(iv) Grant, pursuant to sections 364(c)(2), 364(c)(3) and 364(d) of the Bankruptcy Code, the DIP Lender first-priority priming, valid, perfected and enforceable liens, subject only to the Carve-Out (as defined below) and the Permitted Prior Liens (as defined below), upon all of the Debtors’ real and personal property as provided in and as contemplated by this Interim Order and the DIP Financing Agreements;

The Court having considered the DIP Motion, the Declaration of Michael A. Abate, Vice President Finance/Treasurer of the Debtors, in support of the Debtors' first-day motions and orders, the exhibits attached thereto, the DIP Financing Agreements, and the evidence submitted at the hearing on this Interim Order (the "**Interim Hearing**"); and due and proper notice of the DIP Motion and the Interim Hearing having been given; and it appearing that approval of the interim relief requested in the DIP Motion is necessary to avoid immediate and irreparable loss or damage to the Debtors pending the Final Hearing and otherwise is fair and reasonable and in

the best interests of the Debtors, their creditors, their estates and their equity holders, and is essential for the continued operation of the Debtors' business; and all objections, if any, to the entry of this Interim Order having been withdrawn, resolved, or overruled by this Court; and after due deliberation and consideration, and for good and sufficient cause appearing therefor:

BASED UPON THE RECORD ESTABLISHED BY THE DEBTORS AT THE INTERIM HEARING, THE COURT HEREBY MAKES THE FOLLOWING FINDINGS OF FACT AND CONCLUSIONS OF LAW:

A. **Petition Date.** On September 21, 2010 (the "**Petition Date**"), the Debtors each filed voluntary petitions under chapter 11 of the Bankruptcy Code with the United States Bankruptcy Court for the District of Delaware. The Debtors have continued in the management and operation of their business and property as debtors in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in the Cases.

B. **Jurisdiction and Venue.** This Court has jurisdiction over these proceedings, pursuant to 28 U.S.C. §§ 157(b) and 1334, and over the persons and property affected hereby. Consideration of the DIP Motion constitutes a core proceeding under 28 U.S.C. § 157(b)(2). Venue for the Cases and proceedings on the DIP Motion is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409.

C. **Committee Formation.** A statutory committee of unsecured creditors (together with any other statutory committee appointed in these Cases, the "**Committee**") has not yet been appointed in the Cases.

D. **Notice.** The Interim Hearing is being held pursuant to the authorization of Rule 4001 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**") and Del. Bankr. L.R. 4001-2. Notice of the Interim Hearing and the emergency relief requested in the DIP Motion has been provided by the Debtors, whether by telecopy, email, overnight courier or hand delivery on September 21, 2010, to certain parties in interest, including: (i) the Office of the

United States Trustee, (ii) the Debtors' twenty (20) largest unsecured creditors on a consolidated basis, and (iii) counsel to the proposed DIP Lender and the proposed DIP Lender. Such notice of the Interim Hearing and the relief requested in the DIP Motion has been given pursuant to sections 102(1), 364(c) and 364(d) of the Bankruptcy Code, Bankruptcy Rules 2002, 4001(c), 4001(d) and the local rules of the Court.

E. **Debtors' Acknowledgements and Agreements.** Without prejudice to the rights of parties in interest as set forth in paragraph 7 below, the Debtors admit, stipulate, acknowledge, and agree that (collectively, paragraphs E (i) through E (x) hereof shall be referred to herein as the "**Debtors' Stipulations**"):

(i) **Pre-Petition Financing Agreement.** Prior to the commencement of the Cases, the Debtors were party to that certain Credit Agreement, dated as of September 3, 2004 by and among the Borrowers and Bank of America, N.A., as lender (together with any successor, the "**Pre-Petition Lender**"), and (B) all other agreements, documents, security agreements, guaranties, and instruments executed and/or delivered with, to, or in favor of the Pre-Petition Lender, including, without limitation, notes, and UCC financing statements and all other related agreements, documents, notes, certificates, and instruments executed and/or delivered in connection therewith or related thereto (collectively, as may be amended, modified or supplemented and in effect from time to time, collectively, the "**Pre-Petition Financing Agreements**").

(ii) **Pre-Petition Debt Amount.** As of the Petition Date, the Debtors were joint and severally indebted under the Pre-Petition Financing Agreements in the approximate principal amount of \$2,249,816.84, plus letters of credit in the approximate stated amount of \$2,366,323.50, plus interest accrued and accruing, costs, expenses, fees (including attorneys' fees and legal expenses), other charges and other obligations, including, without limitation, on account of cash management, credit card, depository, investment, hedging, and other banking or financial services (collectively the "**Pre-Petition Senior Debt**"); The Debtors admit, acknowledge, stipulate and agree that the Debtors are in default of their debts and obligations under the Pre-Petition Financing Agreements.

