturity Date. Prior to the termination of any Extension Period, the Debenture Issuer may further extend such period, provided that such period together with all such previous and further consecutive extensions thereof shall not exceed 20 consecutive quarterly periods, or extend beyond the Maturity Date. Upon the termination of any Extension Period and upon the payment of all accrued and unpaid interest and Additional Interest, the Debenture Issuer may commence a new Extension Period, subject to the foregoing requirements. No interest or Additional Interest shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest. During any Extension Period, Distributions on the Capital Securities shall be deferred for a period equal to the Extension Period. If Distributions are deferred, the Distributions due shall be paid on the date that the related Extension Period terminates, to Holders of the Securities as they appear on the books and records of the Trust on the record date immediately preceding such date. Distributions on the Securities must be paid on the dates payable (after giving effect to any Extension Period) to the extent that the Trust has funds available for the payment of such Distributions in the Property Account of the Trust. The Trust's funds available for Distribution to the Holders of the Securities will be limited to payments received from the Debenture Issuer. The payment of Distributions out of moneys held by the Trust is guaranteed by the Guarantor pursuant to the Guarantee.

The Capital Securities shall be redeemable as provided in the Declaration.

Corus Statutory Trust I, a statutory trust created under the laws of the State of Connecticut (the "Trust"), hereby certifies that Corus Bankshares, Inc. (the "Holder") is the registered owner of common securities of the Trust representing undivided beneficial interests in the assets of the Trust (the "Common Securities"). The Common Securities represented hereby are issued pursuant to, and the designation, rights, privileges, restrictions, preferences and other terms and provisions of the Common Securities shall in all respects be subject to, the provisions of the Amended and Restated Declaration of Trust of the Trust dated as of June 26, 2003, among Timothy H. By acceptance of this Certificate, the Holder agrees to treat, for United States federal income tax purposes, the Debentures as indebtedness and the Common Securities as evidence of undivided beneficial ownership in the Debentures.

This Common Security is governed by, and construed in accordance with, the laws of the State of Connecticut, without regard to principles of conflict of laws.

IN WITNESS WHEREOF, the Trust has duly executed this certificate.

[FORM OF REVERSE OF COMMON SECURITY]

Distributions payable on each Common Security will be payable at an annual rate equal to 4.11% beginning on (and including) the date of original issuance and ending on (but excluding) September 26, 2003 and at an annual rate for each successive period beginning on (and including) September 26, 2003, and each succeeding Distribution Payment Date, and ending on (but excluding) the next succeeding Distribution Payment Date (each a "Distribution Period"), equal to 3Month LIBOR, determined as described below, plus 3.05% (the "Coupon Rate"), applied to the stated liquidation amount of \$1,000.00 per Common Security, such rate being the rate of interest payable on the Debentures to be held by the Institutional Trustee. Distributions in arrears will bear interest thereon compounded quarterly at the Distribution Rate (to the extent permitted by applicable law). The term "Distributions" as used herein includes cash distributions and any such compounded distributions unless otherwise noted. A Distribution is payable only to the extent that payments are made in respect of the Debentures held by the Institutional Trustee and to the extent the Institutional Trustee has funds available therefor. As used herein, "Determination Date" means the date that is two London Banking Days (i.e., a business day in which dealings in deposits in U.S. dollars are transacted in the London interbank market) preceding the commencement of the relevant Distribution Period. In the event that any date on which a Distribution is payable on this Common Security is not a Business Day, then a payment of the Distribution payable on such date will be made on the next succeeding day which is a Business Day (and without any interest or other payment in respect of any such delay), except that, if such Business Day is in the next succeeding calendar year, such payment shall be made on the immediately preceding Business Day, in each case with the same force and effect as if made on the date the payment was originally payable. The amount of the Distribution payable for any Distribution Period will be calculated by applying the Distribution Rate to the stated liquidation amount outstanding at the commencement of the Distribution Period and multiplying each such amount by the actual number of days in the Distribution Period concerned divided by 360.

