**Attachment to Second Amended Proof of Claim
Filed by The New 5-7-9 and Beyond, Inc.
Against Carraizo Alto Apparel Corporation, Case No. 10-13007 (ASD)**

Debtor Carraizo Alto Apparel Corporation (“Debtor”) is a party to an Asset Purchase Agreement, dated January 23, 2009, by and among The New 5-7-9 and Beyond, Inc. (“Buyer-Creditor”) as buyer, and Marianne USPR, Inc., Carraizo Alto Apparel Corporation, Large Apparel of New Jersey, Inc., and Marianne VI, Inc., as sellers (collectively, “Sellers”), and Urban Brands, Inc. (“UBI”), as modified and amended pursuant those certain letter agreements dated as of February 2, 2009, February 5, 2009, February 18, 2009, March 5, 2009, March 31, 2009, and April 23, 2009 (collectively, the “APA”). Copies of the APA and other documents referenced but not included herein are voluminous and can be obtained by contacting counsel for the Buyer-Creditor.

Pursuant to Section 8.01 of the APA, the Sellers and UBI agreed to jointly and severally indemnify and hold Buyer-Creditor harmless from any and all claims made against Buyer-Creditor relating to, among other things, Excluded Liabilities (as defined in the APA) and any third party claims relating to the operation of the Transferred Stores or Transferred Assets (both as defined in the APA) relating to the period of time prior to the closing on the APA, which claims are the obligations of Sellers and/or UBI.

In conjunction with the APA, Buyer-Creditor, Sellers and UBI entered into a certain Escrow Agreement dated as of January 23, 2009, as modified and amended pursuant to First Amendment to Escrow Agreement, dated April 23, 2009, by and among Buyer-Creditor, Sellers and UBI, as consented to by Bank of America, N.A. (collectively, the “Escrow Agreement”), pursuant to which Buyer-Creditor deposited a portion of the Purchase Price (as defined in the APA) with Seltzer Sussman Habermann & Heitner LLP (the “Escrow Agent”) for release in accordance with the terms of the APA and the Escrow Agreement.

Section 2.06 of the APA provides that the portion of the Purchase Price deposited with the Escrow Agent shall be the sole property of Buyer-Creditor, and that Buyer-Creditor shall have a lien and security interest in such funds. The original balance with the Escrow Agent was Three Hundred Seventy Three Thousand Seven Hundred Eighty Seven and 84/100 (\$373,787.84) Dollars.

Morales Realty Litigation

Among other things, the APA provides for the assignment and assumption of the lease (the “Lease”) relating to the store located at 70-72 De Diego Street, San Juan, Puerto Rico, and identified as Store #37 in the APA, provided, however, that such assumption relates solely to the period from and after the effective date of such assignment and specifically excludes any and all Excluded Liabilities (as defined in Section 10.15(ss) of the APA), including without limitation, “any causes of action, lawsuits, claims and demands of any nature that arose or arise or relate to events that occurred prior to the Applicable Closing Date” (see Section 10.15(ss)(v) of the APA).

On or about January 15, 2010, the landlord under the Lease, Morales Realty, Inc. (“Morales”), commenced litigation against, among others, Buyer-Creditor captioned, Morales

Realty, Inc. v. Franklin Thirty Four-Rio Corp., et al., bearing Civil No. KAC-2010-0121 (905) in the Puerto Rico Court of First Instance, San Juan Part (which litigation has a related appellate matter pending in the Puerto Rico Supreme Court, bearing Civil No. CC-2010-0720) (collectively, the “Morales Realty Litigation”), which Buyer-Creditor is defending against. In the Morales Realty Litigation, Morales is seeking contractual damages of not less than Three Million Four Hundred Two Thousand Three and 00/100 (\$3,402,003.00) Dollars, plus tort damages in an unliquidated amount, plus attorneys’ fees and costs to be determined. In addition, as of November 30, 2010, Buyer-Creditor has incurred Twenty Seven Thousand Four Hundred Twenty Six and 06/100 (\$27,426.06) Dollars in legal fees and expenses to defend the Morales Realty Litigation. A copy of the Complaint which initiated the Morales Realty Litigation is annexed hereto as Exhibit “A”.