(iii) **Pre-Petition Collateral.** To secure the Pre-Petition Senior Debt, the Debtors granted security interests and liens (the "**Pre-Petition Senior Liens**") to the Pre-Petition Lender upon substantially all of the Debtors' personal property, including, without limitation, Accounts; Deposit Accounts; Equipment; General Intangibles; Goods; Inventory; Investment Property; Commercial Tort Claims, and the proceeds and products, whether tangible or intangible, of any of the

foregoing, including proceeds of insurance covering any or all of the Collateral (each as defined in the Pre-Petition Financing Agreements and/or the Uniform Commercial Code) (collectively, the “**Pre-Petition Collateral**”), with priority over all other liens except any liens that are valid, properly perfected, unavoidable, and senior to the Pre-Petition First Liens, they are referred to herein as the “**Permitted Prior Liens**”).

(iv) **Pre-Petition Liens.** (a) As of the Petition Date, each of the Debtors believes that (i) the Pre-Petition Senior Liens are valid, binding, enforceable, and perfected first-priority liens, subject only to any Permitted Prior Liens, (ii) the Pre-Petition Senior Debt constitutes legal, valid and binding obligations of each of the Debtors, enforceable in accordance with the terms of the Pre-Petition Financing Agreements (other than in respect of the stay of enforcement arising from section 362 of the Bankruptcy Code), and no offsets, defenses or counterclaims to any of the Pre-Petition Senior Debt exists, (iii) the Pre-Petition Liens and the Pre-Petition Senior Debt are not subject to avoidance, recharacterization or subordination pursuant to the Bankruptcy Code or applicable non-bankruptcy law, and (iv) the Pre-Petition Senior Debt constitutes allowed secured claims, and (b) on the date that this Interim Order is entered and by virtue of the entry of this Interim Order, each Debtor has waived, discharged and released the Pre-Petition Lender, together with its affiliates, agents, attorneys, officers, directors and employees, of any right any Debtor may have (x) to challenge or object to any of the Pre-Petition Senior Debt, (y) to challenge or object to the security for the Pre-Petition Senior Debt, and (z) to bring or pursue any and all claims, objections, challenges, causes of action and/or choses in action arising out of, based upon or related to the Pre-Petition Liens, the Pre-Petition Senior Debt, the Pre-Petition Financing Agreements or otherwise.

The Debtors do not possess and will not assert any claim, counterclaim, setoff or defense of any kind, nature or description which would in any way affect the validity, enforceability and non-avoidability of any of the Pre-Petition Financing Agreements, the Pre-Petition Senior Debt or the Pre-Petition Liens, or any claim of the Pre-Petition Lender pursuant to the Pre-Petition Financing Agreements.

(v) **Cash Collateral.** The Pre-Petition Lender has security interests in Cash Collateral, including all amounts on deposit in the Debtors’ banking, checking, or other deposit accounts and all proceeds of Pre-Petition Collateral, to secure the Pre-Petition Senior Debt to the same extent and order of priority as that which existed pre-petition.

(vi) **Priming of DIP Liens or Further Priming of Pre-Petition Liens.** In entering into the DIP Financing Agreements, and as consideration therefor, the Debtors hereby agree that until such time as (A) all DIP Liabilities and all remaining Pre-Petition Senior Debt have been irrevocably paid in full in cash, (B) all commitments to lend have terminated, (C) all letters of credit and banker’s acceptances have been secured as required by the DIP Loan Agreement, (D) all indemnity, cash management, and bank product obligations under the DIP

Financing Agreements have been cash collateralized in a manner satisfactory to the DIP Lender, and (E) the Pre-Petition Indemnity Account has been established (collectively, (A), (B), (C), (D) and (E) constitute the “**Full Payment of Senior Obligations**”), the Debtors shall not in any way prime or seek to prime the security interests and DIP Liens provided to the DIP Lender under this Interim Order, or further prime the Pre-Petition Liens beyond what is authorized in this Interim Order and the Final Order, by offering a subsequent lender or a party in interest a superior or pari passu lien or claim pursuant to Section 364(d) of the Bankruptcy Code or otherwise.

