11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These Global Notes and Statement of Limitations, Methodology and Disclaimer regarding the Debtors’ Schedules and Statements (collectively, the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of, all the Schedules and Statements. These Global Notes should be referred to, and reviewed in connection with, any review of the Schedules and Statements.²

The Schedules and Statements have been prepared by the Debtors’ management and are unaudited and subject to potential adjustment. In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. The Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information; however, subsequent information or discovery may result in material changes to the Schedules and Statements and inadvertent errors, omissions or inaccuracies may exist. The Debtors reserve all rights to amend or supplement their Schedules and Statements.

Reservation of Rights. Nothing contained in the Schedules and Statements or these Global Notes shall constitute a waiver of any of the Debtors’ rights or an admission with respect to their chapter 11 cases including, but not limited to, any issues involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the provisions of chapter 3 of the Bankruptcy Code and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers.

² These Global Notes are in addition to any specific notes contained in each Debtor’s Schedules or Statements. The fact that the Debtors have prepared a “General Note” with respect to any of the Schedules and Statements and not to others should not be interpreted as a decision by the Debtors to exclude the applicability of such General Note to any of the Debtors’ remaining Schedules and Statements, as appropriate.

Description of the Cases and “As of” Information Date. On

September 21, 2010 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief with the Court under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Court subsequently entered an order jointly administering these cases pursuant to Bankruptcy Rule 1015 (b). The Debtors filed for bankruptcy shortly after midnight on September 21, 2010. As it is impractical to determine assets and liabilities as of an arbitrary time, the books were closed as of the end of day on September 20, 2010.

Basis of Presentation. Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, the Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of each Debtor on a non-consolidated basis where possible. For purposes of the Schedules and Statements, the Debtors used reasonable efforts to attribute the assets and liabilities of each of their businesses to the proper legal entity; however, because the debtors do not always record accounting entries at the individual legal entities, it is possible that not all assets or liabilities have been recorded at the correct legal entity on the Schedules and Statements. As such, the Debtors reserve all rights to amend these Schedules and Statements accordingly. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent at the Petition Date or at any time prior to the Petition Date. Likewise, to the extent

that a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent at the Petition Date or any time prior to the Petition Date.

Consolidated Entity Accounts Payable and Disbursement Systems. The Debtors use a centralized cash management system to collect funds from customers and transfer them into their primary concentration accounts and maintain a consolidated accounts payable and disbursements system to pay operating and administrative expenses through various disbursement accounts. A more complete description of the Debtors' centralized cash management system can be found in the Debtors' "Cash Management" Motion filed on the Petition Date. Due to the centralized cash management system, certain payments reflected in Urban Brands, Inc. response to SOFA 3b may have been made on behalf of other affiliated Debtors.

Insiders. For purposes of the Schedules and Statements, the Debtors define "insiders" pursuant to section 101(31) as (a) directors, (b) officers, (c) relatives of directors or officers of the Debtors and (d) person in control. Except as otherwise disclosed, payments to insiders listed in (a) through (d) above are set forth on Statement 3c. Persons listed as "insiders" have been included for informational purposes only and is not intended to be nor should be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right or defense, and all such rights, claims, and defenses are hereby expressly reserved. Further, the Debtors do not take any position with respect to (a) such person's influence over the control of the Debtors, (b) the management responsibilities or functions of such individual, (c) the decision-making or corporate authority of such individual or (d) whether such individual could successfully argue that he or she is not

an “insider” under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

Summary of Significant Reporting Policies. The following is a summary of certain significant reporting policies:

Current Market Value — Net Book Value. In many instances, current market valuations are neither maintained by nor readily available to the Debtors. It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtors’ property interests that are not maintained or readily available. Accordingly, unless otherwise indicated, the Schedules and Statements reflect the net book values, rather than current market values, of the Debtors’ assets as of the Petition Date and may not reflect the net realizable value. For this reason, amounts ultimately realized will vary, at some times materially, from net book value.

First Day Orders. Pursuant to various “first day” orders issued by the Court, the Debtors were authorized to pay certain pre-petition claims, including, without limitation, claims relating to employee wages and benefit claims, claims for taxes and fees, claims of shippers, warehousemen and lien claimants. However, the claims listed in the Schedules and Statements may not reflect amounts paid pursuant to these various “first day” orders as they were unpaid as of the Petition Date. To the extent claims listed on the Schedules and Statements have been or are subsequently paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend or supplement their Schedules and Statements as is necessary and appropriate.

Paid Claims. As part of the “first day orders,” the bankruptcy court authorized the Debtors to pay the prepetition claims of employees (including workers’ compensation

claims. Further, the Debtors were authorized to pay prepetition amounts due under certain insurance premium financing agreements. As such, the Debtors have not included claims of this nature in the Schedules and Statements.

Undetermined Amounts. The description of an amount as “unknown,” or “undetermined” is not intended to reflect upon the materiality of such amount.

Estimates. To timely close the books and records of the Debtors as of the Petition Date and to prepare such information on a legal entity basis, the Debtors were required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and reported revenue and expenses as of the Petition Date. The Debtors reserve all rights to amend the reported amounts of assets, liabilities, reported revenue and expenses to reflect changes in those estimates and assumptions.

Totals. The asset totals listed on Schedules A and B represent all known amounts included in the Debtors’ books and records as of the Petition Date. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.

Classifications. Listing a claim (a) on Schedule D as “secured,” (b) on Schedule E as “priority,” (c) on Schedule F as “unsecured priority,” or (d) listing a contract or lease on Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtors of the legal rights of the claimant, or a waiver of the Debtors’ right to recharacterize or reclassify such claim or contract.

Claims Description. Any failure to designate a claim on a given Debtor’s Schedules as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtor that such amount is not “disputed,” “contingent” or “unliquidated.” The Debtors reserve all rights to dispute, or to assert any offsets or defenses to, any claim reflected on their respective Schedules on any grounds including, without limitation, amount, liability, validity, priority or classification,

or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” Listing a claim does not constitute an admission of liability by the Debtors, and the Debtors reserve the right to amend the Schedules accordingly.

SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name, mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m).

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community." If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Report the total of amounts entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Report the total of amounts not entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts not entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.