Infringement Litigation

On January 20, 2011, L.A. Printex, Industries, Inc. (“L.A. Printex”) served by certified mail a summons and complaint in litigation captioned, L.A. Printex Industries, Inc. v. MeeTV Magic, Inc., et al., bearing Case No. CV10-10041 CAS (JCX) in the United States District Court for the Central District of California (the “Infringement Litigation”). In the Infringement Litigation, L.A. Printex is seeking damages for alleged copyright infringement and vicarious and/or contributory copyright infringement stemming from, among other things, the alleged sale of goods by “Marianne’s” of an amount to be determined at trial plus statutory damages of up to One Hundred Fifty Thousand and 00/100 (\$150,000.00) Dollars per infringement.

Upon information and belief, the actions and activities complained of in the Infringement Litigation took place prior to the effective closing date of the APA by Buyer-Creditor and/or prior to the transfer of the Transferred Stores or Transferred Assets and involved Excluded Liabilities. Accordingly, Buyer-Creditor believes it has no liability for the Infringement Litigation. Notwithstanding, as a result of being served, Buyer-Creditor has incurred, and will continue to incur, legal fees and expenses, and may incur other costs, to dispose of the Infringement Litigation in sums to be determined. A copy of the Complaint which initiated the Infringement Litigation is annexed hereto as Exhibit “B”.

Soto Litigation

Among other things, the APA provides, in the last sentence of Section 5.07(e) that [the Debtor] shall retain, assume, bear, discharge, indemnify and hold [Buyer-Creditor] harmless for all liabilities for any and all claims from any individual who is not a Store Employee as defined in subsection 5.07(a) (of the APA), including claims of unjust dismissal under Act 80 or Section 76. (See APA). In this regard, Section 8.05(b) of the APA provides a carve-out for claims like the one in the Soto Litigation (defined below) from the 24-month limitation for making indemnity claims.

On June 9, 2011, Sonia Cruz Soto (“Soto”) commenced litigation against, among others, Buyer-Creditor captioned, Sonia Cruz Soto v. Marianne and Corporation “ABC”, bearing Civil No. KPE-2011-2324 (804) in the Puerto Rico Court of First Instance, San Juan Part (the “Soto Litigation”), which Buyer-Creditor is defending against. In the Soto Litigation, Soto is seeking \$32,400.00 as severance pay/lost wages, plus interest thereon, plus attorneys’ fees, plus costs, for

alleged unlawful termination of employment. In addition, Buyer-Creditor has incurred, and continues to incur, legal fees and expenses to defend the Soto Litigation. A copy of the Complaint which initiated the Soto Litigation is annexed hereto as Exhibit "C".

Pursuant to Section 8.01 of the APA, the exposure to liability from the Morales Realty Litigation, the Infringement Litigation, and the Soto Litigation, and the costs incurred to defend against and dispose of same, are claims subject to indemnification by the Debtor. Accordingly, Buyer-Creditor hereby submits this Proof of Claim in the contingent and unliquidated amount of not less than Three Million Four Hundred Sixty One Thousand Eight Hundred Twenty Nine and 06/100 (\$3,461,829.06) Dollars, of which Three Hundred Fifty Seven Thousand Two Hundred Fifty Six and 14/100 (\$357,256.14) Dollars is a secured claim, representing the balance in the Escrow Account as of August 18, 2011. The balance thereof is a general unsecured claim.

II. HECHOS QUE DAN LUGAR A LA PRESENTE CAUSA DE ACCION:

9. El día 6 de febrero de 1959 la demandante Morales Realty, Inc., otorgó un contrato de arrendamiento con la codemandada Franklin Thirty Four Corp., sobre un local comercial de 13,230 pies cuadrados localizado en el número 70 de la Calle de Diego, hoy Paseo de Diego, en Río Piedras, Puerto Rico por un canon mensual de \$1,574.99. Dicho contrato fue suscrito por un término original de catorce (14) años prorrogable a opción del arrendatario por cuatro términos adicionales de diez (10) años cada uno, estando vigente en virtud de la última renovación hasta febrero del año 2013.

10. De lo anterior se desprende que el antes referido contrato de arrendamiento ha estado vigente por los pasados 50 años con un cánón de arrendamiento inalterado, el cual en esta época resulta ridículo para una propiedad de la magnitud de la de la demandante, con el agravante de que ello puede extenderse por los próximos 3 años.

11. Desde el momento en que se suscribió el contrato objeto del presente pleito hasta el presente han pasado 50 años. Durante ese tiempo, el valor de las propiedades en el lugar donde se encuentra localizada la propiedad ha incrementado sustancialmente, trayendo ello como consecuencia un aumento considerable en el costo del arrendamiento por pie cuadrado, muy

por encima de las proyecciones razonables de aumento de valor que podían vislumbrarse para el año 1959.