F. **Findings Regarding the Post-Petition Financing.**

(i) **Need for Post-Petition Financing and Use of Cash Collateral.** An immediate need exists for the Debtors to obtain funds from the DIP Facility and have the use of Cash Collateral in order to continue operations and to administer and preserve the value of their estates. Immediate and irreparable loss or damage will be caused to the Debtors’ estates if immediate financing is not obtained and permission to use Cash Collateral is not granted. The ability of the Debtors to finance their operations, to preserve and maintain the value of the Debtors’ assets and maximize a return for all creditors requires the availability of working capital from the DIP Facility and permission to use Cash Collateral, the absence of which would immediately and irreparably harm the Debtors, their estates, their creditors and equity holders and the possibility for a successful reorganization or sale of the Debtors’ assets as a going concern or otherwise.

(ii) **No Credit Available on More Favorable Terms.** The Debtors have been unable to obtain (A) unsecured credit allowable under Bankruptcy Code Section 503(b)(1) as an administrative expense, (B) credit for money borrowed with priority over any or all administrative expenses of the kind specified in Bankruptcy Code Sections 503(b) or 507(b), (C) credit for money borrowed secured solely by a lien on property of the estate that is not otherwise subject to a lien, or (D) credit for money borrowed secured by a junior lien on property of the estate which is subject to a lien, in each case, on more favorable terms and conditions than those

provided in the DIP Loan Agreement and this Interim Order. The Debtors are unable to obtain credit for borrowed money without granting to the DIP Lender the DIP Protections (as defined below).

(iii) **Pre-Petition Liens.** Nothing herein shall constitute a finding or ruling by this Court that any Pre-Petition Lien is valid, senior, perfected or unavoidable. Moreover, subject to paragraph 7 of this Interim Order, nothing shall prejudice the rights of any Committee to challenge the validity, priority, perfection or extent of the Pre-Petition Liens as set forth in this Order.

(iv) **Permitted Prior Liens.** Nothing herein shall constitute a finding or ruling by this Court that any Permitted Prior Lien is valid, senior, perfected or unavoidable. Moreover, nothing shall prejudice the rights of any party in interest, including but not limited to the Debtors, the DIP Lender, the Pre-Petition Lender, and any Committee, to challenge the validity, priority, perfection or extent of any such Permitted Prior.

G. **Section 506(c) Waiver.** As a further condition of the DIP Facility and any obligation of the DIP Lender to make credit extensions pursuant to the DIP Financing Agreements and as a condition of this Interim Order and the right to use Cash Collateral as permitted herein, upon entry of the Final Order, the Debtors (and any successors thereto or any representatives thereof, including any trustees appointed in the Cases or any Successor Cases (as defined below), shall be deemed to have waived any rights or benefits of Section 506(c) of the Bankruptcy Code in connection with the DIP Liens and the Pre-Petition Liens.

H. **Use of Proceeds of the DIP Facility.** Proceeds of the DIP Facility (net of any amounts used to pay fees, costs and expenses under the DIP Financing Agreements) shall be used, in each case in a manner consistent with the terms and conditions of the DIP Loan

Agreement, and in accordance with the Budget, as follows: (a) solely for (i) working capital and general corporate purposes, (ii) payment of costs of administration of the Cases, to the extent set forth in the Budget and the Carve-Out, and (iii) payment of the Adequate Protection Payments, and (b) upon entry of the Final Order, all letters of credit issued and all obligations on account of cash management services and bank products incurred under the Pre-Petition Financing Agreements shall be deemed issued and incurred under the DIP Financing Agreements and deemed to constitute "Obligations" thereunder, and (c) upon entry of the Final Order, payment in full of the remaining Pre-Petition Senior Debt. Payment of the Pre-Petition Senior Debt in accordance with the Final Order is necessary as the Pre-Petition Lender will not otherwise consent to the priming of the Pre-Petition Liens. Such payment will not prejudice the Debtors or their estates, because payment of such amounts is subject to the rights of parties in interest under paragraph 7 below, *and whatever remedy the Court may order, including but not limited to, disgorgement of any Pre-Petition Senior Debt that has been repaid.*

I. **Application of Proceeds of DIP Collateral.** All proceeds of the sale or other disposition of the DIP Collateral (as defined below) shall be applied: (a) first, to reduce the Pre-Petition Senior Debt until the Full Payment of Senior Obligations in respect of such Pre-Petition Senior Debt, and (b) second, to reduce the DIP Liabilities until the Full Payment of Senior Obligations in respect of such DIP Liabilities.

