Re: In re TSLC I, Inc. et al.
Case No. 8:04-bk-24134-MGW
United States Bankruptcy Court,
Middle District of Florida

To the Creditors of TSLC I, Inc.:

We write on behalf of the Official Committee of Unsecured Creditors (the "Creditors' Committee") of TSLC I, Inc., debtors and debtors in possession in the above-referenced case (the "Debtors"). The Creditors' Committee was appointed by the United States Trustee in the Debtors' chapter 11 proceedings pending before the United States Bankruptcy Court for the Middle District of Florida, Tampa Division (the "Bankruptcy Court").

The Creditors' Committee has been actively involved in the Debtors' chapter 11 cases and has negotiated with the Debtors at length regarding the terms of their plan of liquidation (the "Plan"). A disclosure statement in respect of the Plan (the "Amended Disclosure Statement") has been approved by the Bankruptcy Court for distribution to creditors in connection with the solicitation of votes with respect to the Plan. While the decision to cast a ballot in favor of or against the Plan is ultimately one that you must make individually, the Creditors' Committee believes that the Plan provides for treatment of your claim which is fair and equitable and, therefore, supports the Debtors' efforts to obtain approval thereof and urges you to vote to accept the Plan.

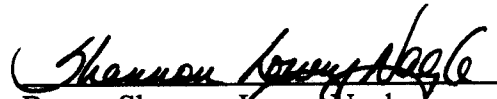

The Creditors' Committee supports confirmation of the Plan. However, the Creditors' Committee intends to object to the provisions of the Plan that purport to limit and release certain officers and directors of the Debtors from personal liability. The Creditors' Committee believes that the provisions with respect to such releases render the Plan unconfirmable and, accordingly, that either such releases will be stricken from the Plan ultimately confirmed by the Bankruptcy Court or the Plan will not be confirmed. The Creditors' Committee's opposition to the release and limitation of personal liability is described in Article IV, Section G (3) of the Amended Disclosure Statement enclosed. If you support the Creditors' Committee's opposition to the release provisions with respect to the officers and directors' personal liability, please contact me by email or fax at the address or number listed below. We would like to obtain an indication from creditors who support the Plan, but oppose the proposed releases relating to the officers and directors' personal liability.

Accordingly, we urge you to vote to accept the Plan, but to also indicate to us your dissatisfaction with respect to the proposed limitation of liability and releases for officers

and directors so that we may advocate for deletion of the offending provisions of the Plan and confirmation of the Plan as so modified.

Please remember to return your ballots in accordance with the solicitation package so that they are received not later than May 10, 2005.