12. Esta situación se ha dado como consecuencia de los drásticos cambios económicos que se han experimentado en las pasadas décadas en Puerto Rico, especialmente en el área metropolitana de San Juan, lugar donde se encuentra localizada la propiedad objeto del presente contrato. Han contribuido a dichos cambios el aumento sustancial en el costo de vida, el aumento poblacional registrado en las pasadas décadas el cual ha excedido las expectativas de crecimiento para los años 50, el desarrollo económico y el mejoramiento del nivel de vida en Puerto Rico, que también superó todas las expectativas habidas para entonces. También ha influido considerablemente, el aumento geométrico en el número de estudiantes universitarios en el sector donde ubica la propiedad que históricamente ha sido una ciudad eminentemente universitaria.

13. Cabe destacar que la propiedad objeto del presente pleito está localizada en el casco de Río Piedras, lugar donde se encuentra el principal centro de estudios universitarios del país y donde han surgido nuevas instituciones educativas en el área que lo han convertido en el Centro Universitario de Puerto Rico. Por otro lado, dicha localidad se ha desarrollado y convertido en un gigantesco Centro Comercial para toda el área Metropolitana promovido en parte por el desarrollo de proyectos como el Paseo de Diego, el plan para la Revitalización y Desarrollo del casco urbano de Río Piedras y otros programas de infraestructura dirigidos a la rehabilitación económica de este sector, así como el establecimiento del Tren Urbano, que tiene una estación a pasos de la propiedad de los demandantes, entre otros. Todos estos fenómenos eran elementos inanticipables razonablemente para el 1959. Estos constituyen cambios sustanciales a las circunstancias que rodearon el otorgamiento

del contrato objeto del presente pleito, las cuales permitirían su resolución al tornarse demasiado oneroso su cumplimiento al presente, bajo los términos y condiciones pactados para el año 1959.

III. PRIMERA CAUSA DE ACCION:

14. Se adoptan y se hacen formar parte de todas las causas de acción de la presente demanda las alegaciones antes enumeradas.

15. El mantenimiento de los términos de este contrato según acordados en el 1959, luego de transformaciones y cambios tan sustanciales e inanticipables de las circunstancias y realidades imperantes al momento de su celebración, constituye un enriquecimiento injusto, desproporcionado y abusivo para el arrendatario en perjuicio y a expensas de los legítimos derechos propietarios del dueño y arrendador de esta propiedad.

16. De continuar vigente este contrato bajo los términos pactados, el arrendador vería menoscabado sus derechos titulares sobre esta propiedad por tres años adicionales, en exceso de los cincuenta que han transcurrido, bajo un régimen injusto, cuando se han registrado aumentos tan significativos en el costo de vida, así como seguramente en las operaciones y ganancias de la empresa arrendataria que no guardan ni remota proporción con la situación de ésta para el 1959, atentando ello contra toda noción de lo justo en nuestro ordenamiento jurídico:

17. El resultado neto de todo ello es que gracias al contrato objeto del presente pleito la parte arrendataria paga un canon de renta de \$1.43 por pie cuadrado cuando actualmente el valor real de arrendamiento en el mercado para una propiedad comercial como la de los demandantes es de \$10.00. Véase Certificación del Tasador Enrique Meléndez Lugo, (Exhibit I).

18. Ante un cuadro como el antes esbozado, no cabe duda que es de aplicación la doctrina de "rebus sic stantibus". Mediante ésta lees permitido a una parte en un contrato resolver el mismo cuando han ocurrido cambios sustanciales en las circunstancias del contrato que fueron inanticipables al momento de su otorgamiento, que hacen su cumplimiento uno demasiado oneroso e injusto para una de las partes. Como una condición implícita y sobre entendida en la contratación, esta doctrina parte del supuesto que los contratos de trato sucesivo, como el presente o de cumplimiento aplazado obligan mientras no ocurran cambios importantes en el estado de hechos contemplado por las partes al momento de contratar.

19. Asimismo, nuestro ordenamiento legal no tolera, ni permite que una parte, amparándose en sutilezas técnico-jurídicas cubiertas con ropaje de legalidad, se enriquezca injustamente a expensas y en perjuicio de los derechos y legítimos intereses de la otra parte. Conforme al principio de la equidad, la cláusula *rebus sic stantibus* atempera la inflexibilidad y severidad del principio de *pacta sunt servanda* recogido en el artículo 1044 del Código Civil y le permite al tribunal intervenir en aquellos contratos en los que se laceraría la buena fe o se causaría una injusticia al obligar a su cumplimiento específico.

