TO WHOM THIS MAY CONCERN:

On April 29, 2011, the Illinois Department of Employment Security filed a pre-petition claim for \$2,108.36 covering the period first quarter 2010 through third quarter 2010. The claim was received by the Court on May 9, 2011 per copy of enclosed POC. However, when we inquired from the Court's Claim Registry on PACER, there was no record of receiving the claim filed by the Illinois Department of Employment Security.

This letter was prompted by the receipt of ADP letter dated June 10, 2011 (copy enclosed) specifying that POC documents were sent to their Office for processing. However, they were unable to process the documents as they could not identify information to verify the client or they do not handle these type of documents. We are at a lost for what's going on, the FEIN listed in the POC was the same as the one submitted by the debtor to the court and what's more confusing here is the way the POC was sent to ADP by the Bankruptcy Court.

We are re-filing the claim with the hope that what transpired earlier was just an error on somebody's end. Thank you and we're looking forward to hear from you regarding this claim's status.

Very truly yours
