ORDER GRANTING DEBTOR'S FIFTH OMNIBUS OBJECTION TO CERTAIN CLAIMS BASED ON EQUITY INTERESTS

Upon the Debtor's Fifth Omnibus Objection (the "Objection") to Certain Claims Based on Equity Interests; and the Court having found that the Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334; and the Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and the Court having found that venue of this proceeding and the Objection in this District is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and the Court having found that the relief requested in the Objection is in the best interests of the Debtor's estate, its creditors and other parties in interest; and the Debtor having provided appropriate notice under the circumstances of the Objection and the opportunity for a hearing on the Objection, and that no other or further notice is required; and the Court having reviewed the Objection and having heard the statements in support of the relief requested therein at a hearing before the Court (the "Hearing"); and the Court having determined that the legal and factual bases set forth in the Objection and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before the Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The claims (the "Equity Interest Claims") listed on Exhibit 1 annexed hereto are hereby disallowed in their entirety and reclassified as equity interests, and the Debtor's claims, notice and balloting agent is hereby authorized to expunge each Equity Interest Claim from the Debtor's claims register.

2. The Debtor's rights to (a) amend, modify or supplement the Objection, (b) file additional objections to the Equity Interest Claims or any other claims (filed or not) which may be asserted against the Debtor and/or (c) seek further reduction of any claim to the extent such claim has been paid or otherwise satisfied, are preserved. Additionally, should one or more of the grounds of objection stated in the Objection be overruled, the Debtor's rights to object on other stated grounds or on any other grounds that the Debtor discovers during the pendency of this case is further preserved.

3. Each Equity Interest Claim and the objections by the Debtor to such Equity Interest Claim, as addressed in the Objection and as set forth on Exhibit 1 annexed hereto, constitutes a separate contested matter as contemplated by Bankruptcy Rule 9014. This Order shall be deemed a separate Order with respect to each Equity Interest Claim. Any stay of this Order pending appeal by any claimants whose Equity Interest Claims are subject to this Order shall only apply to the contested matter which involves such claimant and shall not act to stay the applicability and/or finality of this Order with respect to the other contested matters listed in the Objection or this Order.

4. The Debtor and BMC Group, Inc., the Debtor's claims, notice and balloting agent, are authorized and empowered to take all actions necessary to implement the relief granted in this Order.

5. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

6. This Court retains jurisdiction with respect to all matters arising from or related to the enforcement or interpretation of this Order.

7. Notwithstanding the possible applicability of Bankruptcy Rules 6004(h), 7062, 9014 or otherwise, the terms and conditions of this Order shall be immediately effective and enforceable upon its entry.