20. En Puerto Rico nuestro Tribunal Supremo ha aplicado la cláusula *rebus sic stantibus* en aquellas situaciones en que el desequilibrio entre las prestaciones producido por cambios extraordinarios e imprevisibles en el estado de hechos posterior a la celebración de un contrato, llega a dimensiones de mala fe, hiere el principio de la voluntariedad y hace el cumplimiento excesivamente oneroso para una de las partes.

21. Se solicita como primera causa de acción la resolución del contrato bajo la teoría de *rebus sic stantibus*. Dicha

resolución del contrato en cuestión no causa a la parte demandada un perjuicio irrazonable y desproporcionado frente la justicia que ello acarrearía para la demandante.

IV. SEGUNDA CAUSA DE ACCION:

22. Por otro lado, la parte demandante estaría dispuesta a suscribir un nuevo contrato de arrendamiento a la luz de las realidades económicas importantes a este momento, en el cual se establezca un canon de arrendamiento a tono con la realidad actual del mercado. También estaría dispuesta a ofrecer el local a la venta, si así lo interesa la parte demandada, a fin de balancear los intereses de ambas partes en esta relación contractual.

V. TERCERA CAUSA DE ACCION:

23. Desde el año 1980 la parte demandante ha requerido a la demandada renegociar los términos del contrato de arrendamiento a los efectos de atemperar los cambios en el valor de la propiedad acecidos desde al año en que se otorgó dicho contrato, (Exhibit II).

24. A pesar de ello, la demandada ignoró de mala fé los requerimientos de la demandante, logrando enriquecerse injustamente al dejar de pagar por espacio de treinta años una suma sustancial por concepto de arrendamiento según correspondía de acuerdo a las circunstancias vigentes.

25. Considerando un costo de alquiler promedio de diez dólares (\$10.00), tenemos que la parte demandada dejó de pagar a la demandante la suma anual de \$113,400.12. Por tanto, la demandada adeuda a la demandante la suma de \$3,402,003.60 de rentas por los últimos 30 años, suma que es líquida y exigible, la cual se reclama en la presente causa de acción.

VI. CUARTA CAUSA DE ACCION:

26. El contrato de arrendamiento objeto del presente pleito le imponía a la parte demandada en su cláusula número 8 la

obligación de mantener en buenas condiciones las instalaciones eléctricas y de plomería y en su cláusula número 11 la obligación de hacer las reparaciones al inmueble.

27. A pesar de ello, durante el tiempo que el inmueble lleva en su poder la demandada nunca le dio mantenimiento a dicha propiedad.

28. En vista del referido incumplimiento de contrato por parte de la demandada, la demandante invoca su derecho a resolver el contrato, bajo la cláusula 14 de éste, (**Exhibit III**).

EN VIRTUD DE LO ANTERIORMENTE EXPUESTOSe solicita muy respetuosamente de este Honorable Tribunal que: (a)en función de los cambios sustanciales habidos en la realidad y circunstancias de la relación contractual entre las partes desde su constitución hasta el presente y en virtud de la doctrina que proscribe el enriquecimiento injusto de una parte en perjuicio de la otra, se decrete la resolución del presente contrato; (b)se ordene la modificación del contrato a los efectos de que se establezca un cánón de arrendamiento a tono con la realidad económica actual; (c) se le imponga a la demandada el pago de las suma correspondiente a la que dejó de pagar por concepto de cánones de arrendamiento, desde el momento en que se le requirió renegociar el contrato, suma que asciende a la cantidad de \$3,402,003.60; y (d) se ordene la resolución del contrato por no haber cumplido la demandada con sus obligaciones contractuales y se imponga a la demandada el pago de las costas, gastos y honorarios de abogado, junto a cualquier otro pronunciamiento que proceda en derecho.

En San Juan, Puerto Rico, hoy 8 de enero de 2010.

RESPECTUOSAMENTE SOMETIDA.

Estimado Lcdo. Acevedo,

Sirva la presente para aclarar los valores estimados en la tasación que le preparé a Morales Realty, Inc, sobre la propiedad localizada en la calle De Diego #70, Rio Piedras, PR. En dicha tasación se realizaron los tres métodos de valoración. Estos son el método de Costo, el método de Comparación de Venta Directa y el método de Capitalización de Rentas. Estos últimos dos se conocen comúnmente como el método de Ventas Comparables y el método de Ingresos. Debido a que el sujeto es una propiedad generadora de ingresos y a que existen numerosas propiedades generadoras de ingreso en el vecindario, le di más peso al método de Ingresos.