"3-Month LIBOR" as used herein, means the London interbank offered interest rate for three-month U.S. dollar deposits determined by the Debenture Trustee in the following order of priority: (i) the rate (expressed as a percentage per annum) for U.S. dollar deposits having a three-month maturity that appears on Telerate Page 3750 as of 11:00 a.m. (London time) on the related Determination Date ("Telerate Page 3750" means the display designated as "Page 3750" on the Dow Jones Telerate Service or such other page as may replace Page 3750 on that service or such other service or services as may be nominated by the British Bankers' Association as the information vendor for the purpose of displaying London interbank offered rates for U.S. dollar deposits); (ii) if such rate cannot be identified on the related Determination Date, the Debenture Trustee will request the principal London offices of four leading banks in the London interbank market to provide such banks' offered quotations (expressed as percentages per annum) to prime banks in the London interbank market for U.S. dollar deposits having a three-month maturity as of 11:00 a.m. (London time) on such Determination Date. If at least two quotations are provided, 3-Month LIBOR will be the arithmetic mean of such quotations; (iii) if fewer than two such quotations are provided as requested in clause (ii) above, the Debenture Trustee will request four major New York City banks to provide such banks' offered quotations (expressed as percentages per annum) to leading European banks for loans in U.S. dollars as of 11:00 a.m. (London time) on such Determination Date. If at least two such quotations are provided, 3-Month LIBOR will be the arithmetic mean of such quotations; and (iv) if fewer than two such quotations are provided as requested in clause (iii) above, 3-Month LIBOR will be a 3-Month LIBOR determined with respect to the Distribution Period immediately preceding such current Distribution Period. If the rate for U.S. dollar deposits having a three-month maturity that initially appears on Telerate Page 3750 as of 11:00 a.m. (London time) on the related Determination Date is superseded on the Telerate Page 3750 by a corrected rate by 12:00 noon (London time) on such Determination Date, then the corrected rate as so substituted on the applicable page will be the applicable 3-Month LIBOR for such Determination Date.

The Distribution Rate for any Distribution Period will at no time be higher than the maximum rate then permitted by New York law as the same may be modified by United States law.

All percentages resulting from any calculations on the Common Securities will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward (e.g., 9.876545% (or .09876545) being rounded to 9.87655% (or .0987655), and all dollar amounts used in or resulting from such calculation will be rounded to the nearest cent (with one-half cent being rounded upward)).

Except as otherwise described below, Distributions on the Common Securities will be cumulative, will accrue from the date of original issuance and will be payable quarterly in arrears on March 26, June 26, September 26 and December 26 of each year, commencing on September 26, 2003. The Debenture Issuer has the right under the Indenture to defer payments of interest on the Debentures, so long as no Indenture Event of Default has occurred and is continuing, by extending the interest payment period for up to 20 consecutive quarterly periods (each an "Extension Period") at any time and from time to time on the Debentures, subject to the conditions described below, during which Extension Period no interest shall be due and payable. During any Extension Period, interest will continue to accrue on the Debentures, and interest on such accrued interest will accrue at an annual rate equal to the Distribution Rate in effect for each such Extension Period, compounded quarterly from the date such interest would have been payable were it not for the Extension Period, to the extent permitted by law (such interest referred to herein as "Additional Interest"). No Extension Period may end on a date other than a Distribution Payment Date. At the end of any such Extension Period, the Debenture Issuer shall pay all interest then accrued and unpaid on the Debentures (together with Additional Interest thereon); provided, however, that no Extension Period may extend beyond the Maturity Date. Prior to the termination of any Extension Period, the Debenture Issuer may further extend such period, provided that such period together with all such previous and further consecutive extensions thereof shall not exceed 20 consecutive quarterly periods, or extend beyond the Maturity Date. Upon the termination of any Extension Period and upon the payment of all accrued and unpaid interest and Additional Interest, the Debenture Issuer may commence a new Extension Period, subject to the foregoing requirements. No interest or Additional Interest shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear Additional Interest. During any Extension Period, Distributions on the Common Securities shall be deferred for a period equal to the Extension Period. If Distributions are deferred, the Distributions due shall be paid on the date that the related Extension Period terminates, to Holders of the Securities as they appear on the books and records of the Trust on the record date immediately preceding such date. Distributions on the Securities must be paid on the dates payable (after giving effect to any Extension Period) to the extent that the Trust has funds available for the payment of such distributions in the Property Account of the Trust. The Trust's funds available for Distribution to the Holders of the Securities will be limited to payments received from the Debenture Issuer.

The Common Securities shall be redeemable as provided in the Declaration.
