RE: Large Apparel of SC Inc.File#52327018  
Case 10-13037

To Whom It May Concern

I am writing about the Priority Taxes on the 2011 taxes for the File#52327018. *Amount requested, \$ 346,64.*  
Greenville County did file a claim for the 2010 taxes. On front of that claim form I indicated that Greenville County did not receive proper notification of the company BMC filing a claim. In which we filed late due to an improper address.

Please take the 2011 bill and process as an Administrative Claim. The business still shows open with the Department of Revenue.  
I have attached the 2011 bill for you to see that it is not paid.  
I will be waiting for your reply to my letter.

At your Service,

Theresa Rich