Empleando el método de Ingresos estimé dos valores por separado. Primero, el valor de la propiedad como si estuviera vacante y lista para rentarse, lo que equivale al valor del mercado asumiendo el pleno dominio del sujeto. Este valor es de \$1,066,000. Segundo, el valor del arrendatario (leased fee) basándome en la renta según el contrato de arrendamiento existente. Este valor es de \$96,500. En este caso fue prudente estimar el valor del arrendatario ya que la renta basada en el contrato de arrendamiento estaba extremadamente por debajo de la renta del mercado. Si lo analizamos desde el punto de vista de renta por pie cuadrado, podemos concluir que la renta del mercado fluctúa entre \$10 a \$12 el pie cuadrado, y bajo el contrato actual la renta por pie cuadrado se está pagando a razón de \$1.43, lo cual va en detrimento del valor de la propiedad.

Luego de leer el actual contrato de arrendamiento del sujeto puedo concluir varias cosas:

1. El contrato de arrendamiento del sujeto no es típico.
2. El contrato de arrendamiento del sujeto es irrisorio y oneroso. La conclusión de los valores estimados así lo demuestra.
3. El contrato de arrendamiento del sujeto perjudica enormemente el valor del edificio.
4. El contrato de arrendamiento del sujeto perjudica el tiempo de mercadeo y el tiempo de exposición del mercado del sujeto.
5. Las condiciones bajo las cuales se pudo haber negociado un contrato como este son irregulares.

11 28. Plaintiff issued cease and desist letters to certain of the above parties, and
12 is informed and believes and thereon alleges that, in spite of their receipt of the
13 aforementioned cease and desist demand letters, Defendants continued to sell
14 Infringing Garments C and D in violation of Plaintiff's rights as the copyright
15 proprietor and owner of Subject Design.

16 29. Subject Design A and Subject Design B will be collectively referred to as
17 "Subject Designs," and Infringing Garments A, B, C, and D be referred to
18 collectively as "Infringing Garments."

19 **FIRST CLAIM FOR RELIEF**

20 (For Copyright Infringement - Against All Defendants, and Each)

21 30. Plaintiff repeats, realleges and incorporates herein by reference as though
22 fully set forth the allegations contained in Paragraphs 1 through 29, inclusive, of this
23 Complaint.

24 31. Plaintiff is informed and believes and thereon alleges that Defendants, and
25 each of them, had access to the Subject Designs, including but not limited to (a)
26 access to Plaintiff's showroom and/or design library; (b) access to lawful fabric
27 and/or garments in the marketplace, (c) access to illegally distributed copies of the

Subject Designs by third-party vendors, including but not limited to international and/or overseas converters and printing mills; and (d) access to Plaintiff's strike-offs and samples.

32. Plaintiff is informed and believes and thereon alleges that one or more of the Defendants manufactures garments and/or is a garment vendor. Plaintiff is further informed and believes and thereon alleges that said Defendant(s) has an ongoing business relationship with Defendant retailers, and each of them, and supplied Infringing Garments to such retailers after creating, manufacturing, importing, or purchasing fabrics or other piece goods which featured unauthorized print designs that were identical or substantially similar to one or more of the Subject Designs.

33. Plaintiff is informed and believes and thereon alleges that Defendants, and each of them, infringed Plaintiff's copyrights by creating, making and/or developing directly infringing and/or derivative works from the Subject Designs and by producing, distributing and/or selling Infringing Garments through a nationwide network of retail stores and through on-line websites.

34. Due to Defendants' acts of infringement, Plaintiff has suffered substantial damages to its business in an amount to be established at trial.

35. Due to Defendants' acts of infringement, Plaintiff has suffered damage to its reputation and goodwill, lost profits, a diminution to the value of the market for its designs, and other general and special damages in an amount to be established at trial.

36. Due to Defendants' acts of copyright infringement as alleged herein, Defendants, and each of them, have obtained direct and indirect profits they would not otherwise have realized but for their infringement of the Subject Designs. As such, Plaintiff is entitled to disgorgement of Defendant's profits directly and

1 indirectly attributable to Defendant's infringement of the Subject Designs in an
2 amount to be established at trial.