J. **Adequate Protection for Pre-Petition Lender.** Pursuant to Sections 361, 362, 363 and 364 of the Bankruptcy Code, the Pre-Petition Lender is entitled to receive adequate protection for any decrease in the value of its interest in the Pre-Petition Collateral (including Cash Collateral) on account of the grant of the DIP Liens, the subordination of the Pre-Petition Liens to the Carve-Out, the Debtors' use, sale, or lease of the Pre-Petition Collateral (including Cash Collateral) during these Cases, and the imposition of the automatic stay (in each case, a

“Diminution in Value”). As adequate protection for any Diminution in Value, the Pre-Petition Lender will receive: (1) the Pre-Petition Replacement Liens, (2) the Pre-Petition Superpriority Claim, (3) the Adequate Protection Payments, and (4) the Pre-Petition Indemnity Account.

K. **Section 552.** In light of their agreement to subordinate their liens and superpriority claims (i) to the Carve-Out in the case of the DIP Lender, and (ii) to the Carve-Out and the DIP Liens in the case of the Pre-Petition Lender, the DIP Lender and the Pre-Petition Lender are each entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code and the “equities of the case” exception shall not apply, except that with respect to the Pre-Petition Lender, this finding is subject to rights of parties in interest under paragraph 7 below.

L. **Extension of Financing; Consent to Use of Cash Collateral.** The DIP Lender has indicated a willingness to provide financing to the Debtors in accordance with the DIP Financing Agreements and subject to (i) the entry of this Interim Order and a Final Order, and (ii) findings by the Court that such financing is essential to the Debtors’ estate, that the DIP Lender is a good faith financier, and that the DIP Lender’s claims, superpriority claims, security interests and liens and other protections granted pursuant to this Interim Order and the DIP Financing Agreements will not be affected by any subsequent reversal, modification, vacatur or amendment of this Interim Order or the Final Order or any other order, as provided in section 364(e) of the Bankruptcy Code.

M. **Business Judgment and Good Faith Pursuant to Section 364(e).** The terms and conditions of the DIP Financing Agreement, and the fees paid and to be paid thereunder are fair, reasonable, and the best available under the circumstances, reflect the Debtors’ exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration; (ii) the DIP Financing Agreements were

negotiated in good faith and at arms' length between the Debtors and the DIP Lender, and (iii) use of the proceeds to be extended under the DIP Facility will be so extended in good faith, and for valid business purposes and uses, as a consequence of which the DIP Lender is entitled to the protection and benefits of section 364(e) of the Bankruptcy Code. Similarly, in consideration of the consent to use Cash Collateral granted by the Pre-Petition Lender, the Pre-Petition Lender's claims, superpriority claims, security interests and liens and other protections granted pursuant to this Interim Order will not be affected by any subsequent reversal, modification, vacatur or amendment of this Interim Order or the Final Order or any other order, as provided in section 364(e) of the Bankruptcy Code.

M. **Relief Essential; Best Interest.** The relief requested in the DIP Motion is necessary, essential, and appropriate for the continued operation of the Debtors' business and the management and preservation of the Debtors' assets and personal property. It is in the best interest of Debtors' estates to be allowed to establish the DIP Facility contemplated by the DIP Loan Agreement.

N. **Entry of Interim Order.** For the reasons stated above, the Debtors have requested immediate entry of this Interim Order pursuant to Bankruptcy Rule 4001(c)(2).

NOW, THEREFORE, on the DIP Motion of the Debtors and the record before this Court with respect to the DIP Motion, and with the consent of the Debtors, the Pre-Petition Lender, and the DIP Lender to the form and entry of this Interim Order, and good and sufficient cause appearing therefor,

IT IS ORDERED that:

1. **Motion Granted.** The DIP Motion is granted in accordance with the terms and conditions set forth in this Interim Order.

2. **DIP Financing Agreements.**

(a) **Approval of Entry Into DIP Financing Agreements.** The Debtors are expressly and immediately authorized, empowered and directed to execute and deliver the DIP Financing Agreements and to incur and to perform the DIP Liabilities in accordance with, and subject to, the terms of this Interim Order and the DIP Financing Agreements and to execute and deliver all instruments, certificates, agreements, and documents which may be required or necessary for the performance by the Debtors under the DIP Facility and the creation and perfection of the DIP Liens described in and provided for by this Interim Order and the DIP Financing Agreements. The Debtors are hereby authorized and directed to do and perform all acts, pay the principal, interest, fees, expenses, and other amounts described in the DIP Financing Agreements and this Interim Order, as applicable, as such become due, including, without limitation, closing fees, administrative fees, commitment fees, letter of credit fees and reasonable attorneys', financial advisors' and accountants' fees and disbursements as provided for in the DIP Financing Agreements and this Interim Order, which amounts shall not otherwise be subject to approval of this Court; however, the DIP Lender shall provide to the U.S. Trustee and counsel to any Committee, on a monthly basis, the total amount of professional fees and expenses incurred per calendar month in the Cases, and upon request, the DIP Lender shall provide the invoices relating to such fees and expenses, redacted as necessary to remove any privileged or otherwise confidential information, with such invoices subject to objection as to reasonableness, with any unresolved objection to be resolved by the Court.

