**Important Customer Information**

Effective on or about July 1, 2010, the Federal Subscriber Line Charge may change on your main phone line and on any additional phone line. This charge helps pay for the costs of providing and maintaining the local network.

In addition, your Federal Universal Service Fund (FUSF) surcharge may change effective on or about July 1, 2010. The FUSF surcharge, which is authorized by the FCC and reviewed quarterly, provides funding for programs to keep local telephone rates affordable for all customers and to provide discounts to schools, libraries, rural health care providers and low-income families.

**Bankruptcy Information**

If you are subject to pending bankruptcy proceedings or if you received a bankruptcy discharge, and if this statement includes charges for service prior to the filing of your bankruptcy petition, Verizon is providing the pre-bankruptcy charges for your information only and you should not pay those pre-bankruptcy charges.

Please direct all correspondence concerning any bankruptcy to PO Box 3037, Bloomington, IL 61702