3 37. Plaintiff is informed and believes and thereon alleges that Defendants, and
4 each of them, have continued to import, manufacture, cause to be manufactured
5 and/or sell Infringing Garments after Plaintiff demanded that they cease and desist
6 from engaging in same. Therefore, Defendants' acts of copyright infringement as
7 alleged above were, and continue to be, willful, intentional and malicious, which
8 further subjects Defendants, and each of them, to liability for statutory damages
9 under Section 504(c)(2) of the Copyright Act in the sum of up to one hundred fifty
10 thousand dollars (\$150,000) per infringement. Further, Defendants', and each of
11 their, knowing, willful and intentional misappropriation and/or infringement of
12 Plaintiff's copyrighted Subject Designs renders Defendants, and each of them, liable
13 for statutory damages as described herein. Within the time permitted by law,
14 Plaintiff will make its election between actual damages and statutory damages.

15 **SECOND CLAIM FOR RELIEF**

16 (For Vicarious and/or Contributory Copyright Infringement - Against All
17 Defendants, and Each)

18 38. Plaintiff repeats, realleges and incorporates herein by reference as though
19 fully set forth the allegations contained in Paragraphs 1 through 37, inclusive, of this
20 Complaint.

21 39. Plaintiff is informed and believes and thereon alleges that Defendants
22 knowingly induced, participated in, aided and abetted in, and profited from the
23 illegal reproduction and/or subsequent sales of garments featuring one or more of the
24 Subject Designs as alleged hereinabove.

25 40. Plaintiff is informed and believes and thereon alleges that Defendants, and
26 each of them, are vicariously liable for the infringements alleged herein because they

had the right and ability to supervise the infringing conduct and because they had a direct financial interest in the infringing conduct.

3 41. By reason of the Defendants', and each of their, acts of contributory
4 infringement as alleged above, Plaintiff has suffered and will continue to suffer
5 substantial damages to its business in an amount to be established at trial, as well as
6 additional general and special damages in an amount to be established at trial.

7 42. Due to Defendants' acts of copyright infringement as alleged herein,
8 Defendants, and each of them, have obtained direct and indirect profits they would
9 not otherwise have realized but for their infringement of the Subject Designs. As
10 such, Plaintiff is entitled to disgorgement of Defendants' profits directly and
11 indirectly attributable to Defendants' infringement of the Subject Designs, in an
12 amount to be established at trial.

13 43. Plaintiff is informed and believes and thereon alleges that Defendants, and
14 each of them, have continued to manufacture and/or sell Infringing Garments after
15 Plaintiff demanded that they cease and desist from engaging in same. Therefore,
16 Defendants' acts of copyright infringement as alleged above were, and continue to
17 be, willful, intentional and malicious, subjecting Defendants, and each of them, to
18 liability therefore, including statutory damages under Section 504(c)(2) of the
19 Copyright Act in the sum of one hundred fifty thousand dollars (\$150,000) per
20 infringement. Further, Defendants', and each of their, willful and intentional
21 misappropriation and/or infringement of Plaintiff's copyrighted Subject Designs
22 renders Defendants, and each of them, liable for statutory damages as described
23 herein. Within the time permitted by law, Plaintiff will make its election between
24 actual damages and statutory damages.

PRAYER FOR RELIEF

26 Wherefore, Plaintiff prays for judgment as follows:

Against All Defendants

1 1. With Respect to Each Claim for Relief

- 2 a. That Defendants, their agents and servants be enjoined from selling
3 product, or otherwise, infringing Plaintiff's copyrights in the Subject
4 Designs;
- 5 b. That Plaintiff be awarded all profits of Defendants plus all losses of
6 Plaintiff, the exact sum to be proven at the time of trial, or, if elected
7 before final judgment, statutory damages as available under the
8 Copyright Act, 17 U.S.C. § 101 et seq.;
- 9 c. That Plaintiff be awarded its attorneys' fees as available under the
10 Copyright Act 17 U.S.C. § 101 et seq.;
- 11 d. That Defendants, and each of them, account to Plaintiff for their profits
12 and any damages sustained by Plaintiff arising from the foregoing acts
13 of infringement;
- 14 e. That Plaintiff be awarded pre-judgment interest as allowed by law;
- 15 f. That Plaintiff be awarded the costs of this action; and
- 16 g. That Plaintiff be awarded such further legal and equitable relief as the
17 Court deems proper.

18 Plaintiff demands a jury trial pursuant to Fed. R. Civ. P. 38 and the 7th
19 Amendment to the United States Constitution.