(b) **Authorization to Borrow.** In order to enable them to continue to operate their business, during the Interim Period and subject to the terms and conditions of this Interim Order, the DIP Loan Agreement, the other DIP Financing Agreements, and the Budget, the

Debtors are hereby authorized under the DIP Facility to borrow up to a total committed amount of \$~~5~~ 6,000,000 (including the issuance of letters of credit).

(c) **Application of DIP Proceeds.** The proceeds of the DIP Facility (net of any amounts used to pay fees, costs and expenses under the DIP Loan Agreement) shall be used, in each case in a manner consistent with the terms and conditions of the DIP Financing Agreements, and in accordance with the Budget, as follows: (a) solely for (i) working capital and general corporate purposes, (ii) payment of costs of administration of the Cases, to the extent set forth in the Budget and the Carve-Out, and (iii) payment of the Adequate Protection Payments, (b) upon entry of this Interim Order, all letters of credit issued and all obligations on account of cash management services and bank products incurred under the Pre-Petition Financing Agreements shall be deemed issued and incurred under the DIP Financing Agreements and deemed to constitute "Liabilities" thereunder, and (c) upon entry of the Final Order, payment in full of the remaining Pre-Petition Senior Debt.

(d) **Conditions Precedent.** The DIP Lender shall have no obligation to make any loan or advance under the DIP Loan Agreement during the Interim Period unless the conditions precedent to making such loan under the DIP Loan Agreement have been satisfied in full or waived in accordance with the DIP Loan Agreement.

(e) **Post-Petition Liens.** Effective immediately upon the entry of this Interim Order, the DIP Lender is hereby granted pursuant to sections 361, 362, 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code, priming first-priority, continuing, valid, binding, enforceable, non-avoidable and automatically perfected postpetition security interests and liens (collectively, the "**DIP Liens**"), senior and superior in priority to all other secured and unsecured creditors of the Debtors' estates except as otherwise provided in this Interim Order and the Final Order, upon

and to all presently owned and hereafter acquired assets and real and personal property of the Debtors, including, without limitation, the following:

- (a) Accounts;

(b) In any exercise of their rights and remedies under the DIP Financing Agreements upon a DIP Order Event of Default, the DIP Lender is authorized to proceed under or pursuant to the DIP Financing Agreements.

(d) **No Waiver.** The failure of the Pre-Petition Lender and the DIP Lender to seek relief or otherwise exercise their rights and remedies under the DIP Financing Agreements, the DIP Facility, the Pre-Petition Financing Agreements, this Interim Order or otherwise, as applicable, shall not constitute a waiver of any of the Pre-Petition Lender's or the DIP Lender's rights hereunder, thereunder, or otherwise. Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, or otherwise impair the Pre-Petition Lender or the DIP Lender under the Bankruptcy Code or under non-bankruptcy law, including without limitation, the rights of the Pre-Petition Lender and the DIP Lender to (i) request conversion of the Cases to cases under Chapter 7, dismissal of the Cases, or the appointment of a trustee in the Cases, (ii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a plan of reorganization or plan of liquidation for the Debtors (a "**Plan**"), or (iii) exercise any of the rights, claims or privileges (whether legal, equitable, or otherwise) of the DIP Lender or the Pre-Petition Lender.

(e) **No Third Party Rights.** Except as explicitly provided for herein, this Interim Order does not create any rights for the benefit of any third party, creditor, equity holder, or any direct, indirect, or incidental beneficiary.

(f) **No Marshaling.** Neither the DIP Lender nor the Pre-Petition Lender shall be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral or the Pre-Petition Collateral, as applicable.

(g) **Section 552(b).** The DIP Lender and the Pre-Petition Lender shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code and the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall not apply to the DIP Lender or the Pre-Petition Lender with respect to proceeds, product, offspring, or profits

of any of the Pre-Petition Collateral, the Debtors' property subject to Pre-Petition Replacement Liens, or the DIP Collateral, except that with respect to the Pre-Petition Lender, this determination is subject to rights of parties in interest under paragraph 7 above.
